The Association shall certify to the District in writing the current rate of membership dues at least ten (10) days prior to the second payroll in September.

Grievance Procedure

A. Declaration of Purpose

Whereas, the establishment and maintenance of a harmonious and cooperative relationship between the District and its bargaining unit members is essential to the operation of the schools, it is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to alleged grievances of bargaining unit members through procedures under which they may present grievances free from coercion, interference, restraint, discrimination, or reprisal, and by which the District and its bargaining unit members are afforded adequate opportunity to dispose of their differences without the necessity of time consuming and costly proceedings before administrative agencies and/or in the courts.

B. Definitions

1. A GRIEVANCE is any violation of this agreement or any dispute with respect to its meaning or application.
2. AGGRIEVED PARTY shall mean any person or group of persons in the negotiating unit filing a grievance.
3. PARTY-IN-INTEREST shall mean the Grievance Committee of the Association and any party named in a grievance who is not the aggrieved party.

4. GRIEVANCE COMMITTEE is the committee created and constituted by the Association.
5. HEARING OFFICER shall mean any individual or board charged with the duty of rendering decision at any stage of this grievance procedure.
6. SUPERVISOR shall mean the immediate administrative officer in charge of the building or educational area where the alleged grievance arises.

C. Procedure

2. Except for informal decisions at Stage 1, all decisions shall be rendered in writing at each step of the grievance procedure, setting forth findings of fact, conclusions, and supporting reasons therefore.
3. If a grievance affects a group of bargaining unit members, it may be submitted by the Association.
4. The preparation and processing of grievances, insofar as practicable, shall be conducted during the hours of employment but outside of the hours of teaching.

All reasonable effort will be made to avoid interruption of classroom activity or workspace and to avoid involvement of students in any phase of the grievance procedure.

5. The District and the Association agree to facilitate any investigation which may be required and to make available any and all materials and relevant documents, communications and records concerning the alleged grievance.
6. Except as otherwise provided in E.1 and E.2, an aggrieved party and any party in interest shall have the right at all stages of a grievance to confront and cross-examine all witnesses called against him/her to testify and to call witnesses on his/her own behalf, and to be furnished with a copy of any minutes of the proceedings made at each and every stage of this grievance procedure.

8. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
9. If any provision of this grievance procedure or any application thereof to any bargaining unit member or group of bargaining unit members in the negotiating unit shall be determined by any court to be contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.

D. Time Limits

2. No written grievance will be entertained as described below, and such grievance will be deemed waived unless written grievance is forwarded at the first available stage within twenty-five (25) school days after the bargaining unit member knew of the act or condition on which the grievance is based. If the bargaining unit member was not directly informed in writing of the matter on which the grievance is being based, the time limit for filing a grievance shall be thirty-five (35) school days.
3. If a decision at one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this agreement will be barred.
4. Failure at any stage of the grievance procedure to communicate a decision to the aggrieved party, within the specified time limit shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated by the final day.
