Mrs. Frazier's bio class loves nothing more than a good lab.

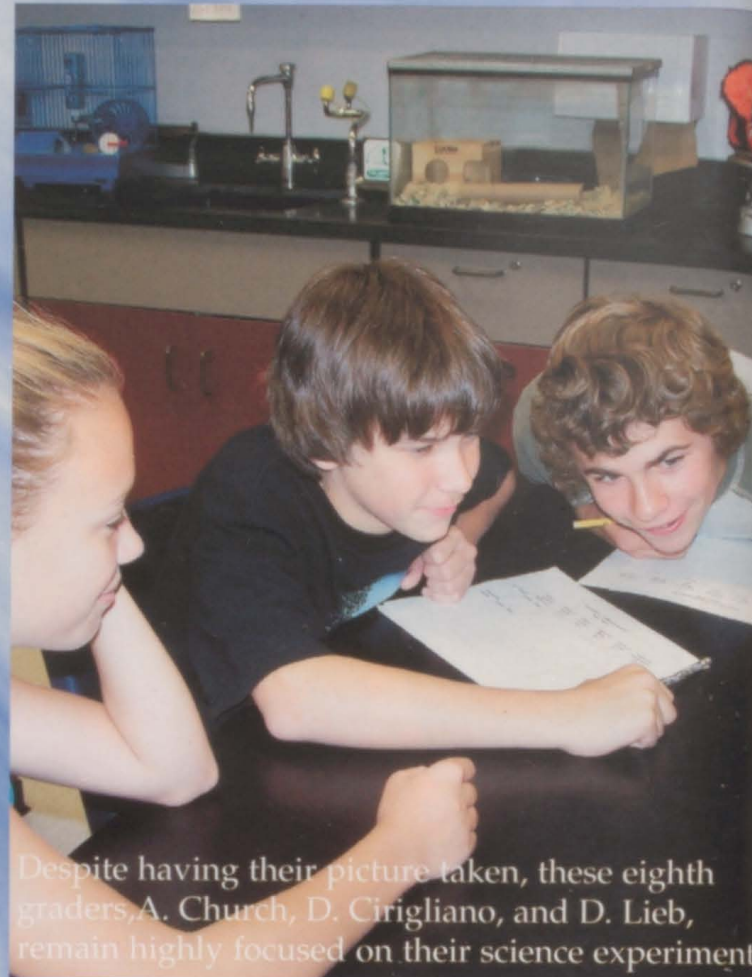

Mr. Palmer gets his team motivated during a half-time pep talk.

School work is always much more fun when done in pairs agree these two seventh graders S.Kane and D. Joshi.

Despite having their picture taken, these eighth graders, A. Church, D. Cirigliano, and D. Lieb, remain highly focused on their science experiment.

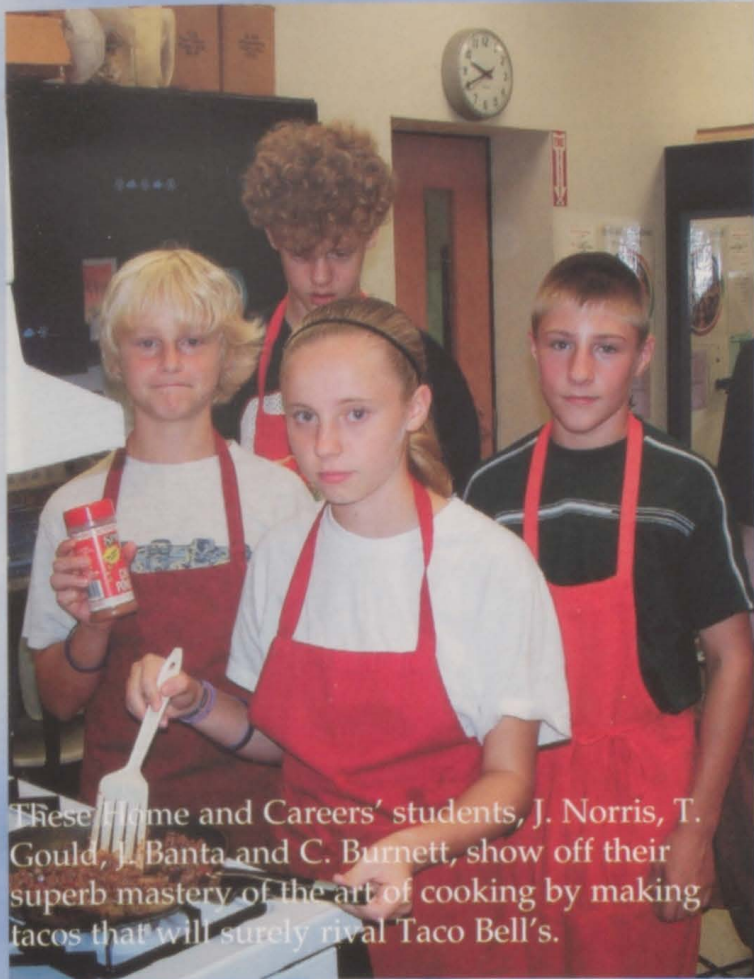

"We just love to have our picture taken," agree K. Layton, C. Burnett, T. Micha, and K. Newbauer.

These Home and Careers' students, J. Norris, T. Gould, J. Banta and C. Burnett, show off their superb mastery of the art of cooking by making facos that will surely rival Taco Bell's.

I wonder why A. Falciani is smiling so earnestly in the background... K. Wayman and A. Sterling would like to know too.

These eighth grade students, S. Hoblitz, L. Winn, and A. Jones have the power to break chemical bonds with a little help from electricity, and Mrs. Degan.

