◀ Halftime!

The B-G Varsity Cheer Squad had a great season. Cheering on our boys during their 4 away, and 5 home games was a blast! We shook our pom-poms, chanted our cheers and did our best to spread optimism and positivity throughout the hallways of B-G and on the sidelines at game time. The squad should be extremely proud of themselves, as they accomplished many great feats this season. They proved that they could work together effectively, and that anything is possible with drive and determination. These young ladies began the season as a cheer squad and somewhere along the way became family.

▶ Timeout!

Although the Bobcats weren't able to achieve the win loss record they hope for this season, they saw consistent improvement both on an individual and team level throughout the season. With many new faces and players taking on increased rolls, the players work hard every week to compete during their very difficult schedule.

With 15 returning players from this year's roster and 12 players being promoted from the modified team the future looks bright for the Bobcats.

▲ GO B-G!

Boys Varsity Soccer managed a winning season. The team made up consisted of players who play year round to players who play seasonal soccer. Soccer will always be a game of skill, speed and enthusiasm. Yes we were out played at times, but the team never lost its esprit de corps, including injured players who were always there to support their teammates. Thanks to the team, I had an enjoyable season.

The 2019 girls' varsity soccer team ended their season with an overall record of 9-7-1 and a league record of 6-5-1. Early in the season the Bobcats won the 2019 NY Pizzeria Girls Soccer Tournament, hosted by the Unadilla Valley Storm, defeating UV 2-1 with a late game goal and going on to defeat Milford 3-0. Over the course of the season we had several players step up. Playing in multiple positions and having their teammates backs. This groups of girls were known in the league for their tough play and athleticism. Some highlights of our season were close wins over UV, and Oxford. A hat trick from Leizear, and Senior defender Bailey Hart's goal in our win over Afton. Steller defense throughout the season. A sweet victory over Sidney 4-0 on senior night after tying them earlier in the season. As well as two All Star recognitions, Macie Leizear and Jr. Kate Roefs. As well as several honorable mentions.

We will miss our seven seniors; it will be hard to replace them. The team and I wish them happiness, perseverance, and luck with all their future endeavors.

The future is bright here at BG.

VOLLEYBALL

We all started this year thinking that this was going to be a rebuilding year for the volleyball program. Having graduated 7 seniors, how could we be successful? Admittedly, the high level tournaments we went to were more difficult and we didn't finish as well as last year but the girls had no trouble dominating the MAC. The team easily took a fourth consecutive MAC Championship title. We fell just short of winning sectionals again, dropping a heartbreaker to Candor losing 2 games to 3. Graduating a single senior this year, the returning players will be hungry to prove that they have what it takes to return to Glens Falls in 2020. Go get it girls!

VOLLEYBALL

This season we had a young team fighting injury after injury! We had a concussion, fractured wrist, injured shoulder, popped vein in a calf (that was the coach!) and might be missing some. These girls still fought hard to have a successful season. Looking forward to many returning players next season!

The Juniors were Dustin Collier, Ryan Porter, Haiden Burns, Nick Williams, Trent Thornton, Garrett Ives, Michael Stevens, Damien Farberman, Parker Finch, Kolby Furgason, and Omar Mohamed. Ethan Gregory was our lone Sophomore. Carson Benjamin, Tom Palmatier and Matt Carlin were also part of our team helping during practice and/or doing stats during the games. Our overall record was 4 wins and 16 losses. We fared better at home than on the road with all 4 of our wins coming at home. Our captains were Garrett Ives and Trent Thornton. Haiden led the team in scoring, rebounds and steals, Kolby led the team in three pointers and blocked shots, and Trent led the team in assists. Haiden Burns and Michael Stevens were All League honorable mention.

BASKETBALL

The 2019-2020 edition of B.G. Girls basketball was riddled with inexperience, sickness and injury. Through it all we battled to a 7-13 season and continued to improve on individual and team capabilities. I was very proud of the effort and support for each other through a tumultuous season. This group worked hard every day and was an enjoyable team to have been involved with.

INDOOR TRACK

The BGA Indoor Track Team had another very successful season with a combined 6 school records being set by: Nate Henry, Eian Hall, Erica Selfridge, Abbey Delello, and Ethne Degan. The team qualified 23 athletes to advance to the State Qualifier meet. Ethne Degan wasn't done there as her performance qualified her to advance to the NYS Track & Field Indoor Championship as an 8th grader. Here are a couple results from our scoring meets this season:

Quinney Invitational
Girls team: placed 1st

Boys team: placed 2nd

Section IV Class
Championships

Girls team: placed 4th
Boys team: placed 6th

It s my pleasure to coach you all. Words are not enough to show you how proud I am of your personal accomplishments. Thank you for allowing me to have that special coaching role in many of your lives. I am excited to see what next season brings!

