

# PASS IT ON 2013

BAINBRIDGE - GUILFORD

# Mr. William Zakrajsek

Mr. Z., the faculty, staff, and most importantly the students of B-G appreciate all you do every day to make our school day the best it can be. We all appreciate the greetings, the rewards days, 11th period activities, but most of all we all appreciate the fairness and support in the way you lead this school.

As a child, Bill lived in Windsor with his parents and brother. While in high school, he was a 3-season athlete. He played football and baseball, and was a wrestler. He graduated from Windsor High School in 1984. He completed his undergraduate work in Physical Education at SUNY Cortland and his graduate studies in Exercise Physiology at Auburn University in Alabama. After finishing college, he worked as a Physical Education teacher for several years. While teaching PE, he also coached football, wrestling, volleyball, baseball, and track. In addition, he has coached Little League baseball and youth basketball. He began working at B-G in 2004 as the Dean of Students. He became the High School Principal the next year. This is his 9th year in the district. He is married to Deb and has 4 children - Luke, Noah, Kelsi, and Gabe. He enjoys vacationing each summer in Ocean City, MD with his wife and children. In his spare time, he likes to read, play Playstation with his sons, and watch television with his family.

~ Mrs. Zakrajsek

"Mr. Zakrajsek, thank you for saying good morning to us every morning by name. Just a warm welcoming smile makes this school a better place. Thank you for being such a great caring leader. You are always there to help us. I couldn't ask for a better person to greet me every morning."  
-Morgan Bullis

**DEDICATION TO THE DEDICATED**

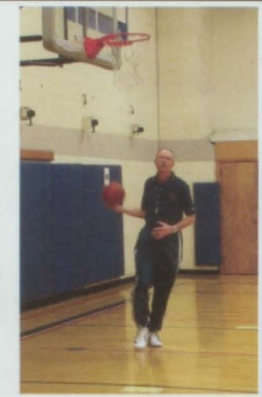

# Mr. George Williams

George was raised in Vestal with his 2 older brothers. During his high school and college years at Broome Community College, he played soccer and tennis. It was while attending SUNY Cortland that he became interested in becoming a school counselor. After graduating with a BA in psychology, he completed a Master's Degree in counseling from SUNY Oneonta.

George began his career at Bainbridge-Guilford and dedicated himself to his students for the next 36 years. He and his wife, Carolyn, also settled in Bainbridge and raised their two children, Michelle and Daniel, here. He loved coaching as a way to get to know the students better, and coached soccer, modified basketball, table tennis, and tennis for many years. George retired last June, but still enjoys connecting with the students through occasionally substitute teaching and coaching. He enjoys hiking, traveling, and spending time with his children who now live in the Albany area.

~ Mrs. Williams

Students and Staff both have always counted on the kind support of Mr. Will. Always ready to lend a hand. For over 30 years Mr. Williams was a dedicated coach and counselor of the Bainbridge-Guilford School District. We thank you for your years of service.

~Yearbook

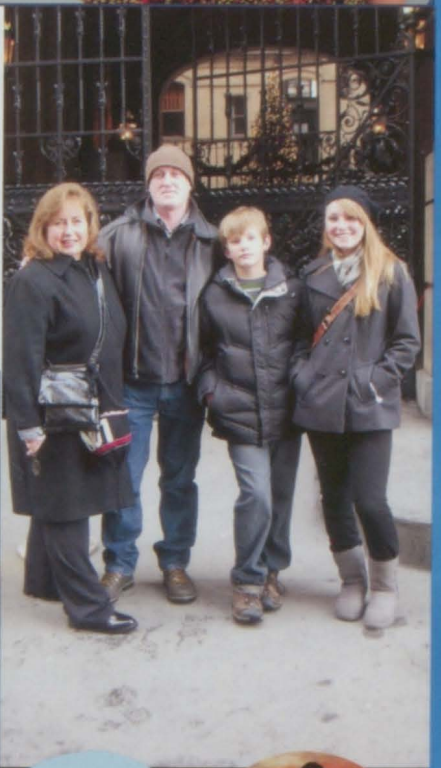

## DEDICATION TO THE DEDICATED

# Mrs. Laureen Scott-Treacy

S.T. has taught me so much in and out of the classroom, not only about the world around me, but, what I have been missing from the world. She has definitely been the "voice of reason" throughout the time I have spent with her. And if I could describe her in one word it would be... fearless!  
Kayla Ocasio, Junior

Born in Brooklyn New York, the family lived on Saint John's Place, where she attended elementary and junior high school. Around 1965, the family moved "upstate" to Carmel NY. She attended Lake Carmel High School and graduated in 1971.

