Even when you were on top of the refrigerator at two years old, I knew you would aspire to great heights. I look forward to enjoying the journey with you throughout the years to come.

Love you,
Mom

High School Memories

Class room bells and noisy halls,
Watching the clock as last period crawls,
Getting a demerit for talking in class,
Trying to remember where you left your hall pass.

Rooting for your team at a big football game,
Hoping the teacher would not call your name,
Studying for tests trying to get higher scores,
The echoing slams of the hall locker doors.

Dep rallies, homecoming and class elections,
Trying to decide next year's course selections,
Pondering the source of the lunch room's mystery meat,
Choosing lab partners and changing your seats.

Some of these moments may seem rather small,
But it's the little things that you'll remember most of all,
So put on your cap and your gown and stand tall,
It's graduation day, so savor it all.

HARD

work

■ varsity volleyball

2015 was a successful year for the Volleyball Program. Following the end of the Coach Tompkins era, there was question about the fate of the program. When a program is faced with a rebuilding year, one would hardly expect a winning season but that's what we had. We finished the season with a record of 14-2, 2nd in the MAC and 3rd in Section IV class D sectional play. We are proud of our accomplishments in 2015 and excited for the future of the program in 2016 and beyond. I believe we are exiting the era of Harpursville domination and B-G is primed fight for top honors both in the MAC and Section IV in 2016.

Our team finished third overall in the league with a record of 8-8-1. Senior Daniel Norris was the voice of the team on the field as the speaking captain, while Captain Sean Jones moved into goal keeping duties with a team record seven shutout victories earning him a place on the League All Star 2nd team. Hunter Richter took up his defensive sweeper responsibilities also earning League All Star 2nd team, for his hard-nosed defensive work. Junior Captain, Brandon Scherhauser, held the team together from atop the diamond. Aidan Nolan and Trevor Halaquist led the team in scoring with strong support from Xavier Cherniak. There will be 14 returning players next season and many strong players coming up from Coach Northrup's team who expect to challenge for starting positions. The future looks bright.

This season was a very successful season! Our team placed second in our division in the MAC, beat Sidney for the first time in six years and qualified for sectionals as the #12 seed. We went to Odessa-Montour (#5) and beat them 2 - 0 to advance to the second round of sectionals. Our season finished at 10-6-2. Thanks goes out to our five seniors who did an outstanding job with our young team!

This year was a great year for our program. We had many new golfers join our team who will be great contributors in the near future. We started our season with a 3 - 0 start with our first loss to Oxford, who was brand new to the MAC league this fall. Our overall record was 5 - 5, with a third place finish at the MAC Championship. Although we are losing three seniors, we have many new golfers looking to step in. Please continue to come out and support the B-G Golf Team at Sundown Golf Course.

The young Varsity Bobcats battled illness, injuries, and youth to finish respectfully in the middle of the league standings. The Bobcats were led by the backcourt combination of Trevor Halaquist and Sean Jones. They were also supported strongly by the cast of Alex DeGroat, Tyler Johnson, Zach Ouimet, Nick Decker, Austin Rowe, Kyle Rideout, and Austin Capolupo. The team will miss seniors DeGroat and Capolupo next season and will continue on the path of improvement and compete for the MAC Title.

The B-G Girls Varsity Basketball team started the season with 2 Juniors, 4 Sophomores and 2 Freshmen. We started the season at 2-3, then reeled off an impressive 15-2 record to win the 2nd strait MAC Championship, and the 3rd straight Kazalski championship. Ending the season at 17-5 with a state ranking and losing in the quarterfinals of section IV to eventual champ, Watkins Glen. This team improved daily and was offensively one of the best overall groups in Section IV. There were numerous team and individual accolades. We hope to continue to improve and challenge for even loftier goals next season.

The 2015-16 BGAH Bears season was one where BGAH took first or second in every event entered. This was accomplished with having only three seniors on the team, so next year can be even better. The dual meet record was 17-2 with losses to Vestal in the finals of the Section 4 Duals and 3rd ranked Adirondack.

