ALMA MATER

Resting proud in Susquehanna's vale
Alma Mater stands.
Sheds her rays of learning far,
Lighting many lands.
Free from spot and stain her colors wave
O'er each loving son.
She has had a wond'rous history,
But her glories are scarce begun.
Hail! All hail, to Bainbridge-Guilford
Our most gracious queen,
With her banners proudly floating,
Noble halls and campus green;
Each day greater glories gaining,
Laurels new are won;
With affection unbounded,
Ever surrounded,
Guarded by each faithful son.

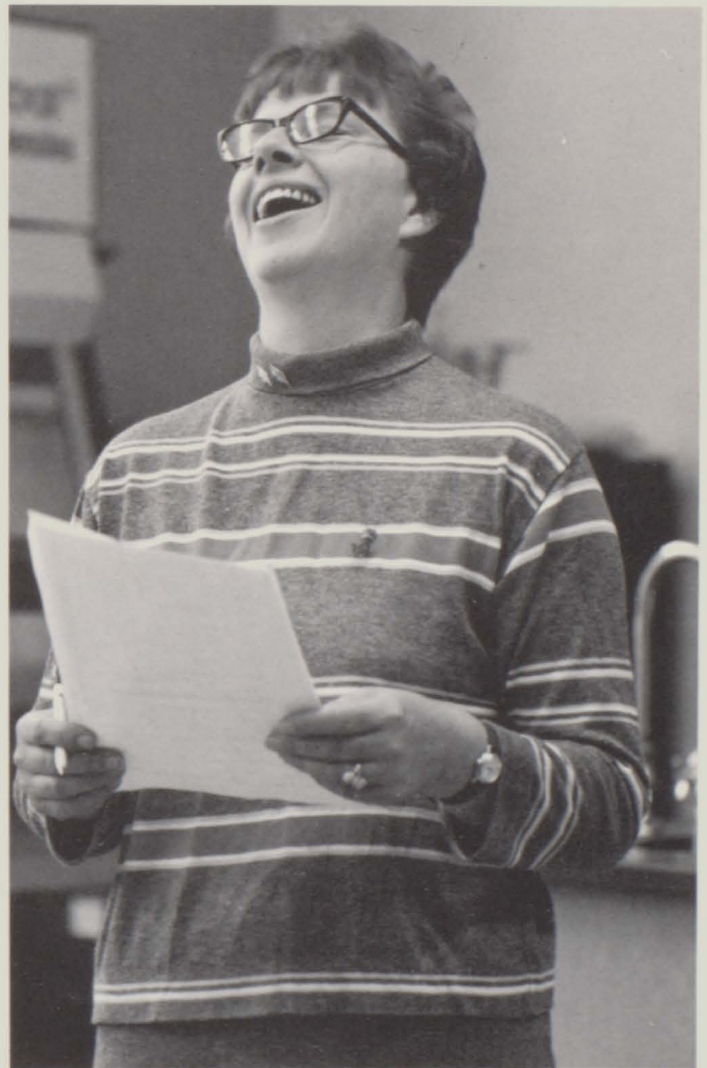

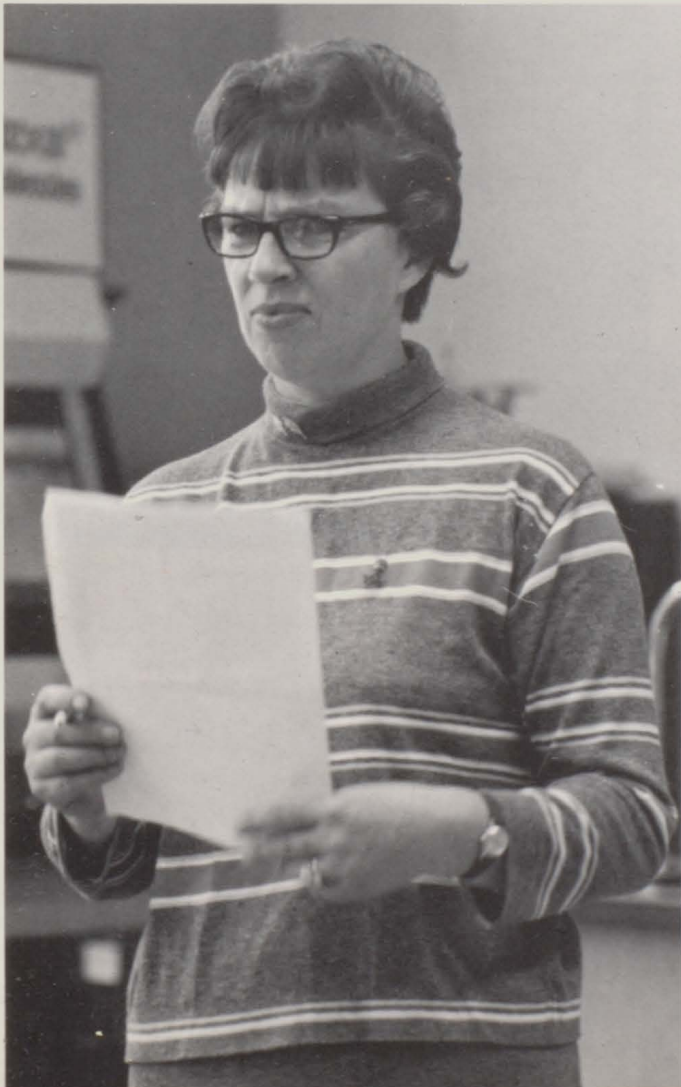

To Our "Mom"

The Class of 1970 has been given the opportunity to recognize one member of the faculty, who through his or her excellence in teaching has instilled in us not only a will to work, but also an appreciation of that for which we were striving. Such a person was not hard to come by. We found that the recognition of one such individual was inevitable.

