To learn to know and understand people is one of the finest accomplishments that an individual can achieve. With this in view the class of 1948 bring this ECHO to the people in the hope that it will bridge the gap between adult and student life and bring a better understanding to the people of the community of the hope and ideals of the young.

Our Faculty

First Row: Mrs. Parson, Miss Hoffman, Miss Homkey, Mrs. Cheesbro, Mrs. Hohrieter, Mrs. Friery, Miss McDougall, Miss Daubert, Mrs. Butler. Second Row: Miss Smith, Mr. Hollister, Mr. Coe, Mr. Black, Mr. Blythe, Mr. King, Mr. Best, Mr. Houghston, Mr. Vicary, Mr. Corbin, Mrs. Styles. Third Row: Mrs. Nicholson, Mrs. Plosky, Miss Palmer, Mrs. Jones, Mrs. Kinney, Miss Marlon, Mrs. Bradshaw, Mrs. Corbin, Miss Naylor, Miss Friery, Miss Pagett, Mrs. Weeks, Mrs. Benjamin. Absent: Mrs. Vicary.

When September arrived in all her warmth and beauty in 1947 it seemed as if mother nature herself was anxious to join us in extending a friendly and gracious welcome to the following new members of our faculty: the Mesdames Bradshaw, Hohreiter, Hoffman, Kinney and Vicary, the Misses Daubert and Friery, and Mr. King.

Very early in the fall we held our family picnic at Perch Pond. It was a huge success from the games through the delicious steak and corn roast, to the pleasant reminiscing and chatter that followed. We thank Mrs. Wayne Corbin, our very capable chairman, and her committees including Mrs. Jones, Mrs. Weeks, Miss Smith, Mr. Black, Mr. Ralph Corbin and Mr. Vicary for a memorable time together.

Soon afterwards Mrs. Casey honored the faculty at a tea in her charming home which was banked with beautifully arranged bowls and vases of gorgeous asters and roses from Mr. Casey's garden. Mrs. Coe and Mrs. Best poured while Mrs. Holman and Mrs. Vicary easily convinced us that the several fruit and chocolate sauces, marshmallow and chopped nuts which they heaped on our ice-cream would not add an ounce to our weight. Mounds of delicious cakes, dainty mints and salted nuts also proved to be temptations we could not resist. Another delightful afternoon and the charm of our friendly hostess, Mrs. Casey, to cherish in memory.

Hallowe'en found many of us gathered at the school for a masquerade party. "June" Corbin entertained, and completely baffled us with his magic tricks. Both round and square dancing were enjoyed. The judges found it very difficult to pick the winning costumes, they were so novel, amusing and attractive. Better luck next year, Mr. Casey! Sweet cider, doughnuts, and popcorn were served. Many thanks to Ms. Benjamin, Miss McDougall, Miss Friery and all the others who helped make this a successful party.

Mr. Casey was to have led a panel discussion at the Zone Conference at Ithaca but pressing school business kept him at home. Mr. Black attended the House of Delegates Meeting in Rochester in November as our district delegate. Mrs. Nicholson our popular vocal music teacher, resigned at the end of the first term to join her husband who is attending Clarkson Tech at Potsdam. Our best wishes to their future.

Several former faculty members, including Miss Fessenden, Mrs. Shirley Schick, Mrs. Peggy Lawrence, Mrs. George Ingles, Mrs. Betty Morrison Smith, and Mrs. Helen Baldwin called on us during the year.

As we go to press there is talk of a faculty play. Are we about to make history again?

SENIOR ACTIVITIES

PRESIDENT.....	Harry Barton	TREASURER.....	Ruth Drachler
VICE PRESIDENT.....	Burdette Lee	STUDENT COUNCIL	Vinette Terry
SECRETARY.....	Anita Hall	REPRESENTATIVES	Harry Barton

At our meeting, Sept. 18, 1947, everyone was very enthusiastic, to say the least, with many ideas which would help us earn some money, almost too many ideas. We were so confused with Christmas cards, magazine subscriptions, kerchiefs and many others, that by the end of the meeting we didn't know what to do first. Nevertheless, we welcomed all suggestions gratefully, for anyone who is very well acquainted with our class knows the fact that we have taken it very easy our three previous high school years as far as any financial enterprises are concerned. But, what a change! Even this early in the year, we were beginning to think of our New York trip in April and believe me, one look in our little treasury box and one glance at the calendar was enough for all of us. One other idea we decided upon was to sell hot-dogs at our football games which would be starting soon.

