Our team approached the pre-season with a positive attitude and focused effort, which resulted in an appearance in the Mang Tournament Final. Injuries and inexperience left us with a mid-season record that might have caused a weaker team to throw in the towel, but our Bobcats fought back to earn a place in the Sectional Tournament. We fought hard and earned respect. I'd like to thank our seniors for their leadership. I am confident in our returning team for next season.

This year's Girls JV Soccer team had a fantastic season. Starting with a young team of mostly 8th and 9th graders, we were presented with many challenges, but also with many rewards. These girls saw so many improvements in their individual skills, as well as in their ability to work together as a team. Our winning streak started toward the end of the season, which speaks to the level of commitment and drive these girls had. We ended our season with a 4-6 overall record. I look forward to another great season next year.

I have to say this was the toughest season I have had to coach, but I worked with some of the nicest girls I have had the privilege to train.

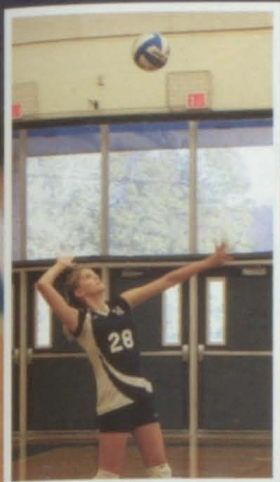

They are small in stature and numbers, but never give up. Moving to the fall was a very hard thing for these girls to do. Led by one of the strongest captains, Raileigh Hall, these girls were able to stay in every game, and play with the much larger schools. Although we only won two matches this year we won many games, and earned respect from many teams. They were expecting to have an easy win, but soon realized that small schools can play, and had to work very hard to beat us. Although it will be an uphill climb to adjust to the fall, I look forward to being a part of the young athletes here at B-G.

Bumped to the fall season this year created challenges and choices for coaches and players alike. We quickly discovered it could be HOT in August but enjoyed not having to compete for gym space with any other teams! With only two returning players from last year, we looked to them to set the pace but also asked our new athletes to rise up to the demands of JV play quickly. We didn't have a large roster but these JV volleyball girls had heart and desire to win!

We ended the season with a respectable 7 wins and 7 losses going to bigger schools like JC and Harpursville, and we recorded some very impressive wins over Sidney and Chenango Forks. Thanks for working hard ladies and remember....
Bump to set! Set to kill!