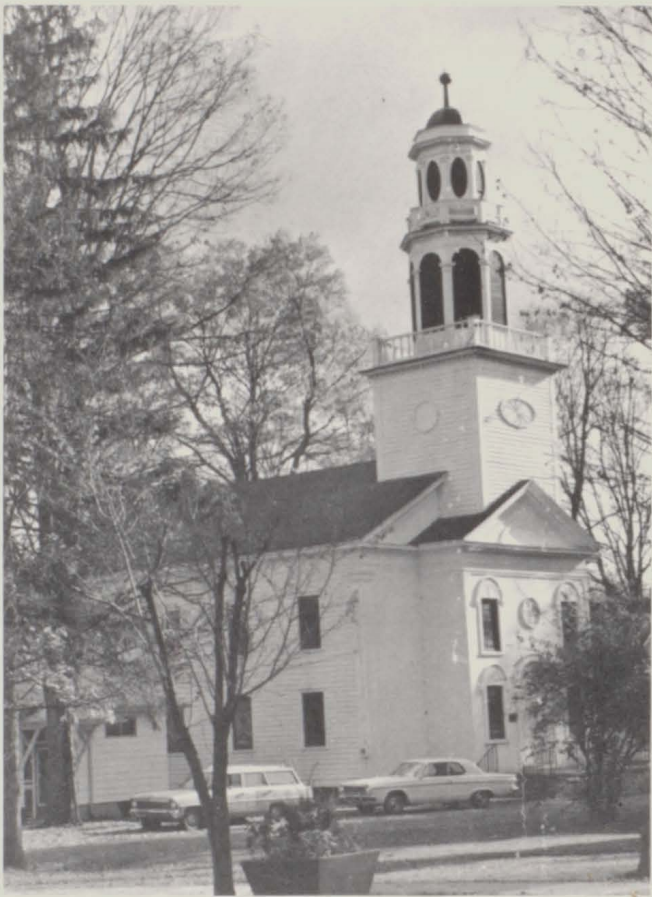

The outstanding individual of our choice is an artist in many fields. Her long impromptu speeches helped us to know her better and appreciate her affable sense of humor. Her occasional flares of disgust added to her wonderful personality and also gained our respect. She became an accomplished musician, of sorts, and her ability to splash vivid colors on the wall tagged her as an artist during our year of Physics. In Chemistry, she distilled our bubbling urge to get the most out of school before we graduated, and still found time to teach while employing her good behavior vacation policy.

Certainly, she has been like a mother to us all and therefore;

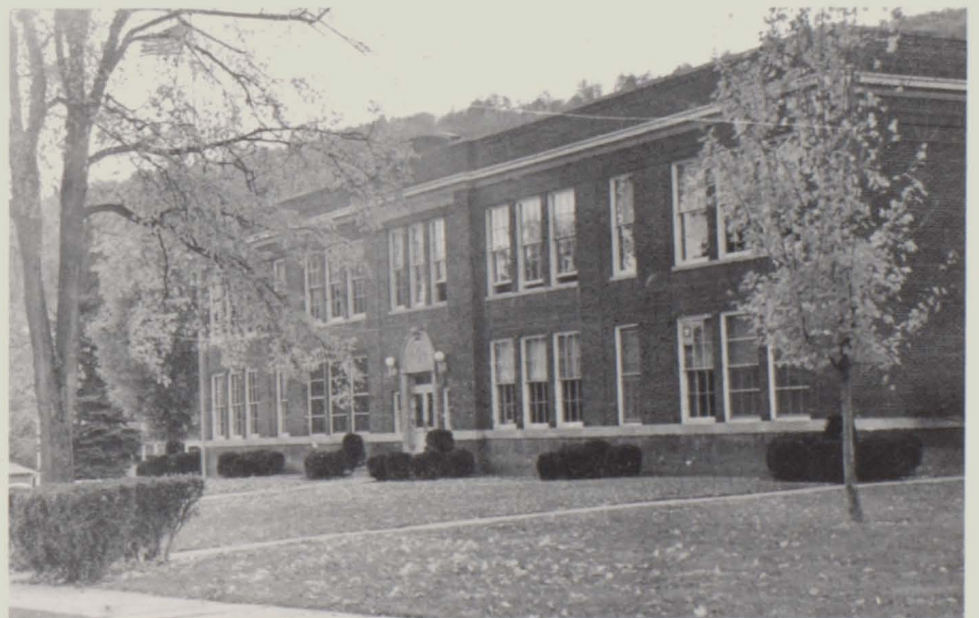

"Mom", we dedicate this, the final analysis of our short stay in high school to you—MRS. JANET MONROE.

Reaching Up High

I see a wide lawn with swings,
I see trees swaying in the wind.
There are houses with brightly colored roofs,
I see many children playing and tumbling.
There are mountain caps that look like cotton balls,
The tree limbs are Reaching Up High.
What I see out my window I sometimes understand but
sometimes, I don't.

To the hard-working B-G Administration

Mrs. L. Chapman, Sec.; Mr. Richard Zajack, Elementary Principal.

The Bainbridge-Guilford administration is one in which all of us can, and should, take great pride. The year of '69-'70 will be remembered as one of the most youth oriented in history and our administration was both quick and efficient in handling the problems brought about by such a change. Not only did our guiding influences accept the changes in school attire and social values, they were most willing to listen to and consider student problems and points of view. Undoubtedly, the administration at B-G is comprised of open minded, responsible individuals to whom we owe many thanks and great respect.

Without the help of some responsible people, the production of a yearbook is virtually impossible. Working a minimum of 4 hours a week the staff learned exactly how complicated the creation of a worthwhile yearbook is. The 1970 Echo staff has done a tremendous job in completing this yearbook. Although understaffed and pressed for time, eventually the deadlines were met and the job finished.