D. Maine, N. Kinney, and J. Liberty, enjoy nothing more than being enlightened by the French language.

K. Davis is almost there!

These sixth graders are awestruck by the sheer magnitude of this teeter-totter.

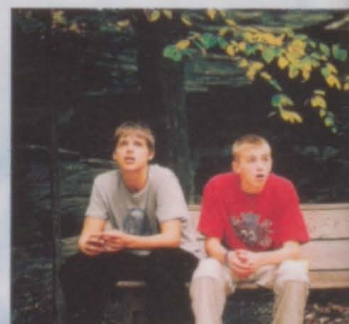

Don't look down, R. Darling!

This team agrees that the block race is much harder than a three-legged race.

D. Barnhart pauses to take in the view from above.

D. Maine's peers are ready and waiting to break his fall.

These eighth graders rediscovered what fun a teeter-totter can be when faced with the challenge of balancing both sides.

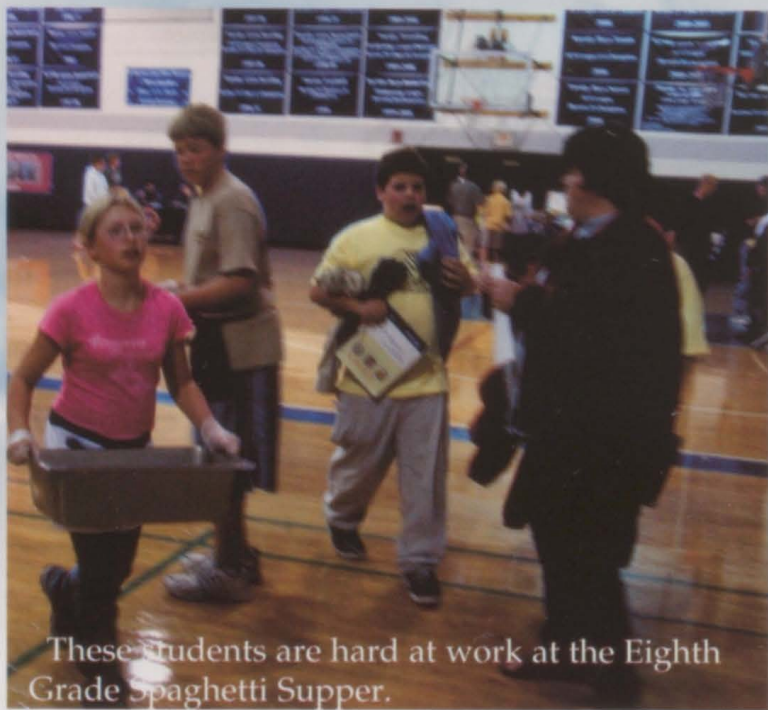

This team has a blast trying to balance on the giant swing.

### Student Council

The High School Student Council here at B-G has had another successful year involving students and staff alike in a variety of fun and educational activities. Kicking the year off was a continuation of the 40-assets program followed by a Wizard's game, and both district and state conferences. The group has continued the Birthday calander, snack cart, and production of moving up day as well as hosting the Snowball and Moving up day dance. The group also found themselves hard at work to put on Staff Appreciation Week, Rec Week, and the Senior Citizen's Prom. It was busy, but productive and fun-filled year.

### Yearbook Club

The 2005-2006 school year has been a year of new beginnings for the yearbook team. We have explored using original photography to create a unique cover which demonstrates our reminiscent theme. Looking Back...Looking Forward is composed of all color pages; something B-G has never been fortunate to acquire before. The increasingly flexible deadline schedule this year has allowed us to expand our possibilities of creating a memorable and enjoyable yearbook for everyone. Of course, without the hardwork and dedication of our team, this yearbook would not have achieved the quality it has. All of us on the yearbook staff hope that you have as much fun viewing this yearbook as we did creating it.

# Football

We sent our yearbook members out to ask our football players some questions about the 2005 football season. Here is what they said...

The 51 to 18 victory over Unadilla Valley after being beaten soundly by Greene the week before was undoubtedly the highlight of our season. Some of the season's highlights also included recovering an onside kick to begin the second half against the game against Unatego, Jon Walker's 85 yard kickoff return against Sidney, and Willie McGinnis's 4th and 1st sole tackle on Walton's Kirby Fletcher.

~ Coach Steve Rice

Chris McGinnis, what has been the most memorable play of your football career so far?  
 "In the Walton game, my brother and I made a tackle to end the half."

Shang Cornish, who is your football idol and why?  
 "John Lynch because he's one of the best and I wanna play just like him."

Kris Stafford, what was your favorite part of the season?  
 "My favorite part of the season, and I think I can speak for the rest of the team, was our game in Walton. We played well as a team; there were a lot of hard hits and good fackles. On top of all that, it was muddy; football doesn't get any better than that!"

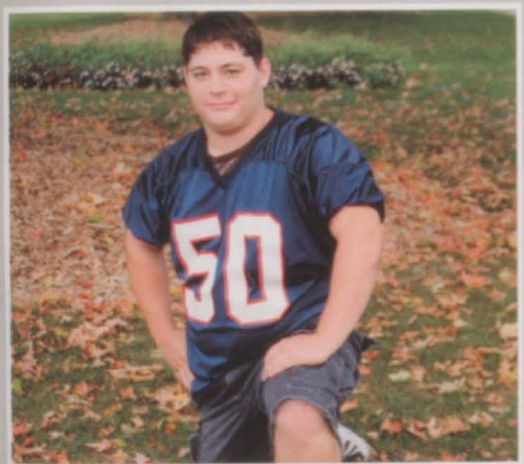

Willie McGinnis, what are your predictions for next year's season?