Varsity Girls Basketball

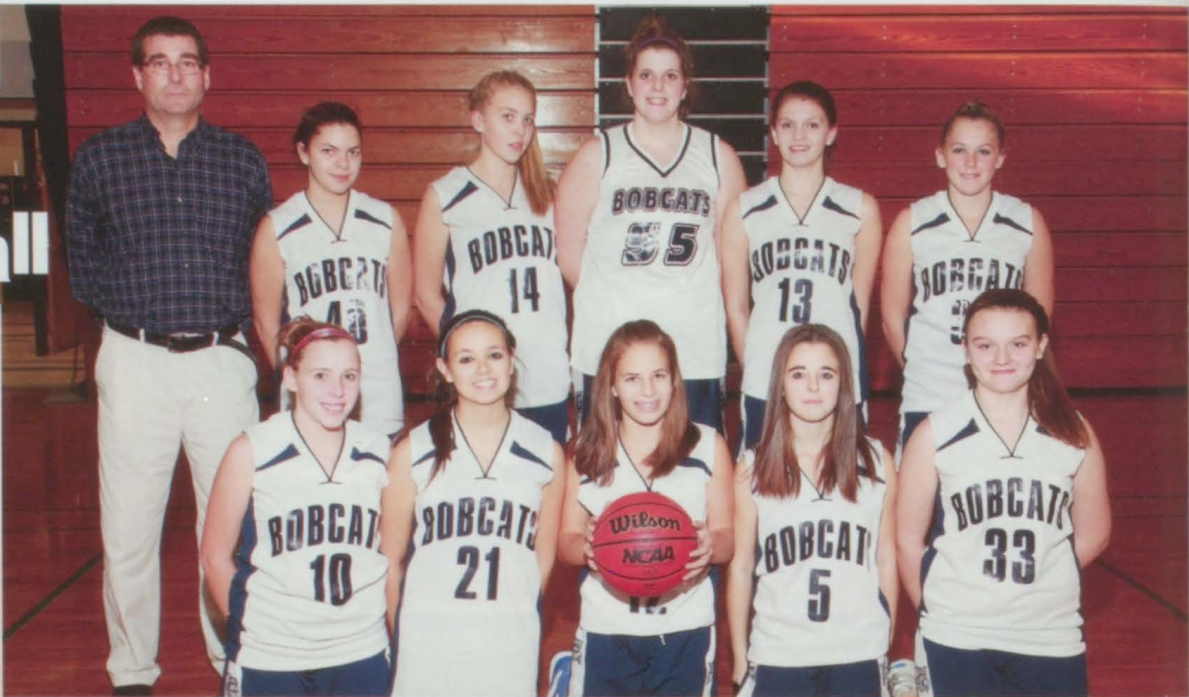

This has been an exciting season for this group of young athletes. We have achieved a lot with hopefully more to come. First of all, we won both tournament titles we participated in, Sherburne-Earlville and Kazalski. We have achieved a 15-2 record, 9-2 within the conference, winning the playoff game with Oxford to make the league finals on the 19th. We are currently ranked 14th in the NYS poll. There has been a lot of growth in all facets of the game as well as growth in our maturity outside the lines.

Varsity Boys Basketball

Led by Seniors Jordan Smith and Steve Patten, the 2010-11 Bobcat Basketball Team finished the season with a 7 and 11 record, including a loss to Greene by one point and to Delhi by one point. The season started with a trip to Glens Fall for a Coaches versus Cancer tournament. We lost to a strong Class A squad from South Glens Falls 65 - 88, and then to a strong Class B team from Ausable Valley 51 - 61. The MAC League competition started with a victory over Harpursville 52 - 47, and we were one of the few teams to beat the Section IV Class D Champion Hancock team 51 - 47. However, the MAC League proved to be too strong with their new format of playing every team once with the Bobcats slipping to the Middle 4 teams in the playoffs. A single win in one of those one-point losses would have put them in the Final Four, but it was not to happen. The regular season did end with their annual trip to Westport, where they evened the series with a 62 - 29 victory. The team did qualify for sectional play, but was defeated by a strong Elmira Notre Dame team 68 - 38. On the bright side with four sophomores and two juniors scoring close to 80 percent of the offense, the future looks good for the 2011-12 Season.

The Bears finished the 2010-11 dual season at 9-1 ending with a gut wrenching 38-37 criteria loss to Greene in the semi's of the Section 4 Dual Meet Tournament. The Bears captured their 2nd MAC and Section 4 Class B Tournament titles in a row. The crowning achievement was that the Bears captured the school's first overall Section 4 Division II team title. Leading the way were sectional champions Vinnie Buttice and BGA's first 5x Section 4 Champ Danny Gormley. Paul Parsons and Daren Terpstra each fell short in the finals and finished second. At the NYS tourney Gormley lost a heartbreaker in the finals falling 2-1 and taking second, becoming the school's first 4x NYS place-finisher.

Also contributing to BGA's first title were 5th place-finishers Jesse Griswold, Corey Burnett, Cody Davy, and Mark Viviano. P. Summers and R. Fredrick know how to stay focused through long pieces.

"This next piece is for all of you!"

"I'm so excited to just jam out on my violin!" explains J. Wade.

"I'm pretty psyched for this concert!" claims A. DeGroat.

