

Bainbridge-Guilford Central School District

The Blue and White

School News & Notes

April 2021 • Volume 40, No. 4

Congratulations Valedictorian and Salutatorian

SASHA ANN LAMOREE, VALEDICTORIAN!

Sasha Ann Lamoree, daughter of Dennis and Jennifer Lamoree, has been named the Valedictorian of the Bainbridge-Guilford Class of 2021. Throughout her entire four years of high school, she has been constantly on the Principal's list earning her a spot on the Junior and Senior National Honor Society. Through the school's affiliation with Tompkins Cortland Community College and SUNY Broome, Sasha was able to take many dual enrollment classes. She also took advantage of online courses to accumulate enough credits to graduate with her associate's degree in math and science from Tompkins Cortland Community College. Although she has had a rigorous course load in high school, being valedictorian has always been a long-term goal. One of her biggest motivators was when her father told her when she was young that he wanted to hear a speech at graduation.

Outside of her academics, Sasha is active in many extracurriculars. Joining volleyball was one of the best choices that she made as she moved into high school. Going through the program with the amazing coaches that have a passion for the sport, has been life-changing. Not only do coaches teach you how to play the game, but they also give life lessons and experiences that stay forever. Going to the state championship for volleyball taught her that to go far, one must have patience as well as being confident in one's abilities. She was also a three-year starter for the bowling team. As soon as she joined the team as a sophomore, the coach saw potential and helped her fall in love with the sport. Soon Sasha was the leading bowler with the highest average on the team for two years, helping to teach all the upcoming athletes to love the game. She has also participated in softball throughout her entire high school career. Playing on the softball team helped teach her that although one person may be great, sometimes it takes a whole team

MAKENNA SAGE CLARK, SALUTATORIAN!

Makenna Sage Clark, daughter of Shawn and Brandi Clark, has been named Salutatorian of the Bainbridge-Guilford Class of 2021. Throughout her high school career, she has maintained Principal's Honor Roll and served as the President of Senior National Honor Society. Makenna has put in countless hours of hard work in order to excel in concurrent enrollment classes through Tompkins Cortland Community College, SUNY Broome Community College, as well as AP courses.

While Makenna has been extremely focused on her academics, she has also been involved in extracurricular activities offered at Bainbridge-Guilford. She has been a member of the Varsity Volleyball team, contributing to the Bobcats' back-to-back New York State Championship titles. She has spent a multitude of hours behind the scenes with her dedicated coaches in order to improve her skills and knowledge of the game of volleyball. In 2019, after the team graduated seven seniors, Makenna and her co-captains led the team to sectionals where they placed second. Her passion for the sport carried on throughout each year as she participated in travel volleyball through Midstate Volleyball Club and Triple Cities Volleyball Club. She has also attended high level volleyball camps, including IREVA High Performance Training. Makenna believes that through her love and passion for the sport she has learned valuable life lessons, such as the value of perseverance, setting goals, and working hard to achieve them. Aside from volleyball, Makenna participated in Orchestra, playing the violin, starting in elementary school and continuing throughout junior high and high school.

As President of Senior National Honor Society, Makenna was able to establish new programs with the help of her fellow members. These programs include a tutoring program to assist junior high students with their school

Continued on next page

Valedictorian, cont.

to win. Other than athletics, Sasha has participated in many clubs throughout high school. She has played the violin since she was in 4th grade, been the treasurer of her class for 5 years, treasurer of the Jr and Senior Honor Society, and been the treasurer of Yes! Leads for one of the two years that she was a member.

Sasha would like to thank all of the staff in the district for being supportive and willing to genuinely help students grow as people. Many times has she gone to teachers for life advice, not once was she turned away. Growing up around these people for years has helped Sasha grow into an independent, honest, and hardworking student. She would also like to thank all of the coaches that she has had throughout the years because they have taught her to push past any obstacle and keep going. She would particularly like to thank her family for the constant support, guidance, and humor. Sasha's dad has been one of her most influential figures in her academic career by realizing her potential and pushing her to be better than himself.