"I believe we will make playoffs next year and have a good chance of going to the Dome. We have a number of seniors coming back as well as some experienced juinors. With our athletic ability, we will have a productive football season."

Tim Leonard, who or what inspired you to play football?

## Season Summary

The varsity boys soccer team had a very successful season. They finished in 4th place in the league with a 7-6-3 record. Andy McFee led the team in scoring and earned his third straight First Team All League Honor as well as Second Team All Daily Star. Jarrett Black, Alex Craver, and Dave Nelson were voted in as Second Team All League, and honorable mention nods went to Mike Holbert, James Ruff, Adam Sprague, and Kenny Pixley. Andy McFee and Adam Sprague established themselves as the first pair of 20-point scorers in the program's history. The high point of the season was the earning of a number 8 seed in the Section IV Tournament, earning the boys their first home sectional game in program history. Seniors Dave Holland, Andy McFee, Mike Holbert, Alex Craver, and Dave Nelson will be terribly missed next year. They have played a vital role in raising the level of soccer at Bainbridge-Guilford.

## Season Summary

Many members on the 2005 girls varsity soccer team worked hard over the previous spring and summer to get ready for the fall season. They were competing on a young team against a league that was laden with seniors. Although their win-loss record did not show it, the girls were competitive in every game. The highlight of the season was a first place at the Unadilla Valley Tournament with an exciting overtime shootout win versus Windsor. Chosen to the Unadilla Valley All Tournament Team was Liz Holbert, Celestia Nabinger, Jen Patten, Megan Ives, and Samantha Spalholz who was MVP. Jennifer Patten was selected to be on the Mang All-Tournament Team earlier in the season. B-G was well-represented on the Midstate Athletic Conference All-Star Team. Marcie Day was a first team all-star, Samantha Spalholz and Jen Patten were second team all stars, and Megan Ives and Brittany Tewksbury were honorable mention.

Seniors

## Season Summary

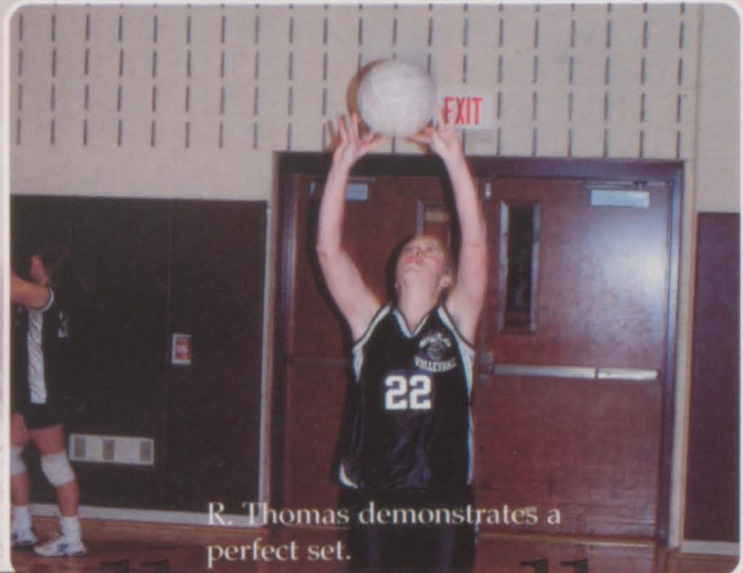

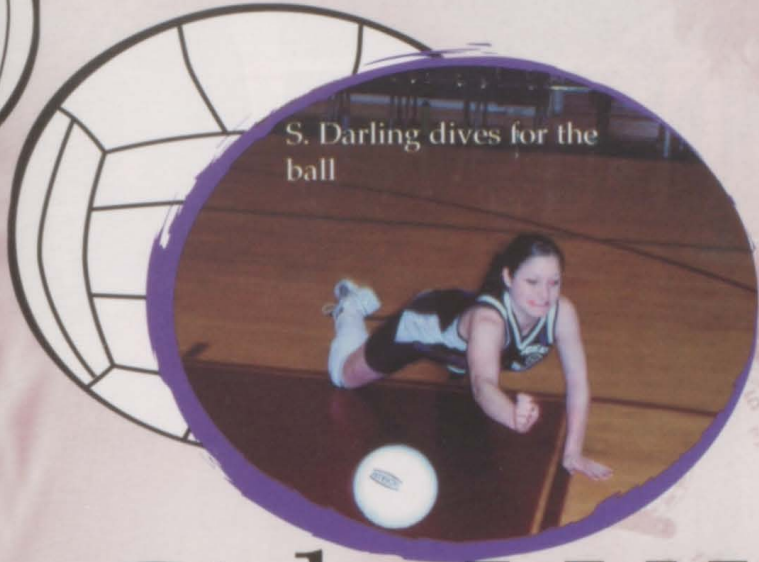

It was a very tough season. We lost six seniors last year, and didn't really have the experience to replace them. But throughout the season, the girls improved, and we finished with four wins in a row. Brittany Tewksbury, was a Senior Classic First Team All Star as well as having been on the All Star Team at the Unatego Tournament. Rebecca Thomas was a Second Team All Star, and Carrie Richmond received an Honorable Mention at the Senior Classic. In Addition Jessica Zito also received an Honorable Mention.

