

As a body moves from teaching to retirement its mass 1) increases 2) decreases 3) remains the same. To a teacher whom we admire for her masterful knowledge of physics and chemistry along with her witty and warm exuberance for life.

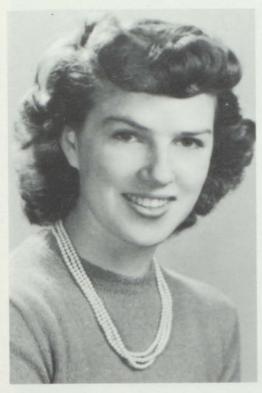

After a summer of travelling in Europe, golfing, or zooming around on her motorcycle, it's time to start school again. Armed with her Alka-Seltzer Plus, squirt bottle, and man-size tissues, she begins another year. At lunchtime it's Zoo patrol duty. "Ya can't keep a bunch of bloomin' animals quiet!" Finally the last class of the day, but one of her students isn't co-operating. He says, "It's Thursday, I'm tired, the sun's shining, and I wanna go home!" Well, that's the end of another day. OOPS! She almost forgot about the faculty meeting after school. Now she can't go golfing and it's such a nice day too. In Unadilla there's a community supper and it sounds like good food, so let's go. That novel can wait until tomorrow.

With thanks for all that you have given to us and to B-G in the past fifteen years, we dedicate this "Time to Shine" to you, Mrs. Monroe.

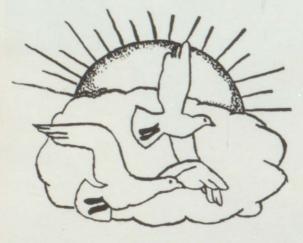

"....You were expecting Steve McQueen ?...."

"Holding On To Memories"

We've had some good times and we've had some bad.
We've lived both the happy and the sad.
Each moment shared has helped us grow together with the friends we know.
Take each memory with you as we part and hold them always in your heart.
LISA BODILY

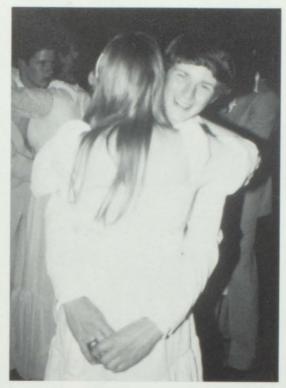

Haven't we met before?

DANCING THE NIGHT AWAY . . .

You're a woman I can look up to.

Holding on to memories.

Last dance.

I don't know how to dance, do you?

Do you know Melon Colly Baby?

Remember when we used to dance like

that?

Tim got the "signal."

Didn't I dance with you last night?

Do you think he'll ask me to dance?

EARTH DAY — ON THE ROAD AGAIN

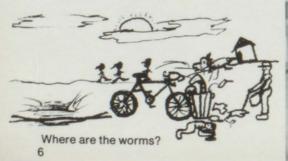

The four stooges.

I didn't know chickens ate lollipops?

Catch me if you can!

And I'll huff and I'll puff and I'll . . .

Time to dress down, go to school and do some exhilarating work of collecting old papers and bottles and books, walking around the country watching for birds, biking miles, finding lost treasures and generally posing for candid pictures. The day actually got started around 10 a.m. after everyone gathered into his/her activity group. The birdwatchers climbed trees and spent the day observing and being birds. Those on the walks covered the roadsides and harrassed the traffic. While Mrs. Craver was running away from a horse the sketchers spent their day drawing cows and farms. Mrs. DiNoto was waiting for a train which never came. "Collecting garbage is definitely not what I want to do to earn money," Mr. Tompkins tells us. Some people spent the day being landmarks, such as Mr. Hughes. Although many people got lost on the treasure hunts we're glad to report we found students to replace those lost and have kept up our school population. In general, Earth Day was school time spent outside the academic bounds of teenage and teacher's lives.

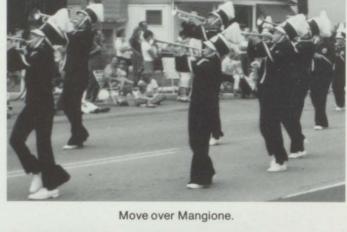

THE B-G BAND SHINES ON AND ON ...

The B-G marching machine.

Those saxy French.

The proud "ma."

The rifles strut their stuff.

And after 12 marching miles my Final Net is still holding up!

Get your act together.

The Home Town Show.

Last summer, the B-G Blues completed our first undefeated season since 1977 with a record of ten wins and one tie. Prize money for the thrilling summer amounted to \$3,925.00.

The summer began on June 13 with a parade in Delhi. In early July the band tied with our rivals from the north, A.P.W., in Old Forge. Local parade scenes included Afton, Deposit, Norwich, and Whitney Point. One of the most exciting victories occurred on August 8 when we defeated A.P.W. by over two points, and earned \$1,000 at Endicott's Diamond Jubilee parade.

