Drama

Drama Club has returned to the high school under the direction of high school teacher Sue Atkinson and Jennifer Castle, 2002 BG grad who recently graduated as a theater major from Russell Sage College. A group of approximately a dozen students met weekly through the fall, leaning about theater and improving their acting and improvisational skills. They performed skits and monologues at the 10th grade spaghetti dinner last fall, then began working on a unique show that was performed On February 9th with an encore performance on March 10th.

The Drama Club presented the movie *Pirates of the Caribbean, Curse of the Black Pearl*, enhanced by live acting, sword-fighting in the aisles, and lots of pirates!. The audience was able to see the movie come alive as actors portrayed key scenes while the movie played on the big screen.

As always, the members of Student Council have been working hard! Starting the year off with fun and unusual games between the not-so-typical match up. Who knew that the varsity football team could pass through a hula-hoop faster than our cheerleaders!? Student Council also added a new ending to Spirit Week, the Comfort Zone. Class competitions were also very big this year with the class chain competition as well as the gain some weight (which seniors won by the way!). And we can't forget the annual Staff Appreciation Week (SAW) as well as the finale to our school year, Moving Up Day (MUD). Student Council also took part in several fundraisers, some of which the can drive and Shriners Hospital, and gave back to our community. All in all, Student Council members had yet another successful year!

This year's 2006-2007 yearbook has been a blast to make! Working with a new program on the internet as helped immensely and it was interesting to learn new techniques that we never could do in the past. All the hard work and rushing to meet the deadlines, we accomplished so much. We went from sending in six pages a month, to six pages a day! Thank you yearbook staff for all our hard work and dedication. We hope you enjoy this yearbook as we did making it. Let this be part of your "Walk to Remember".

Football is an incredible game. Sometimes it's so incredible, it's unbelievable.

There were high expectations of the Girl's Varsity Soccer team for 2006 and although they fell short of the long desired league championship, their efforts did result in a division championship. The girls also placed second in both the Mang and Unadilla Valley soccer tournaments. With a league record of 10-03-01 and an overall record of 12-05-02 the team had its best finish since the 1997 season when the team went to 10-03-00 in the league and 12-05-00 overall.

First team MAC All-Star selections went to Marcie Day and Jennifer Patten. Liz Holbert and Megan Ives were chosen for the second team. Kim Lewis, Clestia Nabinger and Samantha Spalholz were given honorable mention more favorably in two of the games that the girls been achieved. The team had a wonderful season. Best wishes to the seniors who contributed so much to the girls soccer program at B-G.

The rules of soccer are very simple, basically it is this: if it moves, kick it. If it doesn't move, kick it until it does.

Boy's Varsity Soccer

The boy's varsity soccer team had a tough season this year. However, although the boys struggled early, they finished the season with a brilliant home victory over Sidney. This was the first time in our school history that the boy's varsity team beat Sidney. Our team dealt with many ups and downs this season. However, I believe that each player improved his game throughout the course of the season. Furthermore, each player has showed tremendous heart and resilience in each game we played.

This year we also had three exchange students on our team: Carlos Molina, Fernando Medina, and Luis (Rick) Tioosi. These three remarkable individuals brought a great deal of humor to our team, as well as talent. Unfortunately, they will not be with us in future seasons. Furthermore, we will also lose many valuable seniors who I have had the privilege of coaching for the past six years. I will truly miss the talent, humor, and love that these individuals brought to our team. Therefore, I would like to thank the following seniors and wish them the best of luck in all their future endeavors: Adam Sprague, Jarrett Laing, Mike Robinson, Sean Darlin, Craig Laing, Jeff Howard, Seth Dibble, and Brian Smith.

In August there was no boys JV soccer team. By October we had enough players to field a strong team and a 3-0-1 record. We finished the season 3-3-2, with some of our players moving on to the varsity team. Our final game against Unatego, ended in a very well played 1-1 tie, which avenged a 5-0 loss earlier in the season.

What a wonderful group of girls to be able to coach. This years team, although lacking experience with only two seniors on the team, played well beyond their years. Hard work and dedication to the sport, earned them the top seed in class C. Fair play and positive attitude earned them a sportsmanship award.