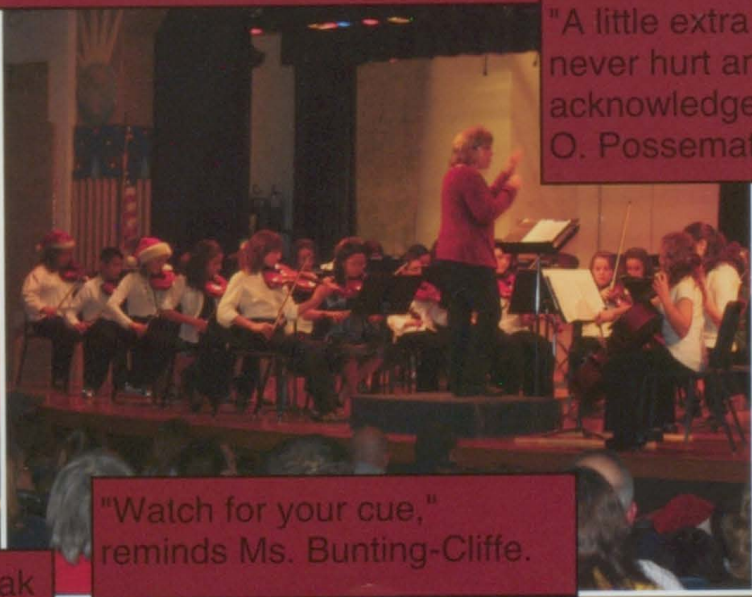

Orchestra

"Just me and my violin," states H. Roberts.

Getting ready for their concert are C. Davis and R. Wlasiuk.

Row 1: J. Cuozzo, A. Hovey, R. Bochicchio, E. Summers, D. Norris, K. Farrell, S. Clark, B. Green and D. Wade.

 Row 4: B. Scherhauser, C. Luca, N. Searles, N. Heaney, A. Bronson, E. Avery, T. Petrutoni, T. Cannistra and C. Shearer.

"A little extra practice never hurt anyone," acknowledges O. Possemato.

"Watch for your cue," reminds Ms. Bunting-Cliffe.

"Sure we can take a break for a picture," agree E. Ives and B. Shaw.

"Smile, A. Decker."

"We've got it all under control, Mr. C."

Middle School

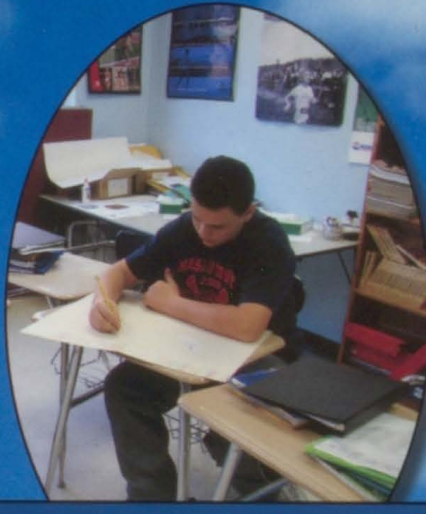

"We definitely have the best project."

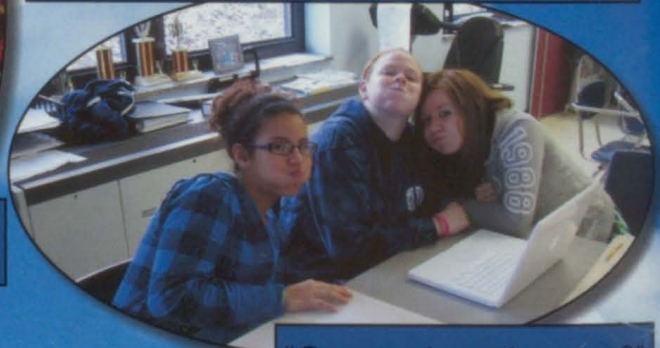

"I swear I'm not up to any mischief!"

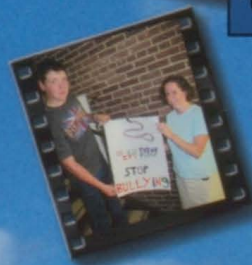

"Is everyone busy reading a book?"

