Love,
Mom and Dad.

For babies people have to pay
A heavy price from day to day-
There is no way to get one cheap
Sometimes when they're fast
asleep.

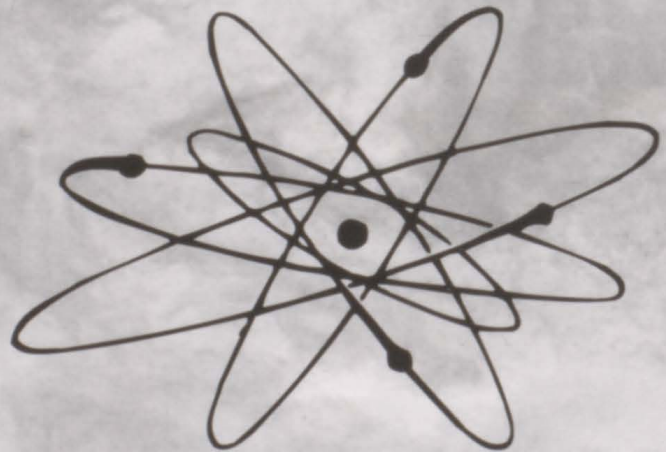

You have to get up in the
night and go and see that they're
alright. But what they cost in
constant care

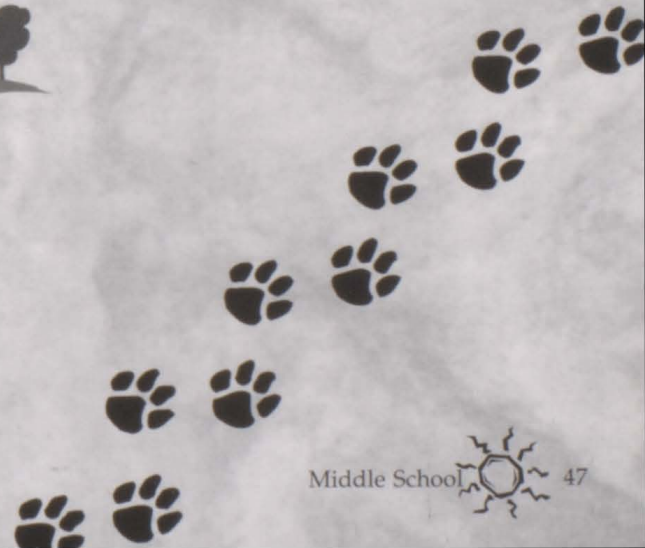

And worry, does not half
compare With what they bring
of joy and bliss- You'd pay half
as much more for just a kiss.

A Dedication to Mrs. Volkert

Terri, Mrs. Volkert, Mr. Volkert, Paul, and Tricia pose for a family portrait. After graduating from B-G in 1968 and SUNY Oneonta in 1972, Mrs. Volkert first, for a short time taught in Whitney Point and New Berlin before beginning her teaching career here at B-G in 1979...26 years ago.

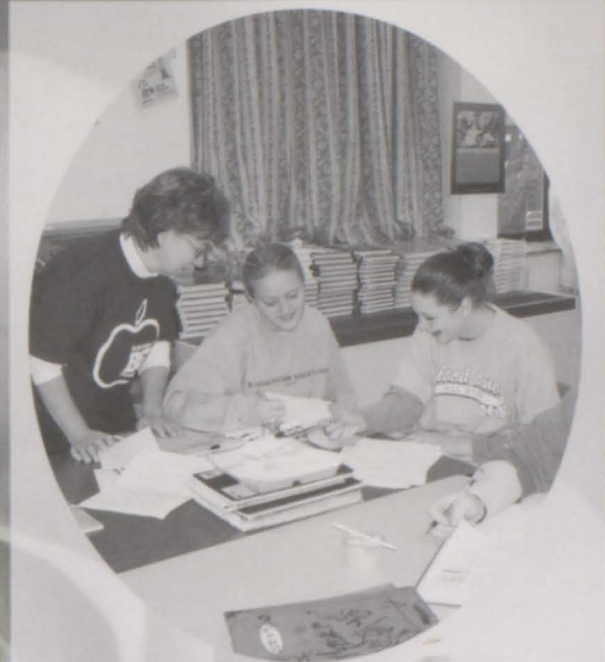

Always a friendly face and outgoing character, Mrs. Volkert was involved in Honor Society, B-G cheerleading, and was Jr. Prom Queen. Pictured here is Mrs. Volkert with her brothers and sisters.

Mrs. Volkert poses with her three children, Paul, Terri, and Tricia on a family outing. Along with raising a family, Mrs. Volkert is active in church, the B-G Alumni Association, and heads a committee whose cause is dedicated to raising money for scholarships.

Mrs. Volkert and her husband Brad (married in 1973) celebrate the marriage of their oldest daughter Terri. Along with owning Bainbridge Memorial works, Mr. and Mrs. Volkert bought, and plan on restoring, an old farmhouse upon retirement.

Mrs. Volkert has spent the majority of her life in Bainbridge raising her family , teaching her students, and being a benevolent citizen in our community. Mrs. Volkert brings out the good in all. Her kind smiling face has been a spirit builder in this school for over 26 years. She has dedicated her time and energy in making things brighter for all the lives she touches. A true mentor for all her students, and a great example for her friends and colleagues. Mrs. Volkert, this Yearbook is dedicated to you for all the wonderful things you do, for everyone.