Around '72, she moved to LA, California with her father and brothers. She attended acting school for a time, along with various other adventures. Her grandfather, who was from Co. Mayo Ireland, sent her a ticket to visit Ireland for her 21st Birthday. She ended up staying and living in Ireland for the next four years, where we met in Dublin in 1974.  
~Mr. Treacy

In 1979, we moved to New York, and lived in Brooklyn. It is a bit of a long story, of how we ended up in Oneonta, but we moved to Franklin, N.Y. Laureen worked for Delaware Co. social services for a number of years, it was after that she decided to pursue a career in education. She attended SUNY Oneonta, and did her student teaching in both Sidney and B-G. She received her Master's in Education from SUNY in 2005. She was later hired as a Global Studies teacher at B-G.

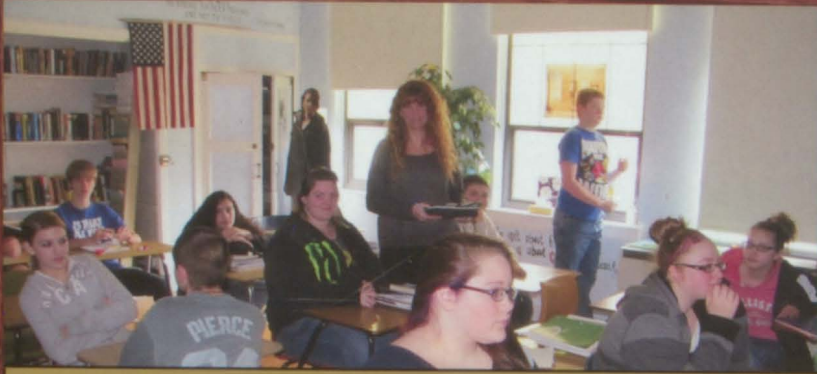

~Frank Treacy

Just a little editing by Mr. Grigoli and K. Newbauer will be finished.

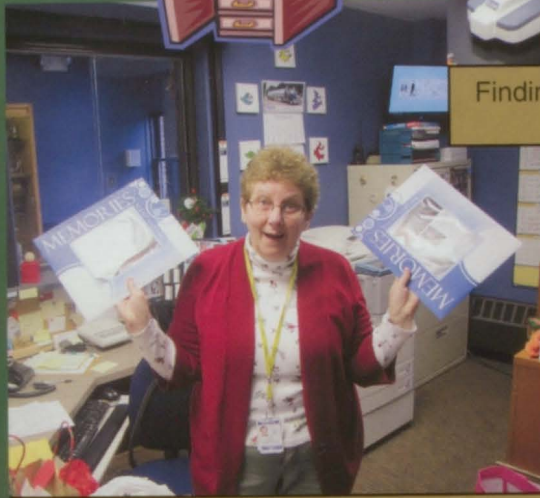

You never know when a new species could be discovered.  
Ms. Degan

Finding interesting lessons is Ms. Patterson.

Finding interesting lessons is Ms. Patterson.

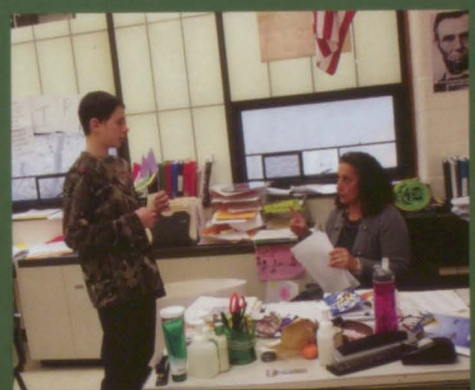

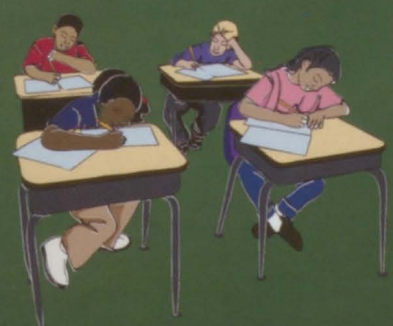

"Here they are, the missing pictures!" cheers Ms. Black.

Preparing for lunch duty are Ms. Cummings, Ms. Cooper and Ms. Ramirez

Mr. Hardy and Mr. Feltham are ready for whatever is next.