Student Council heads another year.

Mary Jane Forsberg enjoys the lighter side of a meeting.

This year, under the direction of Mr. James Lyons, the Student Council enacted an unprecedented amount of business. President George ran many a smooth meeting at which a lot of accomplishments were made. Ultimately, 1970 was a very progressive year.

Treasurer Kathi Flyzik reads the minutes, hoping for approval.

Last spring the student body voted against the idea of merging the senior high student council with its junior high counterpart. This caused a delay in organization, but now this problem is solved. The group meets every two weeks with Mr. Ronald Tompkins advising and Bill Hinkley presiding as president.

The Blue and White Staff has been working hard this year to bring B-G an exciting and interesting newspaper. They have tried to bring the paper closer to the student. Surveys have been made with the student's interest in mind. It looks as if they have been successful. Sales are up considerably from last year.

The firesquad is comprised of a group of community-minded individuals. It supervises during fire drills, aides in evacuation of the building and assists the firemen in every effort to assure B-G occupants of their safety.

This year the firesquad proved its worth when a real-life fire drill (complete with smoke, fire trucks, sirens, ladders and firemen) was pulled. Also, the firesquad, under the direction of Mr. Hunsicker, presented an informative assembly from which all who saw it prospered.

Despite the budgetary deficiencies, with the expert guidance of Mrs. Kinney, the B-G Art Club has progressed in many areas. Each year the Art Club has worked toward making a brighter Christmas at B-G by constructing a scene which is placed in front of the school. This year the Art Club chose for its Christmas theme the "Bird of Peace." Although limited in staff, this year B-G's artists produced many outstanding works of art.

Phy-Chems: science can be fun.

Mrs. Monroe, Phy-Chems club advisor, shows the members of Phy-Chems that learning can be fun. The club has tried everything from making root beer to electrifying hot dogs. Every Tuesday and Thursday, the devout musicians of Senior Orchestra crawl out of their warm little beds early in the morning and travel through all kinds of weather, just to get to school for the 7:40 rehearsal.

Several members participated in Area All-State at Oxford in November. Instead of a County Orchestra this year, B-G initiated an experimental String Festival held in March at this school. This year, too, the orchestra and chorus plan to participate with the band in the NYSSMA experiment which the band started last year. So ended a year full of music.

Jr. Orchestra is the smallest of all the music organizations at B-G but by no means the least. Many of the string players have progressed so much that they now play in both Senior and Junior Orchestra. The string members are backed up by a windwood and brass section comprised of the best players in Jr. Band. The students in Junior Orchestra gain experience which prepares them for the Senior music organizations.

'Cause we're second

With many agonies, aches, and pains, B-G finally pulled through the football season with flying colors. We owe a lot to the players for their never ending struggle to bring another B-G victory. Through mud, sweat, and tears our boys came through.

promising Bobcat team.

Coach E. Billy

Though consisting mostly of juniors, the Varsity basketball team was near the top of the Pioneer League ladder. Our team was the stimulus of great excitement with many very close games.

Special congratulations go to the team for taking second place in the Tri-Town Christmas Tournament and to Jack Judd for being selected for the All-Star team.

A great year guys. Pioneer League-look out next year!

JV's place 1st at the Christmas Tournament.

Coach E. Ermlich

The J.V. Basketball team had a very impressive record this year. They won the Tri-town Basketball Tournament and as of this writing are undefeated in the Pioneer League. Although the first string was dominated by Sophomores, many Freshmen showed great promise. With the excellent coaching by Mr. Ermlich, the boys put on a fine show.

The B-G Cross Country team had another good season this year, despite the fact that they finished third in the league. The year started out with about twenty boys coming out and a new coach. As the season progressed the team made good showings in all of the races they were in. Although at times hampered by injuries, B-G won most of their dual meets as well as finishing well up in the field at all of the individual meets. The highlight of the season came when B-G took second place in the Delhi Invitational. Next year promises to be another good year with many fine runners coming up to take the place of those who are leaving.

at Clyde Cole Tourney.

This year's teams, both Varsity and J. V. put in an impressive season. A lot of new faces showed up for practice the first night, including our own Coach Wallace. The B-G matmen rolled to some impressive victories and pulled off a few hairy ones. Charlie Blincoe (165 lbs.) became the first B-G wrestler to win a championship at the Clyde Cole Tournament. There were also several second and third place winners. The team upset Norwich and took third place in this tourney, the best B-G has ever done.

BAGUBA (Brutally Aggressive Guy, Uninhibited by Adversity) was first established this year to help bring about more enthusiasm among the boys. There is a different winner every week as well as a "Baguba of the year."

Last year's baseball team was one of the greatest teams in the history of B-G. Although the team suffered one defeat, they still won the championship. This year's team, although it doesn't have as much depth as last year's, figures to be at the top when the baseball season ends.

J. V. baseball team has good season.

Last year's J.V. baseball team was built mainly by Freshmen, since there were only five Sophomores on the team. Although the team was young and had to do much rebuilding, next year promises to be a good one.

Row 1: J. Butler, J. Rurik, R. Delello, R. Fleming, J. Hinkley, J. Brown, R. Kuhr, B. Delello, A. Belokur, J. Miller. Row 2: R. Niles, R. Rurik, B. Vicary, D. Youngs, M. Glover, C. Joslyn, G. Ives, D. Cutting, D. Bourn, B. Michels, Coach Judd.

Led by a core of five seniors, last year's track team was very successful. The team retained its supremacy in league competition by winning the Pioneer Association title for the tenth time in eleven years. One of the most important factors in the team's success was the very able coaching of Mr. Ermlich.

The medley relay team set a new school record. If the boys keep up the good work, B-G should have a very powerful track team for 1970.