After graduating, Sasha plans to attend Wells College as a biology major on the pre-vet track. Her love for science and animals has made this career path the optimal choice. While at Wells, there is an opportunity to take a few classes at Cornell that she plans to take to speed up her schooling. Sasha was also offered a spot on the volleyball as a setter, which she will pursue.

Salutatorian, cont.

work and a pen-pal program with sixth-grade students at Greenlawn Elementary School. Honor Society Members communicate with students via email, helping to promote social and literacy skills.

Makenna would like to thank everyone that has supported her throughout her journey. She recognizes that without the continued encouragement from her teachers, coaches, family members, friends, classmates, and teammates, she would not be the student, athlete, or person that she has become. She would like to convey her gratitude to her classmates for supporting and challenging her throughout their time at Bainbridge-Guilford. Makenna is extremely grateful to have grown up in the tight-knit community that Bainbridge provides. She would specifically like to thank her parents, who have been instrumental in guiding her to where she is today, as well as her older sister, Skylar Clark, who has been a phenomenal role model and support system. Another person that has made a tremendous impact on Makenna is Tami Selfridge, who has coached Makenna not only in volleyball, but in life. Mrs. Selfridge has dedicated an innumerable amount of time teaching Makenna her knowledge of the sport, which has translated into valuable life lessons.

Following graduation, Makenna plans to attend Elmira College, pursuing a degree in Mathematics. Throughout her math classes in high school, she has found a passion for problem solving, provoking her to major in Mathematics. She also plans to continue her athletic career, playing for the Soaring Eagles' volleyball team. Makenna would like to congratulate her fellow graduates of the Class of 2021, and wish them all well in their future endeavors.

Elaine Casey Retiring from Guilford Elementary!

We would like to wish Elaine Casey all the best as she begins her retirement on April 1, 2021. She has worked at Bainbridge-Guilford school district for almost 20 years. Elaine worked at the high school for 5 years and then continued her work at Guilford Elementary. She has been an asset to our teachers, staff, and many children over the years.

She could often be seen directly engaging with students in many capacities. It wouldn't be unusual to observe her building a snowman with students, encouraging students who were having a difficult time, and participating in classroom lessons. Elaine has taken pride in working with students and we know she will cherish many fond memories in her retirement.

Elaine will be greatly missed by her Guilford family. We wish her a bright and happy future.

During her retirement she will take the time to enjoy her daughter, take walks, visit family, do crafts, and enjoy sunsets!

Superintendent's Message

We are heading out of winter and looking forward to spring. While this hasn't been the school year any of us hoped for, great things continue to happen on the BG campus. Our students are busy during their days on and off campus.

The district continues to navigate through the pandemic and strive for a safe environment for our students and staff. A huge thank you goes out to the Chenango County Department of Health and our local DCMO BOCES who we work very closely with. Their guidance during this trying time has been unending.

We are excited to announce that the B-G District will be returning all students to campus, five days a week. We have been doing this in phases so we can work out any wrinkles as we transition to all students coming back. On March 1 we welcomed back all of our Kindergarten students to campus four days per week and on March 15, all of our 2nd grade students came back four days per week. On April 12 we will welcome back Pre-K, Grade 1, Grade 3 and Grade 12. ALL STUDENTS in ALL GRADES will return five days a week the week of April 19!

BG athletes are excited to see our sports teams back in action. Our bowling, basketball and indoor track teams have wrapped up a very successful winter season. This has been a tremendous effort by everyone to bring sports safely back to campus.

In the coming months we will be wrapping up the district's multi-year Capital Project with work at the Jr-Sr High School. The final pieces of the construction project will be to replace the bleachers in the MPR, repair the floor, paint the walls and replace the wall mats at each end. The new bleachers will have handrails incorporated for people to more safely navigate up and down the bleachers. We will also be stripping the MPR gymnasium floor back to raw wood, replacing the damaged boards, and repainting the lines. The timeline for completion will depend on the availability of some of the supplies.

And finally, we have been working for several months now on the 2021-2022 school budget. The financial future for schools is forecasted to be bleak for the next three to five years. The BG schools will be eliminating several positions due to attrition and have been trimming where possible. There will be more information on the BG school budget in the near future.

Thank you for your continued support during this very difficult school year. I can't thank our families enough for working with us as we look to the light at the end of the tunnel.