Varsity Wrestling

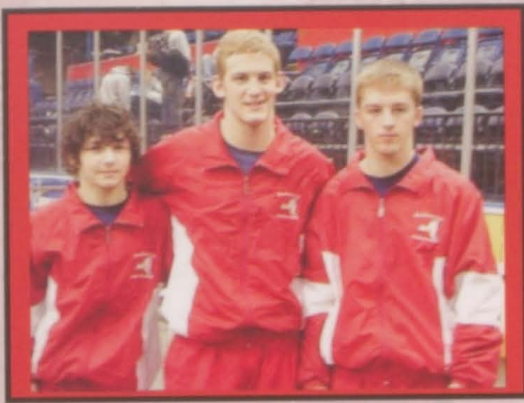

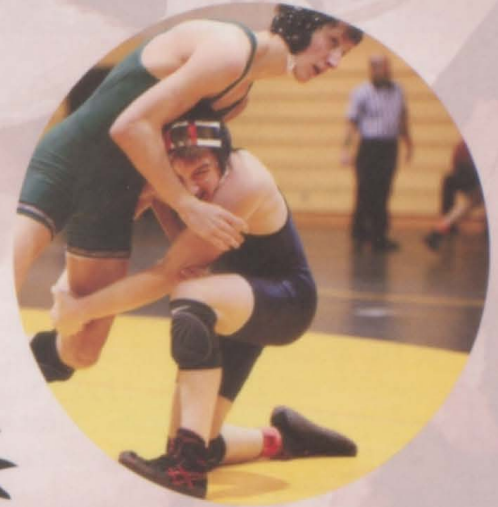

The 2006-07 BGA wrestling team had a great season and if not for being in the same section as the number one ranked small school in the state, the Bears would have brought home their first section 4 team title but instead had to settle for second place. The Bears finished their dual season at 10-3, and captured the MAC DIV I and MAC tournament titles. Another great achievement was receiving the Sportsmanship Award at the 53 team Eastern States Tournament. BGA crowned 3 section 4 champions in 2007--Danny Gormley-96, Justin Davy-135, and Kris Stafford-160 and with the new state tournament expansion received a wild card entry with Ben Mumbulo-189. For the first time in school history, the Bears had 3 NYS place finishers with Danny Gormley and Justin Davy taking 5th's and Ben Mumbulo 6th. In addition to losing Justin Davy and Ben Mumbulo the Bears also graduate sectional place finishers Steve Buchanan 2nd, Nate Seymour 3rd, Justin Martin 3rd, and Cody Ruff 5th, and sectional champions Danny Gormley and Kris Safford.

Go hard or go home.

Girls' Varsity Swimming

The ABGH Makos started off their season seven swimmers down. Regardless, they worked hard to fill in the positions that were lacking. Our season finished with a 4win-4loss MAC League record. For the first time we beat Cooperstown at home with them scoring three divers against us.

Highlights of the season were that three individual records were broken. They included the 100 fly, the 200 IM, and the 100 breaststroke. Award winners this season were: Hannah Westfall (Afton), Most Valuable Kaitlynn Hoyt (Harpurville), Most Improved Kaitlyn Howe (B-G), Best Sportsmanship

ABG Makos

Boys Varsity Swimming

The ABG Makos started their season with six new varsity swimmers, and eight swimmers down from last year. However, the four swimmers with varsity level experience showed their leadership abilities by being very versatile when it came to meet time. Our season finished with 2-6 (win-loss) MAC League record, but other teams had much larger teams and beat us on depth.

Highlights of the season were: Dillon Genung winning the MAC League Championship in the 100 backstroke, Ernesto Aguirre setting a new 100 Butterfly record, and our 200 Medley Relay team of Dillon Genung (backstroke), Mike Shaw (breastroke), Ernesto Aguirre (butterfly), and Steven Howe (freestyle), just missing the school record by less than a second, (a record that's over 20 years old). If the season had just lasted a few weeks longer they might have gotten it.

Bowling

Both the Boys and the Girls varsity teams were comprised of mostly seniors. The boys team, led by Brett Hayes with a 194 average, was fifth in the MAC league. The Girls team, led by Samantha Page with a 179 average, was second in the MAC league. This earned them a spot in the state qualifier. Even though they bowled well, the other teams just bowled better. Congratulations goes out to this years Varsity Bowling team!

