Our Story Will Never Be
Forgotten

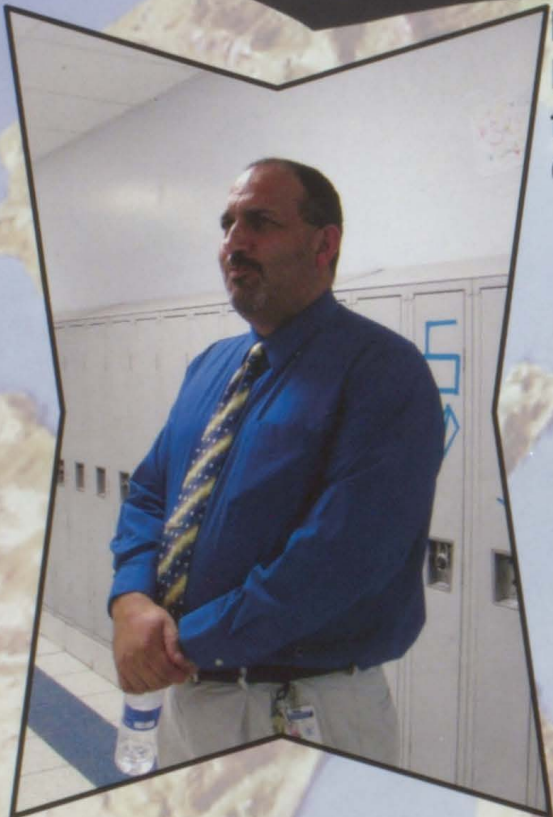

When teachers have to think back. . .

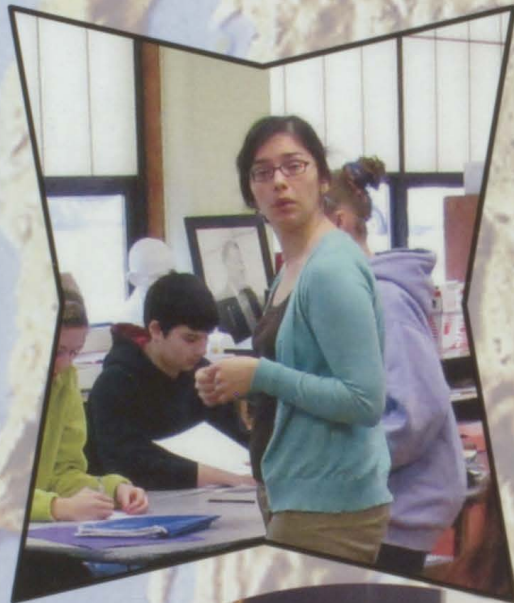

"Pre-season practice for Field Hockey was the best moment of High School for me," claims Ms. Shumaker

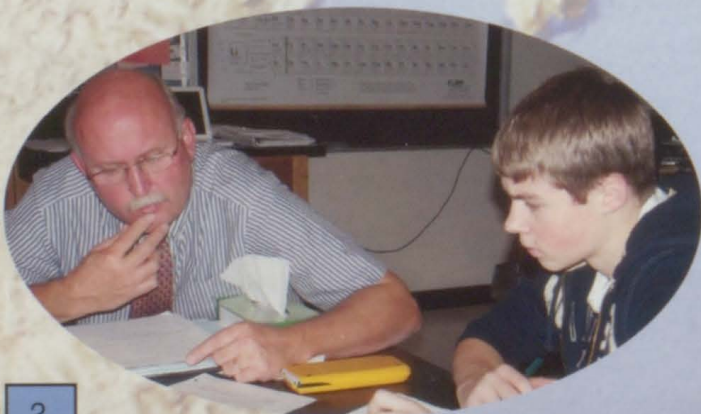

Faculty

Mr. Davis went to London, England for a school trip. His favorite part was punting on the Cambridge River.