Sincerely,
Timothy R. Ryan

Alumni Spotlight Theresa (Purrell) Carlin Class of 1989

I came to Bainbridge from Long Island at age 16, and one of my biggest fears was going to a new school. Moving to a small town school after going to a school that graduated an average of 800 students each year, was different, but I was so lucky that it was Bainbridge-Guilford CSD that I graduated from. At BG

I found so many positive reasons to love a small school. The students all knew each other, even if they weren't in their same grade, and they went out of their way to make me feel welcome. The teachers took the time to know me and were able to provide me the guidance that formed my career. I quickly realized that I had been given a great opportunity, one I most likely would not have found in the big school I moved from.

At BG I took my first business classes, with Mr. Bakoon and Mrs. Branham. My other favorite class was Economics with Mr. Ashworth. I had no idea that those would be the classes that decided my path in life. I took every business class that BG had to offer my junior and senior year. Mr. Bakoon's accounting class and Economics with Mr. Ashworth were what made me want to major in Accounting and Economics at Oneonta State, and work towards my CPA. My senior year, Mr. Bakoon asked me to tutor some students in accounting and he told me that I would make a great teacher. I disagreed with him at the time, but later, after a few years in the accounting field, realized my passion was education and I became certified as a business teacher. I received a Masters in Economics at Oneonta State, and then went on to teach business at Unatego for 15 years, with Accounting and Economics being my favorite classes to teach. After attending Cortland State to attain my administrator certification, I have spent the last 11 years as an administrator. Starting as a Special Education Director at Unatego, then moving on to Deposit CSD as a secondary principal and for the past 3 years a Superintendent at Schenevus Central School. I have found that I gravitate towards small rural schools, because it is where I feel the most comfortable. I attribute this comfort to BG and the welcome I received as a new student, as well as the reason why I became an educator. I will always be grateful that I had the opportunity to attend such a great school and can call myself a BG alum.

PLEASE NOTE THAT COVID-19 REGULATIONS MAY CHANGE THE VOTING PROCEDURE BELOW!

VOTE!

MAY 18, 2021 • NOON-9:00 PM

GREENLAWN ELEMENTARY SCHOOL AND GUILFORD ELEMENTARY SCHOOL

YOUR VOTE DOES MAKE A DIFFERENCE!

CHANGE IN VOTING LOCATIONS!

- Greenlawn Elementary: Voters in the Bainbridge voting district
- Guilford Elementary: Voters in the Guilford voting district

BUDGET HEARING

A budget hearing will be held at the Jr.-Sr. High School Auditorium commencing at 7:00 p.m. on Tuesday, May 11, 2021

VOTER REGISTRATION

Personal registration of Voters is required for the annual vote.

No person shall be entitled to vote there whose name does not appear in the register of the school district, except those persons who registered to vote pursuant to the provisions of Election Law § 5-612. (Qualified voters who are registered with the County Board of Elections are eligible to vote without further registration.) Persons otherwise qualified to vote who voted in any annual vote conducted within four calendar years before the preparation of the register need not personally register for this vote.

Registration will be held on May 11, 2021 from 2:00-7:00 p.m. at the Greenlawn Elementary and at the Guilford Elementary schools. Voters may register with the District Clerk, 18 Juliand Street, until May 13, 2021. Office hours are 7:30 a.m.-4:00 p.m.

The register of the school district shall be filed five days before the date of the vote in the office of the District Clerk, located at 18 Juliand Street, Bainbridge, New York where it is open for inspection by any qualified voter of the district between the hours of 9:00 a.m. to 4:00 p.m., each day up to and including the day set for the vote, except Sunday.

VOTER QUALIFICATIONS

A person shall be entitled to vote on the appointed date for the election of school district officials, and upon all other matters which may be in the form of a referendum, who is:

1. A citizen of the United States.
2. Eighteen years of age.
3. A resident within the district for a period of thirty (30) days next preceding the meeting at which he/she offers to vote. (Legal residence is determined by the fixed and permanent home of the voter. Property ownership alone does NOT equal residency. Ownership of real property alone does not qualify an individual to vote in the election of that district.)

