# Yearbook

S. Simpkin and D. Kozak enjoy reading through some Q & A interviews.

"What shall we do to sell all these yearbooks?"  
"That is the question."

Organizing materials in their proper places is so important for T. Decker above and A. Deccker below.

For Yearbook 2015 the staff decided on the theme, "Beneath the Surface." After designing our own cover and planning the pages and layout, the group is off to a good start to make this years book a memorial collection of pictures, thoughts and experiences for our B-G student body, staff and faculty. It takes dedication, lots of time and energy, and the most important ingredient, creativity.

At the beginning of the year, choosing the perfect theme with the perfect cover is probably the most important task for these yearbook members.

Scanning in all those senior pics is T. Decker and A. Deckers job.

R. Hinkley finally finds time to balance the books.

Discussing bullying is not always an easy task for Ms. Cifone's group of students.

This group has a great idea.

Ms. Lamb starts out with an ice breaker activity.

Mr. Z. does a little motivating of his own.

Mr. Wherli's group is engage in stimulating conversion.

Ms. Marshall's group built one of the tallest towers.

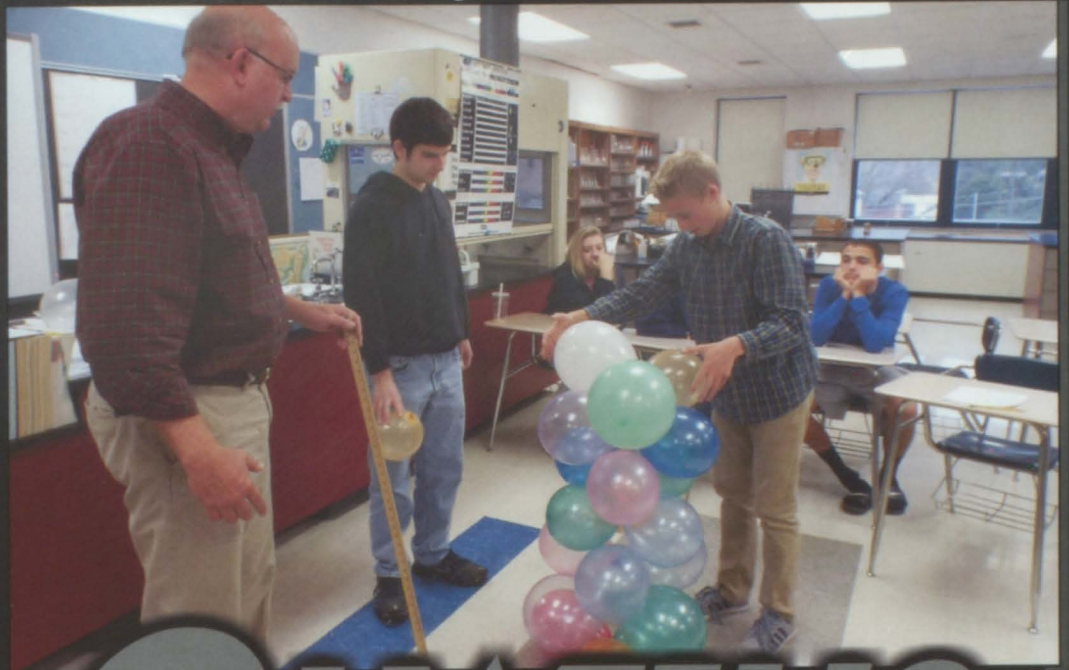

Mr. Cirigliano's group works better without the desks.

Assisting the Olweus guest speaker are K. Parry, H. Morse, D. Johnson, J. Long and K. Simpkin.

Mr. McFee observes as A. Stevens, D. Norris, A. Trask, and Z. Smith give their best shot at creating a tower of balloons.

Ms. Hosier's group watches a video before their activity.

Olweus is a culture in our school, not just a program.

1. We will not bully others

2. We will try to help students who are bullied

3. We will try to include students who are left out

4. If we know that somebody is being bullied, we will tell an adult at school and an adult at home.

Boys Varsity Soccer, 2014

With an overall record of 16 wins and 3 losses the boys claimed the MAC Divisional race, finally defeating Greene after 21 years of trying. After that, they cruised to a 3-1 victory in the MAC Championship against Delhi.