This year's JV Volleyball team was a wonderful group of girls, with positive attitudes and a great work ethic. The team strived to improve on both individual and team skills. Although we hit some road bumps along the way, the team maintained a winning record, beating tough schools like Delhi and Sidney. I'm very proud of the accomplishments these girls made throughout the season.. ~ Coach Sarah Locke

### Season Summary

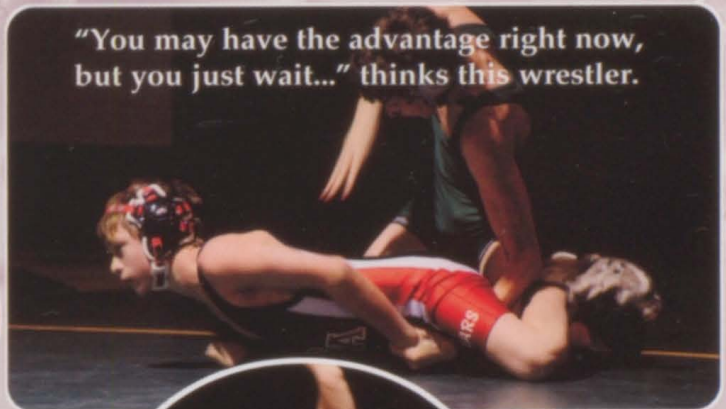

The 2005-06 BGA wrestling team had a very nice rebound year after going 5-8 in 2004-05. The bears finished this season with an 8-4 dual meet record. Along the way, the Bears had runner-up finishes in the prestigious Clyde Cole, North Babylon, Oneonta Rotary, and Class B tourney's while finishing 3rd in the Windsor tournament. The Bears did capture the MAC Division I and MAC Tournament titles.

BGA also crowned their 8th NYS champion in the last 7 years as Eric Decker became a 3x NYS champion. Eric also set the section 4 record by becoming the first 6x section 4 champion. Greg Conover also captured a sectional title and also placed 5th at 135 lbs. in NYS.

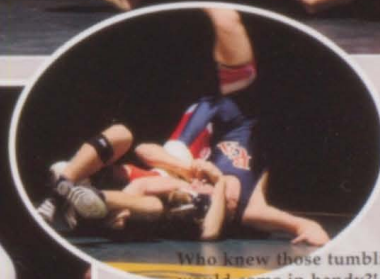

With the Bears graduating only these two seniors, next year's team is expecting to do some great things on the mat. Returning next year will be sectional place finishers Chris Burnett, Kyle Davy, Justin Davy, Kris Stafford, and Ben Mumbalo, plus many others who gained valuable experience this year on varsity.

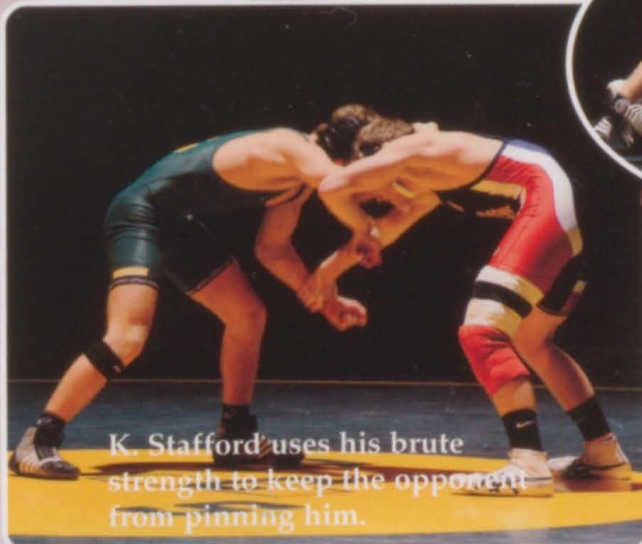

J. Martin demonstrates his technique as well as his flexibility.

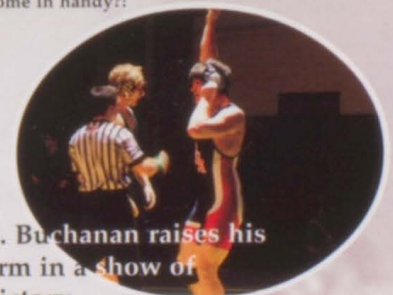

"You may have the advantage right now, but you just wait..." thinks this wrestler.

Who knew those tumbling classes would come in handy?!

K. Stafford uses his brute strength to keep the opponent from pinning him.

S. Buchanan raises his arm in a show of victory.

The boy's varsity team discusses the play in a half-time huddle.

The Pre Season goal for the 2005-2006 Boys Varsity Basketball team was to "Play Hard", Play Smart, and Play Together". With this as their theme, the team traveled to Hudson Falls to open their season by playing in the Hudson Falls American Legion Family Tip Off tournament. After falling behind by 8 early in their 1st game against Lake George, lead by Senior Jon Walker's great defensive play and David Nelson's offensive play and the whole team's enthusiastic spirit and encouragement, the Bobcats were able to win the game and advance to the Championship. In the game against hometown favorite and host Hudson Falls, the Bobcats again fell behind by 13 in the 1st quarter. Again the defense holding our opponents to just one goal in the 2nd quarter, gave B-G the chance to fight back and were only behind by 3 going into the 4th. Down by 1 with seconds left, David Nelson was able to score on an offensive rebound and the team celebrated their 1st tournament championship. For their efforts Willie McGinnis was named to the All Tournament team, David Nelson was awarded the Most Valuable Player honor, and most important the whole team was presented with the tournament Sportsmanship Award. With this auspicious start the Bobcats lead by Seniors "Mr. Hustle" Andy McFee, "Mr. 3 Pointer" David Nelson, and "Mr. Spirit" Jon Walker, aided by Juniors Jarrett Black, Ken Pixley, Willie McGinnis, Brandon O'Brien and Adam Sprague, super Sophomore Chris McGinnis, and a very supporting bench including James Brown, Tom Eldridge, Craig Laing, Nick Reyes, Erik Santana and Toby Shields, went on to win 1 and lose 1 at the Nationally rated STOP DWI tournament, to win the MAC Division II with a 9-1 record, lost to MAC Division I Champion in a Classic Defensive game 30-35, win 1 and lose 1 in the Section IV Class "C" tournament, and post a very respectable 15-7 record. Post season honors were given to Willie McGinnis as 1st Team, Jon Walker as 2nd Team, and David Nelson as the Most Valuable Player of MAC Division II. David Nelson also received the B-G MAC League Basketball Scholar Athlete award with a 99.43 average. The 2005-2006 team will be remembered as one of the most feared defensive teams in Section IV. Most important it will be remembered a team that "Played Hard, Played Smart, and Played Together."