Great job everyone!

WRESTLING

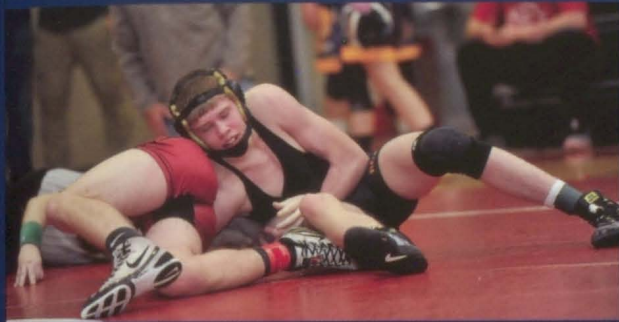

The 2019-20 BGAH Bears season was an odd one. The dual meet record was 10-4. The four losses came to #6 state ranked Tioga twice, #14 Canisteo Greenwood, and honorable mention Norwich. Other notable accomplishments the Bears achieved were tying for third out of 17 teams at the Clyde Cole, 8th out of 34 teams the prestigious Windsor X-Mas tournament, placed second at the Oneonta Rotary out of 17 and 3rd out of 23 at the Red Devil Invitational.

In the postseason the Bears were 2nd at the Section 4 Class A Qualifier and took 4th at the Section 4 DII Championships. These accomplishments were done, once again, dealing with many injuries during the season. Placing at the Section 4 state qualifier this year but not making it to states were Jose Bivar 4th, Jacob Terpstra 5th, Brady Buttice 5th, Rocco Arduini 5th, and Timmy James 2nd.

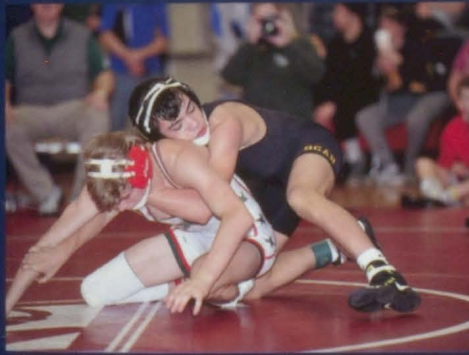

Junior Brody Oleksak won his second section 4 title and then was injured his first match, dislocating his elbow, thus ending his state title quest. Freshman Joey Florance took second in section 4 received a state wildcard and went on to place 7th at states. 8th grade Darren Florance also took second in section 4 and received a wildcard and went on to place 6th in NYS. Good luck to our graduating seniors Dylan Decker, Zach Gardepe, Dalton Griffith, Timmy James, and Garrett Kiehle. Their contributions will be missed.

JUNIOR VARSITY

BASKETBALL

The J.V. boys basketball team had a great 2019-2020 season! The young Bobcats had an overall record of 13 wins against 7 losses. With mostly freshmen playing major minutes the team improved throughout the year. Players pushing each other in practice through hard work and team play really translated to game situations. The team ended the year by winning seven of their last eight basketball contests. It was truly a pleasure working with young men who were both extremely coachable and exceptionally competitive.

BASKETBALL

The JV Girls' Basketball team worked very hard throughout the 2019-2020 season. They grew as individual athletes and they grew together as a team. They had to persevere through a variety of challenges all season as they found themselves in different rolls night in and night out. They ended the season with a 9-11 record. Great job ladies!

How COVID-19 changed our lives

Nov. 2019

A novel coronavirus was first identified in China's Hubei province. The disease it causes attacks the lungs and causes rapid onset of pneumonia in already immunocompromised patients.

1.20.20
The first American case was diagnosed in Washington state. The illness rapidly spread across the globe, endangering mostly older adults and those with underlying and chronic health conditions, including lung disease, heart disease and diabetes.

The World Health Organization (WHO) names the virus SARS-CoV-2 (Severe Acute Respiratory Syndrome Coronavirus 2) and the disease it causes COVID-19 (Coronavirus Disease 2019). Worldwide death toll is 1,107.

Canada had 118 cases. United States had 1,267 cases. Italy had more than 12,000 cases.

The WHO declared SARS-CoV-2 a pandemic, which meant the 118,000 cases and more than 4,000 deaths worldwide required more specific and targeted attention and resources.

To slow the virus's spread, the US suspended European travel for 30 days.

12 Canadian Prime Minister Justin Trudeau and wife Sophie Grégoire Trudeau self-isolated after she experienced symptoms. He was cleared, but she had the virus.

fourteen -The US reported 2,816 confirmed cases and 58 deaths.
-Fifteen states activated National Guard troops to assist with virus-related concerns, including regulating the flow of medical supplies, food and shelter.
-Canadian provinces canceled schools as the numbers of infected rose.