No person shall be determined ineligible to vote by reason of race, creed, color or sex, who has other qualifications in this section.

ABSENTEE BALLOTS

A voter who is registered and who may be unavoidably *ABSENT FROM THE COUNTY* of residence because of his/her duties, occupation, business, vacation, attendance at college, sickness, disability or detention in jail or prison, may obtain and submit an application for an absentee ballot.

The procedure for obtaining an absentee ballot is:

- Obtain and submit an application for an absentee ballot.
- If the ballot will be mailed the application must be received no later than the SEVENTH DAY BEFORE THE ELECTION (May 11, 2021).
- Upon completion of the application, the ballot will be given to the applicant or, in the case of a written request, will be mailed to the applicant.
- Completed ballots MUST BE received by the District Clerk not later than 5:00 p.m. on the day of the election (May 18, 2021).

Please contact the District Clerk by phone at 967-6321 or by mail at BGCSO, 18 Juliand Street, Bainbridge, NY 13733 for more information or to receive an application.

CANDIDATE VACANCIES FOR SCHOOL BOARD

Petitions nominating candidates for the office of member of the Board of Education must be filed with the Clerk of the District between the hours of 9:00 a.m. and 5:00 p.m. not later than April 19, 2021. The following vacancies are to be filled:

- A three-year term (July 1, 2021-June 30, 2024), presently held Tina Ammon
- A three-year term (July 1, 2021-June 30, 2024), presently held Keith Hanvey
- A three-year term (July 1, 2021-June 30, 2024), presently held Rebecca Sullivan

Petition information is available on the district website or by contacting the District Office. Each petition must be addressed to the Clerk of the District, be signed by at least 25 qualified voters of the District, shall state the residence of each signer, and the name and address of the candidate. Vacancies upon the Board shall not be considered separate specific offices. The individuals receiving the highest number of votes shall be elected to the vacancies.

School Budget Vote Election Inspectors

The B-G School District is looking for interested persons to work as Election Inspectors during the School Budget Vote on May 18, 2021. Interested candidates can contact Sue Weibel, District Clerk at 607-967-6321 for more information. Deadline for applying is April 19, 2021.

Attention New Kindergarten Parents

If you have a child turning 5 years old by December 1, 2021, please call The Guilford main office secretary, Michele Sherwood at 895-6700 to begin the kindergarten enrollment process. Be sure to stay tuned to the B-G website for more information regarding the 2021-22 kindergarten program.

B-G Accepting Pre-K Applications at Guilford Elementary School

The Bainbridge-Guilford Central School District is accepting applications for its Pre-kindergarten program. Only parents who are district residents with an age-eligible child may apply. To be eligible a child must be four years old prior to December 1, 2021 and cannot be five years old before that date. Applications must be received at the main office of the Guilford Elementary School by 4:00 p.m. Friday, April 30, 2021 to be considered for selection. Selection of applicants for the available slots will be determined soon after this date. Per New York State Regulations, selection for Pre-kindergarten slots for the 2021-22 school year will be done randomly if more than 36 applications are received.

Similar to last year, our program will include two full day classes. Both classes are housed in the Guilford Elementary School. Each classroom has a pre-K teacher and a classroom aide. Our program runs Monday – Friday from 8:00AM to 2:30 PM. Children may not ride school transportation until they are four years old. Parents are responsible for transportation to and from school until then.

Applications will be mailed to you upon request. For further information contact the Guilford Elementary School secretary, Michele Sherwood at 895-6700.

Everyone back five days/week!

Important Notices for Home School Parents

Transportation requests for students attending nonpublic schools (e.g., Holy Family, Valley Heights Christian Academy, etc.) must be received by the district office no later than April 15th preceding the beginning of the next school year. All students must have all necessary vaccinations to attend public school in NY State. The Board of Education will take official action on the requests at the May Board of Education meeting.

Requests for special education services for home schooled students must be received by the district office no later than June 1st preceding the beginning of the next school year. The Board of Education will take official action on the requests at the first Board of Education meeting in June.

Please submit your letter of intent to home school no later than August 15.

Please call Sue Weibel in the District Office at 967-6321 if you have any questions.

