Bainbridge-Guilford High School Echo

Why Echo?

Not many people know this - or remember this - but the Bainbridge-Guilford High School Yearbook is officially named "Echo." We decided to bring back the name "Echo" for the 2017-2018 school year by using it as the theme. It is difficult to put a sound into pictures, so we went with ripples and shadows to try to help display echoes.

You will also find different quotes used throughout the book to motivate and/or inspire you. Many of the quotes were suggested by your teachers. You will also see what some of your faculty looked like when they were your age!

As always, the yearbook staff has worked hard to put together a yearbook they are proud of. We try extremely hard to not have errors, we sincerely apologize in advance if we have missed any.

"Life is an echo. What you send out comes back. What you sow you reap. What you give you get. What you see in others exists in you." - Zig Ziglar

FOOTBALL

This year the Bobcats were able to put together a solid season, finishing the season with a 6-3 record and spending a majority of the season being ranked in the State Polls. The Bobcats were able to achieve this success by truly working as a team and picking each other up in all situations.

One highlight was a 34 -14 victory over the Walton Warriors, on Senior recognition and Homecoming Night. It marked the first Varsity win over Walton in 45 years.

Another highlight and season goal was that, the Bobcats were able to make the playoffs for the first time in 5 seasons. In this game the Bobcats trailed Sidney 40-0 at halftime, The Bobcats scored 32 unanswered points for a 40-32 final.

The Bobcats' resilience, dedication and hard work made for a very memorable season.

GOLF

This year was a great year for our program. We had many new golfers join our team who will be great contributors in the near future. We started our season with a win over Oxford by just one stroke and ended the season with a MAC League win over Delhi for the first time in the past 10 years. Although we are losing two seniors, we have many new golfers looking to step in. Please continue to come out and support the BG Golf Team at Sundown Golf Course.

BASKETBALL

The 2017-2018 Boys Varsity basketball team was made up of six seniors; Xavier Cherniak, Trevor Halaquist, Adam Ives, Shawn Lindsey, Collin Puerile and Brenton Rideout, along with four juniors; Gavin Farrell, Parker Lord, Tom Palmatier and Devon Scherhauser. The season started off with some promise with a tough overtime loss to a good South Kortright team. In our next three games we again played well but came up short with close losses to Delhi, Hunter-Tannersville and Chenango Forks. Then we had ten days off from playing and we seemed to lose some of our chemistry, not playing as well for the next five games. Then we had a good stretch of five wins in six games. This left us at 5 and 2 in the league and in the hunt for a top four playoff spot. Unfortunately, we could not win one of our last three league games to put us into that playoff, finishing 5-5 in the league. Overall it was not the season we were hoping for, but the team worked hard and the overall chemistry of the team was good. We will miss the six seniors and all they have meant to the program throughout their careers and look forward to the juniors returning next year. Individually Trevor Halaquist was selected first team All-League and Tom Palmatier garnered honorable mention.

BASKETBALL

The 2017-18 version of the Girls Varsity basketball went as follows, we started Ranked #1 in Class "C", which we held for the majority of the season. We were an outstanding offensive team averaging 63.5 PPG, scoring in the 80's 4 times and 90+ once. Defensively we held opponents to an average of 34.75 PPG with 17 of those games the opposition scored less than 40. Along the way was a 17 game win streak, the 4th Mac Championship in a row, a Section IV Championship and a State Regional appearance. We had some bumps along the way but we persevered, worked hard, played as a team and stood out both on the field of competition and in the class room where this team excelled in outstanding fashion! This team will be recognized athletically and academically both on the local and the State level.

MAC Champs 4 years in a row!

WRESTLING

The 2017-18 BGAB Bears season was very unique as Mother Nature created chaos for the Bears. The Bears lost 2 dual meets and one tournament due to the weather. The dual meet record was 15-1 with the only loss coming to #3 state ranked Central Valley Academy. For tournament highlights, the Bears won the 4th annual Viking Duals for the fourth year in a row, the Clyde Cole Tournament, and the MAC Division title for the fifth year in a row and the Bears again were second at the Windsor Christmas, Burnt Hills Duals, and Section 4 Class C Tournament. These accomplishments were done with dealing with a plethora of injuries.