Heads up and hats off to volleyball champs

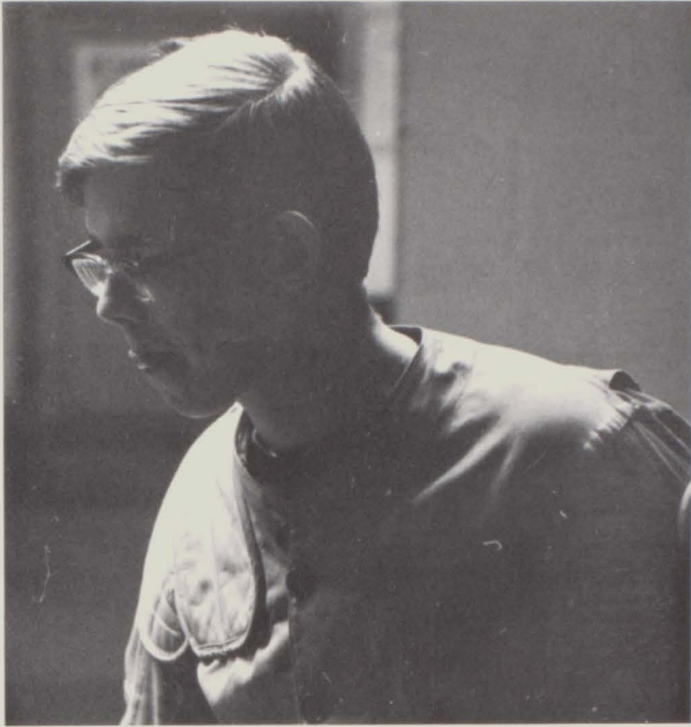

Row 1: A. Carpenter, G. Mertz, D. Baldwin, P. Taylor, W. Butler, D. George. Row 2: B. Seaman, S. Barnard, R. Hinkley, J. Wilcox, F. George, M. Sejersen. Row 3: Coach Vredenburg, J. DeClue, J. Judd, C. Smith, R. Hayes, A. Kelley, J. Utter.

Last year's volleyball team had a superb record, as usual. The team was undefeated in the Pioneer League and has been Section Champ for the last nine years. With the constant drive and skillful determination of Coach Vredenburg, B-G will continue to have a winning team. Keep up the good work, boys. You're B-G's pride and glory.

1970 Rifle Team shoots its way to victory.

The B-G Rifle team is considered one of the best in the area, with three starting varsity shooters returning from last year. Although the competition is extremely stiff, B-G intends to come out on the top. The prospects for the following year look good, with the entire varsity squad returning.

Row 1: J. Casey, S. Muller, R. Ashworth (coach), D. Corbin, B. Vicary. Row 2: K. Hanhirova, B. Joslyn, D. Wilcox, G. Holdredge, P. Mertz.

Golfers "putt" opponents in their places.

Last year's B-G golfers made another historical record for the B-G archives. Not only were the team members dedicated to their profession, but they became keyed up at each match before teeing off.

B-G has one of the very best cheerleading squads in the Pioneer League. The varsity cheerleaders are responsible for spurring the varsity football and basketball teams on to victory. Judging from the great job these teams did this year the girls did very well.

Though JV tryouts were held late this year and time was of the essence, they have proven themselves a great squad. With pep to spare, the JV cheerleaders cheered their team on to one victory after another. A job well done, girls.