Our most exciting trip was in mid-August, when we spent the night in Jamestown and Allegany. Although both parades were held in a steady downpour, the Blues came through and won both. In Allegany, we were once again victorious over A.P.W., and earned another \$1,000. We were at our best in Allegany, attaining our highest score of the summer, a 92.5.

The season concluded with a win in Oriskany Falls. Upon our return at midnight we marched through Guilford and Bainbridge for tired, but enthusiastic crowds.

"Wowing" them at Old Forge!

VINCENT PRICE WOULD HAVE LOVED THIS

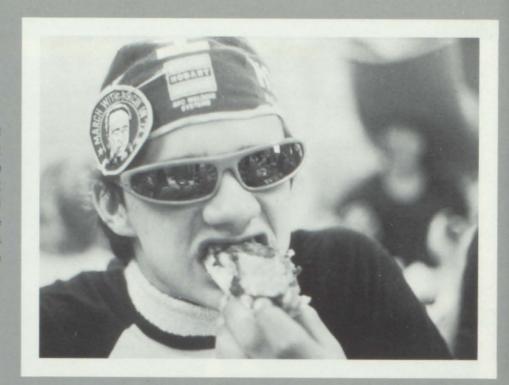

This year Halloween day was a good one. A contest was held for the best costume, Duke Fisher and Sue Lee, as the Blues Brothers, won first prize for the most original. The disguises were numerous and varied and some were well done. Everyone had a good time and even a few teachers got into the spirit! Although there were those few who displayed their true faces, all in all, the day was enjoyed by everyone.

AN APPLE A DAY . . .

Since this past spring many students here have been using our new Apple microcomputer. They are learning the computer language BASIC, and many are creating their own programs for playing games, learning vocabulary, practicing math, or even predicting football scores. The school hopes to be able to expand their computer field and offer a course in computer programming sometime soon in the future.

Friends

Times spent together cars we use, all the money we spend the clothes we choose, weekend night movies walking in the park, telling our fears scared of the dark, money we lend the stuff we buy, our private talks about all the guys, the fun we've had may it never end, we want it to last and always be friends.

Alone

The sun is sinking in the water.
The waves are lapping at the shore.
The lights go out in the cottage on the beach.
I'm alone, just the ocean and me.

It's two o'clock in the city.
The sidewalks are all so bare.
All would be still but for my lonely step.
All alone just the city and me.

I'm no stranger to being alone.
And nature is always my friend.
But sometimes I wish I had someone else
'Cause the loneliness never ends.

It's quiet out on the street.

The street lights have all gone out.

The moon and the stars light up my pathway.

Alone, just the evening sky and me.

I'm no stranger to being alone.
And nature is always my friend.
But sometimes I wish I had someone else
'Cause the loneliness never ends.

BACK FROM ABROAD

Gail Ives, a senior at Bainbridge-Guilford High School, spent her junior year as a Rotary Foreign Exchange Student in Australia. Although Gail enjoyed the friendly, easy-going people, she was glad to come back home.

While in Australia Gail enjoyed various activities such as swimming, movies, and being a member of the school band.

Duke spent his year as a foreigner in the state of São Păulo, South America. While in São Păulo Duke lived with José Navarro who spent a year here in Bainbridge. Duke lived with Walter Macaron's family in Taboticabal, the second half of his visit.

Duke enjoyed adventurous camping trips with friends as well as learning the language. He plans to study portugese after high school. His friend, Fernando, pictured below is from São Pãulo.

"CROWD PLEASERS"

Marie Bernard Popot arrived on August 22, 1981. Her home is a cereal farm near Chartres, France which is about 60 miles west of Paris. Chartres is well known for its famous cathedrals.

Marie enjoys skiing, singing, tennis, and being with people. At home she went to movies and pop concerts with her friends. She has found our schooling different in that in France the lunchtime is 2 hours long and students may go anywhere in town during lunch. After mastering the language she has found our school work easier.

During her year here, Marie is looking forward to seeing other parts of the U.S. on a rotary sponsored 3 week tour.

We have learned a lot with you, Marie, thanks for being part of our Time To Shine.

Dad, Ajay, Mom, and Dipika

Ajay, family and friends.

Ajay's hobbies include playing electric guitar in a small band with friends, and riding his moped around the city.

Ajay has also found school life different in India they must wear a uniform to school and the school day is from 9:15 a.m. to 4:20 p.m. with 50 minutes for lunch. Although there are 7 periods in a day in India, the students stay in the classroom and the teachers change classes!

We wish you the best during your year at B-G and for the rest of your life. Thanks for sharing some of India with

Ajay and his Mom.

Today we'll start a new life

And we'll say our last goodbyes To all the friends we've grown to

With whom we've laughed and

Remembering the fun and

And watching all our memories

Throughout our high school

The problems and the fears,

The memories of the dances And the new friends that we've met.

Vacations, teachers, talking And exams we'd rather forget.

It is not the end, but the beginning

Of a life we'll start anew.