"The older I got, the smarter my teachers became."  
~Ally Carter

C. DeGroat knows he can depend on Ms. Anderson for the right information.

The library is in good hands with Mr. Mitchell and Ms. Peck.

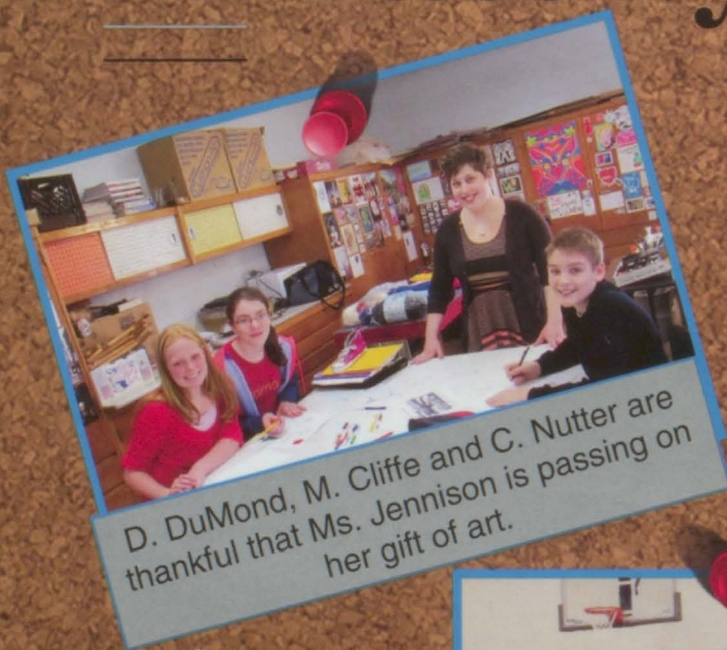

"What would Ms. Mertz's Spanish Class be without a couple of plays." comments, N. Hoblitz.

Ms. Degan doesn't waste anytime getting her class into the lab and doing science.

# Faculty & Staff

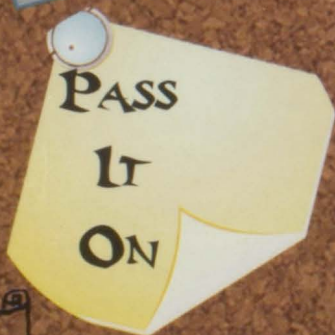

D. DuMond, M. Cliffe and C. Nutter are thankful that Ms. Jennison is passing on her gift of art.

The power of knowledge! Ms. McCandless and D. Norris.

"Just one more lap?" questions R. Smith to Mr. Cirigliano.

## CONGRATULATIONS

### TO THE

### VALEDICTORIAN:

Hyacinth Claire  
Jaranilla Tequin

### SALUTATORIAN:

Melinda Daylee  
Ocasio

When I first came to High School in 9th grade, I was like most of my classmates - getting by, and wanting to get out ASAP. I took pretty regular classes; Earth Science, English, Math, etc. However, I quickly found this quite boring. As I grew older, I felt this intense hunger for more challenging classes and this hunger kept pushing me further, and farther than I could ever imagine. Maybe it was my luck, skill, power of will, or pleasure; but I know that for this great honor of being your salutatorian, that even when I leave this place that everyone will remember my name. I'd like to thank the school, staff, my family and friends for supporting me all these years. I don't know how you all put up with me, I can be a handful. Many thanks to all.

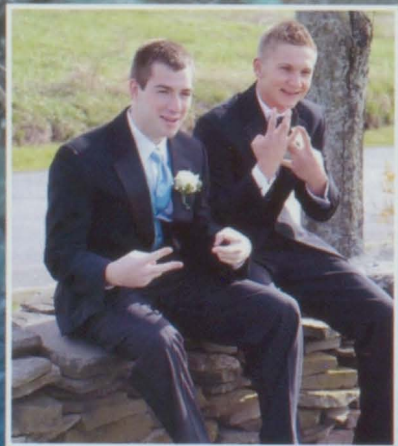

I have been here in the U.S. for nearly eight years!! Wow! As I look back, I have experienced many things, achieved many goals, and has grown as a person in such a small amount of time. To be able to achieve many goals and receive such an honor as being the valedictorian is incredible and beyond words. There are many things to be said; however, the most important is that I must say thank you to those who has helped me along the way. Special thanks are in order to my family for putting up with me for so many years, and for instilling values in me. These values, which I am glad to possess, has led me to achieve success in life. Thank you everyone!!