Sincerely,
The Yearbook Staff

You can always see Mrs. Volkert donating blood at the annual blood drive, sponsored by Honor Society.

Pride & Spirit

Bobcat Pride, B. Shirkey A. Mumbulo, Bobcat, and D. Case. H. Case, are displaying their school spirit on a very cold night at the homecoming game.

Fans forever are B. Hutchinson, M. Kerns and C. Dibble.

"We're the best!" concludes this group of fantastic freshmen.

K. Lewis and C. Nabinger are proud to be B-G Bobcats.

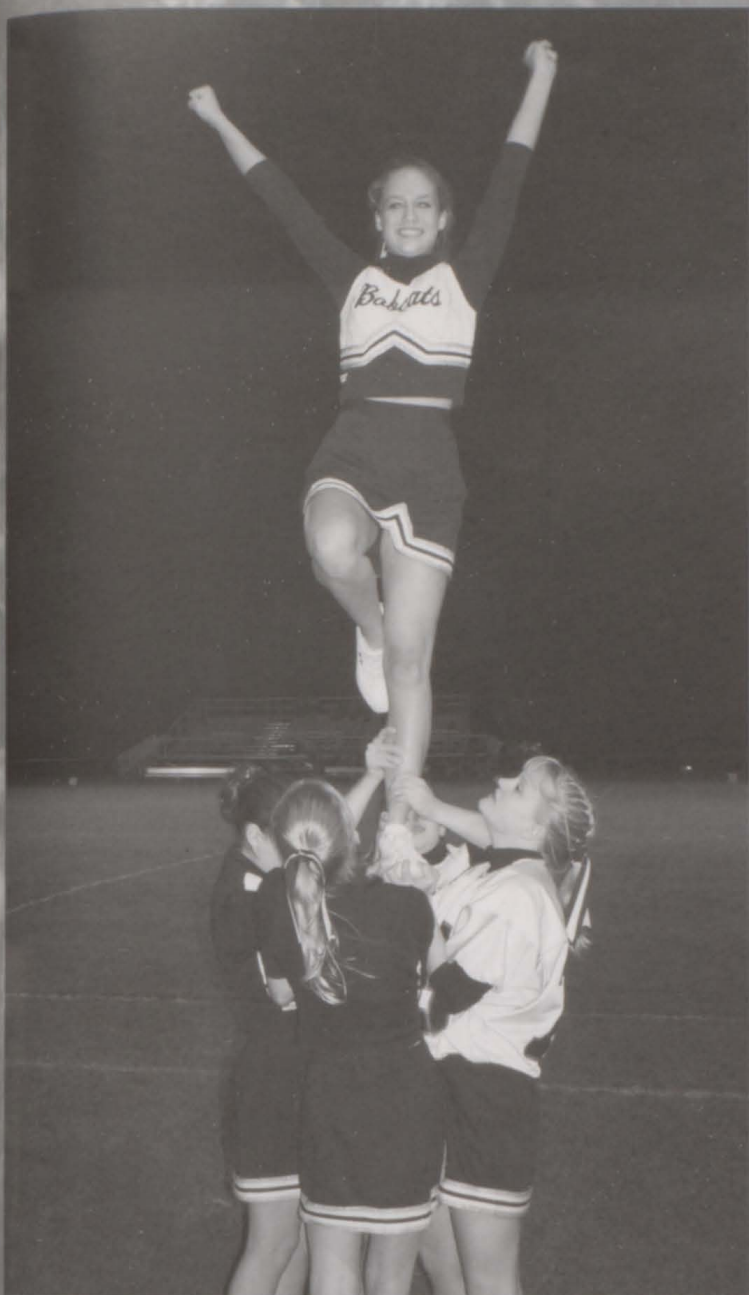

All ready and ready to parade their pride and spirit are K. Barnard, H. Meyer, L. Evans, and K. Lieb.

Fueling up for the big game are S. Buchanan, C. Ruff & T. Matthews.

"There may not be many of us, but we have spirit too!" cheer these sophisticated seniors.

Reaching up to new heights, J. Roerty is supported by A. Hunt, C. Baldwin, and D. Clair.

Pledging the flag are these two patriots; C. Davis and C. Anderson.

Displaying their super, spectacular spirit is the class of 2007 (the sophomores).

Are these loyal fans in the booth to stay warm, or to work? Probably a little of both.

It's the Junior class of 2006 showing the most spirit for parade competition.

Yearbook would not exist without the dedication of Yearbook Editor S. Palmer.