Placing at the Section 4 state qualifier for this year, but not making it to states were Dylan Decker 5th, Hayden Lewis 3rd, and Brock Weist 3rd. Senior Ben Bivar won his second section 4 title and then went on to take 6th in NYS DII, while junior Shane Hoover won his first section 4 title and placed 6th in NYS DII. Senior Mike Wilmot snagged a wildcard to participate at the states and went 1-2. Good luck to our graduating seniors Ben Bivar, Mike Wilmot, Brock Weist, and Talon Rezuca. Their contributions will be missed.

The team celebrates a 1st place finish!

The team gets themselves fired up!

JV BASKETBALL

Our record was 8 wins and 13 losses but it does not portray how good our season actually was. We opened the season off extremely slow with four losses. Our first win came against Unadilla Valley at home. Many of the losses we suffered came down to the last minutes/seconds. Even when the team was down 30 points at the half, they continued to fight hard and although they lost that game against Walton, they came back to make it a 5 point game. As you can see we lost a lot of close games through out the entire season. Our season was like a roller coaster – we had ups and downs. The team has grown so much over a few months and I am very excited to see what this team can do in the future.

As always, thank you everyone for cooperating with us to finish this book. We had a vision, made some changes to that vision and are proud of the finished product.

Once again, a huge THANK YOU to Jason and Ricky MacPherson for allowing us to use the wonderful photos you take during the many sports events you attend.

There are changes that were made this year that we weren't quite prepared for... but we will improve our coverage on everything next year. There are several improvements to be made and we will start planning them as soon as this book is completed.

Speaking of this book, it takes A LOT to put this book together, but mostly it takes time... and money. We try to keep the cost down for our students. The Yearbook staff covers a part of the cost of each book that is published.

To cover as much as we can, we collect donations, businesses purchase ads, families can purchase ads for their seniors, and we have several fundraisers throughout the year. We are hoping to improve our fundraising to keep the cost of the book down.

Many people don't know this, but we also offer a payment plan... think about it for next year!

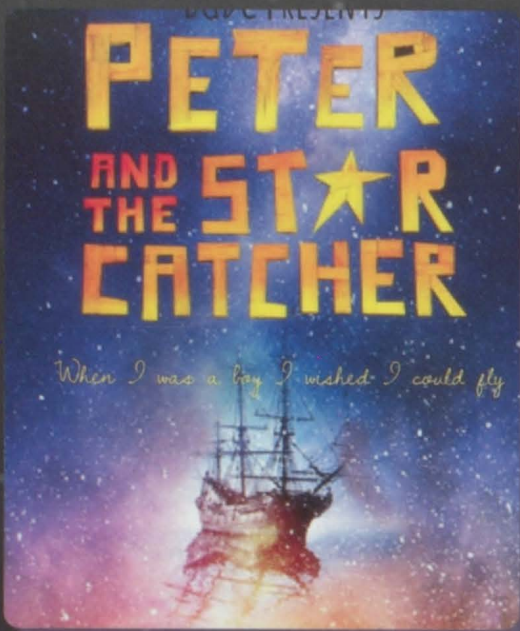

As stated at the beginning of the book, we are hoping we caught all of the errors, but we apologize if we missed something!

If we all do our part,
we can make the
holidays great for
everyone in the B-G
community!

As always B-G had a successful Food Drive. 82 families received assistance during the holiday season. So proud of this school and all the love it shows its community. We also had successful Hat Days to raise money as well! Our faculty and staff also regularly has "Casual for a Cause" Fridays where they donate money to wear jeans. We live in a community that cares!