I didn't mean it  
 When I said I didn't love you, so  
 I should have held on tight  
 I never shoulda let you go  
 I didn't know nothing  
 I was stupid, I was foolish  
 I was lying to myself  
 I could not fathom that I would ever  
 Be without your love  
 Never imagined I'd be  
 Sitting here beside myself  
 Cause I didn't know you  
 Cause I didn't know me  
 But I thought I knew everything  
 I never felt

The feeling that I'm feeling  
 Now that I don't hear your voice  
 Or have your touch and kiss your lips  
 Cause I don't have a choice  
 Oh, I wouldn't give  
 To have you lying by my side  
 Right hear, cause baby

~Quentin Depieux

As you approach graduation and the next stage  
in your life I want you to know how proud I am  
of you. I see a young man who is growing and  
finding himself and I can't wait to see what the  
next stage holds. I love you and am forever  
proud of you. -Mom

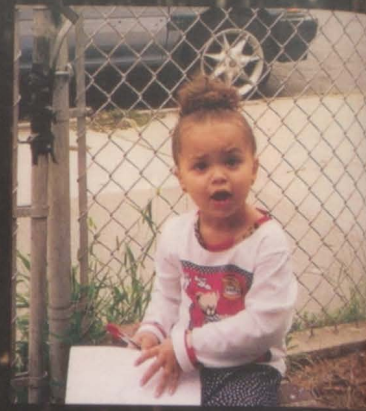

Congratulations, Trent! We are all so  
proud of your devotion and  
accomplishments! The road is long  
on any worthwhile journey, and you  
have shown your devotion to  
succeed. You will be presented with  
many challenges in life as your  
journey moves on...remember to be  
always true to yourself, to be  
honest, to show integrity, and  
compassion, to challenge yourself  
(despite the turmoil it creates), to  
grow internally and within the world  
around you, to appreciate the little  
things(oh! So important), and to  
recognize that life is a journey. You  
will have bumps in the road, some  
small and some large, but you are  
greater than them...rise above and  
celebrate yourself. We are here now  
and forever and are in awe of you.

# Envirothon

Envirothon is a group activity, where at least three people must study environmental facts. There are four categories: Aquatics, soils, wildlife and forestry. There is also a current issue, where the group must come up with an eco-friendly solution to an environmental problem. At competition, teams from all around the region take tests on the four sub-categories and present their solution to the current issue in front of a panel of judges.

Group name: American Einsteinians.

This year's problem is to come up with an efficient way to graze cattle on four different pastures. We must keep run off from contaminating streams, and think of ways to protect the migratory bird population. Using rotational grazing we will rotate the cattle between the four pastures and plant more grasses and shrubs that will benefit the other wildlife in the area.

# Varsity Boys Soccer

This wall is rock solid.

Tearing up the field is C. Fuller.

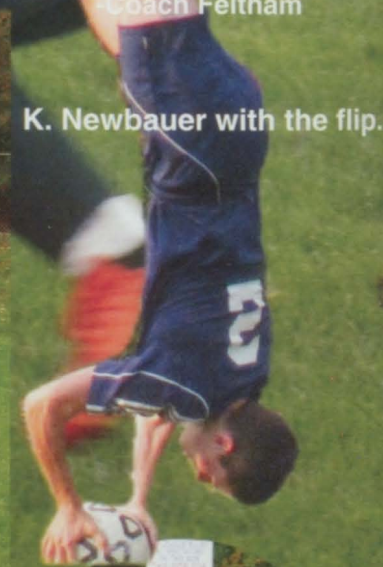

Waiting for the perfect opportunity to attack is C. Glassett.

This year our team took many steps toward becoming successful. While our record was 6-9-1, four of those winless results happened in overtime. Another loss occurred after hitting the post and cross bar with shots against a State-ranked Unatego team ending in a 1-0 loss in regulation time. I think our team's progress can best be measured between the two Walton games: in September we lost in overtime at home, 3-2. In October we went to their field and defeated them, 5-1. We are graduating many strong players but we have a strong group returning and we are optimistic about next season.

# VARSITY BOYS VOLLEYBALL

Boys Sectional Play went really well. We placed third. We went 3 for 6 in the seeding play. Then got seeded 7th out of 12. Won our first match against Binghamton, then upset Sidney who was seeded second. Made it to the final four, and lost to Unadilla Valley, who played in the championships against Horseheads and lost. Overall it went very well. Coach Cirigliano

This year's team continued to improve the status of B-G Boy's Basketball. After losing the 2012 MAC Player of the Year to graduation, seniors Corbin Palmer and Austin Bauerle provided excellent leadership and led the Bobcats to another winning season. Although not picked to be one of the top teams in the preseason polls, the Bobcats finished in the top half of the league and proved that 2011-12 was not a fluke. Bauerle was named to the 1st team All-MAC team and was selected as a Top 12 player for Section IV by the BCANY and Palmer was named to the 2nd Team All-MAC team. The team qualified for sectionals and finished with an overall record of 10-9. With returning starters Lucas Butcher, Mike Carlin, and Dylan Moffitt, the team looks to continue their winning ways in 2013-14.