I hope that the days come easy and the moments pass slow,
 And each road leads you where you want to go,
 And if you're faced with a choice, and you have to choose,
 I hope you choose the one that means the most to you.
 And if one door opens to another door closed,
 I hope you keep on walkin' till you find the window,
 If it's cold outside, show the world the warmth of your smile,

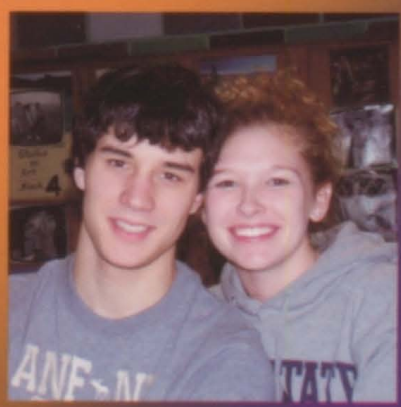

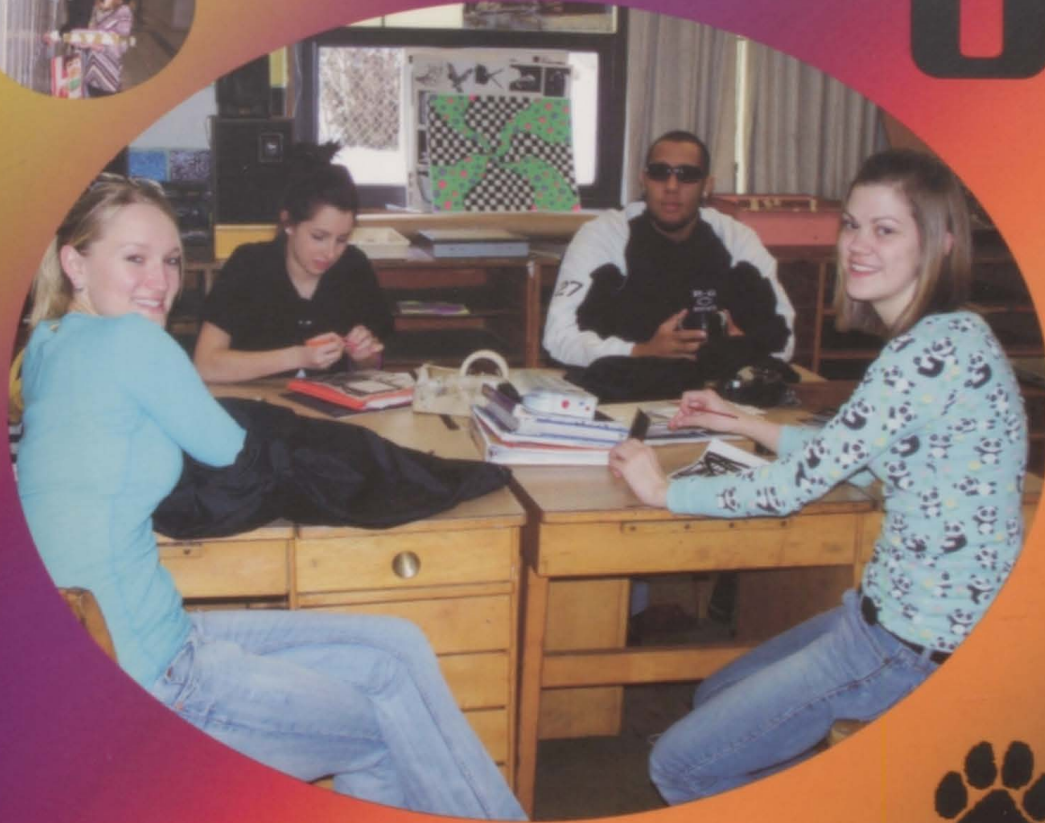

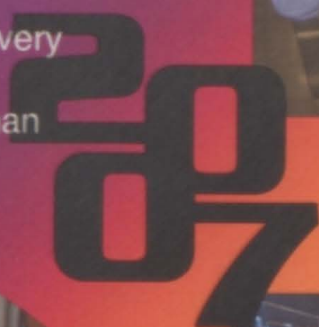

But more than anything, more than anything,
 My wish, for you, is that this life becomes all that you want it to,
 Your dreams stay big, and your worries stay small,
 You never need to carry more than you can hold,
 And while you're out there getting where you're getting to,
 I hope you know somebody loves you, and wants the same things too,
 Yeah, this, is my wish.