Highlighting the dual season was downing Deposit/Hancock 42-33 and winning the MAC Division I with a 7-9 record, but Deposit/Hancock got their revenge by winning the Section IV Tournament. For tournaments, the Bears won the 2nd annual Viking Duals for the second year in a row, the Oneonta Rotary for the third year in a row, the first annual Delhi Duals, the MAC Division title for the third year in a row, and the Section 4 Class C Tournament for the second year in a row. The Bears, again, were second at the Clyde Cole, CNY, Section 4 Duals, and Section 4 Tournament. All of these accomplishments were done without fielding our entire team due to injuries all season.

Senior, Chris Cirigliano won his fourth Section 4 title and then went on to take 3rd in NYS DII in Albany. Junior, Austin Carr, collected his first Section 4 title to compete at the NYS tourney. Dylan Mondore also competed at the NYS tournament competing as an alternate. Also placing at sectionals were 7th grader, Austin Eggelston:4th at 106; Sophomore, Ben Bivar: 3rd at 138; Senior, Dylan Mondore: 2nd at 220.

Good luck to our graduating seniors, Chris Cirigliano, Dylan Mondore, and Kalieb DeShaw. Your contributions will be missed.

This first year as the Yearbook Advisor has been an interesting one. I have learned many things and will be making improvements next year. Thank you to all those who have been patient with me with all the Picture Days, and letting the staff invade your classes to take photos.

Many of the photos have been donated by the Jason and Ricky MacPherson, others were taken by Jim Pavlik and the yearbook staff.

This year's yearbook cost \$45 for purchase, but the cost to produce one is between \$55 and \$60. The rest of the cost was covered by the ads in this book. I will continue to try hard to keep the cost down for those who want to purchase yearbooks in the future.

The yearbook staff would also like to apologize for any typos that we may have missed. We certainly didn't do it on purpose!! We will continue to work hard to make the best yearbook we possibly can for you.

Sincerely, Ms. Kutz

Valedictorian

Katlynn Vredenburgh

Throughout the twelve years I have attended Bainbridge-Guilford, I have been guided by the different challenges and experiences I have faced and the variety of individuals that I have encountered over the years, in order to become who I am today. The obstacles that I came across during my time here were far from easy to overcome, however with the support that I received from my family, friends, and the incredible faculty at Bainbridge-Guilford not only was I able to overcome those obstacles, but I was also able to achieve the immense honor of becoming the Valedictorian of the Class of 2016. The academics, extracurricular activities, and the music programs provided at BG have all taught me how important cooperation, persistence, and sociability are in the various situations one may experience throughout life. Additionally, I am thankful to the supportive teachers and faculty of Bainbridge-Guilford for teaching me that you have to question the world around you in order to truly be able to understand it, and for continually encouraging my desire to learn. One thing I will always be grateful for, is that due to the multitude of individuals I have met at BG, I have been able to view numerous perspectives on a wide variety of subjects. Also, while I certainly do not agree with the opinions some of these perspectives cast on specific issues, it does not prevent me from appreciating the fact that I have been given the opportunity to observe some of the different depths of our society and a few of the beliefs that its members have. Furthermore, I would like to thank the wonderful people who I have the honor of calling my friends for always adding laughter to my life even during the most turbulent parts of my life. You are all beyond amazing, and I know in my heart that you will do incredible things in this world because it would be impossible for anything other than greatness to come from what you do. In particular, I would like to thank Amanda Decker for making my time in this school more bearable, and for being the coolest girl in Bainbridge-Guilford High (because let's be honest you really know how to accessorize); you are a wonderful best friend and I could not be more happy for having met you, even if it was only because of a movie about a haunted ship. Additionally, I would like to thank my incredible family for putting up with me all of these years and for always pushing me to try harder and improve myself, because I doubt I could have ever become Valedictorian without your unconditional love and support. Lastly, I would like to wish everyone in the Class of 2016 the best of luck in all of their future endeavors, I hope you all find happiness in what you do as you find your different paths in life.