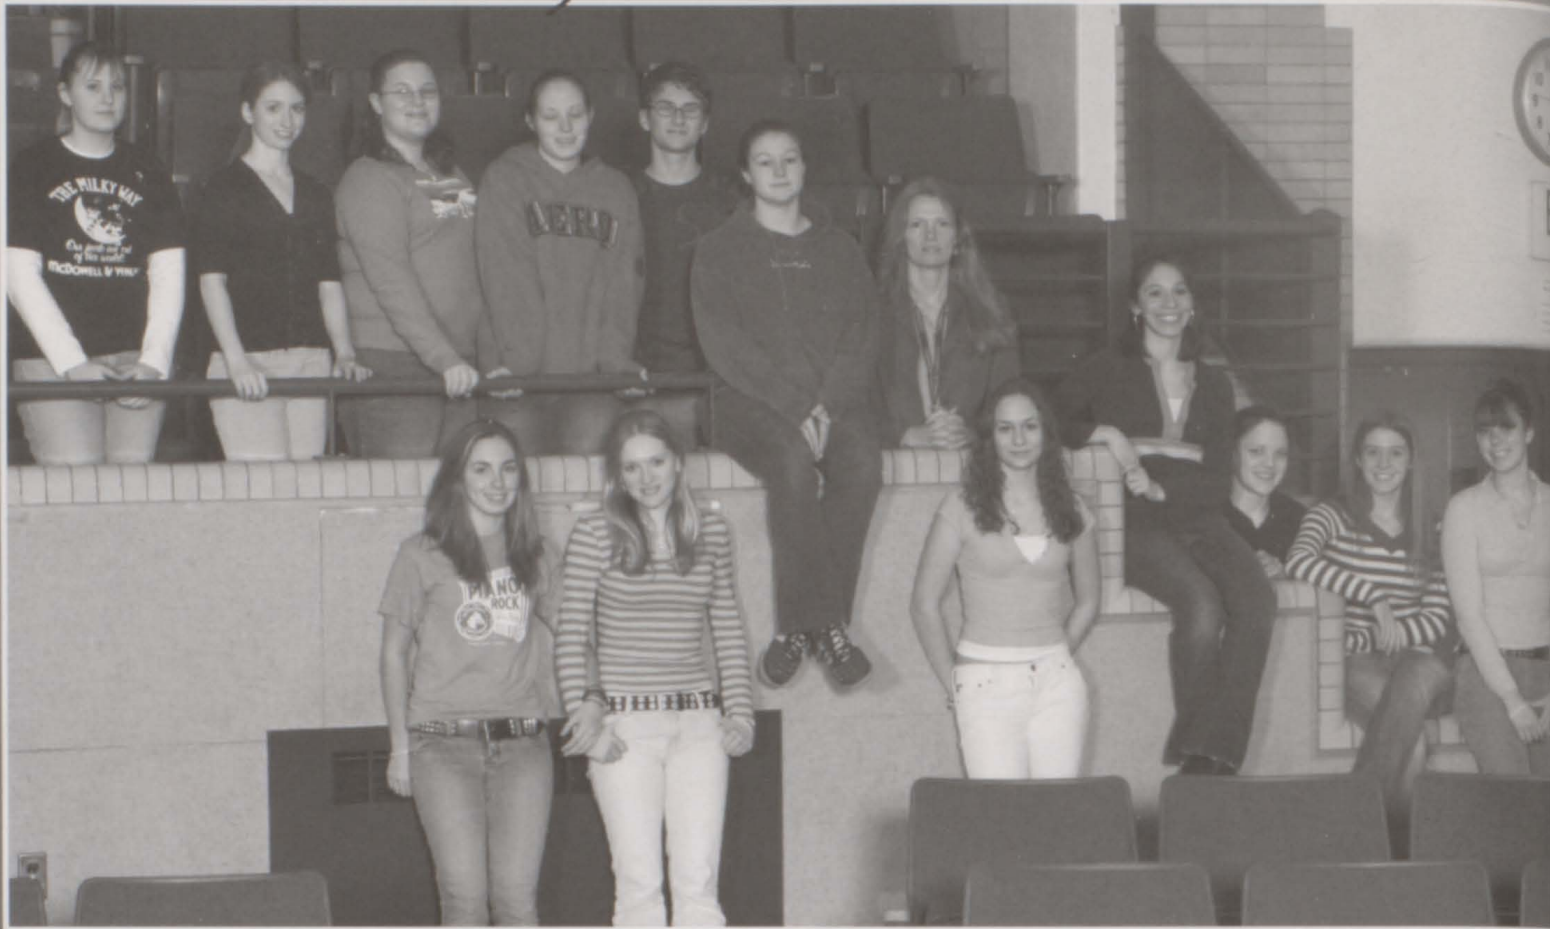

Much time and energy goes into the planning of these group activities; whether it be Yearbook's many deadlines, Honor Society's Blood Drive, French Club's parties, or Student Council's snack cart they all require commitment on the part of the club's members for a successful outcome.

This year, the yearbook committee spent measurable time coming up with an original theme to carry on the tradition of original themes. But getting the theme incorporated into the rest of the yearbook was the most challenging part. With late nights, rush for deadlines and many fundraisers, the yearbook team has put in endless hours to make sure everything is to your liking. We hope that you enjoy this year's yearbook and recognize all the hard work and dedication put in by the yearbook staff. We also hope you enjoy this year's yearbook and theme as much as we enjoyed making it.

Student Council Members are more than role models. We are a group of students aiming to improve our school community. We have strived to make B-G a more enjoyable place with a warm welcome on the first day of school, by wishing everyone a Happy Birthday, and by recognizing students' talents with photos on the Wall of Fame.

We are also a service organization. We collected canned food items and raised money to donate a Christmas meal to families in need.

Not to mention, Student Council is about having a good time! So join us in our school sponsored activities. We guarantee you will have fun.

As a middle school student council member, our goal is to work with students, the community, and administration. We do various projects throughout the school year such as dance/games nights for middle school students, middle school pride and spirit week, the Christmas food drive for needy families and other relief efforts, such as our change drive for victims of the recent Tsunami. We cooperate with the High-School Student Council for staff appreciation week and with the Middle School Shared Decision Making Team. This year as a group, we are going to the NYSEG stadium to watch the Binghamton Mets as a reward for having such a great group of representatives.

