THE 1957-58 ECHO
IS INTRODUCED BY
BAINBRIDGE CENTRAL
SCHOOL
COLOR GUARD
AND SPONSORED BY
THE SENIOR CLASS

ANNOUNCING THE ECHO THEME:

Whether it be announcements made from the office, programs delivered at assembly time, dance music played in the auditorium or sports announcements in the gym, the microphone seems to have become an integral part of our life today. So much so, that, to the Seniors, he has developed a personality all his own and has been "dubbed" "Mike" - a bit informal, but then so are our Seniors! "Mike" will escort you through the "Echo" pages. We hope you like him and our book.

ABOUT THE COVER . . .

"Mike" is proud of the new school emblem on the "Echo" cover, designed in May, 1957 by Eleanor Craig, a sophomore. Student Council sponsored the Emblem Contest which our faculty judged. Gail Pearsall and Christina Howland won second and third place respectively.

Farewell

MR. THOMAS BRACCIO
Instrumental Music

When we first met you, Thomas Braccio, we met a person with a ready smile, a friendly greeting, and a patient understanding. Over half of this class have, as pupils, profited by your excellent instruction in instrumental music. We now know that even the smallest and softest part has great value. However, not only have WE profited, but so has everyone who has listened to the band which you have trained to undertake so successfully all types of music, from the difficult classical to the light popular. As a representation of our gratitude, we dedicate this book to you, Thomas Braccio.

"A TOAST TO THE MEN WHO MADE MUSIC IMPORTANT TO THE SENIORS"

MR. EDWARD DOYLE - Former
Vocal Teacher

What a necessity for peaceful life is harmony, the blending of individually different tones or feelings to form a pleasing whole! Edward Doyle, as our class advisor and as vocal-music teacher, you showed us its benefit - both through combined ideas in class operations and united voices in the production of a first-rate chorus. Your example and instruction repeatedly presented to us the fact that it most profitable to do one's best and also, that fun and humor should have their place in one's life. Thus, with deepest appreciation, the Class of 1958 dedicates this book to you, our teacher and our friend.

SCHOOL BOARD

First row, left to right: D. Davidson, O. Neidlinger, C. White.

Second row: K. Eldred, C. Youngs, E. Houck.

Most every television or radio show has a sponsor. Our school, like a television show, also has a sponsor which keeps it running smoothly. It is called, the Board of Education, which includes five men and the clerk working together for the good of the school, with no remuneration. They meet once a month, but often have many unscheduled meetings lasting late into the night. Some problems which face them throughout the year are transportation, hiring of staff and financing the school.

We, the students and faculty of Bainbridge Central School, express our appreciation for their generous sacrifice of time and energy on our behalf.

"MIKE" ANNOUNCES OUR GUIDES TO BETTER EDUCATION

Emil Best - Guidance Director

To do the best for the student, through personal conferences and early planning of his scholastic career is the special assignment of the guidance director.

He works in closer unity with the family, thus he understands the students' special capabilities and problems.

TO THE CLASS OF 1958:

You are rapidly moving into the final scene of your high school life. You will soon go on to other activities. Events will move quickly across the screen of life. As you move forward on the stage of life there are several guide posts for living that I would like to suggest to you.

Your viewpoint toward life is basic to your success! Learn to look forward with hope. This will give you physical vigor, mental keenness and spiritual wealth. To do this you must be optimistic in your thinking; optimistic in your talk, actions and work. If your mind is filled with apprehension and fear, then that is what you will create.

Supervising Principal

Edward R. Andrews

Weslayan College - B. A. Degree
Syracuse University - M. A. Degree

John Dewey once said, "Education is Life." Up to this point you have attempted to lay the foundation for a sound adjustment to life after school.

As you progress in life, build upon this foundation a structure of worth while experiences and associations that will enable you to become a reliable citizen in our democratic society.

Our bus drivers bring students from quite far away.
Then it's back over the routes, when class time is through,
Out-of-town games, special trips, are in their schedule, too.
No matter what the weather - rain, sleet, or snow,
They deliver us on time, anywhere we go.

AN ECHO IS BORN!

This year the members of our "Echo" Staff have worked under great odds to put out a good yearbook. It was difficult to find a time that was convenient for everyone, so meetings were a "hit" or "miss" affair. Thanks go to all the members who cooperated so well, and especially to our capable advisor, Mrs. Kinney, and enthusiastic editor, Eunice Mott.

This year, a new event was in store for our "Echo" Staff. This was the Columbia Scholastic Press Association Yearbook Conference at Columbia University, New York City. Four representatives were sent to this conference; Eunice Mott and Peter Ogren from the Senior Class and Ronald Decker and Eleanor Craig from the Junior Class.

First row: S. Striegler, typist; C. Feyerabend, sales; D. Niles, patrons; D. Mott, photographer; E. Mott, editor; S. Pollard, art; A. Lewis, business manager; K. Russell, curriculum; L. Wade, typist. Second row: Mrs. Kinney, advisor; S. Flyzik, layout; B. Nelson, boys' sports; D. Schrader, business; M. Lawrence, assistant editor; E. Craig, art; D. Wekeman, girls' sports; R. Black, curriculum. Third row: E. Michel, proofreader; K. Purdy, proofreader; P. Ogren, patrons; R. Decker, layout; K. Moretz, senior social editor; R. Woods, Assistant Sales Manager; M. Preston, Assistant social editor; M. Delello, Assistant curriculum.

Left to right: S. Striegler, Secretary; D. Schrader, Vice President; P. Ogren, Treasurer; B. Nelson, President; Mr. Andrews, Principal.

WE PAUSE TO LOOK BACK

We remember many things about our years in school, especially "Mike." He made the far-off school office seem nearer to us through the P. A. system. He also played a necessary role in most of our activities.

Our early years were spent in gathering the basic knowledge of the three R's, and also by learning the importance of co-operation in working together, but, it's the social antics that we remember most vividly. As second graders, we all had a riot putting on a circus. And of course, we all worked hard to make our puppet show a success in fifth grade. Then too, who could forget the excitement of dressing up for Halloween all through the grades?