Jr. High School Guidance Corner

2020-21 NEW YORK STATE TESTING SCHEDULE

The New York State Education Department has stated we will have State Testing this year. However, they have not instructed us as to what it looks like. Below are the dates we intend to give the test here at Bainbridge-Guilford.

7th Grade Testing

April 19-26, 2021	New York State ELA TEST
May 3-10, 2021	New York State Math TEST

8th Grade Testing

April 19-26, 2021	New York State ELA TEST
May 3-10, 2021	New York State Math TEST
May 25-June 4, 2021	NYS Science Performance Test
June 7, 2021	NYS Science Written Test

If you have any questions please contact Joanne Moxley, School Social Worker/Counselor at 967-6320.

A message from the Jr.-Sr. High School Principal

As we work through the COVID pandemic and this difficult year of school, please know our teachers and support staff are doing everything they can to continue to provide a solid education for our students. In addition to all of us learning and doing new methods of instruction we have all had the extra duties of implementing and maintaining the safest and healthiest learning environment we can through strict adherence to national, state, and county guidelines.

At the end of last year, our school district rolled out one-to-one digital devices for all our students enabling them to learn remotely whenever needed. At that time, our teachers learned on the fly how to teach remotely and then began this year spending four professional development days learning the platforms of Google Classroom and Zoom instructional video meetings. Teachers continue to plan and deliver instruction in different formats as we have in-person instruction, remote instruction and the combination of the two. This takes extra planning and preparation. We know many students learn best at school and we are trying to get students additional help through Wednesday teacher's office hours and help from our wonderful support staff which includes our teacher's aides and licensed teacher assistants. Many of our staff are spending hours at a time helping students both in person and via Zoom.

As we hope to be turning the corner on the worst of the pandemic and look for decreased positivity rates and a reduction in the spread of the disease, we are attempting to bring back more students for four days of instruction and started in January having interscholastic sports. Again, we will and can only do what we can while maintaining the safest environment for our students and staff.

As we move toward the end of the school year, many of our year ending activities will continue to be postponed or occur in a format that reduces the number of attendees or are done remotely. However, we must still maintain our focus on our students getting the instruction and help they need to be successful in their academics. As noted previously, many more students are struggling to pass their classes as they are unable to attend school in person. Even though we know these are hard times, our students really need to step up and participate by attending ZOOM sessions when necessary and following through with their assigned school work. They also must take advantage of the opportunities given by their teachers to get help, whether it is through attending office hours or scheduling separate help with teachers, teacher's aides or licensed teaching assistants.

To close, I always say we have great students and great staff. Together, we have to work hard to be successful in our academics while maintaining the utmost safe and healthy environment. Please contact the school if we can help you help your child. Also, please complete the Powerschool Home Health Check-In for every day students are expected to participate in school instruction.

—William Zakrajsek, Principal

Guilford Greetings

Hello and Happy Spring! I think everyone is ready for the warmth and new life Spring promises to bring. At Guilford Elementary we have welcomed back all of our in-person kindergarteners to four days a week on campus just in time for springtime. We, and they, are so excited to be back together. We are hoping the Easter Bunny might just hop on through Guilford Elementary too!

Our RAA (Read Across America) theme this year at Guilford is cooperation! We are highlighting the author, Leo Leoni. All Guilford students will be participating in a book project from his book, *Swimmy*. The book is about a little fish who helps another school of little fish make a plan and work together to avoid being eaten by a big tuna fish. All students will add their own fish craft to a large fish mural where *Swimmy* becomes the eye. *Swimmy's* great leadership and encouragement for the school of little fish to cooperate make this classic children's book a fantastic choice read this year.

I'd like to express, once again, my sincere appreciate and gratitude for everyone's patience and understanding as we have worked through the hurdles this year presented. I am so proud of our youngsters. They have done an amazing job at following guidance from teachers and staff and maintaining all safety protocols in place at Guilford. The dedicated staff at Guilford has worked so hard to not only keep children safe, but to meet their educational and social needs to the best of our ability. Many students are thriving, and learning may look different this year, but it remains our utmost priority.

