

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Summary & Background

Summary & Background

BAINBRIDGE-GUILFORD CSD

080201040000

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Summary & Background

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Submission Instructions

Submission Instructions

BAINBRIDGE-GUILFORD CSD

080201040000

Directions for Submitting the Application:

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

RE: ARP-ESSER Application – Part 2

New York State Education Department

89 Washington Avenue

Albany, NY 12234.

Deadline for Submitting the Applications:

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination

BAINBRIDGE-GUILFORD CSD

080201040000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.

*The B-G District established a Re-Opening committee in June of 2020. This committee has regular meetings to keep the school community apprised of the most recent updates, circumstances, and needs of the district. This committee will continue to serve during implementation of the ARP-ESSER grant for the purpose of involving all stakeholders and ensuring that the funds are being used to implement the plan and meet the needs of our students. The committee will meet at a minimum of once every semester, but meetings are called more often, monthly, if needs arise.

*The B-G administrative team met with each area/department to discuss needs due to COVID-19 and prioritize use of funds. The admin team will revisit with each department each semester throughout the implementation of the grant.

A survey was created and put on the school website. All community members were invited to complete the survey to gather input from the entire school community regarding the best use of funds. Future surveys will be conducted in the same fashion throughout the implementation of the grant.

*The Superintendent holds virtual coffees with the community quarterly to seek input and keep the school community updated.

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

2. **In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

All ARP-ESSER plans can be found on the B-G website. The url is <https://www.bgcd.org/DistrictPlansandDocuments.aspx>
 Once the ARP-ESSER grant is state approved, it will be posted here: <https://www.bgcd.org/Downloads/ARP%20ESSR%20COMING%20SOON.pdf>
 In an effort to reach out to the entire school community, the B-G district also posts on FaceBook. FaceBook postings direct the school community to the school website link for all COVID related information.
 When the district receives requests for details regarding the plan, they are directed to the school website. If the person does not have access to the internet a hard copy is made available through the B-G district office.

ARP-ESSER LEA Base 90% Allocation - Program Information

3. **In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

In order to safely open and operate the B-G schools for in-person learning and implement prevention and mitigation strategies consistent with the most recent CDC guidance the B-G district will:

- *Hire additional .6 nurse
- *Purchase additional cleaning equipment and sanitation supplies
- *Purchase necessary furniture for individual student and staff usage that may be efficiently cleaned

4. **In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

The B-G district will use triangulated data gathered from baseline benchmark assessments, teacher assessments, and any state assessments available. All students K-8 will have benchmark assessments three times a year, regularly progress monitoring assessments, and summative assessments. Interventions and supports will be adjusted based on data gathered.

At B-G we have several teams that collaborate to plan interventions and supports to address student needs. We have DAT, our district academic team which coordinates curriculum and establishes protocols for interventions to meet student needs. In response to COVID-19 we have planned to provide RTI interventions based on benchmark testing and progress monitoring. This data will be gathered from our newly implemented iReady program, our Wonders program, and NYS ELA and Math modules assessments. We assess all students and determine which skill areas need to be included in our interventions. With this grant, we were able to hire more RtI staff to provide more interventions to all students. We will utilize our SSTs (Student Support Teams) to address specific students with individual intervention needs. These teams include all special area teachers, including counselors, so we may address all areas, academic, social, and emotion. SEL interventions are provided such as adult mentors, check-up programs, relationship building with a 2 for 10 program, positive behavior interventions, and responsive classroom strategies. Tier 1 interventions will be adjustments to grade level curriculum based on data discussed above that determined where students are currently at. Tier 2 and 3 interventions will be provided as push-in and pull-out small groups with increasing frequency to provide students with support to reach grade level. We are working toward utilizing our intervention block in our schedule to ensure that every student is instructed at their level during this time. This time also allows counseling and SEL lessons to occur for all students. We will progress monitor students weekly, bi-weekly, or monthly depending on their tier group and provide skill-based interventions accordingly. Students needing further support will be addressed during our SST meetings and referred for more specialized interventions as needed.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

The B-G school district is addressing the academic impact of lost instructional time through evidence-based interventions by:

- *Hiring an additional RtI teacher to diagnose student academic instructional gaps and provide targeted interventions to help students reach grade level.
- *Purchasing supplies for RtI interventionists, such as the iReady program to help with screening, diagnostic and progress monitoring assessments to improve student growth and achievement.

6. **In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

The B-G district will use the remaining funds to:

- *Purchase radios and hire a .5 SRO to improve coordinated responses in order to prevent, prepare for, and respond to COVID-19
- *Hire an additional .6 nurse to respond to COVID-19 health and safety issues
- *Provide stipends for staff charged with accurate and timely grant management
- *Purchase cleaning equipment, such as vacuum cleaners, washer/dryers, and cleaning supplies to prevent, prepare for and respond to COVID-19
- *Purchase promethean boards to aid instruction and interaction between students and classroom teachers
- *Hire additional teachers and aides in all buildings to meet students' academic needs and provide differentiated instruction during in response to COVID-19
- *Purchase air purifying machines to improve the indoor air quality by filtering and purifying the air in classrooms and school offices.
- *Purchase individual student and staff desks and chairs to meet CDC social distancing guidance and prevent transmission of the COVID-19 virus as much as possible.

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

The B-G district will continually monitor that the interventions being implemented are responsive to our students by continually assessing student academic needs, student growth and achievement, and student social/emotional/mental health. At B-G we have a multitude of academic PLC's, department teams, student support teams, and administrative teams that regularly meet to ensure our interventions are in line with student needs.

The B-G school district primarily serves low-income families and children with disabilities. We do not have ELL students, students of color, students experiencing homelessness, children in foster care, or migratory students.

Our low-income families make up about 50% of our student body. Using grant funds, we have increased our RtI program by hiring additional teachers and aides to provide academic and SEL support to students. These staff members will provide interventions to students in accordance with our RtI program and work with both our DAT and SST programs as described in question #4 above.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

ARP-ESSER Return to In-Person Instruction

BAINBRIDGE-GUILFORD CSD

080201040000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

The most current re-opening/return to in-person learning plan is located on the B-G website. The url is

<https://www.bgcds.org/DistrictPlansandDocuments.aspx>

B-G FaceBook posts direct the school community to the school website link. If a person does not have internet connections, a hard copy of the plan is made available.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.

The B-G District's established Re-Opening Committee will continue to serve as the ARP-ESSER grant committee and will meet each semester (twice a school year) to review and revise our plan as appropriate. The district will seek public input for any necessary revisions by continuing to hold Superintendent Coffee with the Community nights quarterly and create public surveys for the community to complete either electronically or in hard copy when there is no access to the internet. All revisions, if any, will be in compliance with the CDC's current safety recommendations. The B-G district will continue to hold regular meetings of the District Re-Opening Committee to review the plan and update the school community.