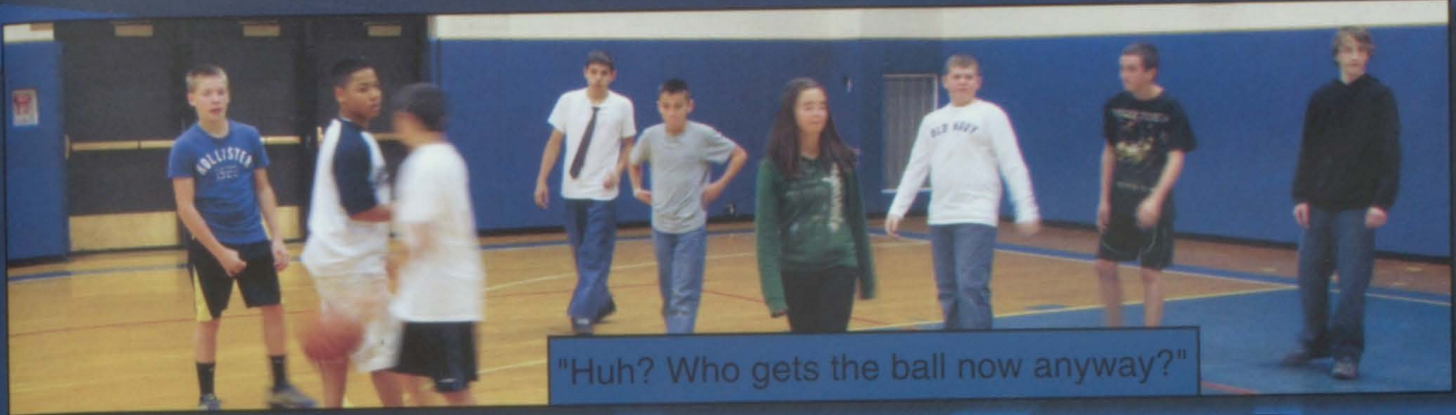

So much to do and so little time...

"Can we breathe now?"

"Huh? Who gets the ball now anyway?"

Looks like K. Vredenburgh and A. Decker need a little egg-stra help.

"I'm hiding from my friends. Don't tell."

Junior Honor Society is a service organization. Every year the new inductees choose the area of service in which they are interested. This year the students decided to assist with our recycling effort. Each day during the six-day cycle two students would volunteer to stand by the recycling bin and remind other students to put their trash in the appropriate containers. Having a bake sale during middle school lunch was a great way to raise money for our induction ceremony, which takes place at the end of May. We were able to meet all our monetary goals. During the holiday season we sent cards to men and women in the armed forces. Lastly, we organized a "Happy Gram" fundraiser. These funds will be donated to a children's hospital.

The Middle School Student Council is active in providing Spirit Week competitions for grades 6 through 8. Student Council also hosts and organizes dances for the middle school students. We are also actively engaged in providing leadership opportunities for members and teaching students about how to work in a team. MSSC also takes pride in having an active role in the food drive every year for families in the area who are in need of the essentials around the holiday season.

Through participation in modified sports students are not only getting a chance to exercise and learn a sport, but they are learning life skills as well. By being a part of a team, these young athletes learn what it means to truly work hard. They also learn what it means to achieve and reach a common goal as part of a team. Learning to work as a team is a skill they will use for life. Athletes also learn leadership, self-discipline, sportsmanship, time management, as well as develop a strong work ethic. These are all important qualities that will transfer to the classroom and daily life.

 Row 2: Coach I. Lorimer, A. Bauerle, D. Johnson, K. Hanvey, K. Cuyle, R. Jones and D. Lee.

"Keeps me out of trouble."
 Z. Smith

"It gives me something fun to do after school."
 R. Jones

"We get a head-start to see if we like that sport."
 A. Bauerle

"Younger people can have fun being on a team."
 D. Johnson

"A stepping stone on the way to playing varsity."
 D. Lee

"It's so important to me, I'd cry if we didn't have it."
 J. Cuozzo

Modified sports are important. They furnish the building blocks for the next and more competitive levels. Many times the modified level is the first real team experience that these young athletes have had. Just this year I had two players tell me that they didn't know if they would like basketball. After the first game they both said they loved it. Modified sports is an opportunity to explore and find out what sports these youngsters decide to play.