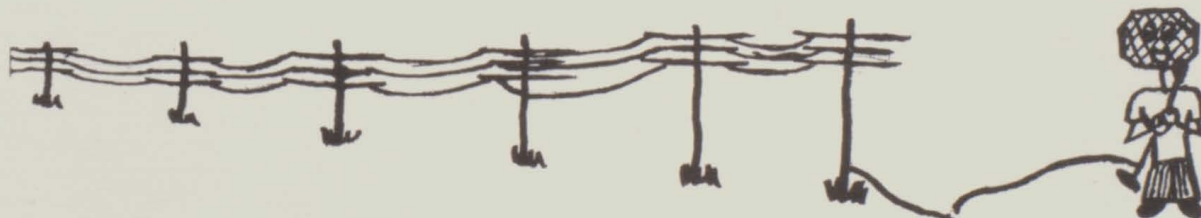

All of a sudden it seemed we were "grown-up"! We were in seventh grade! Passing classes every half-hour and having different teachers were new ideas for us. But we caught on - eventually. That same year our work in social studies took us to Albany where we saw the state's capitol.

Finally, we were freshmen, and were properly initiated into high school. The only important thing in our sophomore year was the football hop. In our junior year we found it extremely nice to be the ones to do the initiating. The really important event in that year was our junior prom. Even though it didn't boost our treasury terrifically, the memories of our "Moonglow" scenes made it worth while. And now we find ourselves seniors and ready to graduate this June. About the only appropriate thing we can say now is "Thanks for the Memories."

"Mike" is mighty important when it comes disc jockey time, and over the air waves float the top 1360 tunes. They seem to fit in so well with home-work! These are the songs that remind us of certain seniors - go ahead "Mike" - you're on!

SENIOR HIT PARADE

1. Peter Ogren . . . "I'm Walking" - - - No car, no drive.
2. Minnie Lawrence . . . "Bon Voyage" - - - She'll be going places.
3. Sharon Pollard . . . "All Shook Up" - - - She can never sit still!
4. Kathie Purdy . . . "Music, Music, Music" - - - This is her life.
5. Margaret Delello . . . "The Railroad Runs Through the Middle of the House" - - -
Well, it ALMOST does.
6. Deann Wakeman . . . "The Banana Boat Song" - - - This cute waitress serves
them all day long!
7. Eunice Mott . . . "Five Foot-Two, Eyes of Blue" - - - Except that she claims to
five foot-one and one-half inch.
8. Tom Tuttle . . . "Transfusion" - - - At the speed he drives, he'll need it!
9. DeWitt Niles . . . "Paper Boy" - - - His aim is straight and true.
10. Marie Preston . . . "Honeycomb" - - - She's a real sweet kid.
11. Fred Smith . . . "Wait and See" - - - An unpredictable guy.
12. Ben Nelson . . . "The Golden Trumpet" - - - Crazy, man, crazy!
13. Dave Schrader . . . "Parlez-moi d'amour" - - - He's a ladies' man!
14. Ann Lewis . . . "Seventeen" - - - Hot-Rod Queen.
15. Steve Flyzik . . . "Hook, Line, and Sinker" - - - Doesn't pay to fish - does it?

18. Ronnie Woods . . . "Black Slacks" - - - An essential part of his attire.
19. David Mott . . . "Green Door" - - - His club is behind it.
20. Arda Harmon . . . "Home on the Range" - - - Kitchen range?
21. Sonja Striegler . . . "Sweet and Gentle" - - - Even though she has red hair.
22. Linda Wade . . . "Send for Me" - - - A willing helper.
23. Emily Michel . . . "I Could Have Danced All Night" - - - Twinkle toes.
24. Bert Black . . . "Fascinatin' Rhythm" - - - She really tickles those ivories.
25. Doris Alcott . . . "Sweet Old-Fashioned Girl" - - - Does she dig this modern jazz?
26. Virginia Bickford . . . "Vaya Con Dios" - - - May God be with you.
27. Esther Davis . . . "Juke Box Baby" - - - Always "rocking."
28. Kay Russell . . . "Thumbelina" - - - She's no bigger than your thumb.
29. Pat Hubbard . . . "The Quiet One" - - - Still water runs deep.
30. Mike Calleia . . . "That Lonesome Road" - - - If you can find the road.
31. Ramona Pratt . . . "If I Possessed a Printing Press" - - - I could print my own

QUEEN EUNICE MOTT

KING DEWITT NILES

"MIKE" IN THE "MOON GLOW" AT THE JUNIOR PROM

Our traditional Junior Prom was a big success last May. The music was by Linus Houck and his orchestra. A sparkling crowd was on hand, eager to see the most popular Junior couple crowned as King and Queen of the Prom. At the stroke of midnight, "Microphone Mike", assisted by Mr. Doyle, announced the King and Queen. Stan Davis and Sally Cheesbro relinquished their crowns to the new rulers. The lords and ladies of the Royal Court were Ethel Armstrong, Sheryl Hulbert, Marie Preston, Sharon Pollard, Ben Nelson, Chuck Boyd, Steve Flyzik, and Ralph Lowe. After the coronation, Mr. and Mrs. Purdy and Mr. and Mrs. Nelson led the Grand March.

In King Arthur's Castle

The Seniors had a great deal of fun in presenting their annual Senior Play this year. The cast did their best to make the crowd howl and they got very good results. The cast included Peter Ogren as the Connecticut Yankee or Hank, who found himself suddenly thrust into the midst of the people in Ye Olde Court of King Arthur. DeWitt Niles and Roberta Black schemed and plotted together as Merlin and Morgan Le Fay, the villains of the play. Carl Feyerabend played the role of the unfortunate King Arthur with Linda Wade as his "loving" wife. Keith Moretz played the part of the mischievous page boy and Marie Preston portrayed a saucy lass of fifteen. Steve Flyzik and Ben Nelson were our gallant knights who engaged in dragon killing and rescuing maidens in danger, such as Sandy, played by Minnie Lawrence. Meanwhile, back in Hartford, Hank's sister Marion was played by Eunice Mott, with Sharon Pollard as their mother. The part of the airplane was well played by Fred Smith, with Ronnie Woods and Ronnie Decker and their assistants also doing a great job backstage. Mrs. Doyle directed the play, and Mrs. Kinney the stage work.