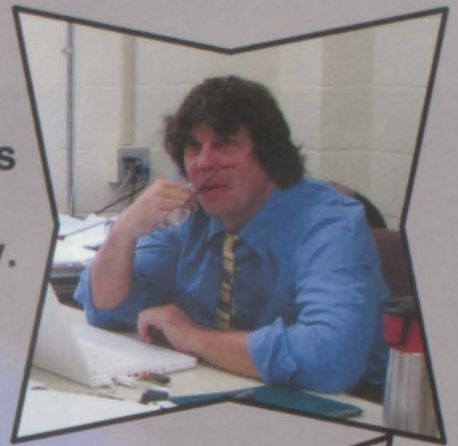

"When I was in Honor Society, we went to Martha's Vineyard. My friend accidentally shot lobster at a girl who absolutely hated lobster," Mrs. Hardy admitted.

Competing in mock trials in High School was Mr. Lanfear's favorite memory.

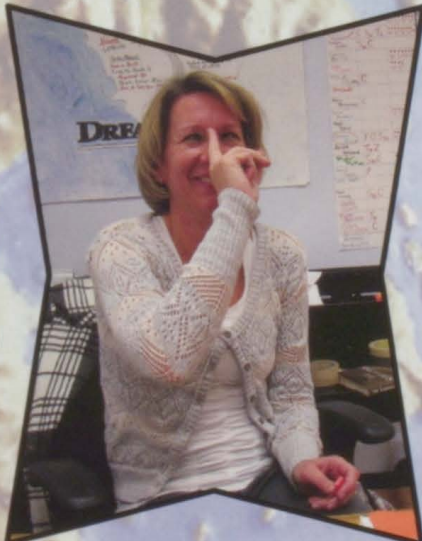

"Duck taping the seniors and leaving them in a field while I was a freshman, was my favorite memory," tells Mr. Andrus

"Dressing up for Halloween as if in the 50's when I was in High School," remembers Mrs. Fuller

& Staff

"I served all of the points in my 9th grade volleyball team. I was so proud of myself," Ms. Miller said excitedly.

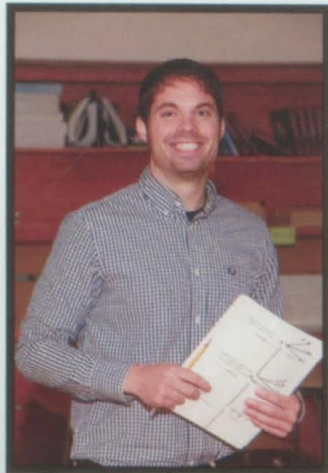

Senior Year was Ms. Minde's favorite High School memory. Senior Recognition, with her family there, while they also won their swimming meet.

Row 1: C. Palmer, B. Miritsch, T. Walts and L. Butcher. Row 2: Coach G. Warren, D. Johnson, B. Harmon, R. Porter, N. Gronowski and A. Bauerle.

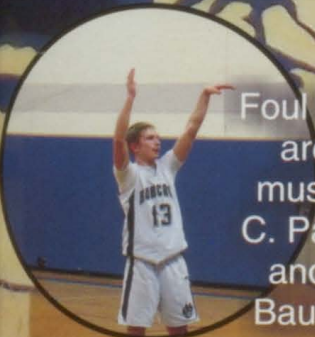

The Boys Varsity Basketball team experienced success in many different areas this season. The Bobcats enjoyed a winning season and were a force to be reckoned with in the MAC. During the regular season, the team notched victories against many teams that they had not defeated in many years. Fans enjoyed victories over Walton, Oxford, and neighboring Sidney who the Bobcats last defeated in the 1990-91 season. The team finished the regular season and qualified for the MAC Tournament Final Four where they came up a little short against eventual champion Unatego. Juniors Austin Bauerle and Brooks Harmon were named to the MAC Second Team and Senior Ryan Porter was named the MAC Most Valuable Player. The team returns Austin Bauerle, Brooks Harmon, Corbin Palmer, Lucas Butcher, Nick Gronowski, and Tim Walts for next year. The future looks bright for 2012-13.

