of your life...

I hope you had the time of your life..

Looking back now, well it makes me laugh, We were growin' our hair, we were cuttin' class, Knew it all already, there was nothing to learn, We were strikin' matches just to watch 'em burn, Listen to our music just a little too loud, We were hangin' in there with the outcast crowd, It was a long train tussle but we had no fear... Man I don't know, where the time goes, But It sure goes fast, just like that, We were wanna be rebels who didn't have a clue, With our Rock n' roll T-shirts, and our typically bad attitudes, Had no excuses for the things that we'd done, We were brave, we were crazy, we were mostly, Young...Talked a good game when we were out with the guys, Girls were a mystery that we couldn't explain, And I guess there are some things that are never gonna change... Young, Yeah Wishin' we were older, Young, Hey I wish it wasn't over, Man I don't know, where the time goes, But It sure goes fast, just like that....

Middle school Student Council had a very fun year! We achieved many of our goals and had an exciting time reaching them. We helped the High School and Greenlawn Student Councils collect canned goods for needy families during the Christmas season. During Pride and Spirit week we held a competition in the middle school. There was great participation and everyone had a nice time. Finally, we held the New Years dance. Many people showed up and had a fantastic time.

YEARBOOK

This year's yearbook has been an extravagant experience! We worked stupendously long hours trying to meet deadlines and create pages. Working with the new program and digital media has been very beneficial to us. We have profited greatly from the new members of this year's yearbook club. Their creative input has made this yearbook **BETTER THAN EVER!** We hope you had the time of your life...

"I guess that idea didn't go over very well with S. Watson, M. Lorenzen and A. Hurtubise."

C. Reigel and J. Rorick know that organizing the ladder is one of the first steps in planning the yearbook

Keeping the yearbook balanced is G. Ives' job.

This year's Student Council was all about new beginnings. With a new advisor and plenty of new members we looked at this year as an opportunity to start new. We did a great job including everyone in our "Unity" theme at "Welcome Back", as well as turning a long time tradition during "Pride and Spirit Week" into a School Unity and Spirit Week. I'm very proud of what we have accomplished with so many new faces and I am excited to see what they do in the future.

Through the help of the Honor Society and several administrative leaders, we have created a recycling program throughout the school wide community. With lots of help, we collect and rinse bottles, and collect paper. Then it is picked up on Tuesdays by our disposal service. This is greatly decreasing our "garbage" disposal and helping our environment greatly. It is one small step toward becoming a sustainable society. Thank you everyone for your cooperation. It is greatly appreciated.

This years' football team ended its season with a 5-4 record. The bobcats reached the first round of the playoffs where they lost to Walton. They finished the season with an impressive 24-0 shutout of Seton Catholic. With many holes to fill due to graduation, the team came together and performed exceptionally well. At one point the team was ranked 14th in the state. This team had a great work ethic and attitude. They were a pleasure to coach.

VARSITY GIRLS SOCCER

The 2008 girls varsity soccer team had a large roster of 21 players. Improvement was shown by all, but the expectation of a winning season turned south midway through the campaign when the team lost 9 consecutive games. The high point of the season was Bainbridge Guilford's enthusiastic championship game victory at the New York Pizzeria Tournament. The tournament MVP was goalie Caiti Anderson and her teammates Danielle Conway, Morgan Glassett, Elizabeth Hinkley and Allison Roosa were selected to the all-tournament team. Allison Roosa was also selected as a second team all-star in the MAC and Daniel Conway, Elizabeth Hinkley and Rebecca Hinkley were honorable mention players. A large nucleus of players will return for the 2009 season, and with the addition of some eager junior varsity members, Coach Williams is looking forward to an exciting season next year.

This season was a season of growing, both as individuals and as a team. We had big disappointments, while we also had big accomplishments. Our season saw losses to teams with subpar talent, but also showed our ability to teams now playing in the state tournament. We had players who learned to respect others and themselves. Team accomplishments included going 15-7, battling it out with Harpursville for the division, playing teams such as Corning West, and showing our ability to compete. We finished the season in a sectional quarterfinal, nearly upsetting the number 2 seed. Through all of this we achieved, and as a team, competed at the highest level of competition. Good luck to all these young ladies, both in competition and life.

The winter Track and Field team had another great season. Many new school records were set, six athletes went on to the New York State Championships, and three went on to compete in the National Championships. On the girls side, new records were set by Morgan Glassett in the racewalk, Karla Paul in the triple jump and Karla Paul and Jeannine McCollum were both a relay team that set a new record in the 800 meter relay. For the boys, new school records were set by Dustin Ross in the 55 meters, 300 meters, and the 600 meters, by Sam Kane in the 1600 meters and the 3200 meters, by Jacob Taylor in the Pole Vault, and Josh Norris, Russell Ross, Dustin Ross, Evan Palmer and Sam Kane were all on new relay records. Dustin Ross set new Section IV records in the 300 and 600 meters. Many other athletes improved their performances dramatically throughout the season.

The outdoor track and field team is ready to start another great season. Last year the boys team finished the year ranked fourth among small schools nationally and the girls were fifth in the same category. The boys team returns a great deal of their talent from last year and looks to defend their MAC championship for the third straight year. The girls team is very young after graduating many athletes last year, but there are also many returning to lead this year's team. Many athletes will look to compete at the highest levels they can, looking for MAC, Section IV, and State Championships while looking to qualify for the National Championships as well.