JUNIORS

At our first class meeting, in September 1957, we elected new officers. Those elected were: President, Mary Lewis; Vice President, Eleanor Craig; Treasurer, Pat Thomas; and Secretary, Doreen Day.

Our class advisors are Mr. Crandall, Miss Baker, Mrs. Corbin, and Mrs. Doyle.

Our first project was Freshman Initiation, in September. The juniors enjoyed themselves tremendously, and hoped that after that day the "Lowly Freshmen" felt that at long last they had been really welcomed into high school.

Our next project was the Skating Party, held in November, which both students and adults enjoyed.

In early December we sponsored a dinner. Chicken Chow Mein or Spaghetti, which ever you preferred.

Then in January came the biggest event of all, the Junior Prom. This year's theme was the Mardi Gras.

Other concessions include; bakesales, another dance, and selling at baseball games.

We hope that at the end of this year we will have a large percent of the money needed for our senior trip, so that we can depend on our senior play and the "Echo" for the rest.

SOPHOMORES

Since this year is the beginning of the end - the end which most of us look forward to with anticipation - we feel that the years we have spent in B. C. H. S. will be the most profitable that we shall ever know.

We wish to thank our advisors, Mrs. Crane, Mr. Morse, and Mr. Senio, without whom we would never be able to accomplish many of our undertakings, and our competent officers whom we have elected: David Daly, President; Virginia Hubbard, Vice President; Barbara Davidson, Secretary; Steven Kinney, Treasurer. Two of our undertakings being selling refreshments at the home football games and sponsoring the Football Hop gave a boost to our treasury.

But while we're counting our money and thinking of other ways to possess more (and spend more) money in the future, we must slow down and start to study if we ever expect to reach the end of school and our goal in life.

Well, so long but just for now, as you again will see us in next year's "Echo," as Juniors - we hope!

We opened our first year by electing class officers; they are: President, Donald Moore; Vice President, Martha Besemer; Secretary, Dedra Day; Treasurer, Suzanne Neumuth.

We have already completed our magazine sale which is the big money-making project of the year. The quota on the magazine sales was reached and quite an amount of money was made. Vicki Johnson received the prize for selling the most magazine subscriptions.

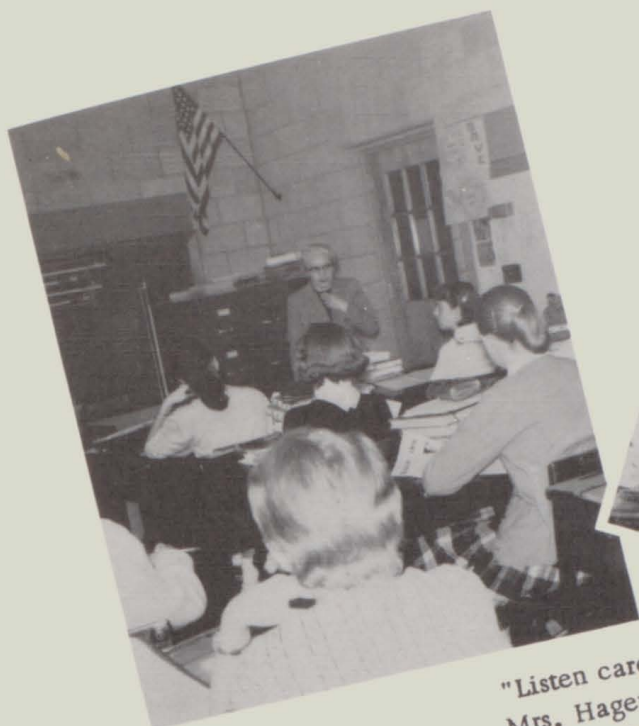

In the class meetings we have discussed other money-making projects. We plan to have a skating party in the school, February 11, and we also plan to have a dance, May 2. Through the courtesy of the Seniors, we plan to sell candy. Also in our class meetings we have discussed new ways by which to make money and have had a few suggestions.

We are pleased to have Mrs. Hager, Mrs. Winger, Miss Hochheimer, and Mr. Coe as our class advisors.