We also held a fundraiser, selling flower bulbs. The fundraiser was a great success and raised lots of money for future events. We plan on capping off a great year by inducting future members from this years Junior and Senior classes.

On to plan B.

Team on Three!

Half-time is the perfect time to regroup, collect your thoughts, and prepare for the final attack.

Dedicated Coaches as well as dedicated players produce not only great athletes but also good citizens.

Sports is one of the most important things in a students every day life. If you ask past graduates about high school memories, the majority of their memories come from playing some kind of sport.

Sports teaches students team concepts. What can I do to make myself better so my team will be better. It teaches dedication, to themselves and their teammates. It builds strength, not only physically, but also mentally. Sports gives many students something to look forward to; something they can be good at, and a chance to practice making life teaching choices. Sports gives athletes practice at being responsible, for their things, their behavior, and time management.

The most important thing sports gives to students is a life time of memories.

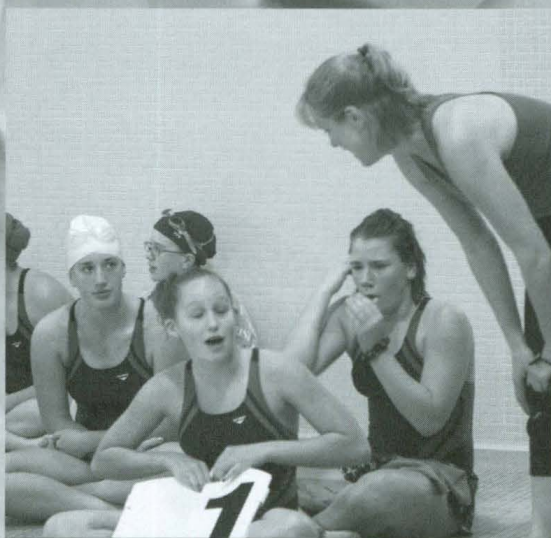

Driving to the hoop for two is C. Pixley!

"Success is built on teamwork"

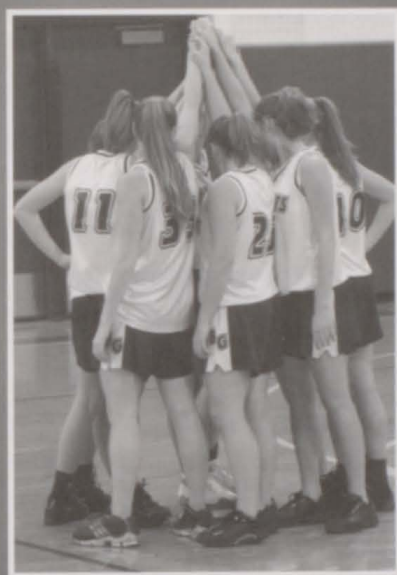

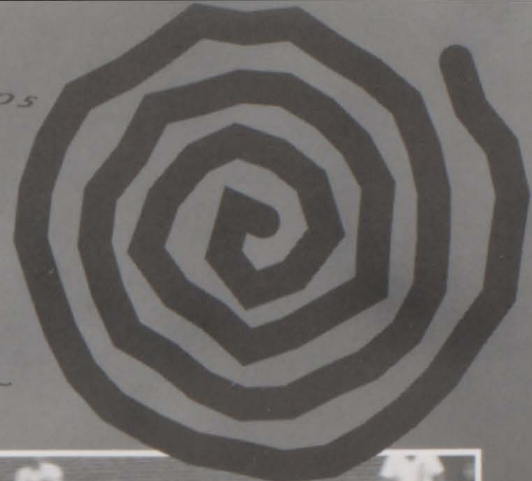

Practicing the perfect technique in serving is a very important volleyball skill for C. Butcher.

The JV Boys Soccer team played brilliantly this year and tied with U-V for the league championship. Their record was 9-5. T. Webb was the team's leading scorer with 15 goals. K. Bailey had 9 goals and A. Sprague had 7 goals. The boys played like a tightly-knit family this year. Although they played aggressively this year, their success is mostly attributed to the fact that they passed the ball extremely well and talked while playing in games. I have coached many of these boys for 4 straight years and will miss them greatly as they are moving up to the Varsity level next year. I look forward to the future of B-G soccer and to working with the next group of J-V boys soccer players.

This season had a rocky start. We spent the first seven weeks of our season traveling to other pools for practice and competition. The girls maintained a POSITIVE ATTITUDE throughout this unfortunate situation. When we finally returned to the Aiton pool it felt as if our season finally started.

The highlight of our season was the MAC league meet, the girls were commended for their sportsmanship, enthusiasm, and improvements on their personal best times. The veteran swimmers who were on a plateau with their times had break out swims and set new season bests. The rookie swimmers were finally transferring the techniques focused on in practices into their races. Many of these swimmers went on to make additional improvements in the Class A Sectionals.

These athletes gave 100%, and were rewarded with much success. Division Champs for the 2nd. year in a row. Also presented with the sportmanship award for the 2004-2005 season.

This years team ended up with a 9-10 record. There were many highlights during the season. One was beating Chenango Forks to win the Kazalski Tournament. Another was going to Walton and winning 29-24 after losing to them at home by a score of 13-30. The biggest highlight was seeing a team grow, mature, develop, and improve from the beginning of the season. It was a pleasure coaching these fine female athletes.