In November we had charge of the annual Halloween Party, held in the school garage. It was a success and lots of fun for us as well as the kiddies. (Who are we trying to kid anyway, it was more fun for us.) Our annual Senior Play, "Big Hearted Herbert" was presented on November 14 and 15.

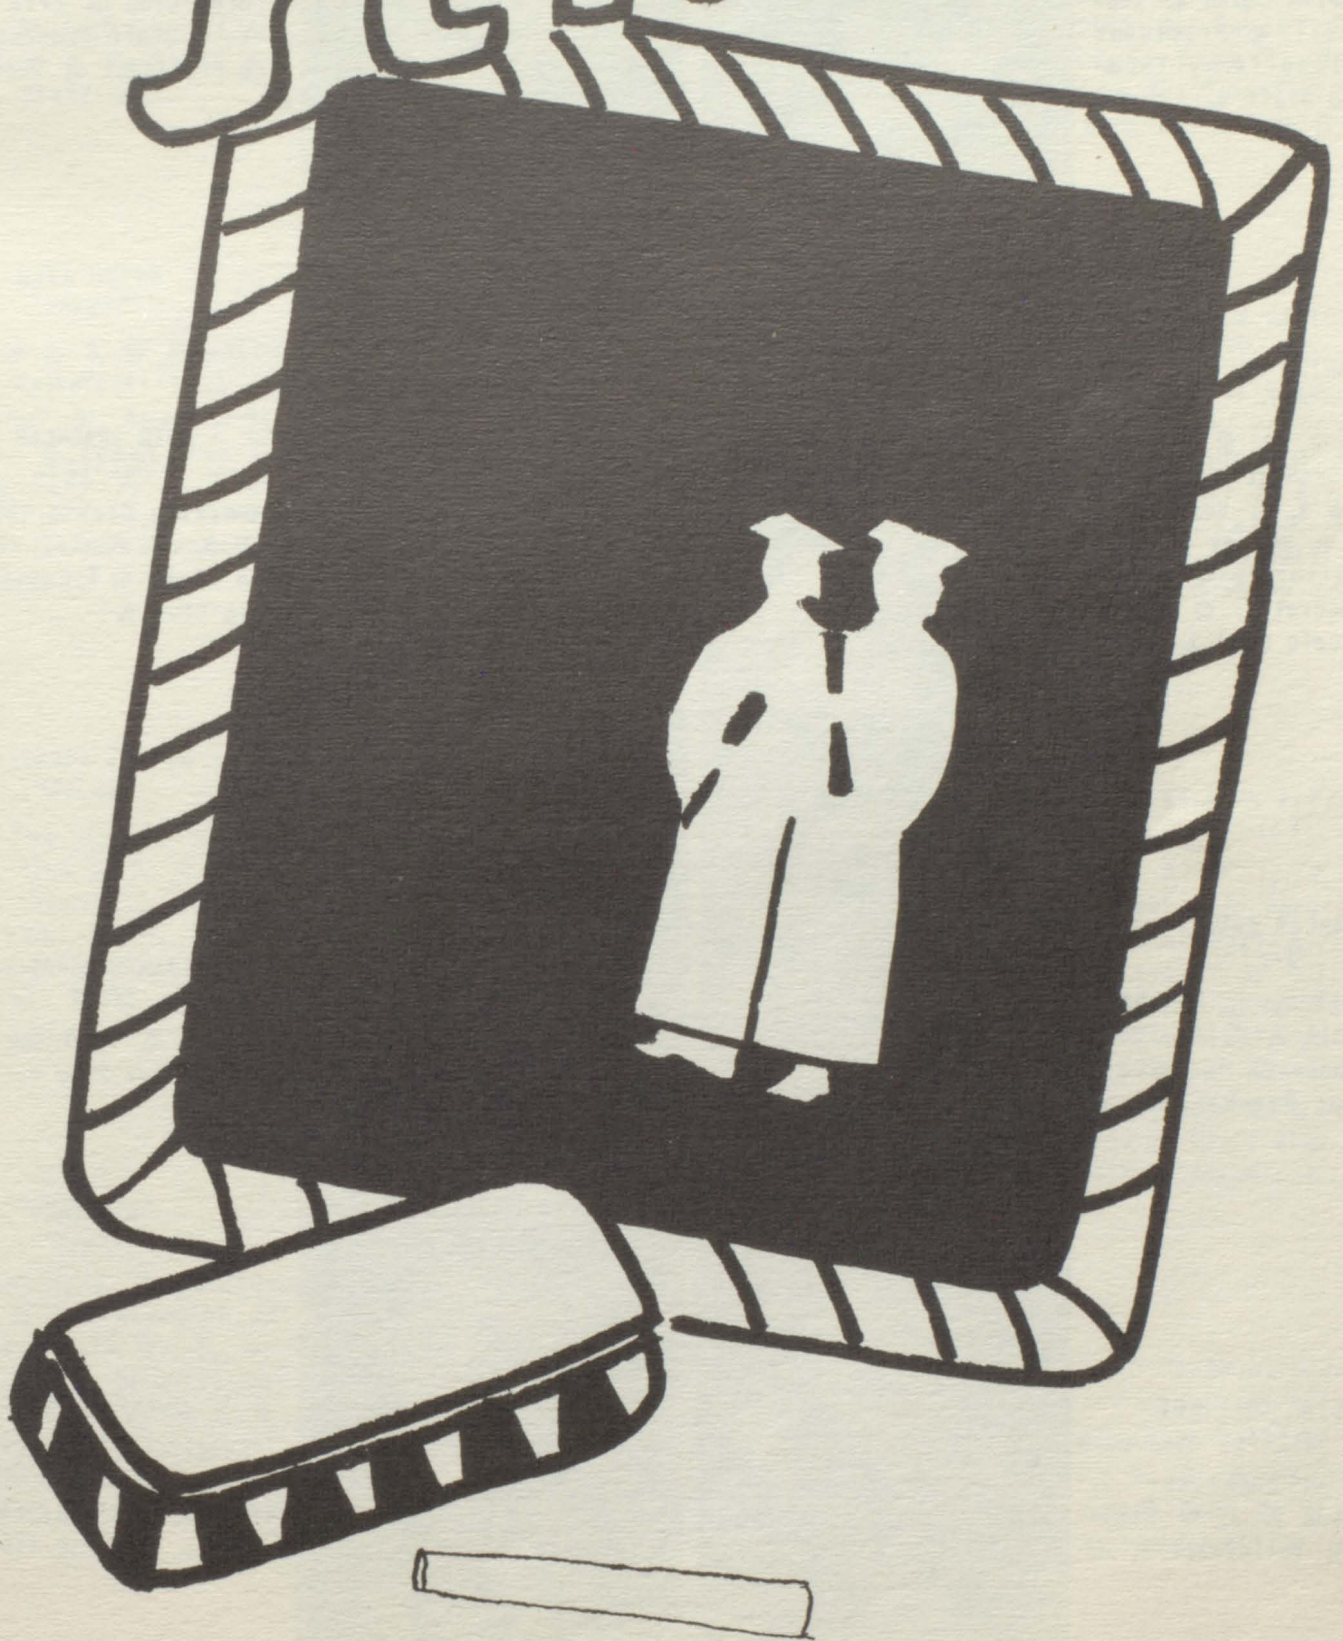

Soon after this we started work on yours truly--The Echo--Anita Hall was elected Editor-in-Chief while Bill Shea and Vinette Terry share the job of assistant Editors-in-Chief.

This year is not even nearly over and, surprisingly, we still have new ideas rolling in, (but naturally, look at the amazing class we've got.) We hope to have a card party to be held in the Grange Hall and perhaps have just one more Senior Dance before we leave. Maybe we'll make something on this one. After all, the law of averages has overlooked us too many times already.

We plan to go on our Senior trip to New York City on March 29, 1948 through April 4, 1948.

We only hope the Class of '49 has half the good times, companionship and fun that we have shared these never-to-be-forgotten four years.