EIGHTH GRADES

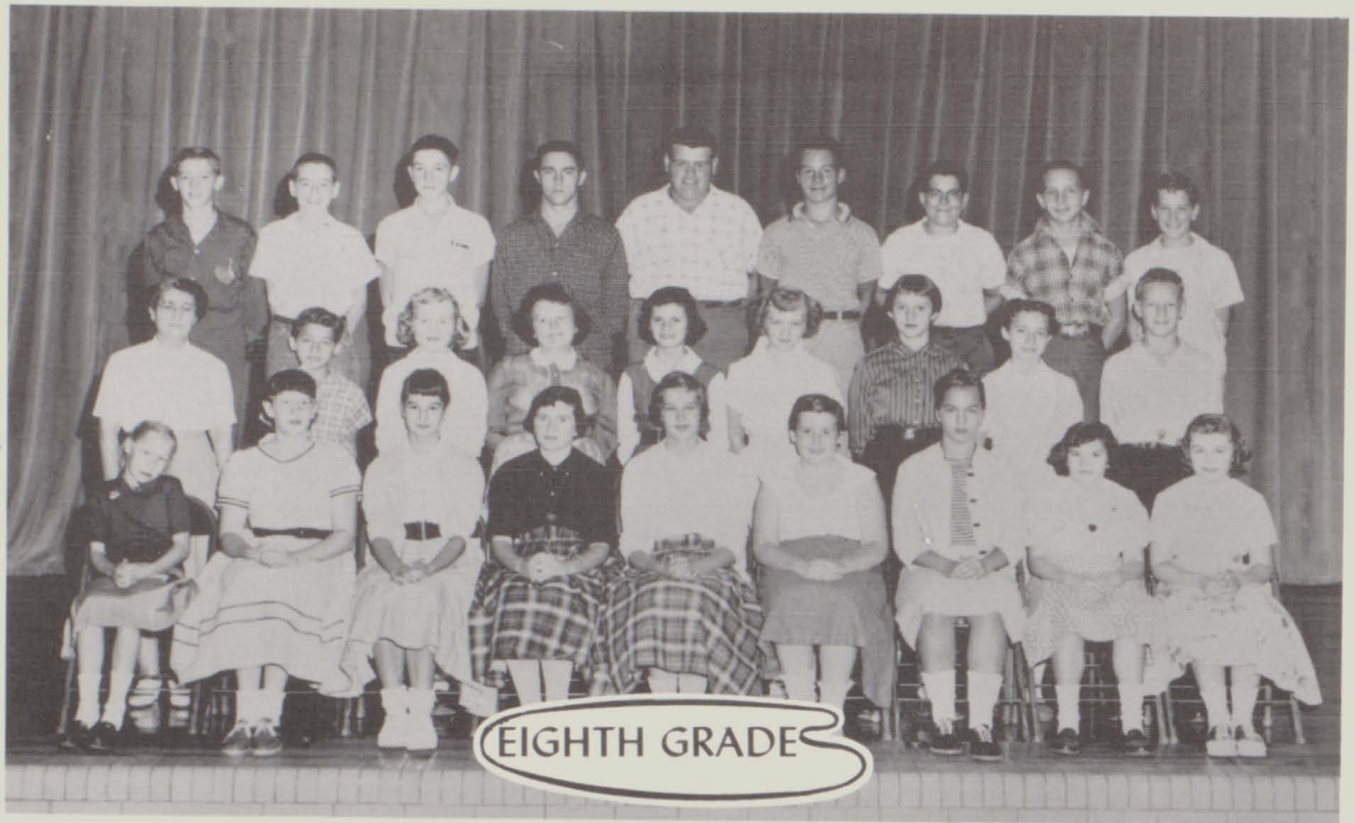

Although we elected no class officers we undertook the traditional eighth-grade projects. The really big event that happens to every 8th grade is the trip to Albany. In the beginning of the year, we planned to go sometime in the spring, especially when the legislature would be in session so we could learn firsthand some of the methods used in running a government. Not only did we learn about our capital but also, in Citizenship Education class, we learned about the state we live in. To go along with our study, we made New York State project maps showing the different cities and their chief manufactured products.

In Math we learned all about checks and matters concerning the bank along with our regular course of study. As part of our study we visited the bank and saw the vault with its store of safe deposit boxes and stacks of bills, and also the machines and their operation.

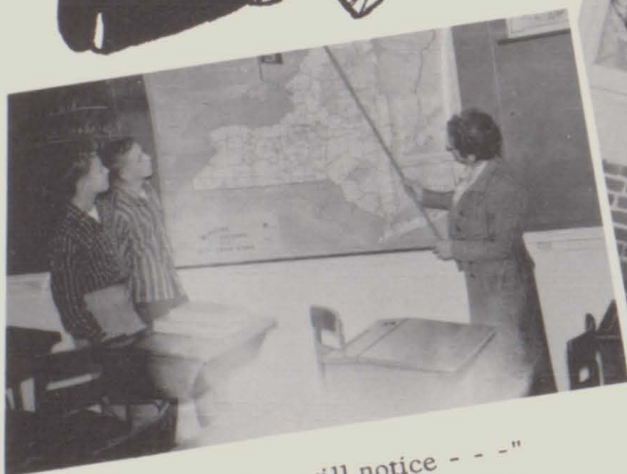

We wish to take this opportunity to thank our homeroom teachers for being so patient with us: Mrs. Butler and Mr. Albert.