The Girls Varsity Bowling Team had a great season. With only two returning starters, the Lady Bobcats took 4th place in the MAC League. Led by captains Nisa Pereira and Mallory Kamp, the team took a victory at the Tip-Off Tournament in November. Although we will be losing four seniors this year, I expect to see great things in the future from this team. Some of its younger members include starters Amanda Decker and Morgan Dean.
 -Coach T. Cooper

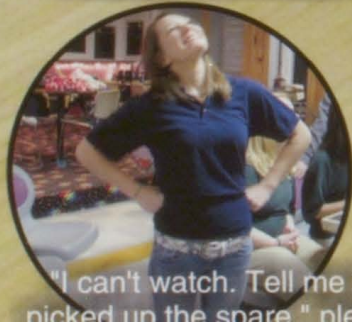

The B-G boys Varsity bowling team had a pretty good year. They sat in first place for much of the season, but after a very tight race for the top spots they ended up finishing fourth. The BG boys did end up with two of the top five bowlers in the MAC league, Jacob Mazzarella and Zach Newman. Overall, it was a successful year and the team is confident that they can win the MAC league next year.

The 2011 - 2012 Bears' season was certainly interesting. Considering that seven seniors needed to be replaced, this year's bunch had a nice season, finishing the dual season at 7 - 6. The Bears finished in a tie for first with Greene for the divisional crown. As the post-season came the Bears turned it up a notch, finishing 2nd in the MAC and Class B tournaments. The year ended with a 5th place finish at the sectionals.

For the first time in 15 years, BGA did not crown a sectional champ. However, Mark Viviano did receive a wildcard at 195 lbs going 1 - 2 at the state tournament. Placing at sectionals were 7th graders Austin Carr (4th at 99) and Brett Hubbard (5th at 113). Also placing 4th were Justin Cirigliano, Jesse Griswold, and Corey Burnett. Good luck to the three graduating seniors: Corey Burnett, Josh Akshar, and Billy Holden. Their contributions will be missed.

INDOOR TRACK

New BGA girls records were set by Julia Knapp in the 55 hurdles and the 800 meter relay team of Katrina Ross, Nikiah Gaydorus, Stephanie Knowles and Julia Knapp. For the boys, Noah Ives set a new record in 800 meters, Connor Fuller set new marks in the 1500 and 1600 meters, and Chris Puerile broke the shotput record. Julia Knapp and Chris Puerile both won individual sectional championships and competed at the New York State Championships.

HIGH SCHOOL BAND

Seniors C. Fuller and J. O'Hara

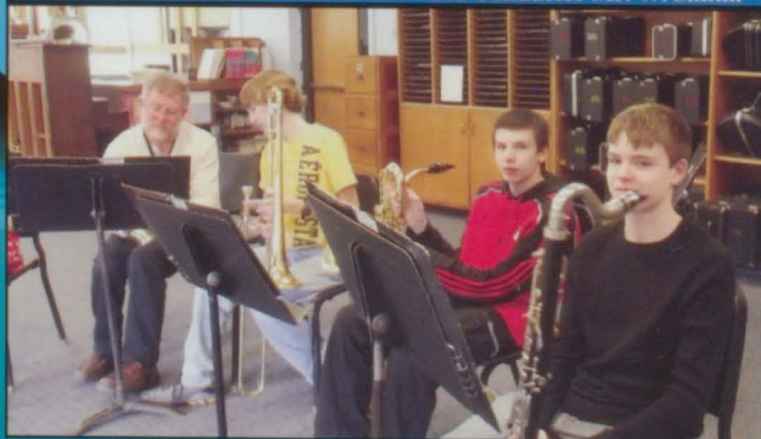

Any of the many performances of the summer marching band during the 80's would apply, but the most memorable would be a performance at Veterans Stadium in Philadelphia as a Phillies pre-game show. Pete Rose watched the entire performance from the top steps of the dugout.