Thirty-nine excited Seniors with Mr. and Mrs. Vicary as counsellors will leave Bainbridge early Monday evening, March 29, to go to Binghamton. There they will board the Greyhound Bus at 1:00 A.M. Tuesday for New York City. They will arrive at New York early Tuesday morning going straight to Hotel Piccadilly to pick out their room. Tuesday March 30 we will all attend the matinee performance of the Rockettes in Radio City Music Hall. Wednesday, March 31, we plan on seeing the Ice Show at Ford's Theater and on Thursday we will go to Madison Square Garden to see Ringling Brothers Circus.

Other places of interest which we plan on seeing are Natural Museum of History, Library, Rockefeller Center, Statue of Liberty, Empire State Building, and other places of interest. We'll also go shopping one afternoon besides some stage shows on Broadway. CLASSES

Class Of 1949

The "Forty-niner" started out their Junior year by electing the following officers: President, Ruth Roloson; Vice President, Helen Myers; Secretary, Vivian Howe; Treasurer, Margaret Cudworth; Student Council, Claudine Eldred and John Hackett.

Under the supervision of Mr. Blythe and Mrs. Kinney our class has had a successful year.

The most important event was the "Christmas Toyland Dance" which was held December 20, 1947 in the gymnasium. The classes worked hard making the decorations, tickets, and refreshments. And with the finishing touch of the music by Bill Grigg's Orchestra the dance proved to be a successful one.

Other activities which the "Forty-niners" have engaged in during the year were selling pencils, stationery, and basketball programs. Later on in the year they plan to have a benefit movie.

Of course we do not want to forget the gala junior Prom in May. This will be the most outstanding event in our Junior year and the concluding one before school is recessed for the summer vacation.

Class Of 1950

The Class of 1950 elected the following officers to head their class for their Sophomore year: President, Clarence Landre; Vice President, Steve Smith; Secretary, Ronald Hoyt; Treasurer, Lois Hoyt; Student Council, Sidney Jones and Violet Westerberg.

After the first home football game, the class sponsored a Vic dance which was our first accomplishment of this year and proved to be a good start in earning money for the dream of our school years. We sold pencils with the football schedule printed on them. They sold like hot cakes.

Before Halloween we invited the high school to a rip-roaring roller skating party.

Just before Christmas vacation, we joined with the Freshman Class in a gay Christmas party. Santa gave out the presents. Mr. Ralph Corbin and Mr. Dave Corbin entertained us with tricks of magic. After this we played games. To top off the evening, with the aid of Mrs. Parker, refreshments were served.

And thus, we prepare as eagerly for things to come as we have partaken happily of things in the past.

Class Of 1951

The Class of 1951 elected the following officers to head their class for their Freshman year: President, Tommy Lee; Vice-President, Royce Stoutenberg; Secretary, Lola Neidlinger; Treasurer, Linda Salzberg. Members of the Student Council are as follows: John Armstrong, Tommy Greek, alternate, Betty Parson.

On the 21, December 1947 the Freshman Class enjoyed a Christmas Party with the Sophomores. We played games, then had refreshments. After everyone had enough to eat Santa Claus passed the presents out to us. The Freshman wish to thank the Sophomores for inviting us. We had a wonderful time, I'm sure! Other highlights of the year were box social, bakesale, benefit movie, and we also sold pop and ice cream at the baseball games.

Cheerleaders

The cheerleaders began the year with flashy, new two-piece uniforms of navy blue. Three new cheerleaders were added to the squad this year: Joyce Allen, Gladys Shelton, and Ruth Roloson. The girls have worked hard together and have composed several new cheers. Here's a sample:

Hep! Hep! Show your Pep,
Ginger up and catch the step,
Fight! Fight! with all your might,
Clean them up and do it right,
Rah! Rah! Bainbridge.