Friday

16 US states closed schools to reduce spread of the virus:
Alabama West Virginia New Mexico
Wisconsin Illinois Oregon
Maryland Pennsylvania Virginia
Ohio Louisiana Utah
Kentucky Rhode Island
Washington Michigan

US declared a national state of emergency.

- Canada reported 341 cases.
- More cases were reported outside mainland China than inside it for the first time in the history of the disease.
- The largest school district in the US, NYC Public Schools, closed.
- The CDC suggested a community ban on all gatherings of more than 50 people for at least eight weeks.

the ides (15)

Provinces, states and cities continued to implement strict measures to slow the spread of the virus. The movement, called "flatten the curve" prompted entertainment, bar and restaurant closures across the US and Canada. By Monday, all NBA, PGA, MLB, MLS, NASCAR, NHL, and NCAA sporting events were either canceled or put on hold for two or more weeks. Some especially hard hit areas, including seven counties in California, put a three-week-long "Shelter in Place" home restriction on citizens, requiring they leave their homes only for essential needs. Workers in essential services (emergency and medical, banks, grocery, pharmacy and food service) were exempted from the restriction, so they could work.

sixteen

17 St. Patrick's Day Celebrations were canceled (even in Ireland). Nonessential services (salons, movie theaters, shopping malls, etc.) were closed for 30+ days in many states. The Canadian-US border was closed to travel (but not trade) in a mutual agreement.

In the midst of a pandemic, the Centers for Disease Control sends a strong message:

WASH YOUR HANDS

and **DISTANCE** yourself.

KNOW HOW IT SPREADS

- There is currently no vaccine to prevent Coronavirus Disease 2019 (COVID-19).
- The best way to prevent illness is to avoid being exposed to this virus.
- The virus is thought to spread mainly from person-to-person.
 - Between people who are in close contact with one another (within about 6 feet).
 - Through respiratory droplets produced when an infected person coughs or sneezes. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.

TAKE STEPS TO PROTECT YOURSELF

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Put distance between yourself and other people if COVID-19 is spreading in your community. This is especially important for people who are at higher risk of getting very sick.