HIGH SCHOOL CHORUS

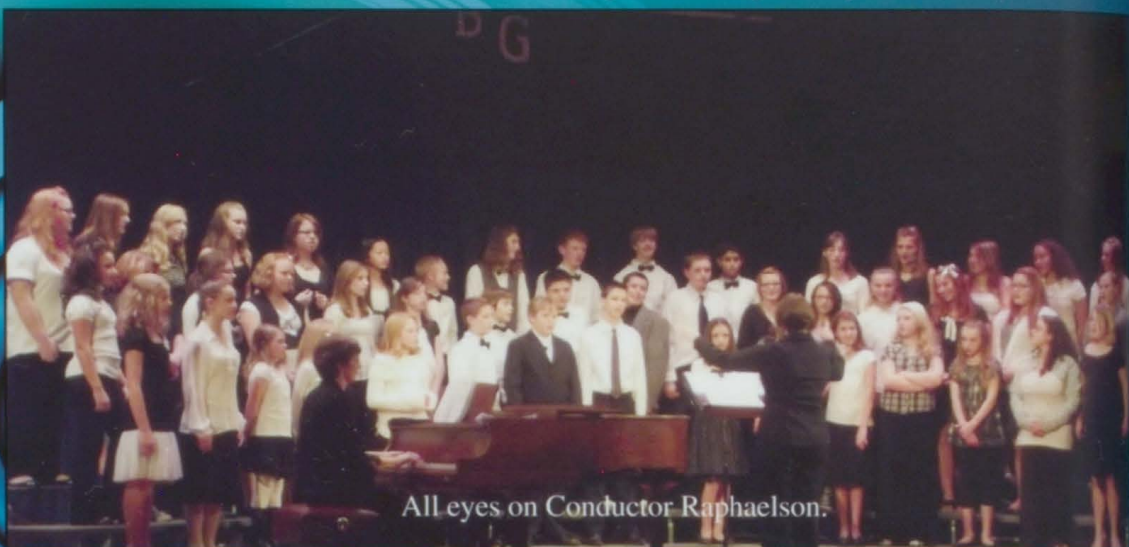

I've had too many great musical moments to list them all, but I think my favorite times were when my family would host jam sessions at our house. I grew up playing with so many great guitar, fiddle and banjo players in my living room, and to me those are the greatest musical moments.
-Conductor Ms. J. Raphaelson

Four part harmony is truly music to our ears.

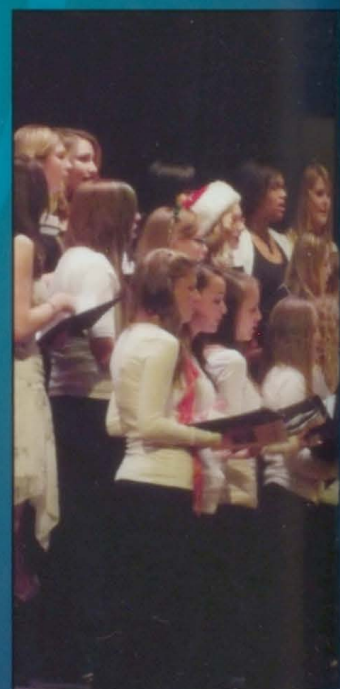

"The harmony in this song is the best." agree this group of choral members.

Just a little break before the next piece for this group of girls.

HIGH SCHOOL ORCHESTRA

I have had the opportunity to have many, many, memorable music moments. Growing up with a family of musicians and having the opportunity to perform with my family is certainly a life-long memory. I have also had some unusual opportunities. One of them was in 1986 when I was in undergraduate school at The Crane School Of Music in Potsdam. The school was celebrating its 100th anniversary and our country was celebrating the reopening of the Statue of Liberty after it had been closed for renovations. (It had also been 100 years since it was dedicated.) the Crane Chorus was invited to attend the ceremony in NYC and participate in the televised event. Several well-known dancers, actors and musicians performed and the President was also there. Singing with the Statue of Liberty in NY Harbor, fireworks going off was definitely memorable.
-Conductor Ms. D. Bunting-Cliffe

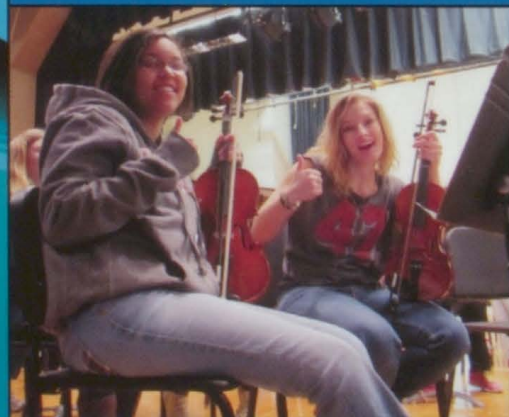

Working hard at practice will be worth it.