EIGHTH GRADERS ON THEIR WAY

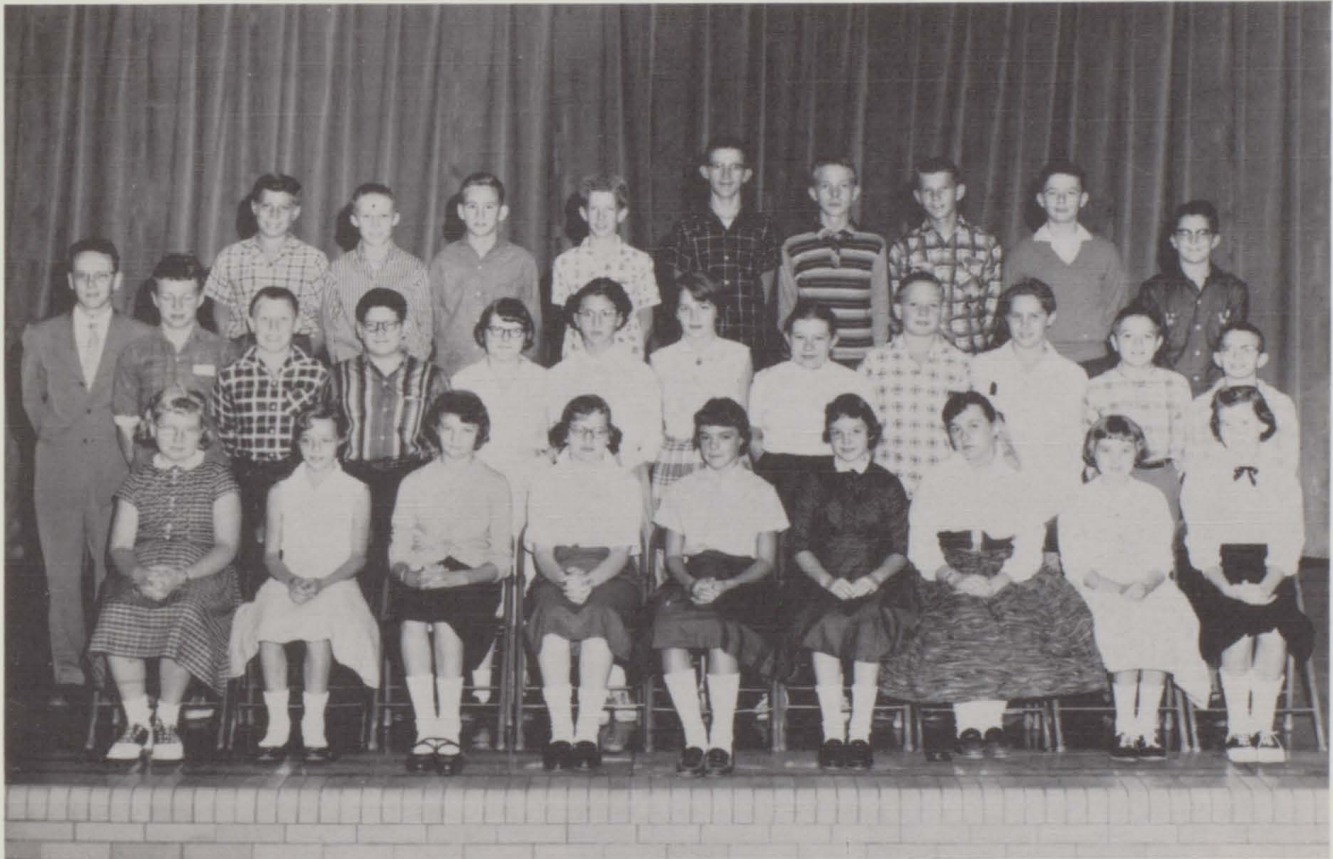

SEVENTH GRADES

Under the direction of our homeroom teachers, Mrs. Lord, Mrs. Cheesbro, and Mr. Palmer, we have had a very busy year.

At the beginning of the year we were confronted with several new experiences and opportunities. Lugging heavy books from class to class, more homework, and doing write-ups for the Junior High section of the "Blue and White" are a few of these. One of the opportunities we enjoy very much is being able to ride on the spectator bus.

Accompanied by Mr. Andrews and Mr. Nickerson, in October we visited the Rome Air Base in Rome, New York.

We are looking forward to the traditional Cooperstown trip which we will be taking in June.

"MIKE" IS VERY IMPORTANT TO STUDENT COUNCIL

Student Council is the student government, the organization to which students and teachers bring complaints and suggestions. These problems are discussed at the meetings and most of them are ironed out.

With the proceeds from money-making activities, the council donates money to the Community Chest, Care, and other worthwhile activities in our town; it contributes a sum for the school record collection and at the end of the year, holds a banquet for our athletes.

Student Council Meeting

This year a new Leadership Program for all interested is being established by Eunice Mott, who represented the organization at the Leadership Training Institute in Syracuse last year. If this program proves successful this year, it may become a yearly project.

STUDENT COUNCIL CAMPAIGN

FLASH! "We interrupt this program to bring you up to date with facts and faces about this year's Student Council Presidential and Vice Presidential election campaign. . . Things were barely underway for the year in Bainbridge High when a nominating committee was selected by Student Council. It was this committee's job to narrow down the field of eligible candidates. The results of their research were: DeWitt Niles vs. Roberta Black, Seniors, for President; Sheryl Hulbert vs. Bruce Dartt, Juniors, for Vice President.

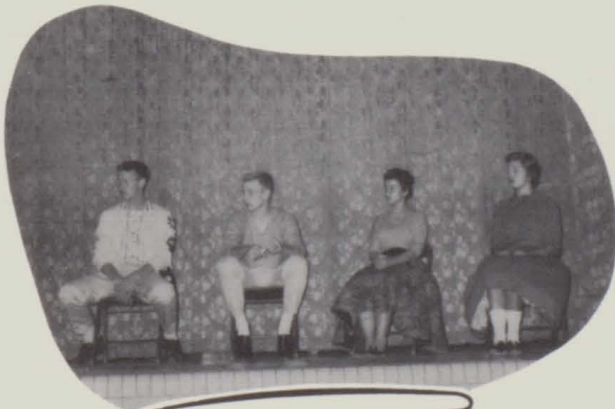

At the end of one week of vigorous campaigning, with every available space on walls, windows, and ceilings covered with signs and posters proudly displaying their candidates' qualifications and campaign slogans, the long-awaited election assembly broke upon us. At this assembly, each publicity manager enthusiastically introduced his candidate for office by stating his previous experiences as officer and by aptly pointing out his qualifications. After four fiery campaign speeches, the student body was dismissed to their rooms to cast their ballots for president and vice president.

"The votes were counted and recounted and before the morning was half over, the victorious officers' names, a "deep, dark secret," could be heard whispered from student to student as they passed quickly from one class to another and the "sweating it out" period came to an end. Strictly in respect to formality, "Mike announced the winners at the close of the school - - - DeWitt Niles, president, and Sheryl Hulbert, vice president.

"We return you, now, to your regular program, "The Echo"; but remember, to keep up to date on happenings and events in Bainbridge High, stay tune to this book!"

"And if you elect me. . ."

AND FOR YOUR SAFETY — THE FIRE SQUAD

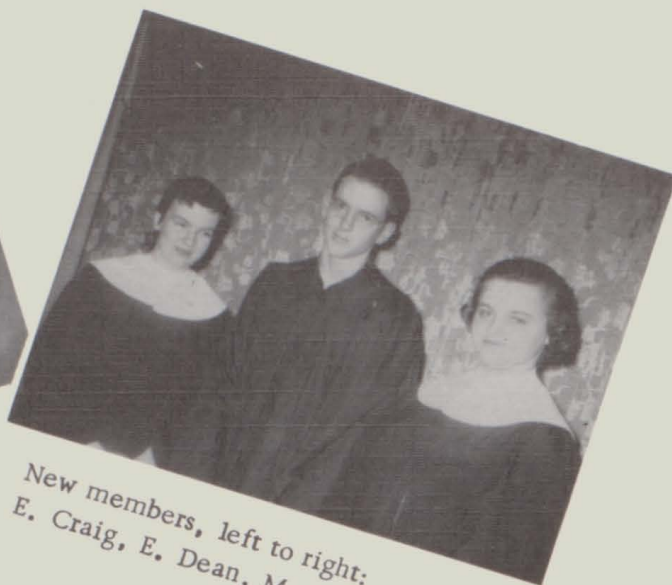

The Fire Squad's job is one of the most important ones of the school. During the practice fire drills, it is the responsibility of the fire squad members to get on their posts in order to direct the students from the school. In case of a real fire, the members would be handy to remind the students that things would go more smoothly and efficiently in the long run if they remain quiet in order to receive orders, stay calm, and walk quickly but not run.

This year, Mr. Morse was our sponsor again. With his help we were well-instructed in the rules for fire drills. The "crew" in action was well-managed by our captain, Fred Smith.