The members of the F.F.A. elected the following members for their officers: President, Harold Harrington; Vice President, Eldridge Sheely; Secretary, William Mayes; Treasurer, Norman Howe; News Reporter, Billy Sites. During the year we planted trees for the local farmers. Last year we planted 10,000 trees which proved very successful. This money which we received from planting trees goes toward the F.F.A. Camp which is located on a big lake and is surrounded by woods which provided excellent hunting and fishing. During the year we have our F.F.A. meetings once a month to discuss plans for the following months and every two or three months we go to Norwich for the county meeting which discusses plans to make money for the county F.F.A. treasury. Last year, we started a basketball league in which the Bainbridge F.F.A. boys won the championship. We have one started again this year which we hope will turn out as well as the one of last year. Once a year the F.F.A. boys of the neighboring towns get together to have a Spring fally. During the day all the boys take part in different contests and we have ball games for everyone, and at the end of the day we have a meeting to discuss what the different schools are doing so we can get better ideas and have a more successful year.

First Row: Ruth Roloson, Lillian Flyzik, Joyce Allen. Back Row: Joan Gerg, Gladys Shelton, Claudine Eldred, Miss Daubert.

SPORTS

First Row: L-R Francis Cawley, William Collinge, Bruce Peckham, Leal Michel, Karl Salzberg, Rex Thornton, Larry Dykman, Bud Lee, Johnny Hackett, John Sejerson. Second Row: Mr. Best, Arnold Craig, Patsy Puerile, Bob Garrison, Dick Gerg, John Hohreiter, Charles Fletcher, Sydney Jones, Roger Weeks, Ronnie Hoyt, Tommy Lee. Third Row: Milton Wade, Royce Stoutenberg, Dave Corbin, Tommy Monroe, Corky Landre, Gary Holman, Tommy Greek, Dick Lee, John Armstrong.

Last year's graduation left us with only two players of varsity experience, Steve Smith and Karl Salzberg. As the ECHO goes to press, Coach Best is experimenting with various combinations which thus far with Rex Thornton as captain, have garnered wins over Harpursville and our ancient rival, Sidney, balanced by losses to Afton, Hancock, and Greene. We look with optimism for continued improvement in this team and an ultimately successful season.

Volleyball

The volleyball team enjoyed a successful trip to Binghamton to take first place in the Section 4 Class B Volleyball Tournament last year. Emerging victorious over Sherburne, Marathon, Cooperstown and Cincinnatus, the boys brought home a gold trophy and a great deal of satisfaction. The players were Jack Lord, John Sherman, Bud Andrews, Dick Engle, Ron Hoyt, Steve Smith, (Capt.), Francis Cawley, Charles Lord, William Collinge, Cliff Wade, and Bruce Peckham.

First Row: Arnold Craig, Robert Garrison, Tommy Lee, David Corbin, Leal Michel.
Second Row: Albert Michel, Bruce Peckham, Rex Thornton, John Hackett, Robert Carlin, Steve Smith, Bud Lee, Bernard Parsons, Robert Hughston, Charles Fletcher, John Sejer-son. Third Row: Dick Gerg, Carl Smith, Lawrence Stiles, Jamee Barre, David Coe, Wil- liam Collinge, Francis Cawley, Robert Owens, Leo Daley, Ron Hoyt, Coach Best.

This season's football team, captained by Steve Smith with a balance of veterans and unseasoned players, got off to a rather slow start. Though the final record showed two wins against five losses, our last game ended with a happy 20-0 win over Afton who had beaten us in the early part of the season. Four of our players, Rex Thornton, Steve Smith, John Sejer-son and Bud Lee, were selected by the League for its all-star team.

Starting Line-up: Left End, J. Hackett; Left Guard, B. Lee; Center, L. Daly; Right Guard, R. Hughston; Right End, R. Carlin; Right Half, J. Sejer-son.

Wrestling

Wrestling was inaugurated last year as a new sport in Bainbridge under the captaincy of Robert Carlin. Venturing to enter the Norwich tournament, the team placed ninth out of a twelve-team entry. Individual honors went to Carlin who won the tournament championship in his class. This year's team with a little experience under its belt, and again captained by mighty mite Carlin has good prospects. Thus far we have had a 25-25 tie with Sherburne.

Track

Our track team coached by Allan Black had a good season in '47 and should be better this year. We had five meets last year including the section 4 Champions in which Jack Lord and Don Simonds headed 1-2 in the pole vault, John Hackett placed second in the 880, James Barre, fourth in the 200, and Steve Smith third in the broad jump. In the concluding All-Star meet, Don-Simonds tied for first in the pole vault with Jack Lord second. William Collinge tied for second place in the high jump.