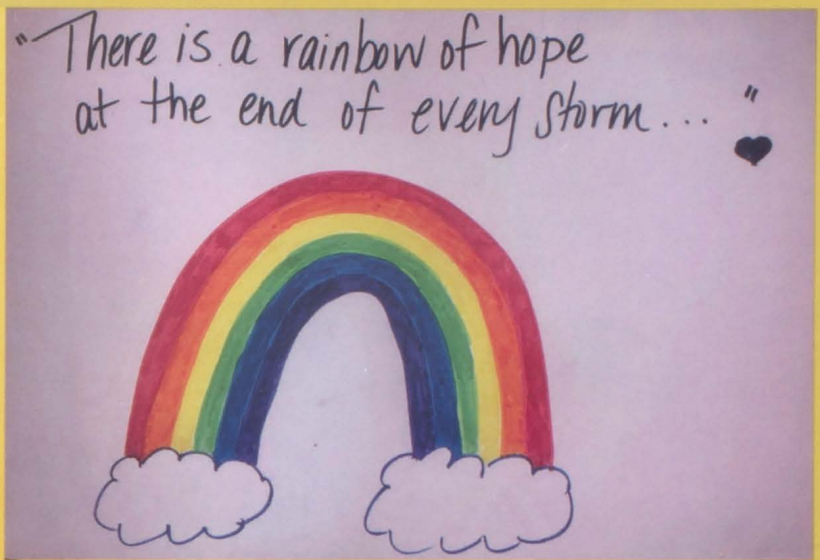

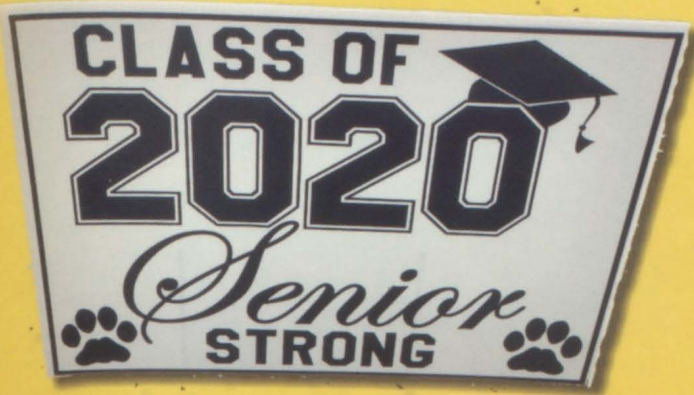

TAKE STEPS TO PROTECT OTHERS

- Stay home if you are sick, except to get medical care. Learn what to do if you are sick.
- Cover coughs and sneezes.
- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.
- If you are sick: You should wear a facemask when you are around other people (e.g., sharing a room or vehicle) and before you enter a healthcare provider's office. If you are not able to wear a facemask (for example, because it causes trouble breathing), then you should do your best to cover your coughs and sneezes, and people who are caring for you should wear a facemask if they enter your room. Learn what to do if you are sick.
- If you are NOT sick: You do not need to wear a facemask unless you are caring for someone who is sick (and they are not able to wear a facemask). Facemasks may be in short supply and they should be saved for caregivers.
- Clean AND disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them: Use detergent or soap and water prior to disinfection.

*Because of the nature of a pandemic, the information is constantly changing, but as of our deadline on March 16, 2020, this was the most up to date information from the Center for Disease Control and Prevention via their website CDC.gov.

SENIOR SADNESS

As a senior, it has taken many of the activities I have been looking forward to since freshmen year. I may not go to Prom, or Grad night, or even walk at my graduation, let alone spend the last 3 months at school with my best friends.

-Teagan Tovsrud / Madera, CA

WHAT EVENTS ARE YOU CONCERNED ABOUT MISSING DUE TO COVID-19?

Definitely graduation, I want to walk and I want to have people there to support me and see what I've achieved. If we don't have our families there, it just won't be the same.

-Emerald Ramos / Pueblo, CO

I am mostly worried about graduation and my graduation party. I have been looking forward to seeing all of the people that have helped me get to this place and those who will help me succeed in the future.

-Gillian Telfer / Elk River, MN

My senior prom could possibly be canceled. I already purchased my dress and I have been looking forward to it for months.

-Whitney Weyforth / Martinsburg, WV

Graduation and Prom mean a lot to me because I didn't work this hard for 4 years to get nothing out of it. Just walking across a stage and hearing the principal say your name is a big accomplishment for a lot of graduating seniors.

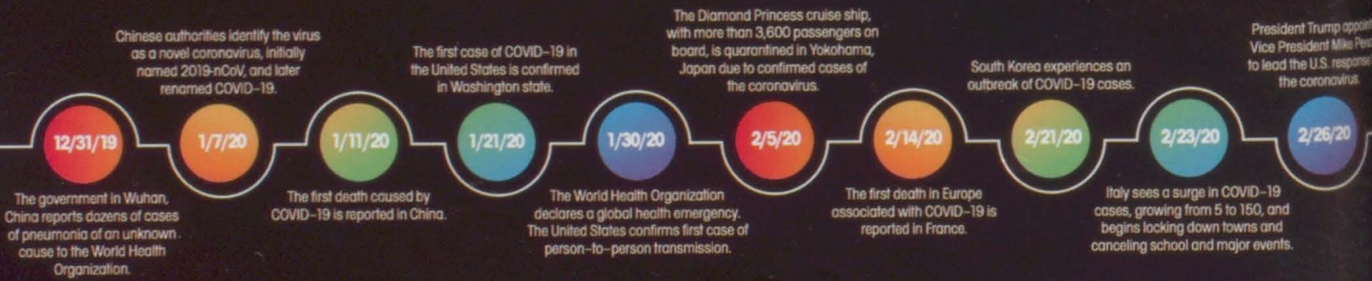

-Alicia Fong / Brooklyn, NY

VIRTUAL PROM NIGHT

Classmates from Visitation School in Mendota Heights, MN show off their prom dresses online while quarantined at home on prom night.

TIME LINE OF EVENTS

HOW DO YOU FEEL ABOUT MOVING TO ONLINE LEARNING?

I understand that virtual learning is necessary, but it makes learning a lot less fun. Interacting with teachers and friends teach you more valuable lessons than you can learn virtually.

-Jacob Engle / Colorado Springs, CO

I initially thought I would enjoy virtual learning, however, it is not as easy as I would have imagined. If I am not begging the WiFi to work, I am resisting the urge to constantly check social media and my messages.

-Elizabeth Jansen / Nappanee, IN

I miss driving to school every morning while jamming to some music.

-Isabella Mulder / Willmar, MN

I actually like if I can do my homework on my own time and I don't have to wake up so early to do it, therefore, I am more focused.

-Amie Thresher / Colorado Springs, CO

I'm okay with it, mainly because I can stay in my pajamas.

-Nika Lee / Palo Alto, CA

WHAT ARE YOU MOST CONCERNED WITH RUNNING OUT OF DURING QUARANTINE?