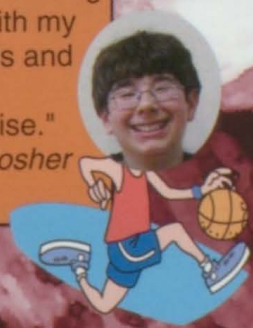

Coach Dave Keller

Row 1: M. Gormley, B. Ramirez, M. Gormley, M. Shew and C. Graham.
 Row 2: T. LaMont, B. Shaw, L. Barton, E. McFee, Coach D. Keller, R. Smith, D. Ives, B. Spake and J. Pratt.

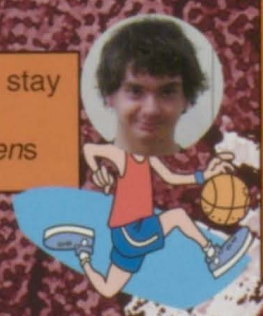

"It teaches us how to play the game better."
 J. Peterson

"I get to hang out with my friends and get exercise."
 W. Mosher

"It gives us a chance to work with people we don't know."
 J. McCarthy

"I like to stay active."
 S. Stevens

"It keeps me in shape and I can hang out with friends."
 T. Ross

"Just because sports is fun."
 A. DeGroat

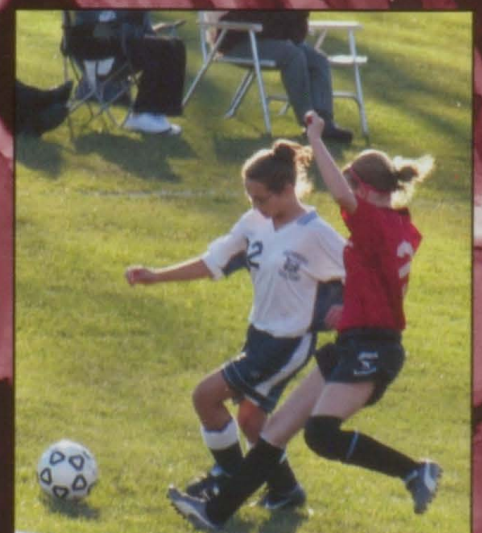

It has been a privilege to coach modified sports for 20 years. In that time I have seen young girls in soccer grow and improve their endurance, agility, strength and self-worth through the sport. They start with the question of which goal to shoot at, and by the end of the season they are scoring goals. In track, athletes have the chance to see that it is an all around sport that improves all other areas of their lives. It is great for conditioning and opens many doors for scholarships. I have seen many students who feel like they don't fit in, find that place on the track. Track gives the benefit of developing your individual and team concept. Modified is a super age to work with on the playing fields!!! All modified coaching has been a blessing to me!

Coach Christine Oliver

Row 1: C. Graham, M. Warner and M. Gormley. Row 2: M. Gormley, K. O'Hara, R. Smith, B. Ramirez and M. Shew. Row 3: Coach C. Oliver, D. Ives, E. McFee, D. McElligott, A. Trask, C. Davis, T. Cannistra, B. Spake, S. Bell and S. Baldwin.

I really love that modified sports allow students to learn about a sport, and grow as an athlete and as a person. It saddens me that girls will no longer be able to have that four sports season option. Sports also help students manage their time better, build networks with others, and appreciate the value of working hard to accomplish a goal.

Coach
Michele Shirkey

Row 1: B. Spake, J. Mark, K. O'Hara, M. Warner and T. Cannistra. Row 2: E. McFee, E. Ives, R. Smith, J. Drazgowski, S. Baldwin, L. Barton and R. Squires.
Row 3: Coach N. Miller, Coach M. Shirkey, R. Smith, T. Decker, C. Barber, A. Decker, A. Ostrander, N. Bell, B. Hansel, L. Porter and M. Hartwell.

As an individual enters their teen years, they begin to cement the individual that they will be for the rest of their life. Modified sports play an integral part in this process.

Students learn teamwork, healthy life choices, the value of hardwork and how to face difficulty with integrity and respect. The gift that we give our youth in modified sports is not measurable by any amount of money. It is measured, many years later, in the contributions that those individuals will give to our community.