iors

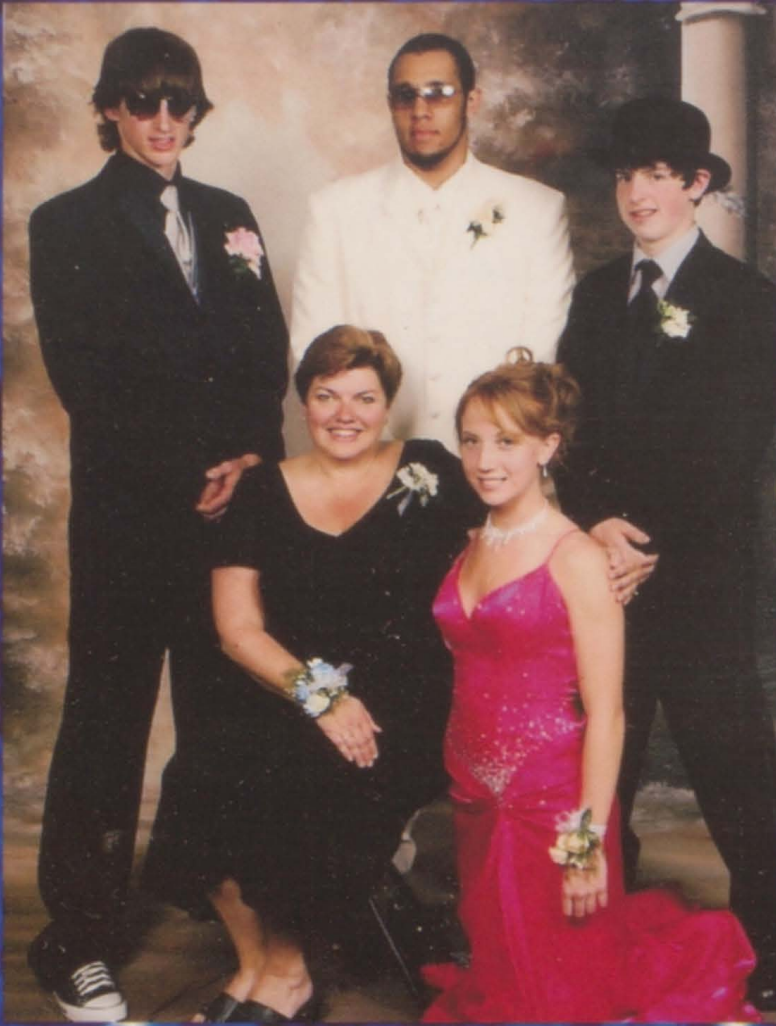

I hope you never look back, but ya never forget,
All the ones who love you, in the place you left,
I hope you always forgive, and you never regret,
And you help somebody every chance you get,
Oh, you find God's grace, in every mistake,
And you always give more than you take.

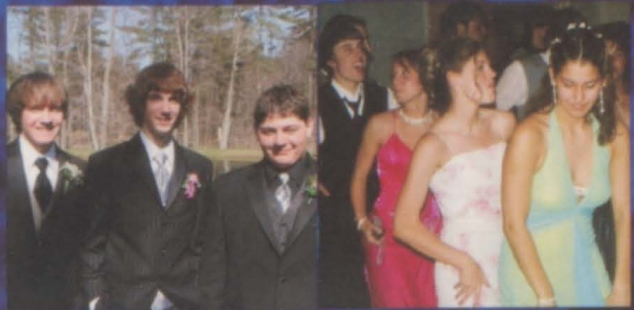

This, is my wish!

Zachary Alexander Fish

He never understood why people treated each other badly. Zach saw part all of that High School drama. He amazed how he could look at someone and see who they really were, and disregard the mask they put on in front of their friends. He taught me so many things in the years we were bestfriends. He taught me to love people for who they were, because everyone is different. He also taught me that being true to yourself is beautiful. I never got to say goodbye to him, or tell her how much I loved him. He never knew how many people's lives he touched, or that he inspired me to become a better person. Because of Zach, I will always try to live up to what he believed in, and maybe someday something will change for the better because of the person Zach was. Speaking on behalf of all the lives he touched, Zachary Alexander Fish is loved and will never be forgotten.

~Alisha Hartwell

THE DAYS...
-KEITH URBAN

These are the days we will remember
These are the times that won't come
again
The highest of flames become an ember
And you gotta live 'em while you can
These are the days we will remember
So take 'em by the hand, they're yours
and mine
Take 'em by the hand and live your life
Take 'em by the hand don't let 'em all
fly by
Ooo days go by
Yeah, just like a hand out the window
wavin' in the wind as the cars go by

CONGRATULATIONS GRADS

This is Darci with a few words of wisdom.

One of the things we have in common as human beings is that we all have moments when a challenge is before us and we have to make a choice about how we will face that challenge.

Rabbi Israel Goldstein, founder of Brandeis University, has this advice. He says: "Don't shy away from a big challenge, you may surprise yourself." And American actress Cicely Tyson agrees when she says: "Challenges make you discover things about yourself that you never really knew."

If you are faced with a big challenge, be inspired by those who have gone before you. Face it head on. You will probably discover that you are stronger and smarter than you think.

With something to think about, this is Darci. Make it a great day or not. The choice is yours.

Congratulations
on your achievements!