I know it sounds cliché, but toilet paper. The reason being that I can't find toilet paper at any local stores because everyone is hoarding it.

-Lilly Marie Weber / Willmar, MN

I am worried about running out of focus. Doing this at home is great but it gets boring very quick.

-Sydney Lindsay / Madera, CA

Dog food!

-Jessica Washburn / Martinsburg, WV

I'm worried about not having access to my teachers (in person). Yes, emails are a way to stay in touch with them, but there's something about talking to a teacher in person that helps me way more than an email ever could.

-Natalie Salter / Bryant, AR

HOW HAVE YOU BEEN PASSING THE TIME?

I am doing a lot of puzzles. 3,850 pieces to be exact.

-John Franklin / Lake Elmo, MN

I have been babysitting since some parents still have to work and can't be with their kids all the time

-Fabian Martinez / Chapel Hill, NC

I have been able to catch up on Netflix!

-Celeste Ponce / Madera, CA

I've learned new TikTok dances and tried new recipes/hacks I've always wanted to try.

-Jacqueline O'Moulasy / Merced, CA

EACH YEAR, WE TRY TO MAKE THE BEST YEARBOOK WE CAN. THIS YEAR WAS FULL OF CHALLENGES TO COMPLETE THE YEARBOOK. THE SPRING IS WHEN WE TIE UP LOOSE ENDS AND GATHER MISSING PHOTOS AND MORE INFORMATION TO FILL PAGES... AS WE ALL KNOW THE SPRING WAS QUITE DIFFERENT THIS YEAR. WE WOULD LIKE TO SAY THANK YOU TO EVERYONE WHO PROVIDED PHOTOS, ESPECIALLY JASON AND RICKY MACPHERSON... WITHOUT THEM, OUR SPORTS PAGES WOULD NOT BE ACTION PACKED. THERE ARE A FEW THINGS WE ARE MISSING. THERE ARE A FEW LOOSE ENDS WE WERE NOT ABLE TO TIE UP... BUT WE HOPE WE STILL GAVE YOU A GREAT YEARBOOK.

WE SAY THIS EVERY YEAR, AND WE WILL SAY IT AGAIN, WE ARE NOT PERFECT, WE MAKE MISTAKES. WE TRULY TRY NOT TO, BUT UNFORTUNATELY THEY HAPPEN AND WE DON'T CATCH THE ERRORS UNTIL WE GET THE YEARBOOKS IN PRINT. WE APOLOGIZE FOR ANY MISTAKES THAT WE DIDN'T CATCH, IT'S NOT INTENTIONAL!

Hometown: Glamsbjerg, Denmark

Host families: The Georges, The Hoffmans

Clubs/Activities at home: In Denmark I did dance for 4 years.

Clubs/Activities at B-G: For a fall sport I did Cheerleading. In the Winter I did Indoor track, and as a spring sport I did softball. All 3 sports were really great and interesting, especially because we don't have any of them in Denmark

Where did you visit while in the United States: I went here about 6 years ago with my family. We spent almost a month on the West Coast. During my exchange I've been to places like Albany, New York City, Pennsylvania and I also went skiing at Greek Peak. And I will be coming back for month to do an east coast trip with my parents.

I've had a wonderful year in Bainbridge! I have made so many great friends that I will remember forever. The school was also really good with great teachers. And I would like to say thank you to everyone for making me feel welcome and making my year so great

SENIORS

We understand that your Senior year was interrupted by COVID-19. The decision was made to spread your section out a little more than we normally do. We are hoping that this makes up, at least a little bit, for the time that was lost...

Advice for Underclassmen: There's time for fun and there's time for stress. Make sure you can find a balance so that when you look back, you can say "I worked hard, but I also enjoyed myself."

Favorite Teacher: All of them :)

Growing up in Bainbridge has certainly shaped me into the person I am today. While living in a small town can be monotonous at times, looking back, I would not have wanted it any other way. As I built relationships with my peers, teachers, and coaches, I was simultaneously building a relationship with the Bainbridge community. That is, in Bainbridge, everyone is connected one way or another. It is this tightly woven, watchful community that encouraged me to be the best possible version of myself.

I would like to thank the teachers and coaches who have guided me throughout the years. Without the support of the teaching staff, I would not have been able to learn countless musical pieces, conquer college courses, earn my associate's degree while in high school, or ultimately become the class salutatorian. Likewise, had I not played sports, I would not have experienced going to sectionals with the softball team, placing two times in the badminton section tournament, or being a part of a back to back New York State Champion volleyball team. I am thankful to everyone who contributed to the many academic and athletic successes.