In Sectionals the Bobcats turned in a first round home win against Walton before dropping a close, 2-1 game at Spencer-Van Etten in the quarter final match-up.

This has been the most successful season the boys varsity has ever had. The backbone of the team, our 8 Seniors, were a key to our success. Brandt McCall, a First Team All-Star goal keeper, had the lowest goals against average ever. Helping Brandt with his low average and 6 shutout wins were Kevin Hotaling and Ryan Jones in the defensive diamond. The midfield was controlled by the vision of Zach Smith, the physical presence of Dakota Johnson, the blazing speed of Kyle Hanvey and the heart of Adam Bauerle. Jake Cuzzo led the team in total goals scored with 16 in 19 games.

This team had 13 different goal scorers and there will be 11 returning players and several strong incoming prospects next year so the future looks bright for our team.

~Coach Feltham

This season was the most unusual season I have ever coached. We started out with a strong, solid team, but that was not to last. Injuries, illness and surgeries kept us ever changing our line-up. However, the captains, Morgan Bullis and Tierney Decker lead the core, Cade Barber, Allysa Ostrander, Lindsey Castle and Camille Hawkins to victory after victory finishing the season with a 14-1 record, losing only to H'ville. The team went on to beat Groton and Sidney to make it to the Regional Tournament. Beating T-Burg, but losing to Tioga and H-Ville, states was not to be.

I have been blessed with the opportunity to head the volleyball program for over 20 years. In that time our program has always been successful with a winning season. With our JV team, lead by coach Tami Selfridge, being undefeated this year, and our program getting stronger each year, I know the future will be even better.

The 2014-2015 edition of the lady Bobcats basketball started with a 2 and 2 record and a big loss to Delhi. From that point on we ran off 16 wins in a row which included creating a tie within the league for 1st place, winning the overall Mac championship vs the before mentioned Delhi, being ranked #17 in NYS. In class C, the #1 seed in section IV tournament and finishing our season with a heart breaking loss in the Section IV finals.

Along with all of this we played as a team and battled through injuries and continued to be a classy group of young athletes. I felt we exceeded most expectations and proved that if you work hard and are willing to give the effort you can achieve anything.

The varsity boys basketball team played hard this year and competed with all opponents. Although smaller than most teams they faced, the Bobcats battled the boards and played tough throughout the season. The team finished 7-12 overall and won both of their games in the MAC mini-tournament by defeating Hancock and Deposit to end the season on a high note and winning their bracket. The team will miss the seniors and wish them the best of luck in the future.

We practiced over 1,000 pushups, to do a season's total of 343 game pushups: Our fans count with us; We mourn our losses and beam with pride for our wins; and "good sports" we remain. Our losses taught us more than our wins; about the people we want to be. We write our own routine as we will write our own destiny. The BGAH Bears emerged as one of the premier teams in Section 4 during the 2014-2015 season. This was accomplished with having only two seniors on the team, so the future looks bright. The dual meet record was 14-1 with the only loss coming in last match of the year to Vestal in the Section 4 Duals. Highlighting the dual season was downing Deposit / Hancock 37-26, winning the MAC Division I with a 4-0 record, and making it to the Section IV Duals reaching the semifinals. As for tournaments, the Bears won the Clyde Cole, the 1st annual Viking Duals, MAC Division I, the Section 4 Class C Tournament, and the Oneonta Rotary, for the second year in a row. Last year the Bears became the first local team to win the Rotary in its first 25 years. The Bears again were second in the MAC Tournament and finished the year with some injuries and took 4th place at the DII Sectionals.

Junior Chris Cirigliano won his third section 4 title and then went on to take 3rd in NYS DII in Albany. With a runner up finish in section 4 at 152, Madison Hoover also earned a NYS Wildcard into the NYS Tournament. Madison went 1-2 in Albany but has two years remaining. Also placing at sectionals were senior Ryan McMahon-6th at 120, sophomore Kevin Hubbard-6th at 126, and freshman Ben Bivar-3rd at 132.

Good luck to our graduating seniors Jake Andrews and Ryan McMahon. Their contributions will be missed.