The lady Makos started out the 2008 swim season with 13 members one each from Oxford and Harpursville, five from Bainbridge-Guilford and six from Afton. The team only had six returning swimmers and the rest of the team new to varsity swimming. The team record was 1 win and 9 losses. During the course of the season the team gelled together and improved greatly with it all coming together for the last dual meet of the season with the team got their first win of the year against Whitney Point in a very exciting meet with a final score of ABGH 69 WP 68. At the Class A Sectionals 11 swim were entered and combined for an average team time drop of 8.5 seconds. The 200 free relay went after the school record of 1:56.42 in Sectionals finals and came up just short of it at 1:56.69 for 7th place. The team will miss the 4 seniors we will lose this year but look for an improving year next year with the help of experience from this years young swimmers and a good crew of Modified swimmers coming in next year. -Coach Diefenbacher-

Okay, note to self: aim for the water this time . . .

The 2008-09 ABGHS Boys Varsity swim team started the season with 19 swimmers. Which was up from 8 on last years team. The team's record was 3-3 in MAC'S and 4-11 overall. The MAKOS started the dual season off by winning the second meet of the season against Sherburne Earlville in a very close 3 point win. The MAKOS came back from a defeat at Cooperstown by five points two days later to win the meet with Cooperstown by 10 point margin. They save their best performance in the dual meet season for last when they defeated the Norwich High team for the first time in the team's history. Thirteen swimmers competed at the Section 4 class A meet. The MAKOS had four swimmers make it into the top 16 to make it back to the final day of competition along with the three relays. Every one of these thirteen swimmers had a personal best swim during the meet. In total the team dropped a total of 89 seconds from the seed times and 22 personal best times. The MAKOS team was made up of 3 boys from Harpursville, 2 boys from Sidney, 4 boys from Bainbridge-Guilford and 8 from Afton. With only four seniors graduating this year, next years team has a good group of swimmers to build on from this year.

BGA crowned 2 section 4 champions in 2009--- sophomores Wayne Cirigliano-112 and Danny Gormley-119. Earning wildcards into the state tournament were junior sectional runner-up Chris Burnett at 135 and senior Victor Coronado who was the only bear to place taking 2nd and 145. Returning next year will be sectional place finishers Jamie Griswold 6th, Justin Cirigliano 4th, Corey Burnett 6th, Chris Burnett 2nd, Paul Parsons 4th, and Vinnie Buttice 5th. The future looks bright as long as the Bears work hard at it.

Moments...

J. Gray, E. Knowles, C. Whittaker, S. Cirigliano, and I. Guzy are all ready for prom!

K. Werth and J. Rommer smile as they make their entrance.

You're never too old to play on the playground.

"We're ready to go in now...quit taking pictures!" order S.Palmer and B.Hutchinson.

If only the boys could look as good as we do...

"Baaaad to the Bone!" sing S. Howe and C.Woods.

*Lying here with you,
Listening to the rain.
Smiling just to see,
The smile upon your face.
And these are the moments,
I thank God that I'm alive,
And these are the moments,
I'll remember all my life.
I've found all I've Waited for,
And I could not ask for more.
Looking in your eyes,
Seeing all I need.
Everything you are,
Is everything to me.
And these are the moments,
I know heaven must exist.
And these are the moments,
I know all I need is this,
I have all I've waited for,
And I could not ask for more.
I could not ask for more than this time together,
I could ask for more than this time with you.
Every prayer has been answered,
Every dream I've had's come true.
Right here in this moment,
Is right where that I meant to be.
Ohh here with you, herewith me.
And these are the moments,
I thank God that I'm alive.
And these are the moments,
I'll remember all my life.
I've got all I've Waited for,
And I could not ask for more.
I could not ask for more than this time together,
I could ask for more than this time with you.
Every prayer has been answered,
Every dream I've had's come true.
Right here in this moment,
Is right where that I meant to be.
Here with you, here with me.
I could not ask for more than the love you give me,
Cause it's all I've waited for.
And I could not ask for more.*

New Visions-Unique Career

I am in the Unique Career Placement program that Boces offers. This program allows me to go to work at Barrett Family Dentistry in Otego, N.Y. to watch, observe, and learn all about the field of dentistry. By doing this I have realized how much I love working in the dentist office, and with many different kinds of individuals. After I graduate I plan to attend BCC to become a registered Dental Hygienist.
-Kim Hart

New Visions-Allied Health is a great program that lets you "shadow" different professions in the health field. We go on clinical sites at Fox Hospital and during the winter we go to local sites. I think it's a great program if you know you want to be in the health field but not sure of which area. Personally, I love meeting new people, helping others and learning from others, so I chose to do this program to help pursue my goals in what I love to do.

I hope the days come easy and the moments pass slow, And each road leads you where you wanna go, And if you're faced with a choice, and you have to choose, I hope you choose the one that means the most to you.

And if one door opens to another door closed, I hope you keep on walkin' till you find the window, If it's cold outside, show the world the warmth of your smile. But more than anything, more than anything. My wish, for you, is that this life becomes all that you want it to, Your dreams stay big, your worries stay small, You never need to carry more than you can hold, And while you're out there getting where you're getting to,

I hope you know somebody loves you, and wants the same things too.

I hope you never look back, but you never forget, All the ones who love you, in the place you left, I hope you always forgive, and you never regret, And you help somebody every chance you get, Oh, you find God's grace, in every mistake, And always give more than you take. But more than anything, yeah, more than anything,

My wish, for you, is that this life becomes all that you want it to, Your dreams stay big, your worries stay small, You never need to carry more than you can hold, And while you're out there getting where you're getting to, I hope you know somebody loves you, and wants the same things too, Yeah, this, is my wish (my wish, for you).