I would like to thank my family for always believing in me, even when I didn't believe in myself. From my dad telling me to trust my gut feelings, to my mom telling me to be proud of doing my best, to my sister Kenndra telling me not to sweat the small stuff, their support has been invaluable. I would also like to thank the incredible group of friends that I am lucky enough to be a part of. While each of us is considerably different, we somehow manage to form a weird little family whenever we are together. I am grateful for each and every one of them and the smiles they have put on my face.

Finally, I would like to congratulate my best friend Alli Miller, this year's valedictorian. Although we have shared a lot of stress and worry to get here, we have also shared unforgettable memories that will last a lifetime. I am honored that I get to experience this with such a genuinely wonderful human being. You are the most dedicated and hard-working person I know, and I am beyond proud of everything you have accomplished. Congratulations Alli, you amaze me.

To the B-G senior class of 2020, I think it is important to remember that although our senior year didn't go as any of us expected, this strange experience has only made us stronger in the end. If we can make it through a year as crazy as 2020, then we can tackle any obstacles that our futures may hold. I am proud of my classmates for embracing the situation and making the best of our unconventional senior skip year.

Congratulations B-G Class of 2020, we made it!

1

Alli Miller Valedictorian

Future Plans: Rochester Institute of Technology (RIT) to study Industrial Engineering

Advice for Underclassmen: Give everything your best shot because you have one life to live. Adding to that, remember to always work hard, but also cherish every moment spent with those you care about. Don't ever take life for granted because you never know when opportunities will be taken away.

Favorite Teacher: To select a favorite teacher while at Bainbridge-Guilford would be unfair, as every single educator from kindergarten through twelfth grade has taught me something different, thus shaping me into the person I am today. I am beyond thankful for all of the teachers in my life who have not only enlightened me in their respective subjects, but also taught me life long lessons!

As I sit here writing this in quarantine, I am saddened how my senior year isn't ending as I predicted. I never imagined my final months at B-G ending this way, afraid that I attended my last day of high school or the last softball practice without evening knowing. I was beyond excited for our honor society trip, senior trip, and badminton sectionals with my best friend. Although I am heartbroken having these events ripped away, B-G has taught me that it's not the specific events that make up the entirety of our memories, but the people one spends time with day after day that matter most. For the past twelve and a half years, we, the class of 2020, have built relationships through classes, clubs, athletics, musical groups, and simply walking the halls together. In this surreal time, the coronavirus pandemic has proven the value of interconnectivity, as we all sit home, yearning to be back at school and return to normal life.

Prior to this time of isolation, my time at B-G was far from isolated. I spent my time learning, studying, playing sports and music, and participating in clubs. Above all, relationships were formed throughout these activities and it is these connections that I will treasure most from B-G. It's the little day to day interactions that build up memories, from getting off on tangents in classes or clubs to making jokes in music rehearsals to having the smiling support of a third basemen as I return to the circle. Additionally, the consistent care and encouragement of staff throughout B-G for their students has always been prevalent and it is that type of concern that allows students to reach their potential through connections with educators. All of these relationships built upon determination and laughter ultimately create the bigger picture of an education at B-G. I want to thank every single person who has contributed in one way or another to my memorable experiences here at Bainbridge-Guilford!

Generally speaking, being an adoptee from China who was brought to this area, I consider myself extremely lucky to be a part of the Bainbridge-Guilford school and community. Fortunately, I was able to grow up with a variety of opportunities, thanks to supportive friends, family, educators, and community members. I will forever be grateful for the small town feeling of Bainbridge-Guilford, providing me with a comfortable atmosphere as I have grown up. Although ours may not be the richest community, I have felt its riches in other ways, including kindness and continuous support. Bainbridge-Guilford has given me a great start and I cannot wait to see where the future leads me. I wish the best to my fellow classmates, the Class of 2020!

P.S. - At the time I am writing this, it's uncertain whether we will see our final moving up day or our graduation ceremony. I am hopeful that we will be able to step foot in school a few more times, but if not, I will always have twelve and a half years of cherished memories.

NinaJo CAPOBIANCO

NinaJo Marie,

Right before our eyes you have somehow gone from this lively little girl with big brown eyes and long brown hair with ringlets and suddenly blossomed into the beautiful young woman that is full of confidence and conviction. Over the years we have watched you mature and grow, unsure of where the time has gone. As we watch you spread your wings and soar into the next chapter of your life's journey we couldn't be more proud of you. We will always hold you close to our hearts and bless you with the encouragement you so deserve. Never forget that the gifts of family, friends and faith will always be your most valuable gifts. You should be proud of yourself as well, for each accomplishment that you have made, and for the ones you will continue to make along the path toward reaching your goal. May your dreams stay big and your worries stay small, always reach for the stars!