This year the 2015 yearbook club decided on the theme "Beneath the Surface." The club wanted to create a more interesting yearbook. The cover was designed during a video conference with an artist, Jeremy Bratton from Jostens, and our yearbook students sharing their ideas. The senior section was a collection of creativity from Tierney Decker, Ashlyn Decker, Marissa Thornton, Darcy McElligott and Camille Hawkins. Many, many, hours, days and weeks was spent on getting this section perfect. The sports section was designed by Camille Hawkins. Several of the photograph were donated by the MacPherson brothers. The remainder of the photographs were taken by Pavlik Photographers and yearbook members.

Our book is 156 pages of full color and was produce totally on a computer. The color is navy and black with silver foil. The price of this years book was \$45.00 dollars to purchase, but the cost to produce one will be between \$55 and \$60. The yearbook club works very hard to sell ads and pictures to keep the price down so all our students can, if they chose to, order a yearbook.

The yearbook club thanks all, for their patience and understanding during picture time, and would also like to apologize ahead for any mistakes we may have made. The club has worked to do their best to make this year's book the very best. We hope you enjoy it.

# Valedictorian

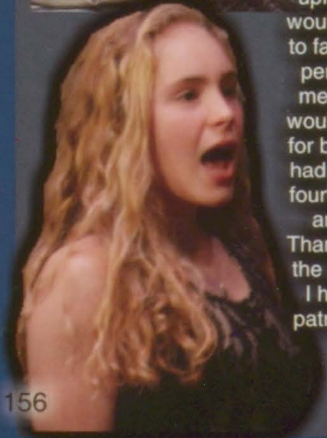

*Kylee O'Hara*

Every experience that I have endured during my thirteen years at Bainbridge-Guilford has molded me into the person who I am today and given me the skills to face any obstacle that might disembark upon me - not just academically, but in all aspects of life.

Through music, athletics, and extraneous clubs I have learned how to prioritize, persevere, and accept support from others. The positive attitude radiated by the staff at this school has especially helped me to renew an optimistic outlook during the most overwhelming times. Not only do I hold conversations with my past teachers on a daily basis, but other staff members who I have stumbled upon thanks to their welcoming characters. I can honestly say that every single individual who works at BG cares one hundred percent about the students and other faculty members, and it is very difficult to locate such a selfless atmosphere. At home, my family has always been the strongest constant in my life when I could count on nobody else. Without their upfront criticism that I didn't want to hear, I would have never learned how important it is to face the facts and admit to failure. During periods of joy, they have also encouraged me, and I will forever be grateful for that. I would like to especially thank my sister Molly for being the one true best friend I have ever had. Saying that she has put up with me for fourteen years would be an understatement, and I cannot fathom my life without her. Thank you to everyone who has played even the minutest role during my life at any point. I hope you all become surrounded by the patronage that I have been lucky enough to experience.

# Salutatorian

*Bethany Shaw*

I am incredibly honored to be the Salutatorian of the BG Class of 2015! Even though this honor is a recognition of my own personal academic perseverance, there is no possible way that I would have been able to get through it all without my family, friends, and the staff at Bainbridge-Guilford. My time in the BG school system started when I was in Pre-K; since that time, I was in my first play in fifth grade and now I am co-instructing a theater workshop, I mastered the "Mad Minute" and taking the derivative of an exponential function, I learned to sing on pitch and to sing an All-State NYSSMA solo, and I have had moments when all I wanted to do was cry, and moments when I have been absolutely elated. Unfortunately, spelling never became my forte; thank God for spell check! Throughout my journey, the faculty and staff at Bainbridge-Guilford have always been there for me, enlightening me with their knowledge, and being a supportive and caring influence in my life. Not only have they been instructors and advisors to me, but also they have, I am grateful to say, been my friends. Although my "best friends" have never stayed in a constant alignment (especially in middle school ;)), I am blessed to have so many people in my life that I call my friends. We have been through a lot together, and we have persevered through it all. Especially to my best friend Katie Nolan, you are a fabulous friend and I am truly blessed to have you in my life! Furthermore, to my family who has been my biggest supporter, I am eternally grateful! In particular, I would like to thank my mom who has been the most loving and stabilizing force in my life; you have kept me from losing my mind through your uncanny humor. Thank you mom, I would not have been able to do it without you! When I look back on my time at BG, I will think of it in fondness and know that, "I do believe I have been changed for the better, and because I knew you, I have been changed for good." In the coming years, I hope that everyone in the Class of 2015 will find happiness and love in all of our adventures we undertake!