Special thanks to JV Coach Dale Palmer, Modified Coaches Brenton Taylor, Israel Loremer, Statisticians Ed McFee, Sara Nelson and Mia Gray. A very special thanks to the parents and spectators who supported us throughout the season. Our best wishes to those seniors who will be leaving us and with many returning underclassmen we are looking forward to another successful year in 2006-2007.

# Looking Back...

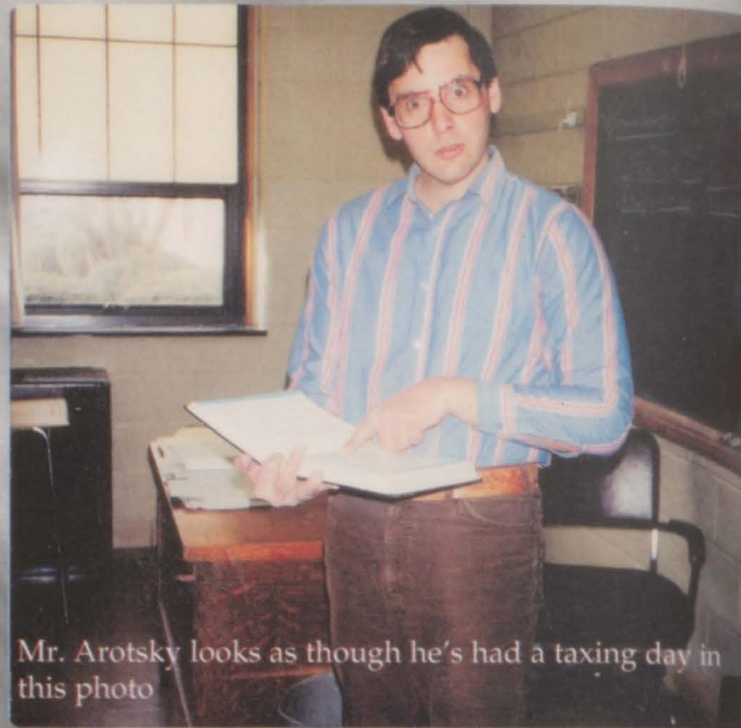

Oh la la, Mme. Mott-Arottky!

Ms. Citone looks inspired

after another PE class

Mr. Arottky looks as though he's had a taxing day in this photo

Mrs. Frazier, Mrs. Mertz, and Mrs. Morse appear to be planning a large party with all of those groceries.

The finest art department B-G has ever seen: Mrs. Craver and Mr. Tenant.

From student coworker, it's Mr. Canonaco and Mrs. Branham!!

Viva la Mullet!!!

Mr. Rice takes time to strike a pose in this shot.

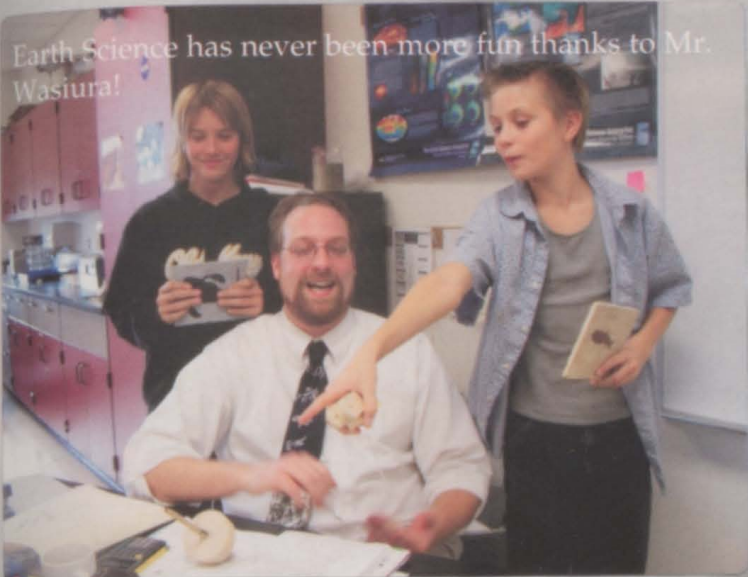

Mr. Munro appears to be taking a break from English to try out his hand in the technology department.