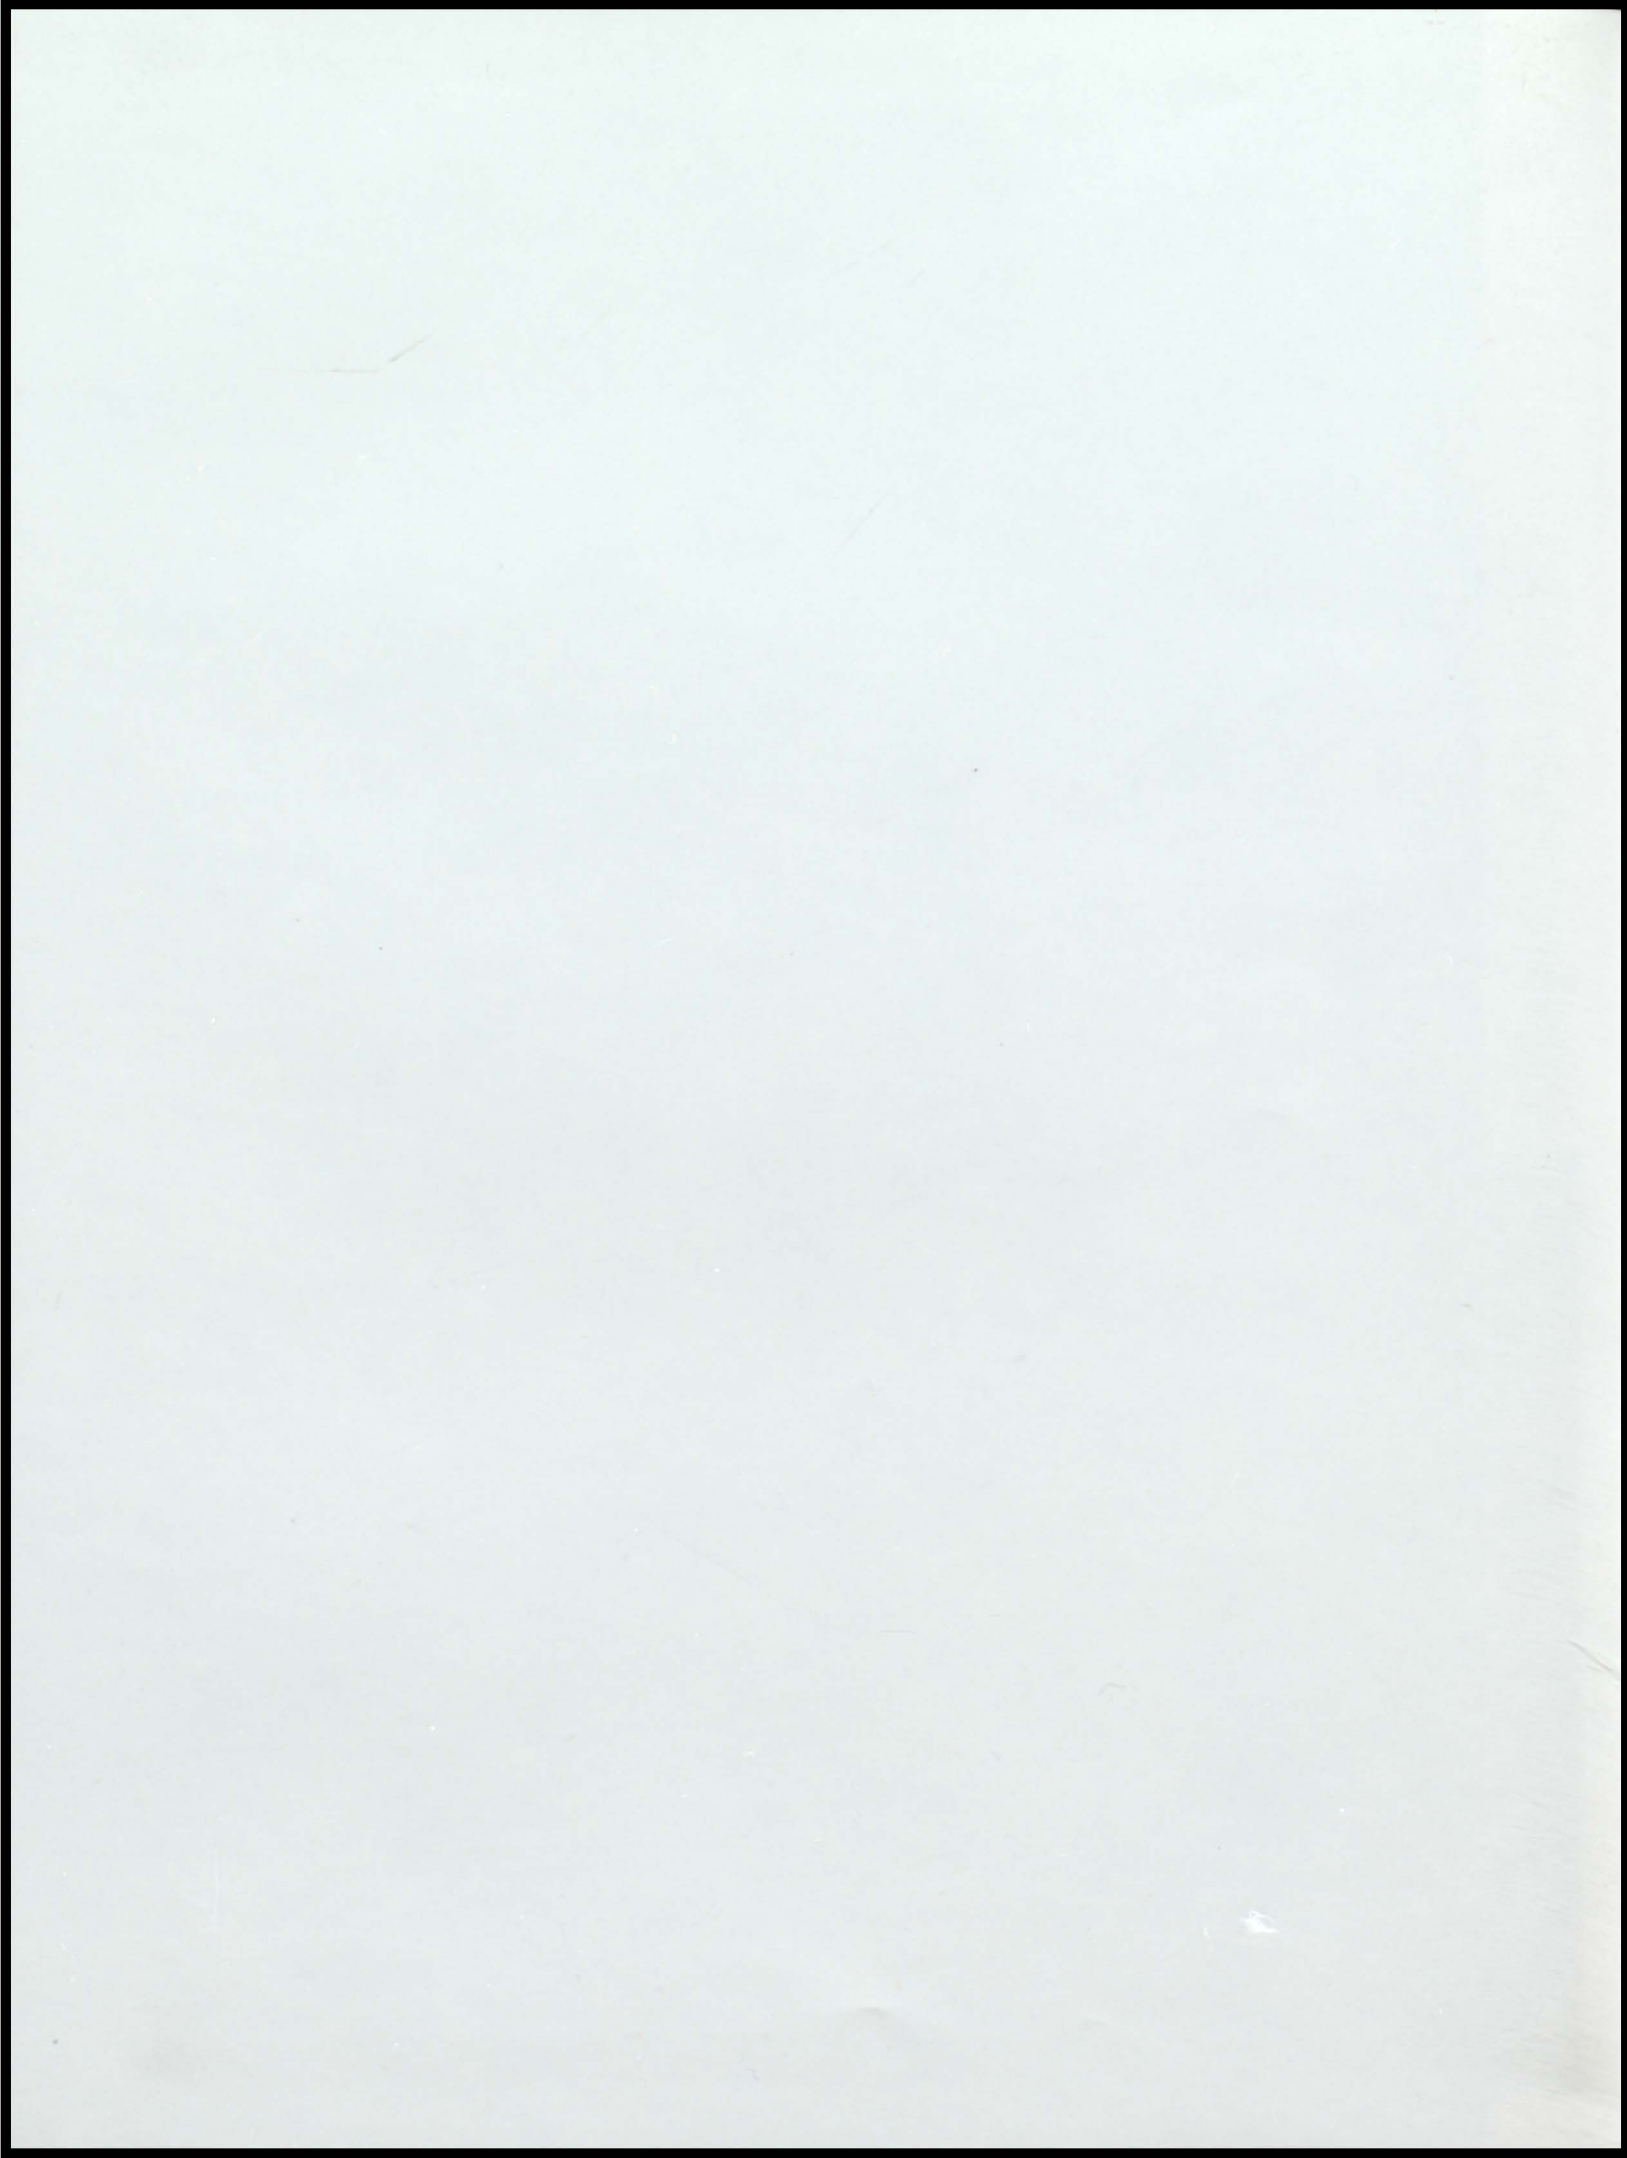

Salutatorian

It is an honor to be the salutatorian for the Class of 2016. Although this acknowledges the work that I have put into my education, it says very little about all of the work that my teachers and the other staff here at BG have put into my education over the last thirteen years. In that time I have learned many lessons, both in the classroom and about life, that will help guide me through my next step in my life. Between sports, music, clubs, and of course class, I have had many people who have been in my life, and who I need to thank for their continued guidance and support. Their assistance has meant the world to me and I know that they have helped shape me into a better person. Sports have taught me to keep fighting through the pain and to go for my best. Music has helped me find the subtle beauties in the world around me, not everything is as straight forward as it looks. It also has shown me that even the most boring parts in life fit into a puzzle to make everything far more interesting than what I see. The variety of clubs that I have been a part of have shown me that there are many ways to reach the same point in my life, I just have to be willing to try something new. Without my education I would not be the person I am today. Thirteen years ago I never considered that the education I was being given would bring me as far as it has. All of the meets, concerts, competitions, tests, and tears have helped open my eyes to the adventure that I know exists outside the halls of BG. Looking back at my years here at BG I know that there are memories in the halls that will last a lifetime. My family and friends have always been here to support me, and I know that without them I would not be here today. Good luck to the Class of 2016, I hope you too embrace the future ahead of us while also remembering those who helped you get there.