Salut mes amies!

As you all have noticed, my face has been MIA this year from the hallways of our beloved high school.

Instead of following the regular high school schedule, I'm participating in the Rotary Youth Exchange Program and spending this year abroad in Dijon, France. This exchange program is a thing of beauty; not only do I experience the culture of a foreign country first hand, but I also learn how the real world works before graduating high school.

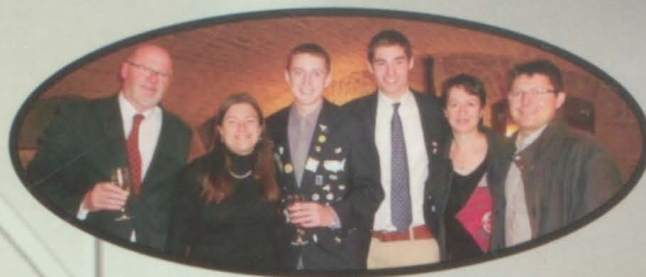

To start off, I have to pay respect where it's due. Of course, my first thank you goes out to my family, because without them none of this would be possible. To the teaching staff at Bainbridge Guilford, I owe you all so much. English, math, science, history, languages, and art are not the only things that we learn in class. In fact, I would dare to say that I've learned equally as much in how a young man should conduct himself as course material from each one of you. Lastly, I need to thank all of my friends. You all are my biggest support staff, none of you know how good it feels when I see your posts on my wall after a hard day. I love all of you guys so much!

So now, la piece de resistance, my French life! The French have amazing vacation schedules, so I've visited a lot of the country on my free time. Paris is my favorite city here. I mean it's absolutely sublime when you walk down the street and see l'Arc de Triomphe or le Tour Eiffel, and on top of that the city is just beautiful. Also, swimming in the Mediterranean Sea when you guys were getting snow back home was pretty cool too. Another jewel that I've discovered is that traditional French food is amazing! More importantly, the French have two main food groups: cheese and wine...both of which I've grown to love (all good things in moderation though). My favorite part of my whole experience is the language. French is the most beautiful language that will ever meet your ears; however, its extremely hard to speak if you're not a native.

Class of 2013: Vous tous me manquez trop. Je ne peux pas attendre de vous tous voir en été.

A plus tard,

Connor Glassett
(Class of 2013)

Saying bye to friends and family for a year, flying in an airplane for the first time, meeting so many new people... I wouldn't change it for the world. Stepping out of the luggage pick-up and seeing my host brother Angelo standing there waiting for me was the best feeling. With my host mom still in the hospital recovering from surgery, he really made me feel welcome. Within my first week in Germany, we were driving off to a wedding 10 hours away in Switzerland with Enrico, my host brother's twin. This was the start of my travels. Since then, I have been to soccer games in the Olympic Stadium in Berlin, Paris, the Sachsenhausen Concentration Camp, been on tours of Berlin, (and saw remains of the Berlin Wall!), and much more. In March I am going skiing in the Czech Republic with my class. In April I'm going on a European Trip, visiting all the big places in Europe like Prague and Rome. Then in June I'm going to Majorca, Spain with my geography class. I can't wait! I have met so many great people here, have made some good friends, and have really grown into my host family. It's almost as if they're really my family. I have had so many great experiences, and I can't wait to have so many more. <3 Tori

To my dearest high school, Bainbridge-Guilford: As you all know I am on exchange in Deutschland (Germany), and it is very hard sometimes because I miss everyone back in America and all my friends at school. I miss my class. I hope senior year is awesome. I know it is! And I am very sorry I can't be there for it, I know I'm missing out on a lot of things. I'm really sad that I'm missing my senior year with my class, everyone I grew up with. I don't know what to say besides I'm wishing you luck and I hope you are all doing the same for me. Congratulations on graduating, Class of 2012!!!

Love, Kyle Newbauer

Thankful: that is the best and most fitting word I can use to describe how I feel about my time spent at Bainbridge-Guilford Central School District. Although it may be a cliché, I feel so fortunate to have had such wonderful teachers, coaches and friends at B-G. I've become a better person because of you all, and will never be able to repay everyone enough. I also want to offer a thank you to my family for always being supportive of me no matter what I've done over the years; I'm not sure how you put up with me for so long! Finally, I would like to specifically thank my little sister, Darcy. Out of everyone in my life, you have been the most honest and encouraging person I have ever known. I love you and I am going to miss you a lot next year, little buddy.