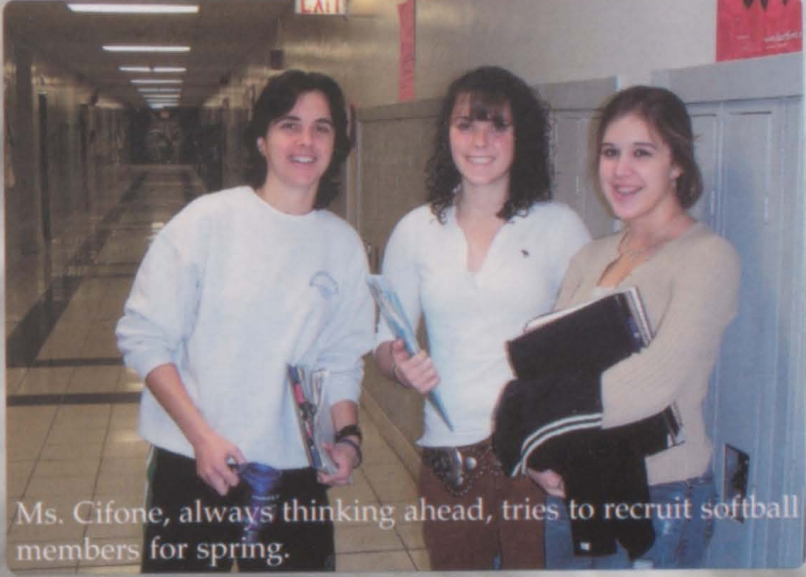

Smile Mr. Hughes!!!

# Looking Forward

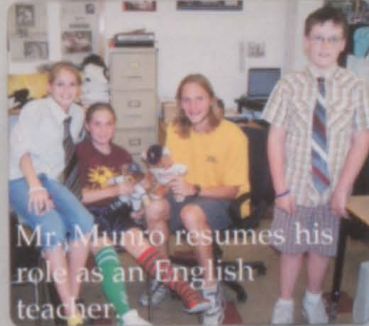

Earth Science has never been more fun thanks to Mr. Wasiura!

Ms. Cifone, always thinking ahead, tries to recruit softball members for spring.

One half of B-G's art department answers questions at his desk.....

Mr. Munro resumes his role as an English teacher.

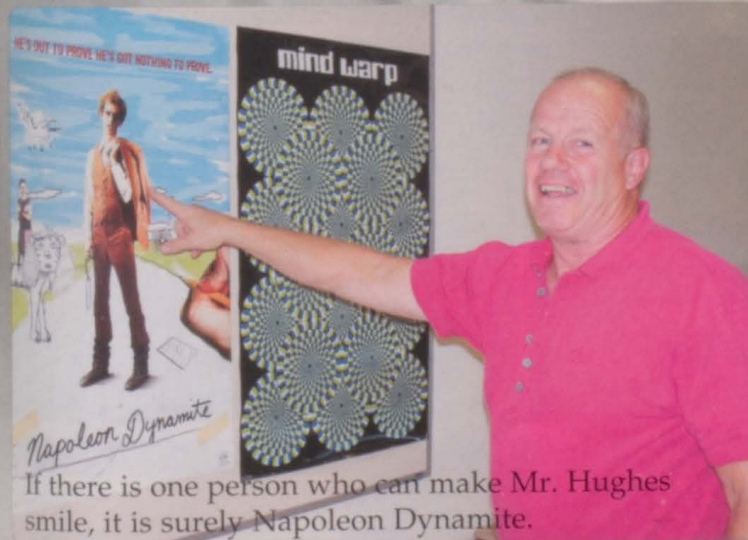

Where ever there is a fundraiser to be done you can find Mrs. Branham.

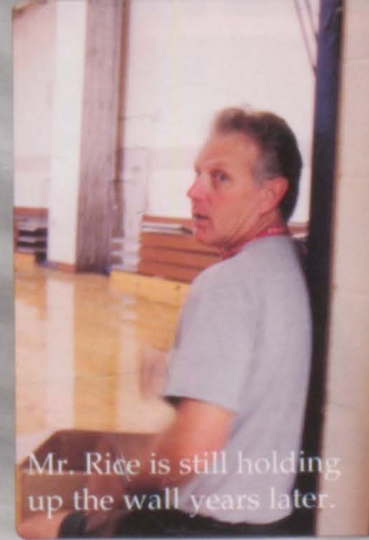

....And the other half does the same!

"Correct!" exclaims Mr. McFee.

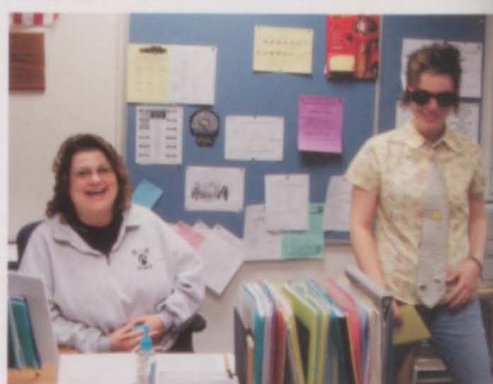

If there is one person who can make Mr. Hughes smile, it is surely Napoleon Dynamite.

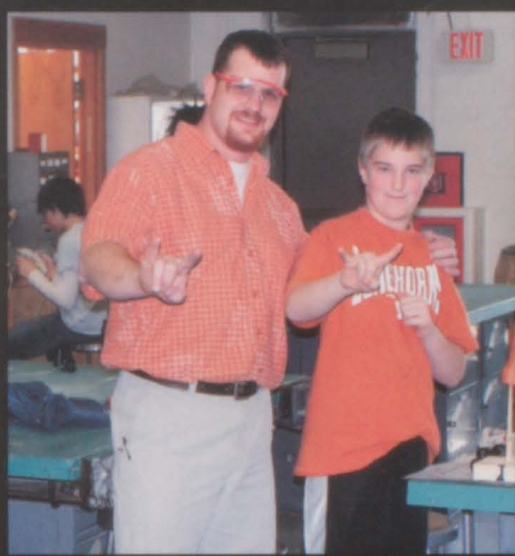

Mr. Rice is still holding up the wall years later.