preparation for Sr. High sports

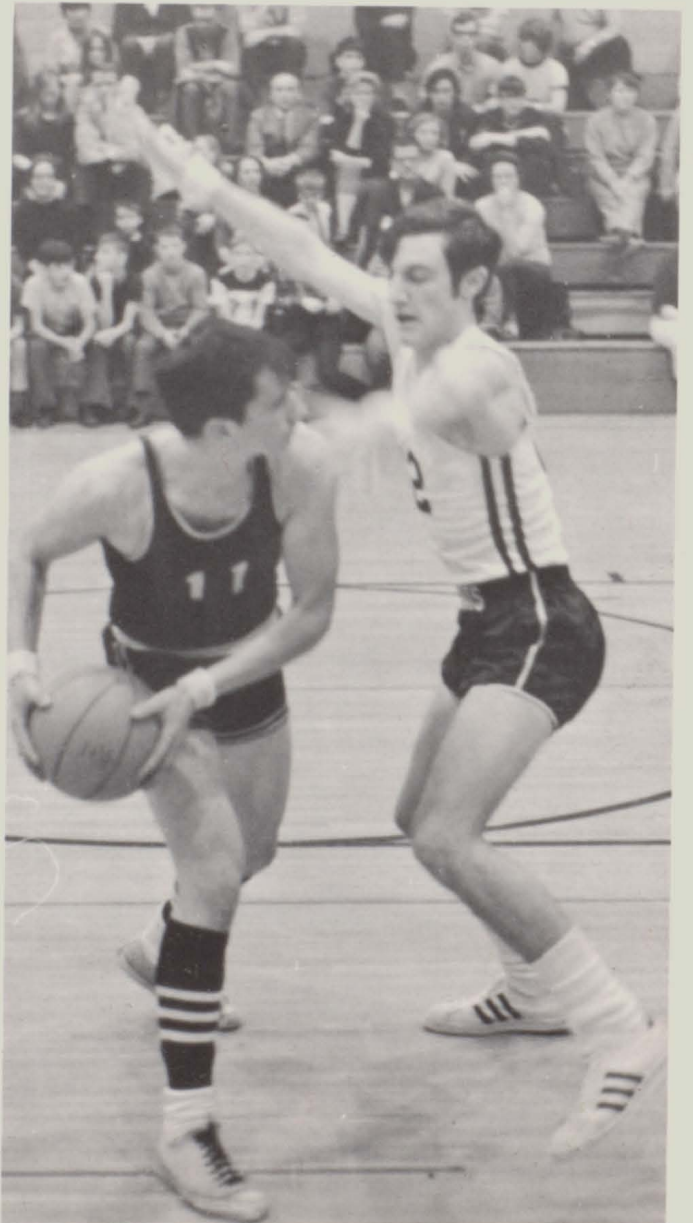

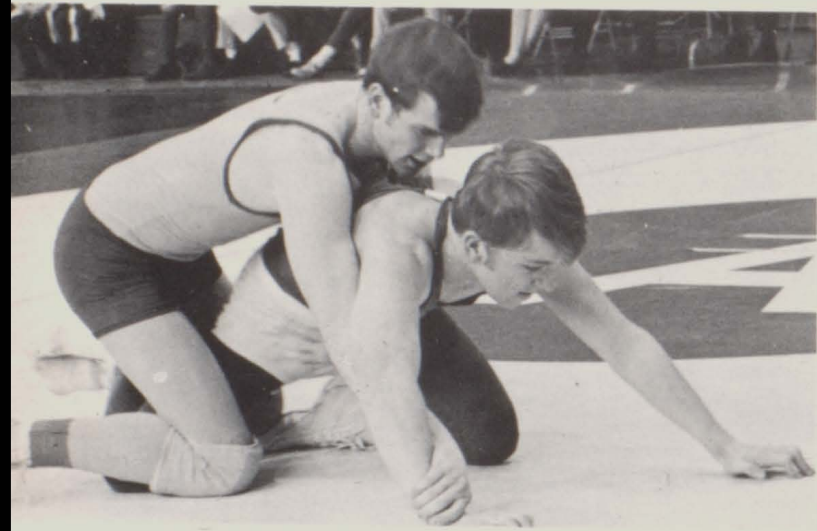

Underneath the crust of virile athletes of the high school world lies the muscle building program of junior high sports. Team work, field tactics, and sportsmanship are stressed as well as routine work programs. By the time they reach high school, junior high sports participants are ready to face the rigors of the high school program.

The quiet side of Sophomore life at B-G.

Steve Jackson listens attentively.

Anne Hinkley and Wendy Wahlberg show the anguish and pain that an Echo meeting always brings.

What does Debbie Dicks daydream about?

