SENIORS!!

The 2018 Varsity Cheer season was a great one! The season began with eleven brand new girls, five seasoned veterans and we added two more along the way. Throughout the season, these young ladies worked hard and made significant improvements. Team work, trust, and dedication were a big part of our core fundamentals. We had a great time supporting and cheering on our boys, and pumping up our fans. Many wonderful friendships and memories were made and we can't wait to see what next season brings!

Thank you Jason MacPherson for the use of your photos!

This year the Bobcats were able to put together a solid season; finishing the season with a 4-5 record and spending the early part of the season being ranked in the State polls. The Bobcats were able to achieve this record by truly working as a team and picking each other up in all situations. This year, the Bobcat's season was one of streaks. The Bobcats won their first 3 games in convincing fashion. The Bobcats lost their next 5 games to 3 state ranked teams, playing competitively in all contests. The Bobcats capped their season with a victory over Edison. Their resilience, dedication and hard work turned the season around and made for a very memorable one. Thanks to all the seniors and their dedication to the football program.

This year was a great year for our program. We had many new golfers join our team who will be great contributors in the near future. We started our season with two consecutive wins over Delhi and Greene and towards the end of the season we swept a quad match beating three schools in one night. Although we are losing 2 seniors, we have many new golfers looking to step in. Please continue to come out and support the BG Golf Team at Sundown Golf Course.

The Bobcats had an ok season. Highlights of the season were maintaining a winning streak against rival Sidney. Also beating a non-Section 4 team that was a B school 2-1. Last was taking the 8th state rank at the time into OT in our last game. The Bobcats will miss the seniors and wish them good luck in their future!

The feed back from the team for our 2018 season was very positive. With the exception of two girls (which I had coached at club level) I was unknown. My introduction, I am sure, created a few questions. The team adopted a passing game and learned very quickly that every play must have a plan. Some players had never played before but they learned very fast and the more seasoned players showed a lot of patience. During some of the games, our practices started to pay off. Watching from the sidelines, the team made some beautiful plays, i.e. passes and subsequently scored. These were not pot luck goals but created with beautiful passing and powerful shots. Well done team.

2018 CLASS D STATE CHAMPIONS - Back to back! Having won the state championship last year, there was a lot of pressure placed on this year's team. League play was still pretty weak but focused on high level tournaments, finishing 1st or 2nd in local ones and adding in Horseheads which was even higher level. Going into sectionals we knew that the best team didn't always win so even if we were the best, it was possible that we might not win another state championship. Focusing on one set at a time, we made it back to Glens Falls then to the championship game. On Sunday, November 18th, 2018, we played some of the best volleyball we played all year. This is a team that has worked hard to claim BG's first and second ever NYS Championship title. and have left some really big shoes for next years team to fill! Way to go ladies!

*"One man can be a crucial ingredient on a team, but one man cannot make a team."
- Kareem Abdul-Jabar*

The 2018-2019 Boys Varsity basketball team started the season with a very young and small in numbers team. The members were Seniors; Thomas Palmatier and Devon Scherhauser, Junior; Gage Strong and Sophomores; Haiden Burns, Michael Stevens, Trent Thornton, Garrett Ives and Kolby Furgason. Within the first two weeks of games we had lost two players to season ending injuries; Kolby (knee) and Gage (ankle). At that time we recruited two players from the JV's Sophomore Parker Finch and Freshman Ethan Gregory.

We struggled (as one might expect) during the first half of the schedule with a record of 0-9. We worked hard during that time though and in the second half of the schedule we improved going. Having a record of 4-6. Which include two tough close loses to Unatego and Newark Valley.

While our record was not what we would have wanted it to be for the season, the improvement and team work developed during that second half of the season was noteworthy. With most players returning we look forward optimistically to next year.

Individually Thomas Palmatier was selected first team All-League and Devon Scherhauser garnered honorable mention.

2018-2019 Girls Varsity basketball season was a good year. With no player taller than 5'8" we were able to be successful on the boards as well as on our defensive end do to the fact that we played fundamental, physical and aggressive basketball. We completed the season with a 19 & 3 record, which led to a 6th straight Kazalski tournament title, our 5th straight MAC Championship and a sectional semifinal appearance.

