**Re: Cooperative Purchasing Athletic Supply & Equipment Bid Awards #2024-104**

**RESULTS & AWARDS:**

The bid was opened on March 19, 2024 and resulted in seventeen bid submissions. One bid submission was rejected due to the required bid documents were not provided by the vendor. One bid submission was for discount only. One bid submission was rejected due to the amount of the award did not offset the minimum shipping charge of \$25.00. Four vendors were not lowest bid on any of the items that they placed bids on.

On April 17, 2024, the bid award recommendations were presented to the DCMO BOCES Board. The bid award recommendations were approved and awarded by the Board.

Please see the attached “Athletic Supply & Equipment Bids Awards” in a PDF format. These are the results of the bid award recommendations. Any district in the service may take advantage of this award, even if the district did not participate in the initial requisitioning of items. The vendor contact sheet will give you additional information regarding the awarded bidder, such as the address, phone number, contact person, etc.

**Please make sure your PO's include the Bid Number 2024-104**

**IMPORTANT BID INFORMATION:**

Please note that according to our contract the awarded vendors must follow these terms:

- Must deliver and invoice within 35 days from the date the vendor confirms they received the purchase order. (If a vendor fails to deliver in this time, please contact our office, as we may implement the Buy Against Clause)
- Pricing is firm until 4/30/24.
- Must provide the brand they specified on the bid throughout the bid contract.
- Must not substitute any item unless they have advance approval from the district.
- Cannot say an item is discontinued or no longer available, and offer you a higher priced item. – PLEASE CONTACT US IMMEDIATELY – Substitutions must be at the bid price.
- Must not include shipping, handling or fuel surcharges on any order meeting minimum.
- You can combine orders for other items not on bid with any purchase order containing bid items to reach the minimum ordering amount (if applicable).

## **DISCOUNTS:**

The vendors who offer discounts off their website or catalog are listed below. If the item you need is not within this bid, you can search for the item utilizing the discounts from the vendors to ensure that you are getting the best possible price. Sometimes a 15% discount from one vendor is better than a 20% discount from another vendor but you must do your research and also look at minimum order amounts. Please review the discount analysis for further information.

## **NO BID ITEMS/REJECTED ITEMS**

If you see any price that shows as \$0.00 on any reports or online this means the item in question did NOT RECEIVE A BID. The item was either discontinued or not available from the vendors who provided a bid. The No Bid items may have a suitable substitution within the bid awards.

## **PRODUCT QUALITY / VENDOR ISSUE RESOLUTION PROCESS:**

If you have a Product Quality problem or Vendor Issue, please follow the process below:

1. Call the vendor contact person. Note the date and time you called about the issue. Make sure to have them give you a time or date that the problem will be resolved. Make sure you get the person's name and their phone number.
2. If the problem is not resolved or the person you spoke to is not responsive to correcting the problem, please email us the information below:
  - a. Details of the problem
  - b. The company you having an issue with
  - c. The PO Number and/or Invoice number
  - d. Your customer number
  - e. The person's name at the company you spoke to about the issue and their phone #
  - f. Variance form

Once we have the information we will work with the vendor and copy you on the email. If you need to speak with us for any reason, you can email us at [cooppur@dcmoboces.com](mailto:cooppur@dcmoboces.com). Feel free to call or email us with your issues or concerns. We will try our best to get it sorted!

## **READING THE PDF AWARDS:**

To search the PDF, there is a "find" box in the tool bar or use CTL & F on your keyboard. A search bar will appear and from there you can type in any keyword to find the items you are looking for.