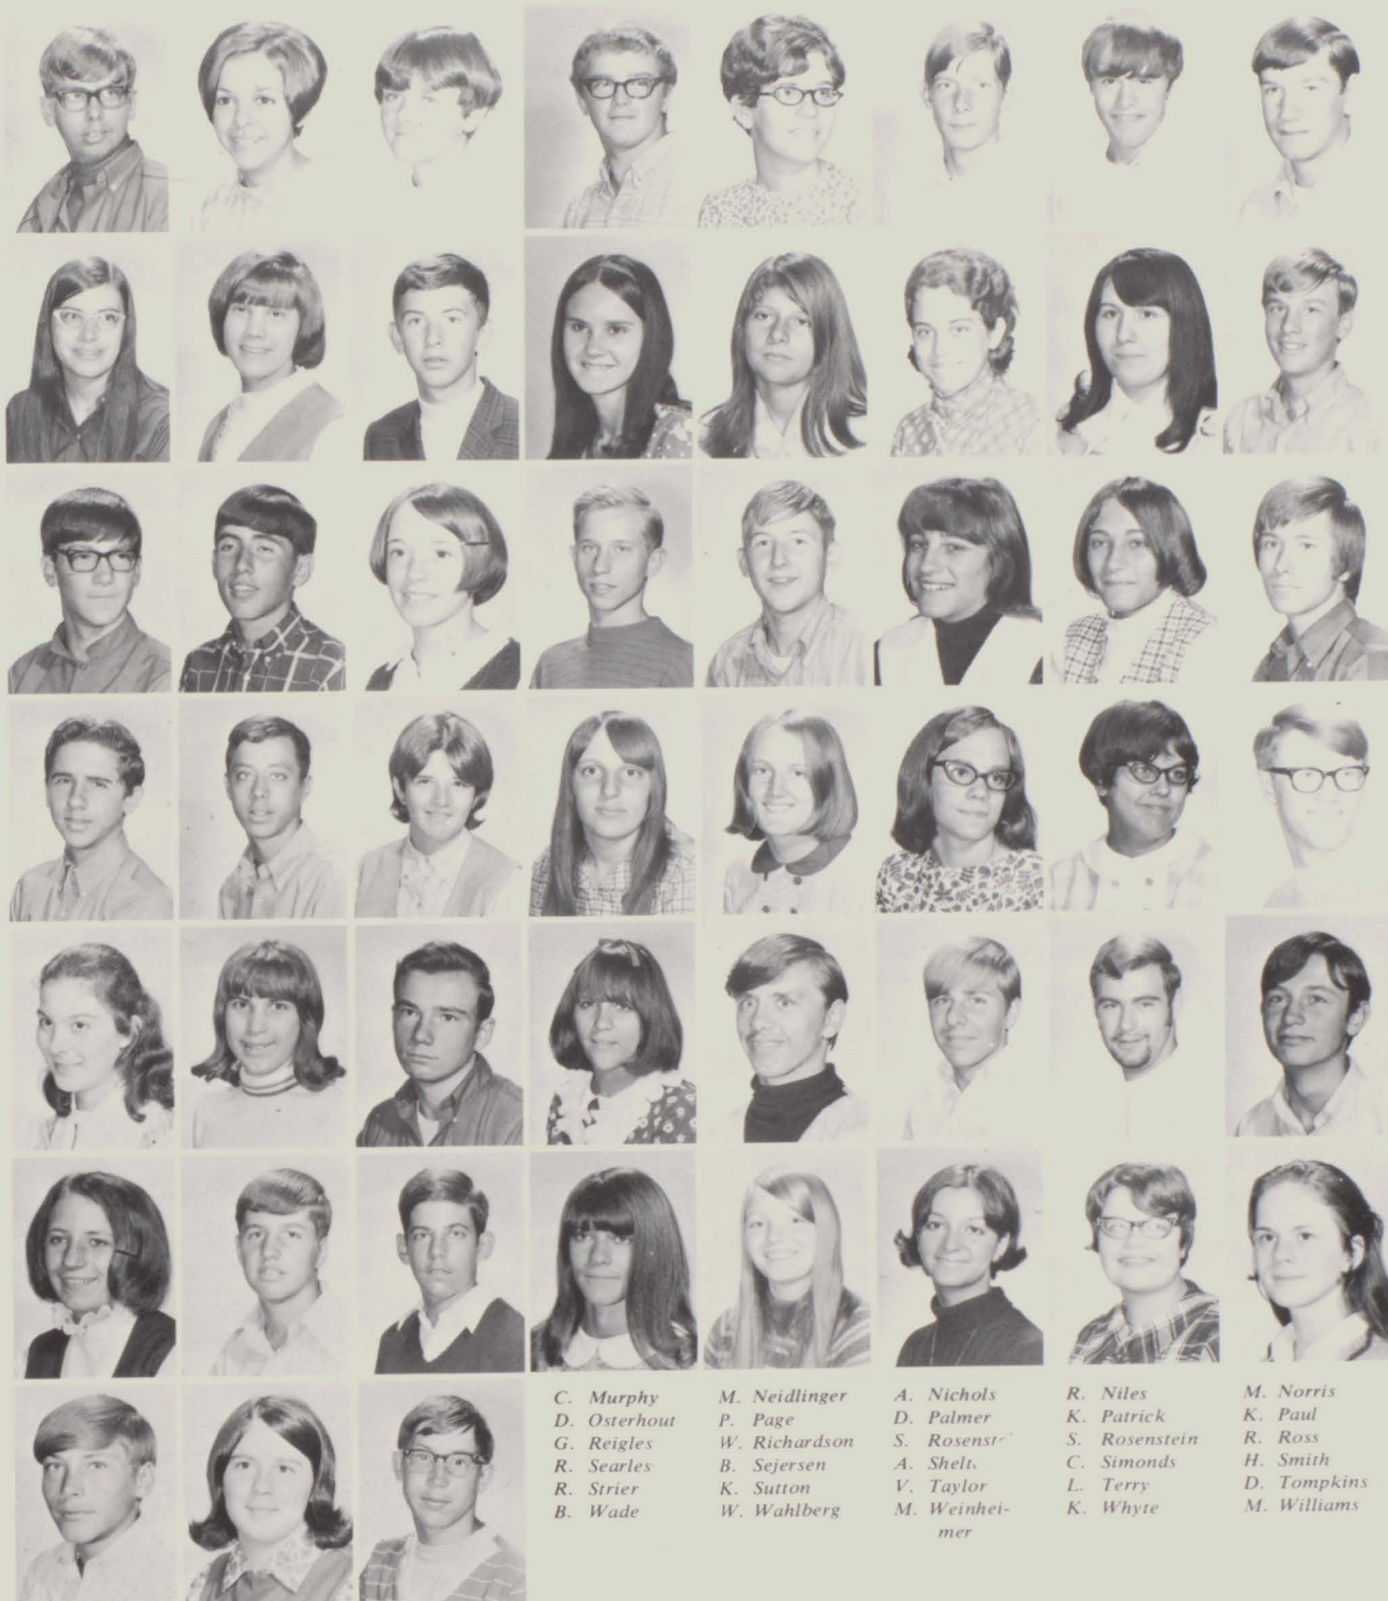

Roger Hoover vacuums in all the knowledge offered at B-G.

"Sloppy Smith" slurps his soup.

Sophomores in action.

Becky Gardner and Joann Nurek concentrating on their work?

Fayne George doing his thing.

What is it Joan Barton sees in her clarinet case?

Jim Rurik, B-G's very own three-handed trombone player.

Sophomores participate in varied activities.

Was that window put there just for Dave?

When are visiting hours, Cathy?

Al Nichols displays the enthusiasm that is so common to sophomores.

Rinda Felske eagerly looks forward to the next boring hour of decorating for the sophomore dance.

Juniors plan to present the best prom ever.