*"If you're afraid to fail, you'll never succeed."
-Dan Gable*

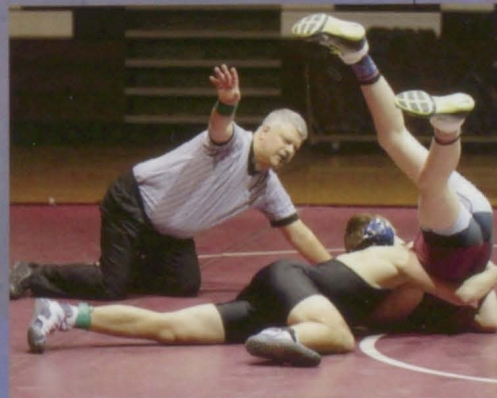

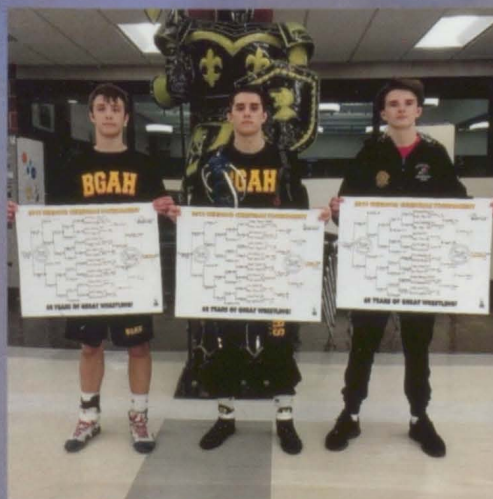

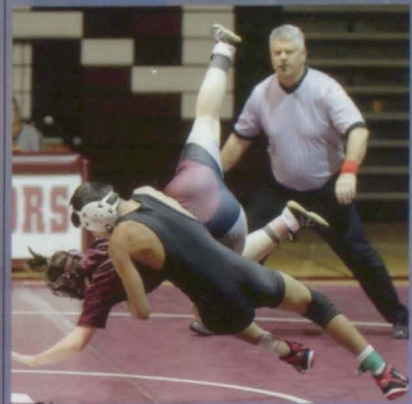

The 2018-19 BGAH Bears season was challenging, as for several years the team has lost multiple five and six year starters and next season will be the same. The dual meet record was 11-8 with six of the eight losses being just a one match difference. Losses came to #2 state ranked Central Valley, #3 Tioga two times, #9 Windsor, and #20 Norwich. The Bears were third at the prestigious Windsor X-Mas tournament with over 25 teams, placed second at the Section 4 Class Qualifier, and took 4th at the Section 4 DII Championships. These accomplishments were done, again, with dealing with multiple injuries during the season.

Placing at the Section 4 state qualifier this year but not making it to states were Hayden Lewis 5th, Jose Bivar 4th, and Austin Eggleston 2nd. Senior Shane Hoover won his second section 4 title and then went on to take in 5th NYS DII, sophomore Brody Oleksak won his first section 4 title and placed 5th in NYS DII while 8th grader Joey Florance won his first Section 4 title but did not place at states. Good luck to our graduating seniors Shane Hoover, Hayden Lewis, Damian Stafford, and Austin Smith. Their contributions will be missed.

Boys Volleyball is a quick season running just three weeks from the first practice to the second of only 2 competitions. During this whirlwind of a season, we quickly teach the basics and work hard to master a higher level system of play which resembles what the girls do on a larger scale. It's a lot for the boys to take in and I am proud of all we accomplished in just three short weeks. This year we finished 2nd in the MAC tournament. Most of the boys will hopefully be back next year so we can continue where we left off.

The yearbook staff had a couple of returning members, but a majority of the members this year were 7th graders. Lots of learning from experimenting with pages this year. A lot of work goes into the yearbook each year. We hope you enjoy our end result. We apologize for any errors we may have missed!!

This year's theme was "Splash of Class." We wanted something colorful... We were successful!

Thank you to all those who help us throughout the year. Thank you for your patience and understanding when it comes to our picture days that make this book possible. Thank you to everyone who contributed pictures. Jason & Ricky MacPherson, as always we appreciate everything you do for us and our athletes!

