Dedication

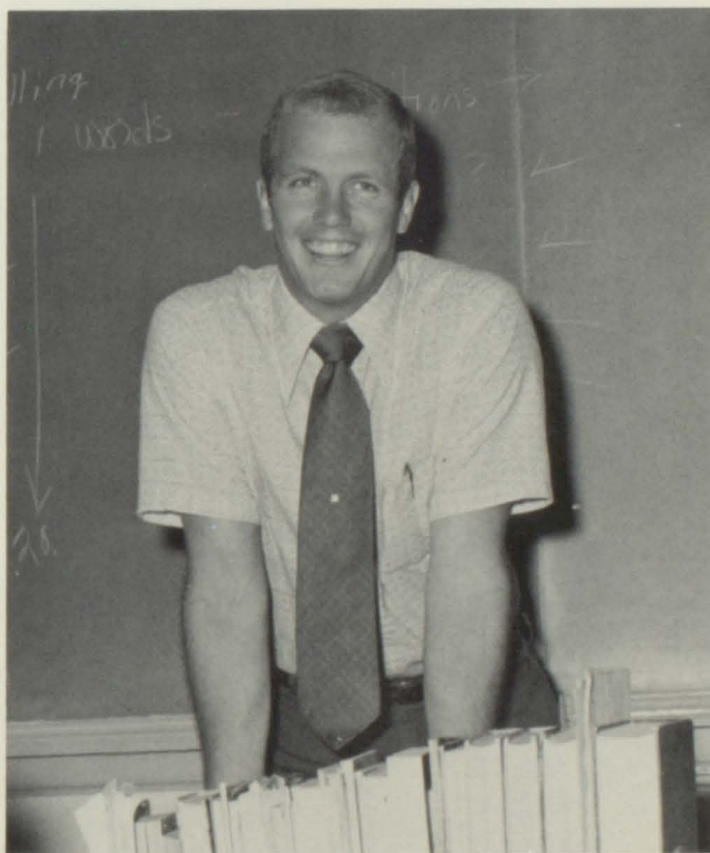

Tolerant . . . Funny . . . Unbiased . . . Friendly
. . . Intelligent . . . Sincere . . . What can
we say to someone who is an all-around great per-
son?

Throughout the duration in which this man has
been here, he has befriended everyone. The Class of
'74 was one of the first to experience his teaching
here at B-G.

As wrestling coach, girl's tennis coach, Health
teacher, and recipient of "Teacher of the Year" for
the years of '71 and '72, he certainly has proved to
be worthy of this yearbook dedication.

For helping, smiling, and caring, our thanks and
appreciation go to you, Mr. Hughes.

Editor's Note

The theme of this year's Echo is "The Good Times." It is intended to capture some of the good times at B-G. Through our photography staff, we have been able to catch people having a good time - faculty and administration as well as students. The book is divided into two parts. The first part contains the sports, clubs, classes, faculty, and administration. The second part is dedicated to all candidates. By dividing the book this way, we are hoping to show as many good times as space allows.

I would like to thank all the staffs of the Echo for all their hard work; the faculty and administration for all their patience and help; Varden Studios and Tri-Town News for pictures; and Mr. Rice, our advisor. I would also like to thank the students for supporting and buying the yearbook. I hope this year's Echo will be one of memories and "The Good Times" at B-G.

New York State Fair Champions!

B-G BLUES: First place field competition.

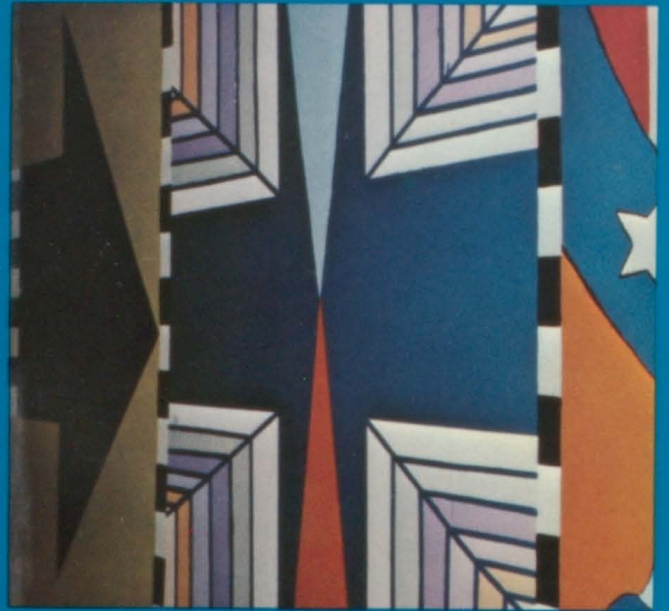

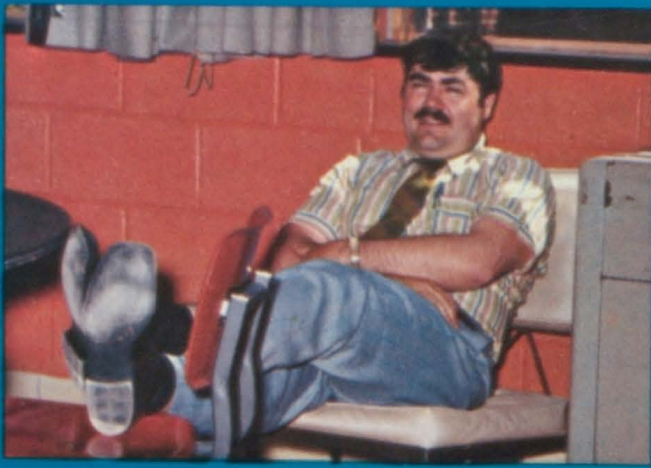

HALF-TIME: T. C. Jets football game.

In the Summer of '73, the B-G Marching Band and Color Guard reached their climax of the summer. At the State Fair, they attained the first place position in field competition. After attending numerous parades, the Blues went on to Syracuse to put on an original and new type of show. Hard work, a great director, and the support of townspeople made it inevitable that B-G was to become NUMER ONE!!!

Exchange-reciprocal giving and receiving

Marianne Ost

MARIANNE OST, our 1973-74 Rotary exchange student, is from Sweden. Marianne arrived last August and since that time she has been very active at B-G and in the community. She enjoys sports and horses. Marianne's favorite subject is art. When she returns to Sweden, she will have one more year of school and then she would like to work with advertising or horses. We have all enjoyed Marianne's stay here and wish her the best of luck in everything.

Steve Rust with his Japanese family.

STEVE RUST, also on the Rotary Exchange program, has enjoyed living in Nagasaki, Japan since August 1973. Steve is attending Kaisai, a Catholic boys high school. His studies have been mostly the Japanese language and developing skills in judo. He has also tutored the English class at Kaisai. Steve will be happy to return to see his friends and share his experiences with them.
