

1978 ECHO

BAINBRIDGE-GUILFORD

CENTRAL SCHOOL

ECHO 1978

DEDICATION

The class of 1978 would like to dedicate this year's yearbook to a man we greatly admire and respect. He has willingly given up his time to help us with our special projects and because of this, has made our last two years at B-G much more memorable. With his support and help, the Junior Prom was a great success. With many thanks we dedicate to you, Mr. Williams, this book and a year of memories.

Conglomerate Memories

**The whiplash of a crowded hallway,
the satisfaction of a good football
game,**

**the quietness of a library hour,
the pangs of pre-lunch hunger,
the anxiety of a missed field goal**

. . .

**are all memories to be treasured
and forgotten.**

Memories are made of this

. . .

Memories are material things to be felt in the same perspective as when they were realities . . . the big game, the parades, the prom, all contributing to the vast memory which is high school life.

EDITOR'S NOTE: The theme of this year's Echo is "memories." It is intended to capture the people, places, and activities that contribute to the vast memory of high school life.

Through our photography staff we have been able to capture the "expected" as well as the "unexpected" times here at B-G. These will be with us always and will contribute to our memories of B-G.

Could this be the beginning of a new singing group?