Has anyone seen my toilet? It appears to be

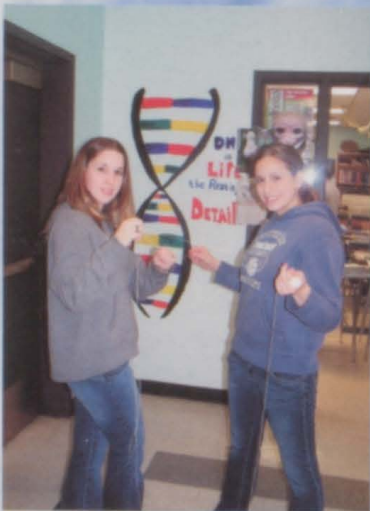

# Under

M. Schaeffer and B. Hayes are on break.

Who knew school could be this much fun? Obviously K. Galli and S. Cox agree.

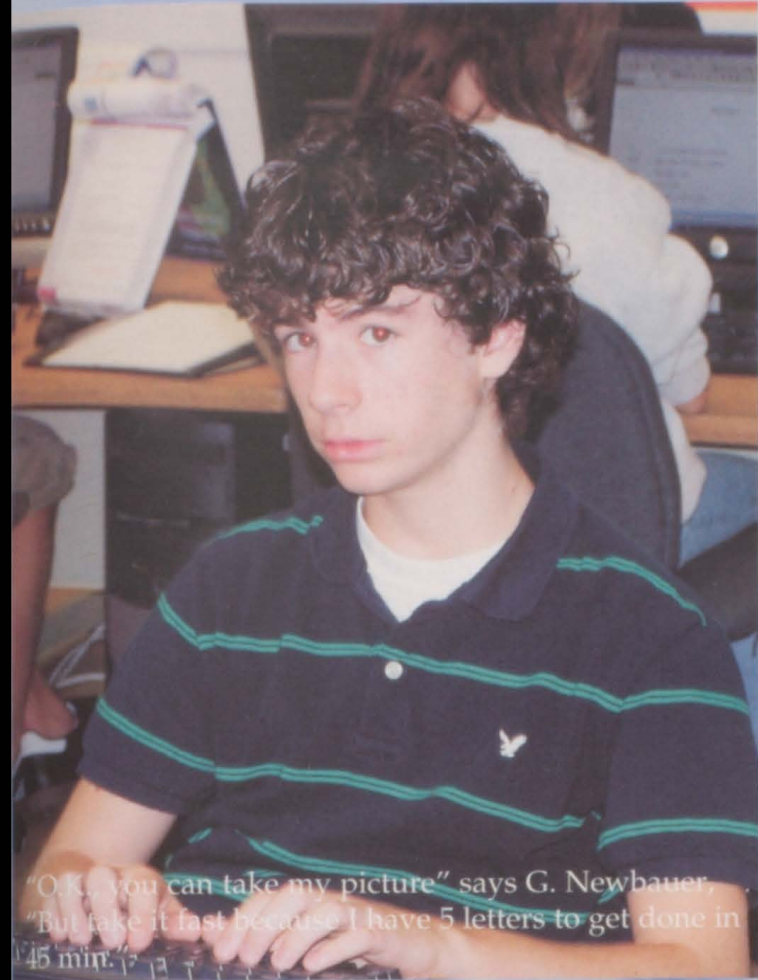

Are A. Cutting and L. Bennett really doing a science experiment, or are they playing Cat's Cradle?