Soon it will be time to begin planning our end of year activities. We will keep you updated as these plans become finalized. Be sure to check out the Guilford photo gallery on our website to see all the great happenings at Guilford Elementary.

Please do not hesitate to reach out to me via email at lmaynard@bgcsd.org or phone, 895-6706 with any comments or concerns. I always enjoy speaking with you! Stay safe, well, and masked!

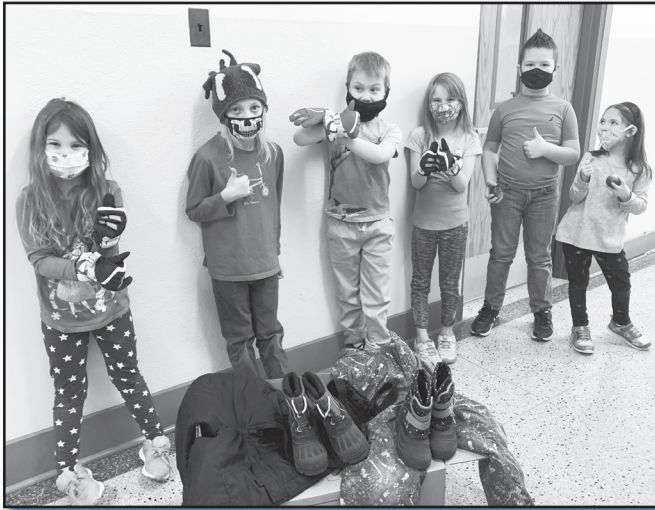

—Linda Maynard, Principal

Guilford News!

WARM HEARTS MAKE FOR WARM BODIES AND SNOW CASTLES!

Guilford Bobkittens would like to thank the Honor Society Bobcats for the donations of warm hats, mittens, boots and other cold weather gear! Thank you for keeping us warm when we go out to play!

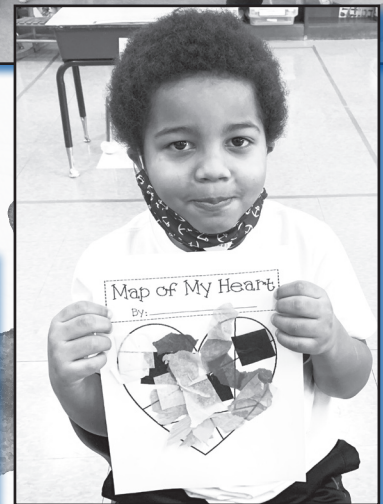

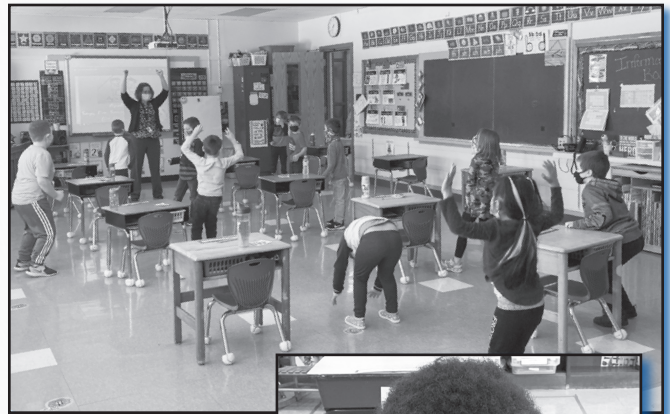

SOCIAL EMOTIONAL LEARNING

Students have been working on emotions, friendship, and kindness!

Pre-K shows their rainbow emotions heart and Kindergarten created a collage of feelings colors in their hearts.

Kindergarteners show what a "Problem Solving" cheer looks like!

First grade focused on Kindness as they filled their Kindness Jar with Snippets of I-Care language, helping hands, and many other ways to show kindness to others.

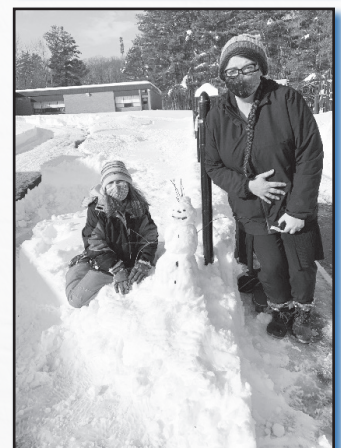

What's Happening at Greenlawn!