During the fall sports season the girls participated in soccer games. They proved they could still put their best foot forward when it came to soccer. Although soccer had not been in the program for a few years, the girls showed plenty of enthusiasm. The soccer season was closed by the girls' soccer and field hockey play day at Oxford.

Soon after the close of the soccer season the girls answered the call to basketball. An intra-mural program was set up. Each class having it's own squad and choosing it's captain. The Freshman team being considered the underdogs of the tournament, began a very surprising season by defeating the Sophomores and the Juniors, but not until the final whistle blows, will we know the winning team of the tournament.

The girls expect to organize a basketball squad and play teams from other schools at play days.

ACTIVITIES

Homemaking

The Future Homemakers of America Club was organized in the fall of 1946. This year we elected the following officers to represent us: President, Helen Myers; Vice-president, Ruth Drachler; Treasurer, Vivian Howe; Historian, Gloria Streigler; Chapter Mother, Mrs. Fred Drachler; Faculty Advisor, Dorothy Corbin.

At present we have thirty-two members, all girls who are studying homemaking in high school. The activities of the club are both social and educational. This year we have made garments for Sidney Hospital. We had our annual Thanksgiving party and dinner in November. We also had our first birthday party in the school gymnasium.

Now we are making plans for our first formal initiation. We also plan to raise money to buy something for the school.

Our motto: "Toward New Horizons" expresses the purpose of our organization: "Learning to live better today in order that our lives and those of our families may be better tomorrow."

Library Club

The Library club is composed this year entirely of Freshman & Sophomore girls. At the first meeting in September the girls elected the following officers: President, Violet Westerburg; Vice-president, Janet Parker; Secretary & Treasurer, Eugenia Landers.

The object of this club is to learn, through the books we read, more about our library and about the things that are going on about us.

The Library Club members can sit at the desk at any time and take care of the library. In this way they become familiar with the books and help other people that come to the library.

The girls in the Library Club are in charge of a story hour which increases the children's knowledge of books and stories and also gives the children something to do during the long lunch hour. The first three grades come in three times a week while the fourth through six grades come in twice a week.

The Library Club had its annual Christmas Party December 19. A week before the party we drew names and brought a simple present each day for our secret sisters. We had a Christmas tree, presents, cookies and ice cream. Everyone had a nice time. At the Christmas party we found out who our secret sister was.

We are going to do many things to make this club enjoyable as well as useful.

Music Club

The annual Christmas Musical Program featured the combined operations of our glee club, band and orchestra. This and the coming Spring Concert are the outstanding local musical events of the year.

For its Christmas program the glee club, directed by Lillian Nicolson, presented a variety of traditional and special music. Particularly well received were the "Christmas Hymn" featuring an echoing quartet and an exceptionally original arrangement of "Jingle Bells".

The orchestra under the direction of J. Kenneth Hollister offered DeLamater's delightful medley of Christmas favorites and finished with a rendition of Tschaikowski's "Elves Dance".

Director Ralph Corbin let his large band through a varied repertoire including a novelty number, "Three Trees", whose interspersed dialogue and musical interpretations were both intriguing and amusing.

In addition the music club has contributed to a number of assembly programs in a manner which has greatly stimulated the genuine love of music which exists in the school.

The year will be rounded out by selected representatives of band, orchestra, and glee club who will participate in the Susquenango League Music Festival this spring at Sidney, April 10th.

The Staff of "Blue and White" is pleased with its '47-'48 season. Over twenty-three members are now active reporters. Rita Mertz, Marge Silvey, Joan Gerg and Betty Underwood are the "All important typists".

Every Friday seventh period you will find the commercial room "a whirl" as the "Blue and White" "goes to press". Although all assignments are due Wednesday afternoon, sometimes they are handed in late Thursday or Friday. "Observations", "I.C.U.", "Roving Reporter" and "I've Heard" are among the favorite columns. Assignments are changed about every month, therefore everyone gets a chance to do his or her favorite column.

The Press Club is the oldest extra-curricular activity in the school. Under the supervision of Miss Smith it has had many years of continuous success.
