PRODUCER
OF
THE ECHO
TO
SHOW

Because her Art Room has been a sunny, cheerful place where school work has been not only a task but a pleasure, because she has given so generously of her time and co-operation to student projects outside her line of duty and most particularly because without her help this volume would not have been possible, we, "The class of '53", gratefully dedicate "The Echo", to Mrs. Kinney.

The Class of 1954 started off their Junior year in a flurry of money making projects. The selling of sweatshirts, scarfs, T-shirts, refreshments at Football games and our "Football Hop" have all added to the class fund.

One of the highlights of the year was the customary "Freshman Initiation" in which all Juniors took their places as superior supervisors over the lower class.

Another important event of this third high school year is the annual "Junior Prom". We only hope we can make it as successful or better than the ones in the past history of B.C.H.S.
