WEDNESDAYS

Wednesdays are for catching up and doing projects. For now, we will focus on catching up and getting more comfortable with our chromebooks. **In addition, your child should read for 20-30 minutes independently AND complete a session on reflex math each Wednesday.**

Ms. Smith/ Mrs. Vibbard will have office hours every Wednesday from 10-11. This is a time for students and/or parents to join via zoom to ask questions or get help with curriculum, technology or anything else you need.

Zoom code for Office Hours is the same as Morning Meeting and is linked in the ELA Google Classroom (Ms. Smith) and on the Third Grade Page (Mrs. Vibbard)

OTHER REMINDERS

- ★ Hybrid students need to bring their chromebooks to school each day. Please make sure they are charged!
- ★ Send your student with a water bottle and snack every day.
- ★ Breakfast & lunch are FREE for all students.
- ★ Please make every effort to keep your child on track with the rest of the class so that they don't fall behind. Especially in math! Your student's attendance must be accounted for each day in order for me to mark them "present." Easy ways to do this are joining our Morning Meeting or submitting assignments on Google Classroom. HOWEVER, if there is a time when you can't do the online work or need extra time, please reach out! Having a conversation with you means I can say that your child was "present" and I am happy to work with you.
- ★ Please make sure your student brings their Math and Reading supplies back to school everyday.