The requirements for Honor Society are: 88 average for the entire high school years, he must have an outstanding character, show service for his school, and show ability for leadership.

"MIKE" AND STUDENTS RUN THE SCHOOL FOR A DAY

In the Spring of 1957, the Honor Society again sponsored a Student-Teacher Day. Due to the co-operation of everyone concerned, the day was a great success. The student-teachers were well prepared and presented interesting classes; the faculty was very co-operative, speaking up only when they thought it necessary to stress a certain point; the rest of the student body seemed to take it in their stride and were probably the most attentive audience that they had been all year.

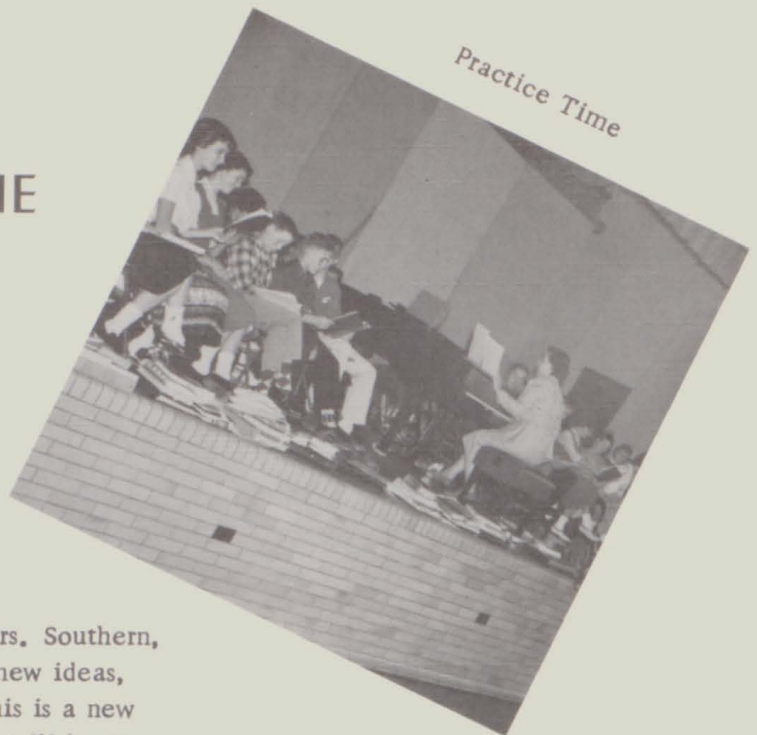

The purpose of the program is to give the student-teachers the opportunity to seriously consider the teaching profession as a career. Since many of the student-teachers have been influenced by the experience, it must be granted that the project is a very worthwhile one to undertake.

Those student-teachers who participated are:

Anthony Howland - Mr. Andrews
Sally Landre - Mr. Nickerson
Ethel Armstrong - Mrs. Kinney
Ralph Castle - Mr. Huggins

"MIKE" ASSISTS THE CHORUS

The chorus this year welcomes Mrs. Southern, our new director. With her come many new ideas, one of which is a Christmas Pageant. This is a new experience in our school, and we hope it will be an annual event.

The chorus not only participates in the regular concerts, but in the past has had a few exchange concerts.

With her special ability, we feel that Mrs. Southern will give us the confidence and preparation necessary for good representation in the Music Festivals and Concerts.

GIRLS' AND BOYS' GLEE CLUB

And now presenting the brand new Glee Clubs. This year they've shown their skills by rendering different types of selections, both popular and semiclassical. The girls' voices blended very appropriately in soft tones. The boys put all their vigor into their songs and the audience enjoyed this enthusiasm.

They plan to participate in many more Concerts; come get your fill of enjoyment.

Summer Concert in the Park and an admiring audience.

Kathie Purdy acting as student director in the band room.

THERE IS MUSIC IN THE AIR —

Under the expert direction of Mr. Braccio, our Band excels both on stage and on parade. This year the Band sports long-awaited new uniforms as well as a high-strutting Color Guard and a colorful school flag. With these added attractions, we won top honors at several firemen parades last summer.

ORCHESTRA

This year, under Miss Hochheimer's capable guidance, the orchestra is progressing nicely. This good preparation will result in better concerts and will also make us ready for the annual Music Festival in which nine schools of the area participate. The enthusiasm of our director couldn't help but rub off on us, so we energetically tackled a higher grade of classics. Not only is she forever giving helpful hints, or "tricks" as she calls

them, on the art of playing a stringed instrument, but she also gives us a deep insight and appreciation for classical music.

TO PUT IT THERE

The Commercial Club has been in existence many years, but was just this year officially recognized with its new constitution and host of officers. Although still not very prominent in these old halls, this is a very important organization.

In addition to giving the future secretaries experience in working with office machines, it also lends a helping hand to the office force by taking over some of their overload; it assists Press Club with last minute typing before the deadline, and helps the yearbook staff with excess typing when needed. The members are ready and willing to run off bulletins or programs for concerts or other school activities, and in general, to help any organization which requests a typist or someone to run off a stencil or a master copy.

If you are a freshman, sophomore, junior or senior and have a nose for news and a gift for gab your place is in Press Club.

Under the guidance of Mr. Vicary, Press Club members prove their ability by publishing our school paper, the "Blue and White," and gathering elementary news for the town section of the "Blue and White."

This year Emily Michel is the editor of the school edition of the paper and Bunny Gliha is editor of the town "Blue and White."

"MIKE" WORKS WITH PROJECTION CLUB

Projection Club is one of the oldest organizations in BCHS and one of the most relied upon. If any students joined this club with the idea that it was a good way to pick up an easy credit, they found out differently after a few weeks of "active service." Though they have no money making activities, the members are kept busy every spare moment. Not only do they show educational films for classes or organizations and noon hour movies for the students, but they also lend their assistance to groups around town who want films shown. All this keeps them running during study halls, lunch hour, after school, and evenings, too. But that's not all! It isn't enough to know how to run the projector, but they must also learn how to clean and repair it and the proper care and handling of films. The strict schedule these students must meet helps them acquire a strong sense of responsibility and realize the importance of adjusting their time to meet the needs of others.