Who was your favorite teacher at B-G? Mr. Mosher

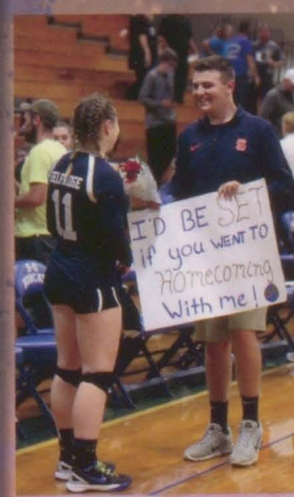

What an amazing journey it has been to get to this point. It certainly hasn't been the easiest, but I've truly loved my time here at B-G and I'm so thankful for every second that I've got to spend with my loved ones and friends. I'd truly be nowhere near as far as I am today if it wasn't for the support and love I've received from these select few and I am forever in your debt. We like to complain a lot about small town Bainbridge and Guilford, but at the end of the day I'm not sure if I would have made all of these beautiful deep connections with so many unique and interesting people if it wasn't for our close knit class. I'm really going to miss high school - and all that it entails - next year, but I know that whenever I come back I can always find a home here and for that I am truly forever grateful.

Who was your favorite teacher at B-G? Too many great ones to choose just one!

Drew Brees once said, "It has been an interesting road, but I wouldn't trade any of it for the world, because I feel like all of those instances in my life I felt molded me and strengthened me and made me who I am." Likewise, I would not trade my time at Bainbridge-Guilford for anything in the world. My years here have been nothing short of incredible and without the guidance and the lessons I have learned, I would certainly not be where I am today. I have been blessed to have spent the last thirteen years of my life surrounded by such amazing people: great teachers, caring friends and involved community members. Through thick and thin, these people have provided endless support and pushed me to be the best person, student and athlete that I could be. For that, I cannot thank them enough.

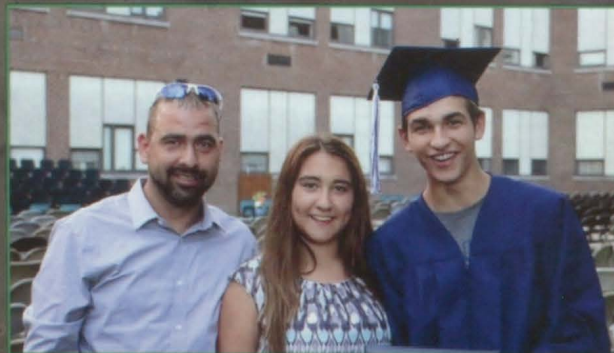

Growing up in the small town of Bainbridge, I was given countless opportunities, many of which were easy to take for granted. Few people have the ability to be involved in so many aspects of their school and community. Bainbridge-Guilford is the exception. I am so thankful to have been a part of Student Council, YES! Leads, National Honor Society, Band, Orchestra, Chorus and many of the sports programs that Bainbridge-Guilford has to offer. While balancing all of these extracurricular activities was difficult at times, being a member of these groups helped me to expand my horizons and diversify my experiences and knowledge, things that will undoubtedly help me with my transition into the real world. I will never forget the sense of accomplishment I felt when my team won back to back State Championships, or the gratification of gathering canned goods and delivering food baskets for Student Council's annual food drive, knowing that I was a part of something bigger and making a difference in people's lives. The lessons that these experiences have taught me will last a lifetime.

Going forward, I encourage all of you to identify what you want most in life, to set realistic goals, and to strive to achieve them. This is what motivated and set me up for success throughout high school. From a young age, the bar was set high as my older siblings excelled in both sports and the classroom. For obvious reasons, they were my role models and I wanted nothing more than to follow in their footsteps. When it was announced that my brother would be the Bainbridge-Guilford Class of 2010 Valedictorian, I wasn't exactly sure what that meant, but I knew that I wanted to do the same and I was willing to do whatever it took to make it happen. Somehow, nine years later, here I am today. Too often we forget that we are capable of doing anything that we set our mind to. We think that things happen by chance or by luck. This couldn't be further from the truth. Valedictorians, two time New York State Champions, and five time MAC League Champions are not just born. These achievements are simply not possible without the determination, the drive and the persistence to accomplish goals, whatever they may be. So, I challenge you to set your goals high, and don't stop until you reach them. If you are able to do this, I promise that you will not be disappointed with the results. Remember, shoot for the moon and even if you miss you'll land among the stars.