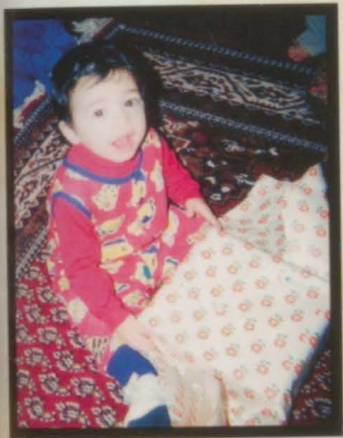

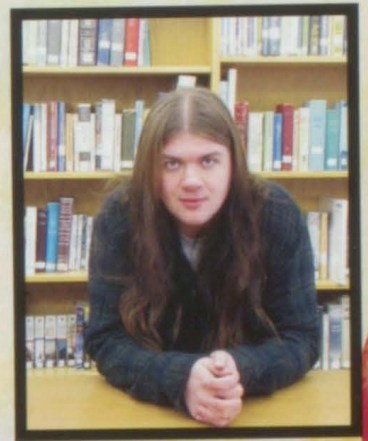

James O'Hara

I came into high school with high expectations of myself. My family instilled a strong work ethic in me that helped me achieve my goals. Through this, I came into my own, learning a lot about myself in the process. Ultimately, I achieved greatness not only in education, but also in life.

Mallory Taylor Kamp

Mallory, I still remember you 4 years old, & barely able to stay awake all day, taking a big step & began Kindergarten. You were so excited, & I was so sad to see my baby take another step toward growing up. You still face the unknown with that same excitement, & just as you have been successful with the last 18 years of your life; you will be just as successful with the future, because success comes from within a person, & making the most of what you have & what you are. You've made me a very proud parent. Love Mom & Kim

Congratulations Mallory Taylor Kamp! We are so proud of you, you are the closest thing to a perfect daughter, parents could ask for. Love Dad & Elena

A parental dream that began when a child is born,
And their hope come true it would seem,
A triumph held after periods of forlorn,
A feeling of pride and euphoria years away
For a daughter or son - Graduation Day.

It is a peak of success for the graduate,
Not only for the graduate but parents too.
A joyful event after many years they had to wait,
Realizing the glorious thrill of a dream come true,
A genuine smile accompanied by a deep sigh,
Often a handkerchief in hand as the class goes by.

Graduation is a deserving, hard earned goal
With mortarboard and gown as foretold,
A gratifying service of the mind and soul
In a simple and beautiful sheepskin told
That the graduate fulfilled the educational rule.
At last, for the mother and father, a dream come true.
Graduation Day!

Farmer's Creed

I believe a man's greatest possession is his dignity and that no calling bestows this more abundantly than farming.

I believe hard work and honest sweat are the building blocks of a person's character.

I believe that farming, despite its hardships and disappointments, is the most honest and honorable way a man can spend his days on this earth.

I believe farming nurtures the close family ties that make life rich in ways money can't buy.

I believe my children are learning values that will last a lifetime and can be learned in no other way.

I believe farming provides education for life and that no other occupation teaches so much about birth, growth, and maturity in such a variety of ways.

I believe many of the best things in life are indeed free: the splendor of a sunrise, the rapture of wide open spaces, the exhilarating sight of your land greening each spring.

I believe that true happiness comes from watching your crops ripen in the field, your children grow tall in the sun, your whole family feel the pride that springs from their shared experience.

I believe that by my toil I am giving more to the world than I am taking from it, an honor that does not come to all men.

I believe my life will be measured ultimately by what I have done for my fellow man, and by this standard I fear no judgement.

I believe when a man grows old and sums up his days, he should be able to stand tall and feel pride in the life he's lived.

I believe in farming because it makes all this possible.

Congratulations Dalt! We love you and we are proud of you!

Love,

Mom, Dad, Dakota,
Dani and Dalani.