M. Gray, J. Roerty, and S. Nelson thoroughly enjoy lunching together each day.

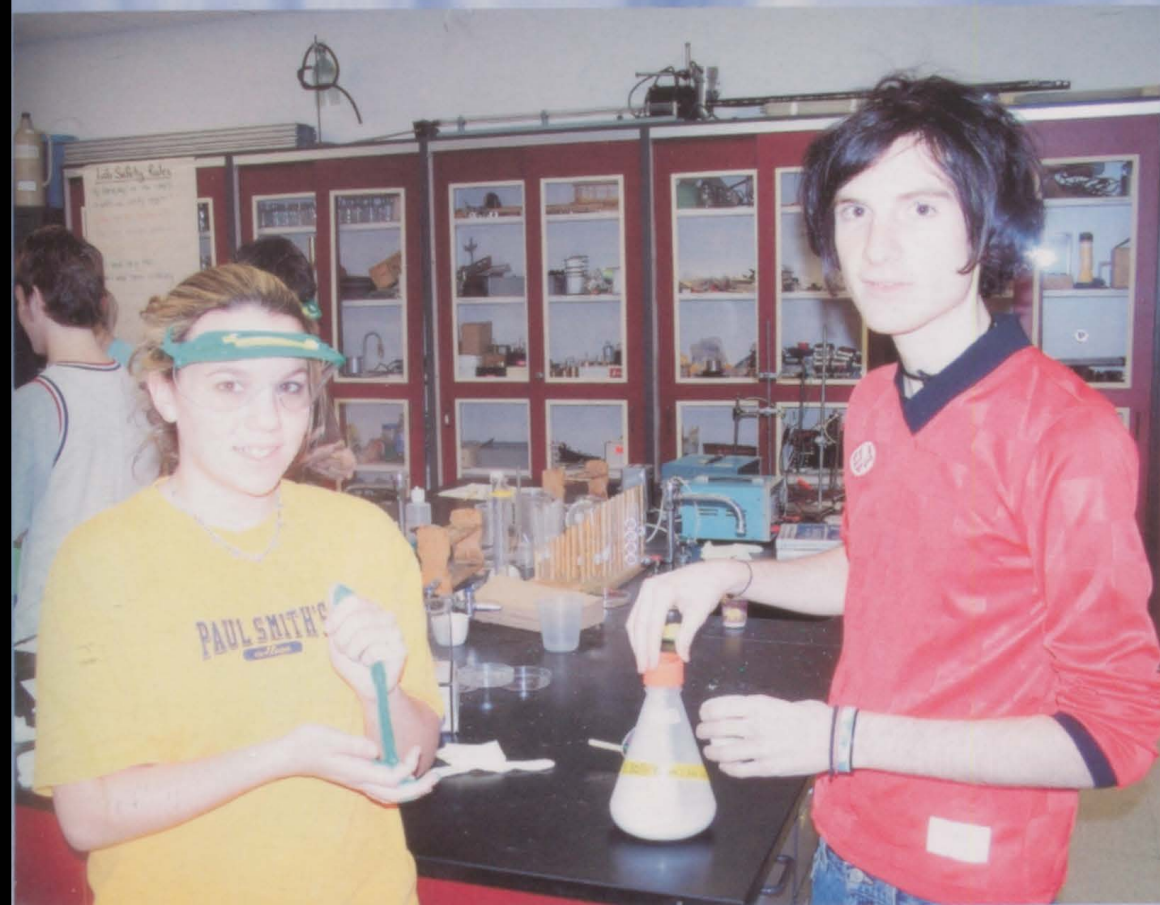

# Classmen

"O.K. you can take my picture" says G. Newbauer, "But take it fast because I have 5 letters to get done in 45 min."

S. Frear and A. Stone are hard at work making posters at lightning speed.

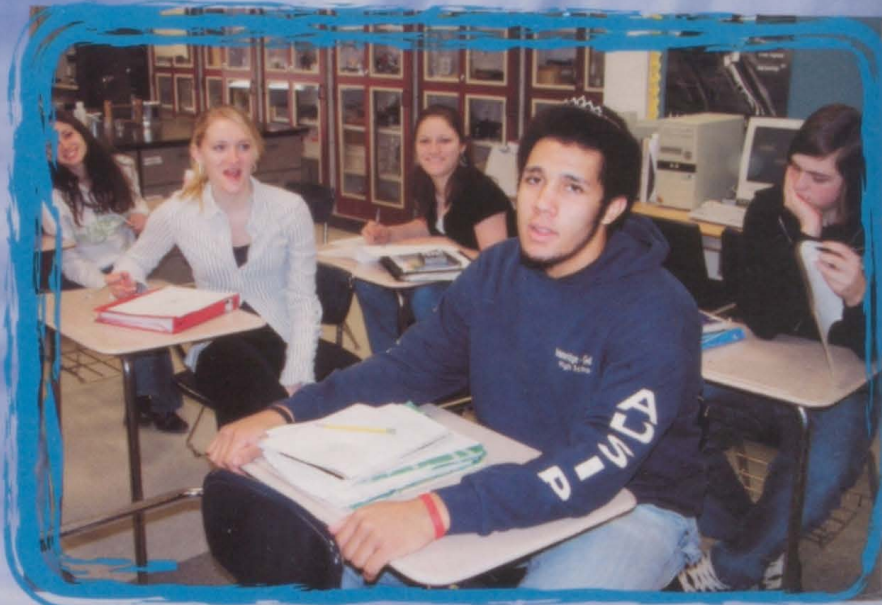

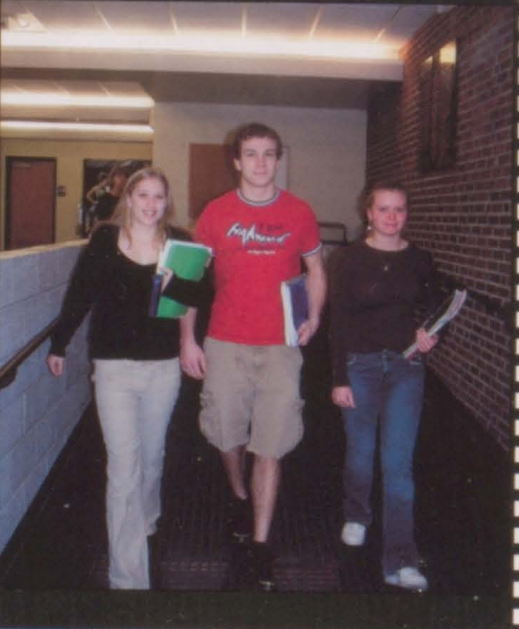

J. Oliveira and J. Howard love lab time in chemistry!

What is Napoleon Dynamite doing on Mr. McFee's door? Wonder two of his students.

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

## August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

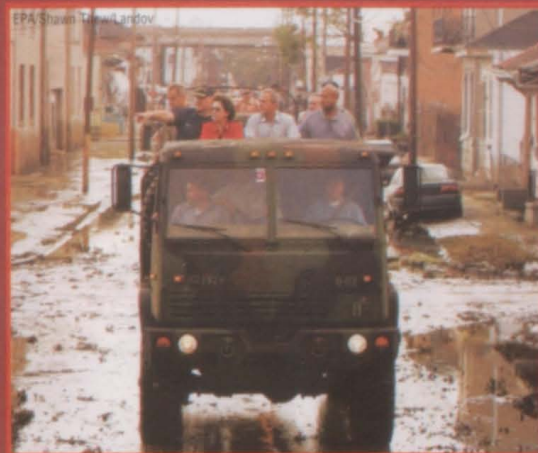

## September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

## October

- 24 Hurricane Wilma hits southwest Florida.