Out goal again this year was to play as "hard as we can", "as well as we can", for "as long as we can." Our record is a reflection of our success in achieving our goal. Lead by seniors: Captain elect Dustin Eldridge, MAC Division II Co-MVP Ryan Pepper and Honorable mention Point Guard Josh Hitchcock the Bobcats established a 7 and 3 Division record which was good enough for a second place finish in Division II. Supported by juniors: leading scorer David Nelson, defense minded John Walker and Mr. Hustle Andy McFee, and sophomores: third leading scorer Willie McGinnis and 3 point shooting Adam Sprague, the Bobcats were able to win one out of 3 games in the very tough Elmira Tournament and end with a 10 and 11 overall record.

The season highlight and certainly the highest tribute to this year, was being honored with the MAC League Division II Sportsmanship Award for the second year in a row. Special thanks to JV coach Dale Palmer and Modified Coaches Brenton Taylor and Ed McFee for there hard work in helping to develop a strong program and special thanks to Ed McFee for his important work in keeping game statistics. Finally, special thanks to our fans who supported us in the good games and the not so good games and help us win the Good Sportsman Award.

Our best wishes to those seniors who will be leaving us and with many returning underclassmen we are looking forward to another successful year in 2006-06

The theme for the 2004-2005 Bears would be youth. This year's team finished their dual season at 5-8 but do not let the record fool you. All losses came from state ranked teams. Next year's team should be set up very well, as this year there was only one senior-, Dustin Hendrickson, who finished 2nd in section four. The 04-05 Bears did come a long way as their results showed. The bears finished 2nd in Class B, and 3rd in the section 4 tournament, showing great improvement throughout the year. Besides Dustin Hendrickson there were also seven other Bears who earned all section honros. Kyle Davy and Kris Stafford were 6th, Justin Davy 5th, Benn Mumbulo 4th, Greg Conover 2nd, and Eric Decker 1st. Eric also won his second consecutive state title at 160lbs. We are a young team with lots of potential. We're losing two seniors but will have several strong players returning next fall.

Out of eleven teams representing Section IV Jennifer Patten placed third in girls singles and the doubles team of David Nelson and Craig Laing placed 2nd.

Educators of Tomorrow

I chose New Visions education Program because I want to be a kindergarten teacher. This program provides you with the knowledge needed to be a teacher. Also, you get experience working in a variety of classes.
Megan Olmstead

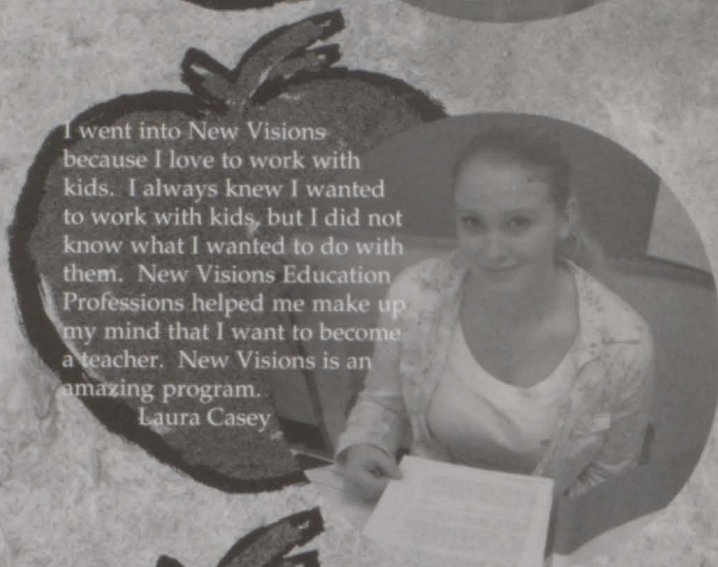

New Visions was a great class. It gave me a chance to see different teaching techniques along with being a teacher myself. In the end, I was happy with everything the class has shown me.

Andrew Smith

I went into New Visions because I love to work with kids. I always knew I wanted to work with kids, but I did not know what I wanted to do with them. New Visions Education Professions helped me make up my mind that I want to become a teacher. New Visions is an amazing program.

Laura Casey

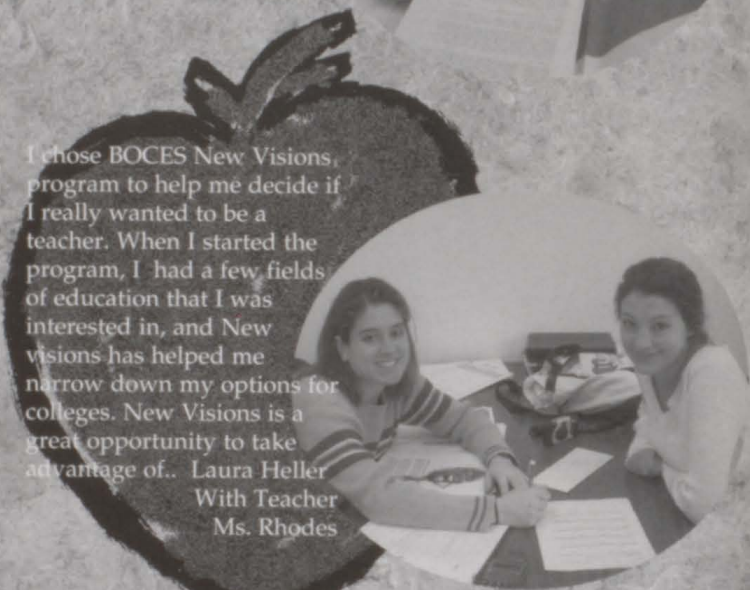

I decided to try New Visions because I want to become a teacher. In this program, I'm able to rotate with different teachers. These teachers are of different age levels and subject areas. This gives me hands on experience and a better feel for where I would like to teach in the future.