Greenlawn teachers have been working diligently with their curriculums to align them horizontally as well as with the NYS Standards. Teachers have been working with each other and professional developers from BOCES to further refine these curriculums. As the end of the 2nd trimester was March 12, faculty, staff, and students have been working very hard to work through these curriculums. With a variety of instructional schedules happening everyone has been working together to provide the best educational experience during these difficult times. We are excited to announce that all 2nd grade students returned to four days of in person instruction March 15. Everyone has worked together to make this transition as smooth as possible, and we are eager to see all of these kiddos back in the building. The NYS 3-8 Math and ELA testing schedules are under discussion at the New York State Department of Education. We will be communicating details about these assessments with students and families as they become available to us.

Everyone at Greenlawn would like to thank all of the families and community members for supporting our schools and for understanding and being flexible during these difficult times. With all of the unpredictable times, we wanted to share a consistent theme, which has been to make the best out of this situation with having fun when we can.

—Jennifer Henderson, Greenlawn Principal

Greenlawn News!

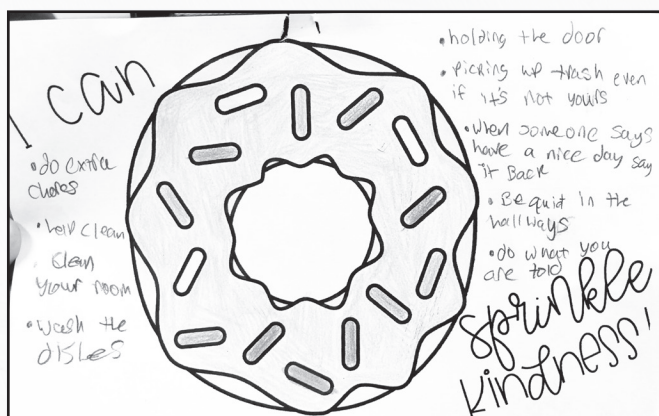

GREENLAWN COUNSELING UPDATES JANUARY-APRIL

Students are working on practicing kindness, acceptance, understanding differences, and self-confidence. Mrs. Fleming has been co-teaching with Mrs. Jenkins in art classes using the story *We're All Wonders* by RJ Palacio to discuss themes of acceptance, diversity, inclusion, and confidence. Students heard the story,

participated in discussion of the above topics, and then created artwork depicting examples of kindness and how students are unique. The results are decorating the hallways!

In March and April all students participated in personal safety lessons. The rest of the school year will be focusing on using coping strategies, summer safety, and transitioning to different schools and grades.

