

Dear Third Grade Families,

Welcome to Third Grade! We are so excited to be your child's teachers again this year. As third graders, they will move much more between our connected rooms throughout the day for small group learning and different subjects.

Students will have both P.E. and recess every day. They will need sneakers to participate. Please remember to send your child to school each day with a water bottle and snack (no candy or sugary drinks, please).

School supplies will be provided by the district again this year, but students will need a backpack to bring materials back and forth.

If you would like to donate (optional) supplies to our classrooms, we are always in need of:

- Clorox wipes
- Hand sanitizer
- Tissues
- Ziploc bags of any size
- Band-aids

If you would like to reach out before school starts, you can email us anytime at jbuttice@bgcsd.org or acarlin@bgcsd.org. We look forward to working together to make this a great year for your child and cannot wait to get started!

*Sincerely,
Jenna Buttice
Amanda Carlin*