We love you so much,

Valerie, Daddy and I are very proud of you for applying to be a Rotary Youth Exchange Student. Banska Bystrica, Slovakia is your new city, new home from August 2019 to July 2020. We know it will be hard to be away from family & friends but it will be one of the best years of your life. Experience all that you can, make new friends, families, new foods and travel as much as you can. Slovakia will always be a second home for you & one day we will travel back with you to meet the many people that have watched over you for 11 months. In July we will hear all about your families, Slovak friends, exchange friends & all the fun trips you did with your new exchange friends from around the world. We are very proud of you. – Love Daddy and Mommy

Valerie, I'm so proud of you for taking such an amazing opportunity going overseas for a year! I love you and I can't wait to go one day and see the new place you got to call home! – Love Gina

2019-2020

MY

This year I turned _____ years old

My best friends were _____

The biggest change in my life this year was _____

My go-to outfit was _____

My favorite class was _____

My favorite teacher was _____

My hardest class was _____

2019-2020 STORY

My favorite memory of the school year was

My favorite t.v. show was

The app I used the most was

The song I listened to on repeat was

After school I could always be found at

Future (Where I see myself in five years):

Most interesting place to travel was

The most shocking thing in the media was

How I spent March and April (hopefully not May and June!) of 2020 during the COVID 19 school closure:

These things also happened during our 2019-2020 School year...

INTRODUCTION

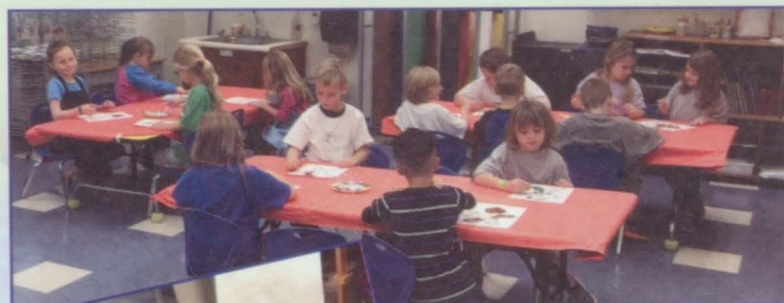

B-G is proud to offer its first ever Art Issue of the **Blue & White**. We would like to thank all our students for their hard work this year so far, and Mr. Ryan for offering us this opportunity to highlight some of the amazing artists that come through our doors each day.

Art classes have a different focus at each level. Younger students get a chance to work on motor skills, following directions, and seeing a project through to completion. As they get older, students are exposed to many different materials including acrylic paint, watercolor, and clay in addition to traditional pencil drawing. They learn about what makes an image 'good' (hint: it isn't just how realistic you can draw something). But most important, we as teachers try to help them develop their problem-solving skills. There are often many ways to solve a problem if we get stuck. If we can teach students to be flexible, talk it through with someone, and try a different way, they will become more resilient both in and out of the classroom.

Sincerely,
Ms. Hardy (Junior-Senior High Art)
and
Ms. Jenkins (Elementary Art)