Rachel Tewksbury

I chose BOCES New Visions program to help me decide if I really wanted to be a teacher. When I started the program, I had a few fields of education that I was interested in, and New Visions has helped me narrow down my options for colleges. New Visions is a great opportunity to take advantage of.

Laura Heller

Ms. Rhodes

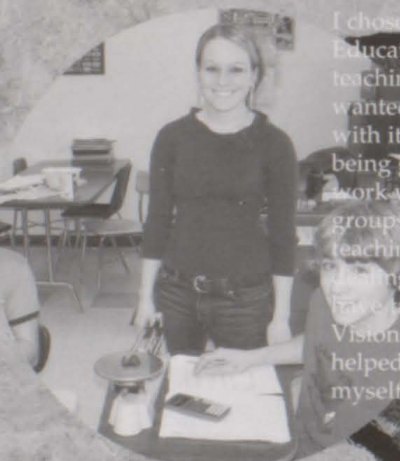

I chose to take New Visions Education Professions because teaching interested me, and I wanted to get more experience with it. Being in this program and being given the opportunity to work with students of all age groups has showed me many teaching methods and ways of dealing with students. What I have taken away from New Visions will most definitely help me when I am a teacher myself.

Jenna Hayes

I've always thought about becoming a teacher, however I wasn't sure if I would really like it. So when I heard about New Visions Education Professions Program, I knew it would be a great opportunity to learn a lot more about teaching, and whether or not it was something I want to do. It has been a very fun and interesting way to experience many teaching and learning styles. Also, it has helped me decide that I do want to become a teacher.

New Visions & Unique Career Placement

New Vision Law & Government has helped me in my choice of career. I hope to one day get into politics and with New Vision I am able to get real world experience through various legal and government fields and careers.

Justina DeMott

I chose the New Vision program for Law & Government because I was interested in the law. By participating in this program, I experience hands on, what the law is like and what it contains.

Patty Williams

I chose to participate in New Visions Allied Health because of the experience and educational value it offers. During the year I have been able to experience many aspects of the health career and have thoroughly enjoyed working with the medical staff in the surrounding communities. At the beginning of the program my goals were set on becoming a Pediatrician, But as I have experienced many different career choices during this program, I have found that I would now like to pursue Pharmacy as my career. I strongly support this program and recommend it to any student who thinks they would like to pursue a career in any aspect of the health care field.

Stacey Washington

I chose to participate in the BOCES Unique Career Placement Program to help me narrow down my career choices. I had a few things I wanted to try, and I was given the opportunity to be totally immersed in these fields. It allowed me to decide which of the fields I chose would be the most satisfying, and gave me an idea of the work involved. I feel it was a wonderful way to preview life, and it is an opportunity only one seeking to get ahead should seize.