Roll 'em, Kent

The Library Club this year elected Emily Michel as its president. Under the able leadership, the club members undertook such projects as fixing Library bulletin boards, reading stories to the grades during Book Week, taking turns being a Library assistant, and in general learning all about the different aspects of Library work.

All this, of course, would not be possible without the faithful assistance and thoughtful suggestions from Mrs. Niles.

Peter Ogren was elected president of Dramatics Club this year. Even though this organization has existed before, it never had such membership as it did this year. At the beginning of the year, we planned to put on more plays than we have had before. Besides the usual play in the spring we also wanted one around Christmas time.

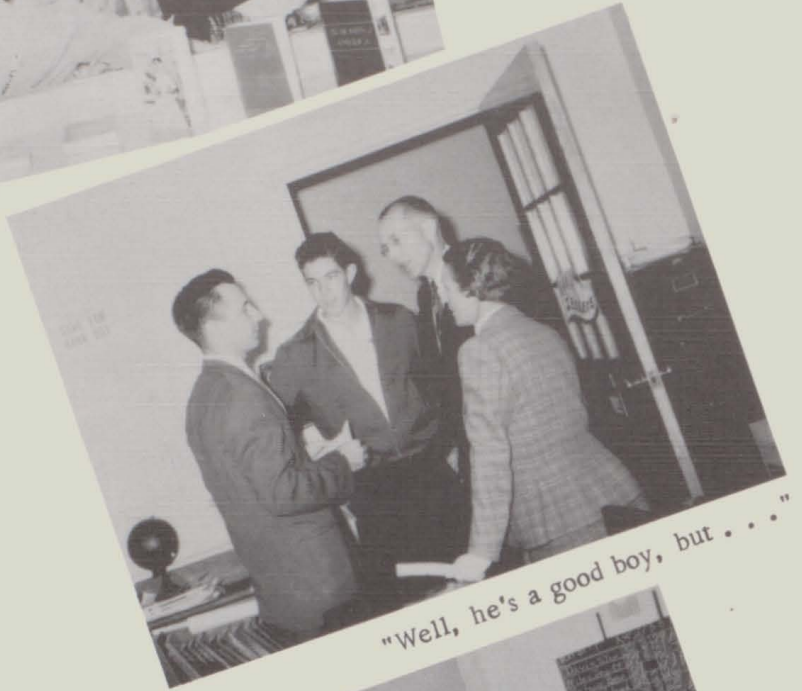

The Thespian Society, a National Society, which has to do with dramatics is also receiving a large number on the roll from the school. In order to become a member, one must have had a major role in or worked on the crew of at least one play. The member receives a one year subscription to "Dramatics" magazine as well as the honor of the position.

We realize that without Mrs. Doyle's fine direction our organization would surely be lost; we are indebted to her for devoting much of her time to us.

The doors of B. C. H. S. were opened to the public for another Open House in May 20, 1957. All the teachers were on hand to talk with the parents.

Among the interesting exhibits to be seen were the Art exhibit, the Homemaking display, the Library display, the Lab. exhibit and displays of student work.

An enjoyable time was had by all, and the evening was topped off with refreshments in the cafeteria.

AND GOES TO CAREER DAY WITH THE HIGH SCHOOL.

Something new has come into the spot light of events this year. The guidance departments of Afton, Bainbridge, Guilford, and Mt. Upton put their heads together and came up with Career Day. The program was planned around the need for pupils to learn about different occupations in order to make an intelligent choice for future work.

For this occasion representatives from many different vocations were invited to speak to the students of the four schools on the advantages or disadvantages of the different fields of work.

There was a wide variety of fields from which to choose, but each student was allowed to attend only two discussion groups due to the limited time. After these sessions, each contributed suggestions for a better day next year.

We hope that all who attended gained something of value from this grand opportunity. It is hoped that it can be made a yearly project.

Due to the faithful, untiring efforts of Mrs. Doyle as director, prize speaking was a grand success this year. There were many more participants in this contest than in last years, ranging from ninth grade to twelfth. Some were more finished in their presentation because of experience, but all of them tried sincerely to give an evening of good entertainment to their audience.

In 1956, there were about five participants; the number about tripled in the 1957 contest. This increased interest, evidently, had some good results, for Mrs. Doyle plans to include prize speaking as a part of the activities of the Dramatics Club in 1958.

"MIKE" GOES TO THE GRADUATE COUNCIL TEA

In December of 1956, the Honor Society sponsored its annual Graduate Council Tea. To this tea were invited sophomores, juniors, and seniors, teachers, and B.C.H.S. alumni. These teas are held not only for reunion's sake but also for the purpose of clearing up some questions pertaining to college that the students might have. At this particular tea the topic concerning the role of extracurricular activities in high school and college was discussed. Those who attended remarked that it was very successful and beneficial.

Bainbridge has won the Susquenango League Volleyball Championship for a number of years, 1957 being no exception. The fine teamwork that was displayed throughout the season is a fine tribute to the excellent coaching job of Derwin Jones. On March 11, Bainbridge played host to Afton and Harpursville, beating them both. To increase our good fortune, on March 19, at Greene, the Bobcats subdued Oxford, Deposit, and Chenango Forks. This gave them the League Championship and the right to go to Binghamton on March 23. Unfortunately the team wasn't at its best so they lost the first game, thus eliminating them from further competition.

The Jayvee baseball team, coached by "Doc" Jones, had a very encouraging season. The boys presented a fine example of good team work, and will make a strong varsity in the future if they continue their enthusiasm for the game. They finished up as league champions with only one loss on the red side. Top batting honors go to Gary Budine, a sophomore, with an average of .554. Pitching star was Arthur Hager, a Freshman, averaging five wins and one loss.

Baseball at Bainbridge during the 1957 season was not too successful. Lack of experience and spirit, which is essential for a good team, caused them to lose all but one game. The only bright spot of the season was our last league game with Hancock which was our only win. The scoring was a seesaw throughout the early innings, but the score tied eight all in the seventh inning. Finally the Bobcats rallied and scored 3 runs in the tenth to win 11 to 8.

The two all-stars for the year were Ralph Castle and Ben Nelson.