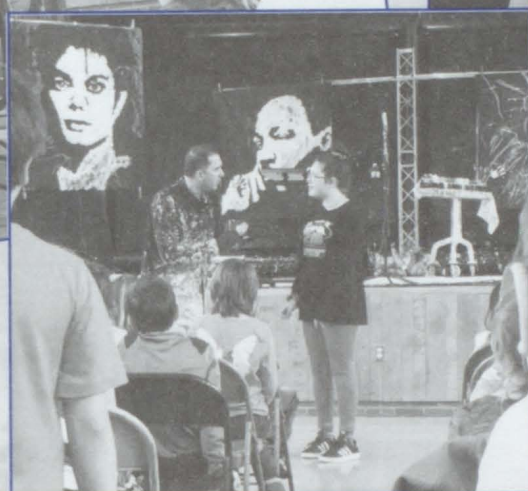

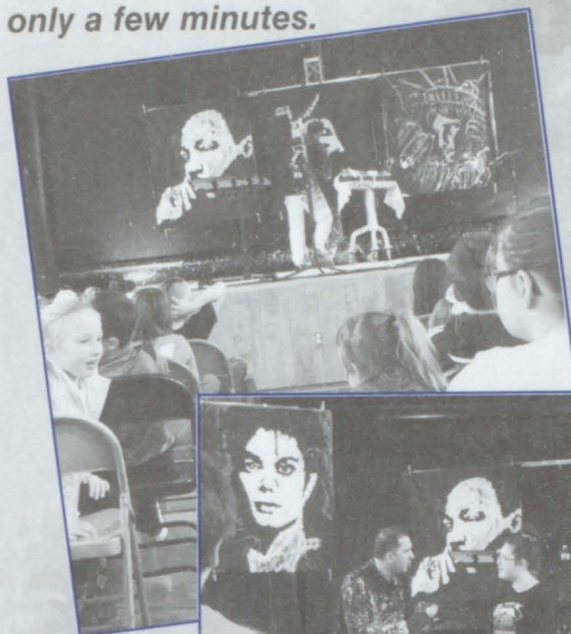

VALENTINE'S DAY FIREWORKS

Guilford students made Valentine's Day fireworks using chalk pastels and their fingers. They practiced making thick lines and tracing stencils while having fun in Art Class!

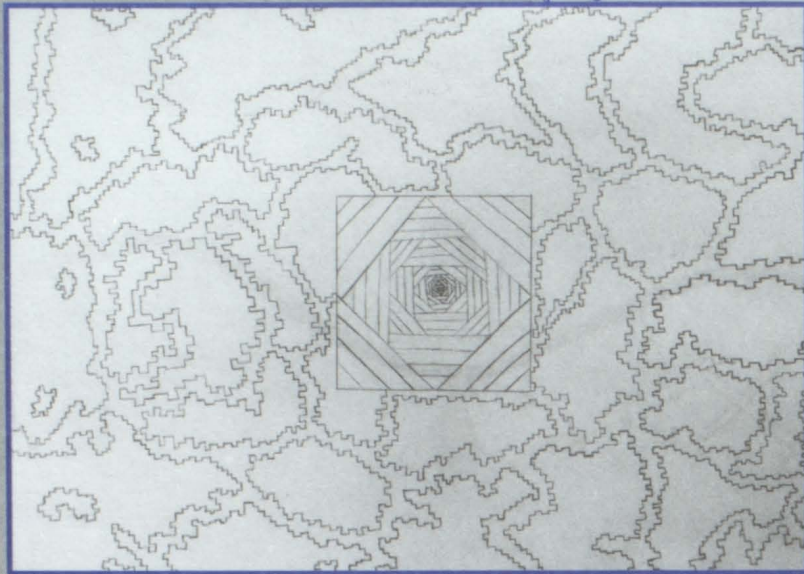

EMOTION INTO ART

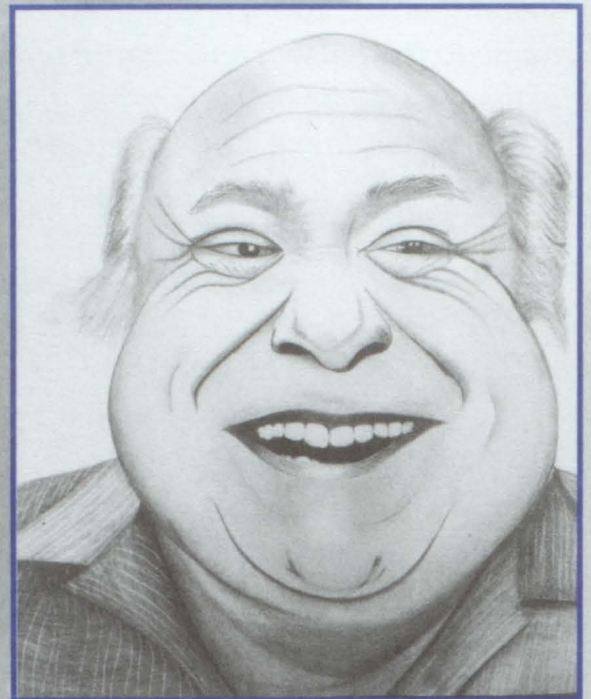

Visiting artist, Tom Varano from Emotion Into Art, came to Greenlawn and shared his speed painting skills, as well as important life messages such as bullying, kindness, and leadership. He captivated the entire school with his ability to paint large-scale portraits of the Statue of Liberty, Simba, Michael Jackson, and Martin Luther King Jr. in only a few minutes.

LEARNING TO SEW IN 2ND GRADE

All Greenlawn students learned how to sew this past winter. Here are some second graders from Mrs. Davis' class showing their new skills.

FOURTH GRADE VALUE GEMS

4th Grade students learned about value (the range from light to dark in an object), while also practicing their watercolor skills.

ACTION SHOTS

Left Hand / Right Hand

students were tasked with drawing a monster. However, they had to use both hands to draw one monster, and each hand had to draw the mirror image of the other half.

Tandem

with this monster drawing, two students worked together. One student drew slowly while the other had to follow along and draw the mirror image.