Travis Niles

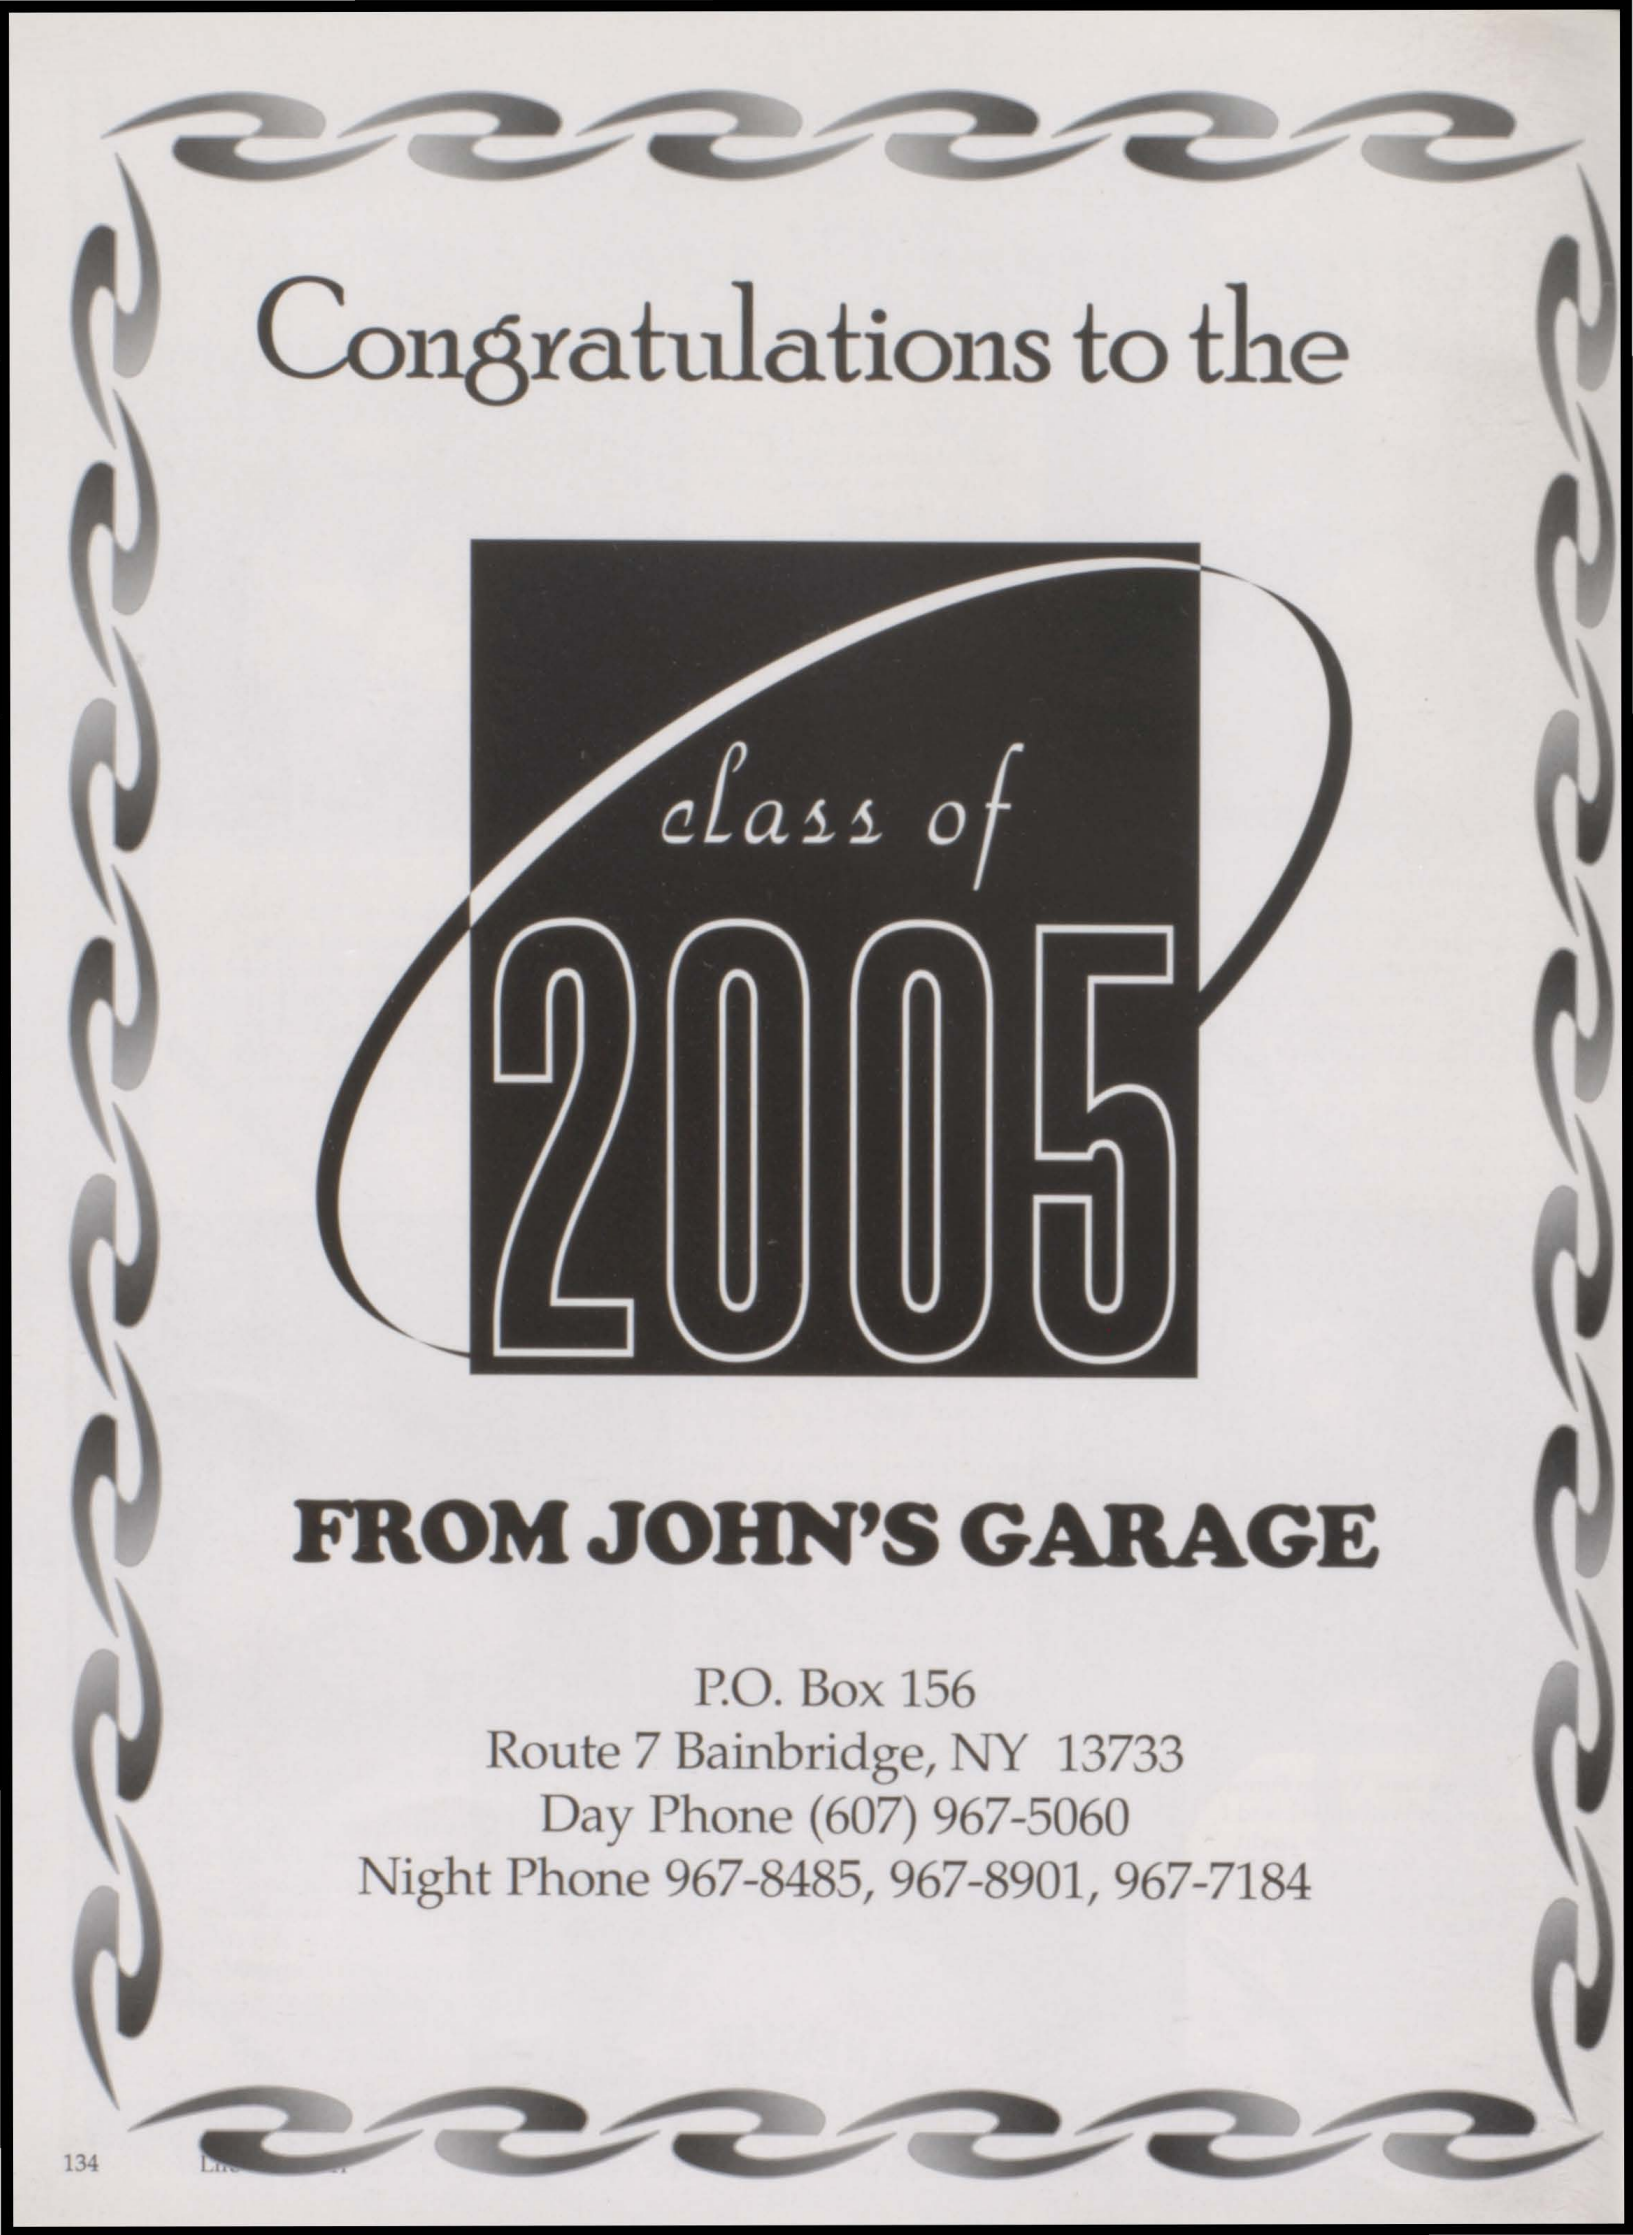

I joined this program to be able to get a hands on experience of working with horses. I enjoy this program a lot and have learned a lot of things that will help me get ready for the "equine" world and college. I recommend if anyone wants a more hands on experience to try this program.

Ashley Warren

I chose New Vision Forestry is not offered at B-G, and I can receive college credit while in High School. Working in Forestry gives me more experience, and a better understanding of my chosen field.

Seniors!

colophon

Exploring many different themes this year at Mrs. Tompkins house we decided on a unusual theme "Life's a Safari, Welcome to the Jungle". Little did we know how hard the theme would be to work with. A very hard working staff, and many hours of thought and work, we finally came up with our finished product which we hope you enjoy. This years yearbook was produced using PageMaker 7.0 on a Dell computer, which was brand new this year. Which our Jostens rep spent many hours retraining and familiarizing our new staff with the ins and the outs of this program (next year should be a breeze.) Once again, our book contains 144 pages, with 16 of them being color. It was decided in an early meeting to dedicate this years yearbook to Mrs. Judy Volkert for her many years of dedication to the students of this building and also our community. Hats off to you Mrs. Volkert!

Once again, we will be losing several seniors, who were a viable part of the workings of our yearbook.
