Bainbridge Guilford School District

School Based Clinician:

Pk – 12: Karlee Hoyt, LMSW

## Information and Services Offered

In partnership with Chenango County Behavioral Health, Bainbridge Guilford Schools is now able to offer Behavioral Health treatment to enrolled students right in the school setting. This service is offered to Bainbridge Guilford School District students grades Preschool to 12. Referrals can come from a variety of sources including, school officials, self-referral or primary care physician. If you are interested in learning more information or making a referral please contact the Child and Youth Outreach Specialist, Leah Millett at (607) 337-1689

### **Services Offered:**

- Individual and Family therapy
- Referrals and coordination with community agencies and resources to best address needs of the student
- Collaboration with Guidance Department and other school staff to ensure that student's needs are being met in school

### **Fees & Assistance:**

Services are provided through Chenango County Behavioral Health, which accepts many types of insurance, including Medicaid. If you are in need of services and do not have the ability to pay, staff will help you obtain the necessary assistance.
