Spanish Club

Clubs and Activities are a very important part of students lives here at B-G. After working hard on their school work it's nice to know that these Middle Schoolers make good choices on what to do with some of their free time. Giving students the opportunity, and good choices to make, to fill their time with positive experiences helps channel their energy in the right direction. We are thankful that our community supports these programs.

Yearbook

Yearbook is totally amazing. The design, the creative tools that you literally have at your fingertips is truly remarkable. There is no limit to what you can do. The students learn more and more about design, and how to express their creativity through the programs used on the computer. Yearbook presents an opportunity like no other, to use new technology that most are not exposed to until college. The members work together to cover and report a year of history, of life at Bainbridge-Guilford School.

Our Student Council has a pretty intense schedule if you think about it. Each year we present at the freshmen orientation in the fall, and organize the welcome back activities before the year even starts. We plan all the Pride & Spirit activities, and this year we purchased sound and lighting equipment which we use to DJ the dances that we organize, and for class and group fund raisers. In the winter we manage the food drive, which provided 70 families with food and toys this year; it's our biggest community service project. We show our staff, appreciation with small services to our faculty each quarter, and recognize every faculty and highschool student's birthday, throughout the year, with the birthday wall and bags of candy. We do the morning announcements each day, and provide high school students with an energy boost from the candy cart during 8th period. We recognize students in clubs and sports during Rec. Rally, and this year we painted many of the symbols to give our school some liveliness. By far our largest production of the year is organizing and performing Moving Up Day on the last day of school.

The boy's team broke even more records and placed 2nd in the Section IV Class Meet winning the program's first sectional trophy ever. Chris Burnett capped the season by winning the individual Section IV Championship in the 3200 meters, an event in which he broke the school record multiple times. In all, six athletes competed in the New York State Championships, the second highest number ever.

GIRLS OUTDOOR TRACK

The outdoor track and field teams are looking to have another great season this year. The girl's team is very young and very talented. The team will attempt to get back on top of the MAC standings after placing 2nd and 3rd in the last two years respectively. On the boys side the team is just the opposite, with a great deal of experience and a strong senior class. The boys will attempt to win the MAC title for the 4th straight year and become the first program to do that in the leagues history. Coach R. Munro

Thinks A. Church

This years Volleyball team finished second in division. A tough year with a lot of almost wins. The team worked hard on defense but lacked height, and strength. I so much enjoyed coaching this team because of their camaraderie towards their team mates. First team All-Stars were S. Mulhair and A. LaMont. Second team All-Stars A. Church, R. Hall and L. Porter. Honorable Mention A. Macy.

This year we ended up with a 12-7 record. We won the Kazalski tournament title and took Sherburne into double overtime to end up second in their tournament. Overall we had a good year with three sophomores on the roster playing big minutes. The future should be strong with the core of our group returning to anchor next years lineup.

The Bobcat Boys Varsity Basketball team improved from a 1 and 19 record in 2009 to 7 and 11 for 2010 and a bright future ahead with 3 freshman and 2 sophomores contributing to this years team. The team was lead by 2nd team All Division Senior Justin Pepper who averaged a Double / Double with 12.9 points per game (PPG) and 10.9 rebounds per game (RPG), 2nd team All Division Junior Steve Patten who averaged 11.8 PPG and led the team in assists, steals taking the charge, and 1st team All Division Sophomore Ryan Porter who averaged 12 PPG and led the team in Free Throw Percentage. Also contributing to the team success was Senior Travis Colburn, Junior Jordan Smith, Sophomore Billy Holden and Freshmen Corbin Palmer, Conner Glassett, and Austin Bauerle along with fan favorites Matt Robinson, and Ricky Stone. According to the players the highlight of the season was the overnight trip to Westport with a stay at Camp Dudley and a game with the 13th ranked Class "D" Westport with two of the better players in the state. With the youth on this years team even more improvement is expected for the 2010-11 season. Special thanks to the fans who supported the Bobcats and helped them win the Sportsmanship award for the 4th time in 6 years. Also a special thanks to Keith Robinson and his crew of statisticians who were diligent with stats for each game. Coach B. Nelson

With an unusually small squad of players the B-G Girls Varsity Soccer Team faced an uphill battle for most of the season. Some junior varsity players helped us out when we had a series of injuries and they all played very well. Numerous players turned in excellent seasons in spite of the challenges. Caiti Anderson was chosen as a second team all-star and Amanda Church, Sarah Taggart, Lauren Porter and Chelsi Rosa received honorable mention recognition in the Midstate Athletic Conference.
Coach George Williams

"I may be vertically challenged, but I'm quick." expresses A. Church to Coach Williams.

This years football team finished its season with an overall record of 6-3 and a division record of 5-1. Highlights include playing Delhi for the division championship with both teams being 5-0. It was a slugfest with Delhi coming out on top 7-0. The Bobcats also made it to the semi-finals of class D where they lost a hard fought game to eventual section 4 champs, Groton. This years team had great senior leadership and chemistry. I am very proud of how all these young men played the game. Win or lose they played with dignity, class and character. They represented our school and community the way an athlete should. A job well done.

From ethnocentrism and current events, to Friday night football games, Mr. Arotsky always has something entertaining and witty to say about almost any situation. Throughout his 30 year tour of duty at B-G, Mr. Arotsky has always had the ability to relate to students. Whether by sharing obscure stories about growing up on a chicken farm in Connecticut, playing football, or selling insurance before entering the teaching profession, he has always had the gift of peaking the student's interest. Even though he initially thought his stay at B-G would be brief, we are glad he remained. His dedication, humor, and unique perspective on the world around him have been interesting, as well as irreplaceable over the past three decades.

The Tech Boys

This years yearbook is dedicated to Mr. Arotsky for his many years of making learning fun and interesting, and for caring enough to make a difference in the lives of our youth. All our youth. Both in the class room and on the field. Mr. Arotsky, the Yearbook Staff thanks you, and congratulates you, on your accomplishments here at B-G, and your many years of service.