2012-2013 B-G Girls Varsity Basketball was a reflection of youth, hardwork, and understanding. With 3 sophomores starting, this team began its season with a 1-5 record. From there we finished in the 4th spot in our league, therefore making the playoffs. Along with that we made the section IV tournament and upset higher seeded Groton. Our last 4 losses were all to top 20 State Ranked teams. The improvement was reflected not only in wins and losses but in the team approach and how each player understood their role and how to make themselves and their teammates become better on and off the court. This should be a springboard for future teams to realize you never give up and you always strive to become both a better player and a better individual.

T. Parsons has his opponent  
 right where he needs to be.

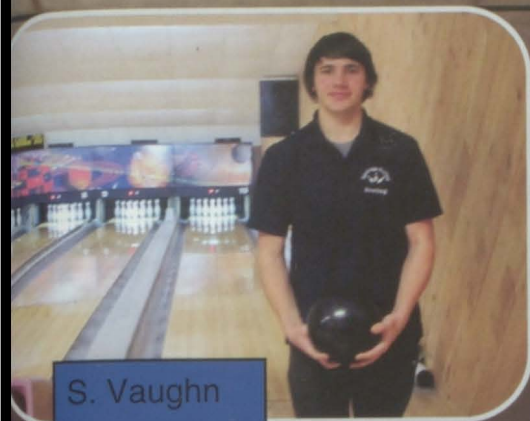

The 2012-13 Bears season was one of rebuilding. The dual meet record was 4-7 but was misleading as 4 dual meets were decided by just one match. As the season progressed the Bears started to find their way and topped it with a Midstate Athletic Conference tournament championship. The year ended with a 3rd place finish at the sectionals.

BG freshmen Chris Cirigliano, who had played modified basketball the last two years, won a section 4 title and finished 6th in NYS. For the first time since 1997 BGA crowned a sectional champion from Afton. Mark Viviano won 195 lbs. weight class then proceeded to make it all the way to the NYS semifinals before finishing in 5th place and on top of that was the Section 4 DII sportsmanship recipient. Also placing at sectionals were 9th grader Josh Lindsey 6th at 99 lbs., senior Jesse Griswold 2nd at 132, and senior Justin Cirigliano 3rd at 138.

Good luck to our graduating seniors Jesse Griswold, Justin Cirigliano, Timmy Parsons, and Mark Viviano. Their contributions over the years will be missed.

# Bowling

The Varsity Bowling team had a very successful season this year. The Boys team managed to go 13-1 during the regular season, earning them a 1st place finish in the MAC League. They proceeded to win at the MAC Championship tournament and again at Sectionals, making them the first bowling team in Bainbridge history to win all three titles in the same year. Zach Newman and Jacob Mazzarella managed to finish in the top 5 for averages in the league. The Girls team started off slowly, but came into their own at the half way point of the season moving from 7th place to 5th (only 3 points out of 3rd place). Morgan Dean finished in the top 5 for average for girls in the MAC League (a feat uncommon for 8th graders).

The 2012 fall golf season was very exciting. We had four seniors all who were constant contributors. Our overall record was 4-6 and we placed third in the MAC Championship, falling short on second by one stroke. The Mac league MVP was Tim Parsons who received that honor only after a one hole playoff round to defeat the MAC Tournament Champion. Overall it was a great season and we look forward to the new players stepping in to fill all of our graduating seniors' shoes.

# BADMINTON

This year's badminton team had a good showing at the Section IV tournament. In her first tournament Capicine Marzet was able to win the Section IV Girls Singles championship; not losing a set all day. Brian Tequin was able to place fourth in Boys Singles. The team of Tim Parsons and Adam Bauerle competed well in the tough boy's doubles bracket. The girls double team of Rachel Smith and Katie Hotchkin played well against very tough competition. The mixed double team of Morgan Bullis and Connor Glassett also played tough in a very competitive bracket. The team scored 5 points in badminton, along with 3 points scored in table tennis, we were able to place 5th out of 10 attending schools.