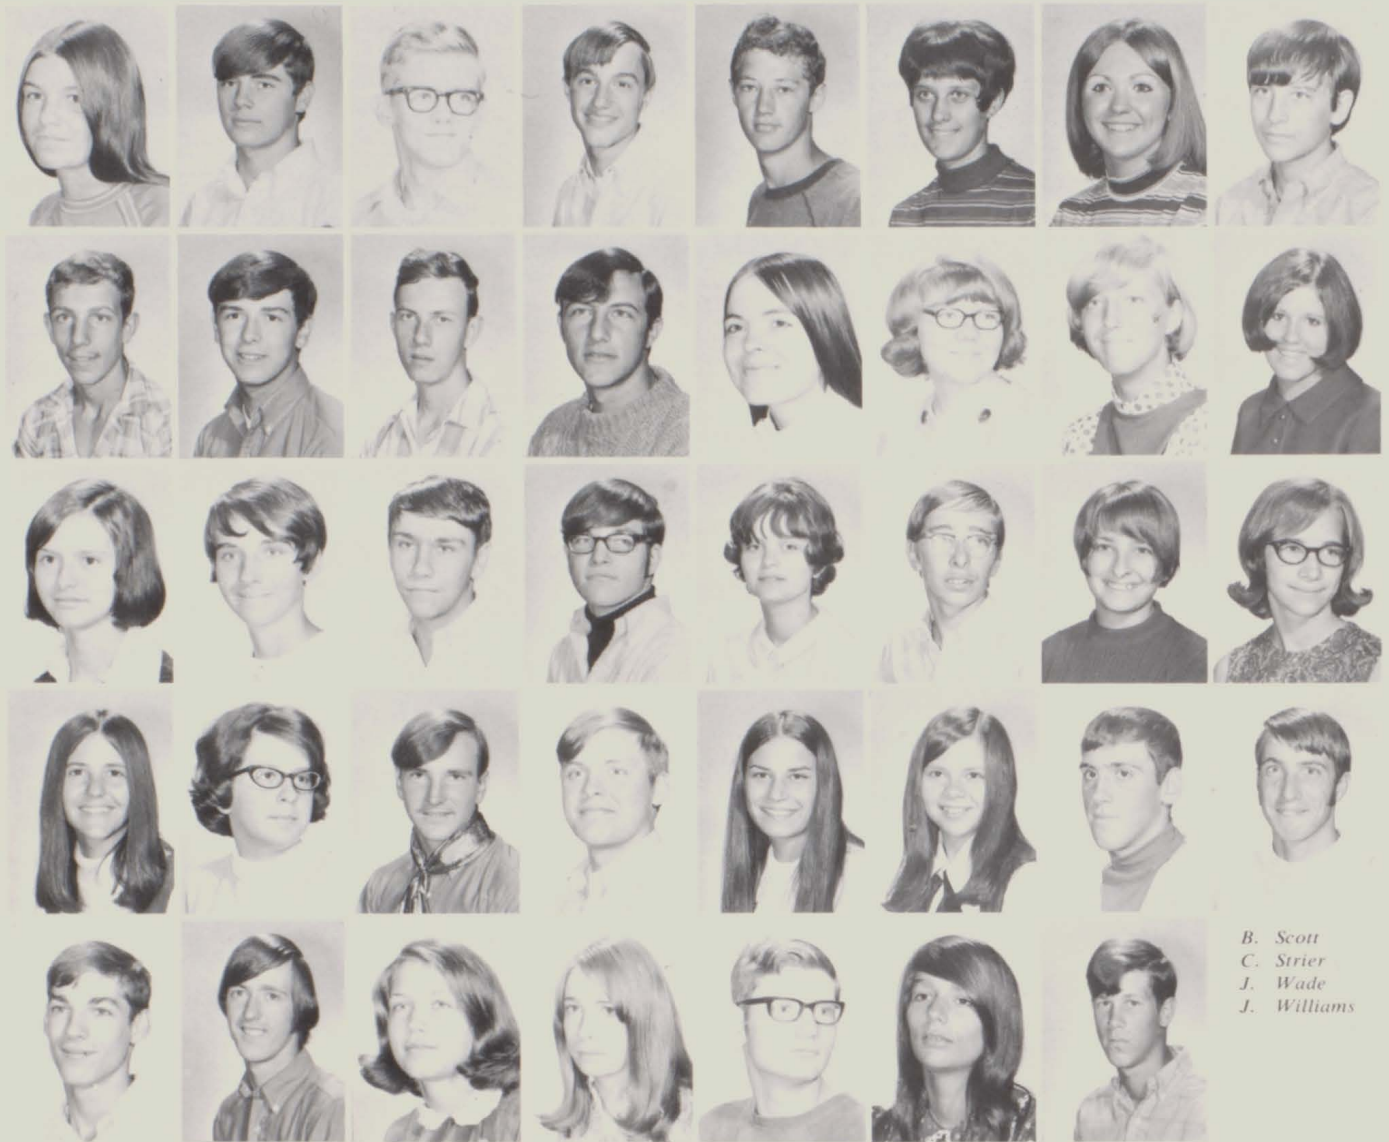

Jim Hinkley, Secretary; Scott Muller, Treasurer; Bill Butler, Vice President; Gary Sopko, President.

Gordy Weeden shows his enthusiasm for his schoolwork.

The Juniors had a very successful initiation and thoroughly welcomed the Freshmen into Senior High. The Class of '71 is a very active class and participates enthusiastically in sports and clubs. The Juniors big project was of course the prom which after much hard work ended in a huge success.

Juniors smile through problems of school.