The track team had a fairly good season this year. Although we didn't win any three-way meets, we won a couple of dual meets and we also came in 3rd at the Class "B" Section IV meet at Oneonta. Our relay team, which was at this meet, was made up of Eric Dean, Ralph Lowe, Fred Smith, and Bruce Dartt. The following week they went to Cortland, but were unsuccessful there. Gordon Dolph, who was doing a fine job with the discus, also went with them, but he, too, was unsuccessful. The high point scorers for the year were Eric Dean, Bruce Dartt, and Fred Smith.

We feel very encouraged in the future for track, thanks to the efforts of Coach Morse.

"MIKE" BREAKS IN THE JAYVEE BASKETBALL TEAM

The Junior Bobcats will be spending the year building on the fundamentals of the game. The team is composed of four inexperienced Sophomores and eight new Freshmen. They hope to improve during the season while working toward a future varsity berth.

To date the team is in third place and is showing definite signs of improvement.

We hope they will uphold the tradition of our school in basketball when they become varsity Bobcats.

VARSITY BASKETBALL — "MIKE'S" PRIDE

This year's Bobcats will be fighting for their fourth consecutive Susquenango League Southern Division Championship. Starting with the '54-'55 season the teams have built up a reputation for not only their good teams but also good sportsmanship. The '54-'55 team pulled an upset victory over Sherburne giving them the league championship. The '55-'56 team gave us a Section 4 Class C Championship. Last year the Bobcats surprised the whole league by coming through with the Southern Division Championship. This year the team has several of last year's men back to take up where they left off. They should have a very fast offense and a good defense.

WRESTLING SHOWS INCREASED POPULARITY

The wrestlers after a long dry spell, look as though they have enough new material to begin to show some strength. So far, though they have not won a match they have shown such progress that it is felt they will have a much more important future. Last March's final tournament saw the following Bainbridge boys in first place: 112 lb. - Doug Wilcox, 120 lb. - G. Sherman, 133 lb. - R. Simonds, 138 lb. - P. Dufford, 154 lb. - T. Armstrong.

THE GIRL ATHLETES ORGANIZE A NEW ASSOCIATION

"Mike" recognizes the newly formed G.A.A. The Girls' Athletic Association began this fall by electing the following girls to serve on the Executive board; President, Sharon Pollard; Secretary, Bonnie Davidson; Treasurer, Doreen Day; Managers: badminton, Linda Pollard; archery, Roberta Black; track, Doris Archer; softball, Irene Shea; basketball, Eunice Mott; soccer, Vicki Johnson; volleyball, Barbara Davidson; and field hockey, Judy Lawrence. This Executive Board leads the G.A.A.

Any girl who goes out for two sports becomes a member of G.A.A. The sports we have had a chance to compete in so far this year are: field hockey, soccer, and volleyball.

The Association's membership shows a rapidly growing enthusiasm in girls' sports.

This year was a good one for girls' softball. So many girls came out for it, that we were able to compose an "A" and a "B" team of Senior High girls. The teams won or tied all games they entered. With Windsor, the "A" team won by a score of 11-6, the "B" team has a close call with a score of 20-18.

The varsity team beat Sidney 6-2. The Junior High team did very well with a score of 18-8 against Sidney.

"MIKE" HAS FUN ASSISTING THE GIRLS AT SOFTBALL AND TRACK

The softball playday at Deposit was a time of fun for all. Our energetic girls competed against Afton, Windsor, Hancock, and Deposit. After a successful morning the girls came home with the "A" team having won 3 out of 4 games and the "B" team 2 out of 4.

The 1957 Spring Track Playday was held at Whitney Point on June 6, 1957. Despite the rainy weather seven girls from Bainbridge slid around on the muddy field, coming out with two place winners. Sharon Pollard took second place in the 100 yard dash and Judy Lawrence won second place in the softball throw. Whitney Point, Windsor, Chenango Forks, Oxford, Deposit, and Greene were the other schools participating.

HOCKEY

Hockey is a fairly new sport at Bainbridge High. On October 13 we met Unadilla and came out with a victory. As per usual the playday was held on a dreary, rainy morning. In spite of the weather sixteen of us and our stuffed monkey mascot, Zelfia Mae, set out for Greene to do our best. There were five schools present besides B.C.H.S. Greene, Delhi, Norwich, Sidney and Windsor were our opponents. When "Mike" announced the winners, we found that our scores were one win, two ties, and two losses.

GET THAT SERVE!

Forty-three girls went out for volleyball so it was necessary to have two varsity teams. The girls on the left hand side of the picture make up the "A" team; the right hand side is the "B" team.

Our new mascot, Zelphia Mae, led the volleyball teams to a smashing victory! Both the "A" and "B" teams came home from the playday at Afton with a perfect score. Our competition was just too much for Deposit, Windsor, and Afton. After the games were over the "A" team captain, Laurani Moore, accepted a certificate showing our championship. Irene Shea and Bonnie Davidson were chosen as all-stars from Bainbridge.

The "A" team went on to win glorious victories over Afton, Oxford and Sidney in after-school games. With our heavy schedule it was impossible to schedule more games for the "B" team.

BADMINTON

New equipment was purchased for girls' sports this year. Included in this were badminton rackets, birdie and net.

After Christmas vacation it was our privilege to learn this sport which was new to many.

Bonnie Davidson is demonstrating the correct way to serve the birdie and how to get the game off to a good start.

Bonnie Davidson showing us how it's done.

The "tramp" is a relatively new addition to our sports program. It is the sport which America originated and is becoming more and more popular. The student develops balance and co-ordination from the trampoline - all this besides its being fun! For the short while we have had the "tramp" we have already realized several adept students.

SANDRA ALFORD IVES

TO HER MEMORY

We will always remember Sandra Alford, Class of 1956, for her vivid charm, gay spirit and warm good-nature.

Too soon she has been taken from our midst.

Friends, students, and teachers join in sorrow over the loss of one, who seemed filled with the joy of living.

— AND SO WE CLOSE ANOTHER CHAPTER

For the class of '58, "Mike" salutes our Alma Mater. This is our last year at Bainbridge Central and we will all miss the fun we had, not only by our participation in extra-curricular activities, but also in the actual process of gaining knowledge.

While "Mike" remains with our school he will also be around to guide our class through our various futures.