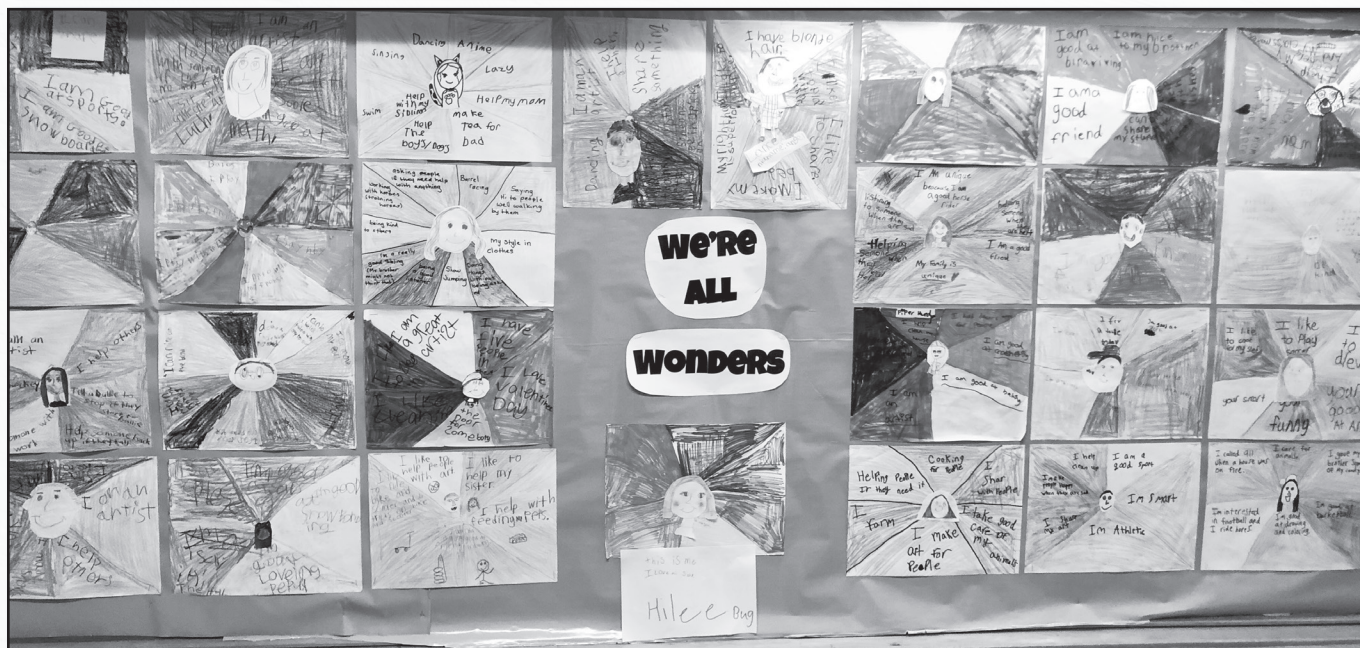

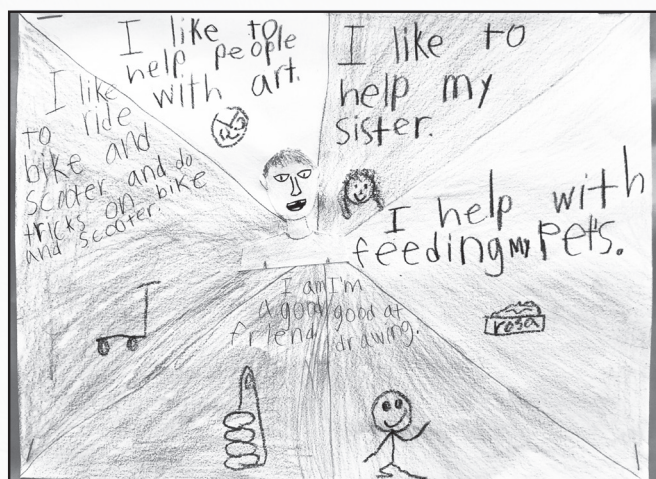

GREENLAWN STUDENT COUNCIL

Greenlawn's Student Council spearheaded the Kindness Challenge throughout the month of February. Each day, a challenge for students and a challenge for teachers to make the school a better, kinder place was announced. Everyone in the building looked for acts of kindness and we tracked them on a bulletin board in the main hallway. Acts of kindness included cleaning up the building, helping each other, and including others to name just a few.

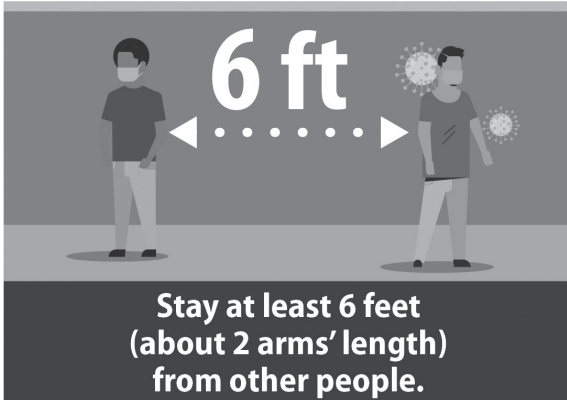

In March for Parents as Reading Partners month, students participated in the Tournament of Books. Student council members recorded themselves reading the stories in the tournament, then students watched the videos and voted for their favorites. The winner of the tournament is announced at the end of March.

Thank you Student Council members for providing fun, helpful activities for students and staff!

Stop the Spread of Germs

Help prevent the spread of respiratory diseases like COVID-19.