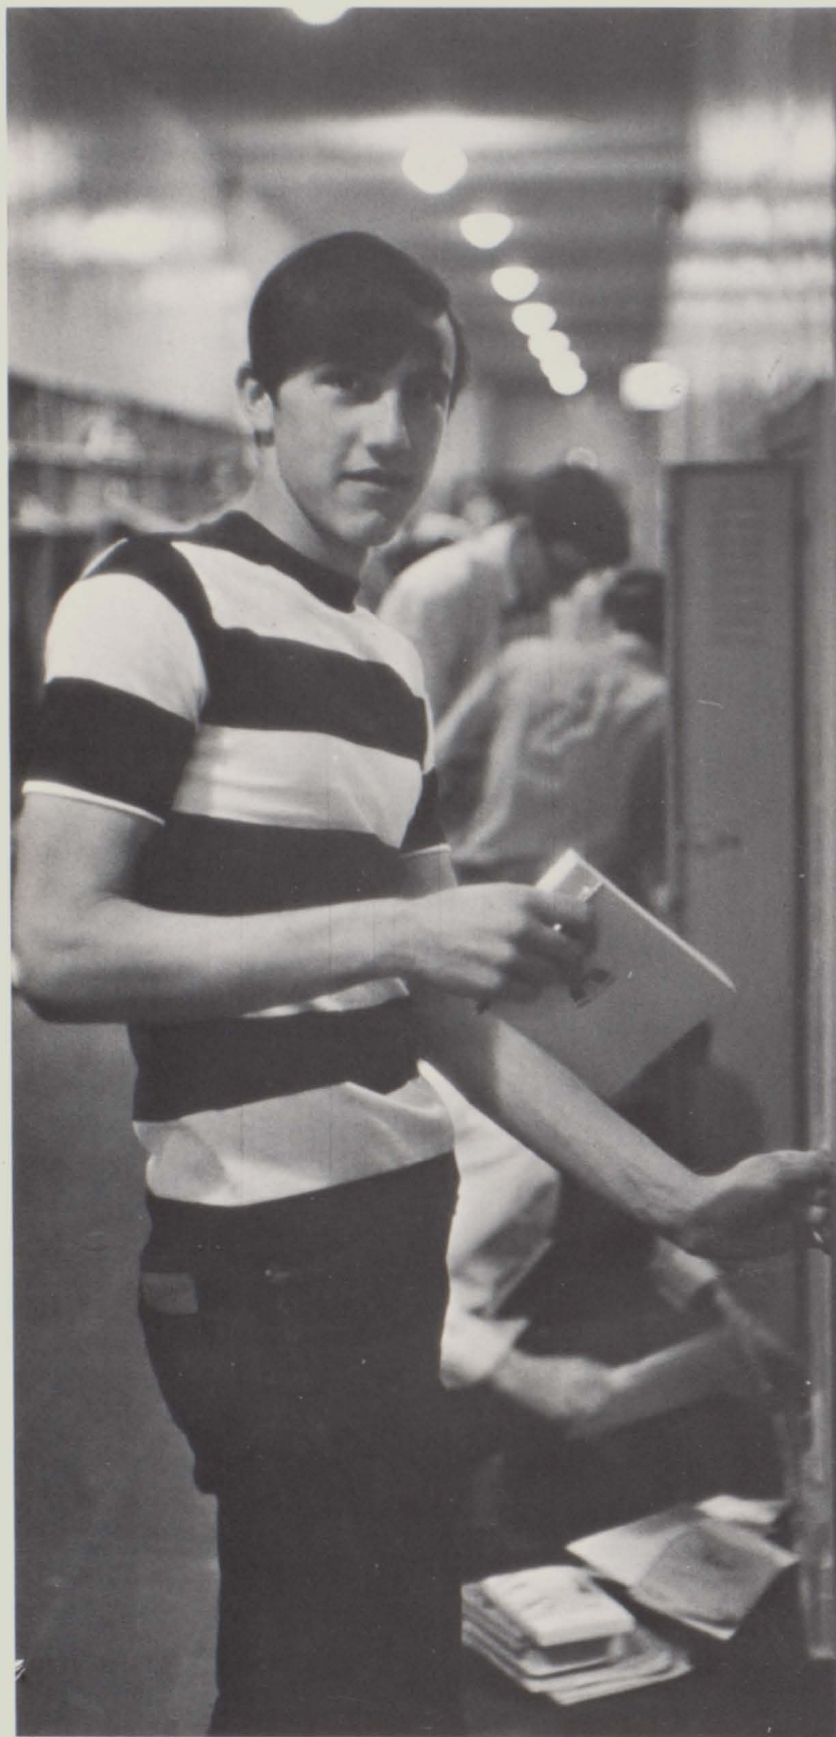

Mary White finds the humorous side of science.

Jack Judd is B-G's lover of flowers and nature.

Juniors escape to more relaxing pastimes.

Gary Sopko pauses to refresh his supply of books.

Are all musicians this solemn?

Sylvia, that's not a very nutritious lunch.

Jo Cooper loves her reeds.

Juniors look forward to a promising future.

You can't get your homework done that way, Jim.

Judy Wright tries to say it but can't.

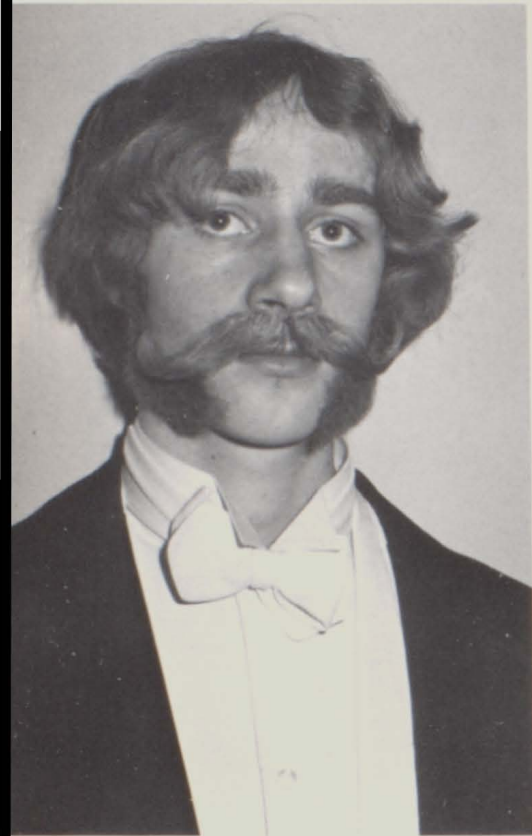

That isn't Mr. Harvey!?

Gary Ives relaxes in our peaceful library.

Keijo-Scandy-Schotzie: by any name, great!

Keijo Hanhirova!?!

The Hanhirovas enjoy a day on the Baltic.

Keijo and his pride and joy.

This year the students at B-G were fortunate in making the acquaintance of Keijo Hanhirova, an eighteen year old student from Finland. Keijo is a senior who, along with making outstanding academic achievements, participated in rifle club, the senior play, and was inducted as an honorary member of the Honor Society.

At home in Finland, Keijo enjoys walking with his dog and boating with friends on the Baltic Sea. His home is about seven miles West of Helsinki in Niittykumpu. There are four children. His father is a construction engineer.

Keijo likes the United States, but will be happy to return to Finland.

We at B-G have found a great sense of humor, a warm personality and a good friend in Keijo and will miss him when he leaves.