Salutatorian

It has been an amazing journey growing up in a small town like Bainbridge. I have had the privilege of being taught by so many fantastic teachers who drove me to become the best person that I can be. Their enthusiasm and dedication inspired me to work hard and challenge myself in everything I do. I may not have always appreciated all of the work, but I now understand that this was done with our best interests in mind. You cannot achieve success without adversity, and I know that my teachers have done their best to help me grow.

I would also like to recognize all of the coaches who have dedicated their time to B-G athletics. The lessons they have taught me go far beyond the field and have played a major role in my development as an individual. I will cherish the many memories that I have made throughout my time in school, whether it's running out on the field under Friday night lights, smelling the fresh cut grass of a spring day in baseball season, or joking with friends at a bowling match. These experiences have shown me the benefits of growing up in a small town, where you can have an actual connection with your community. I will cherish these memories as I move on to the next chapter in my life.

Finally, I would like to acknowledge everything that my family has done for me. Without their support there is no doubt that I would not be where I am today. Growing up on a farm has shown me so many things about the world that I would not have otherwise seen, and it will help me immensely as I continue on in my life. I would like to thank my parents and my sister, Lindsey, for everything that they have done for me.

Congratulations to the Class of 2018. I hope you find great success in the future and always remember where you came from.

Valedictorian

My time at Bainbridge-Guilford has truly shaped who I am today. Living in Bainbridge has provided me the opportunity to learn with teachers who are so passionate and sincerely care about the success of all students. I want to thank the teachers, coaches, and staff who have challenged me, not only in the classroom, but in life. I am so lucky to have been given so many unique opportunities here at B-G. Being able to play in band, orchestra, and chorus while also bowling, being secretary of my class, winning Envirothon, and participating in Yes! Leads has prepared me with an abundant amount of skills and passions that I can carry out into the real world. Thank you Bainbridge-Guilford.

I would like to thank Samara Greene who has been my best friend for longer than I can remember. Thank you for all of the good advice, for being patient with me while I double and triple check my homework, and for giving me a shoulder to lean on. Our friendship means so much to me.

Finally, I would like to give a huge thank you to my mother and orchestra teacher, commonly known at B-G as Mrs. Bunting-Cliffe, but known as Mom in my heart. The dedication she has to my success and well-being is beyond compare. From late night studying, to driving me to school and events, and listening to all of my problems, she has always been there for me. A simple thank you is not enough for all she have given me. I could not have done this without her.

Congratulations to all graduating in the class of 2018 and good luck with everything that the future holds!

I am so very proud of the smart, successful, and beautiful young woman you have become. It seems like yesterday that I was holding you in my arms in the delivery room, and you have grown from the little girl who would sing and dance around all day, to this amazing high school graduate on your way to college and becoming an adult. Take lots of selfies, because time will go by very quickly and before you know it, you will be looking back at high school as only a memory. Make sure you don't forget where home is and you visit often, because you are loved. I hope that I have led you down the correct path and taught you valuable life lessons and skills, so that you may find true happiness in life. Congratulations, Amaya, on your graduation 2018. We love you. Dad, Theresa, Nicole, Edward, Richard, Savannah, Marek, and Lucas

... Until We Meet Again
 Those special memories of you
 will always bring a smile.
 If only I could have you back
 for just a little while.
 Then we could sit and talk again
 just like we used to do.
 You always meant so very much
 and always will too
 The fact that you are no longer here
 will always cause me pain,
 but you're forever in my heart...
 Until we meet again.
 - Zohaad Irfan

Happy Birthday
Brandon!

Still Missing You
They say there is a reason
They say that time will heal,
But neither time nor reason
Will change the way we feel.

For no one knows the heartache
that lies behind our smiles,
No one knows how many times
we have broken down and cried.

We want to tell you something
so there won't be any doubt;
You're so wonderful to think of
but so hard to be without.

We cannot bring the old days back,
when we were all together,
But the memories we made in school,
will live in our hearts forever.
- Damieyon Dumas
