GUILFORD'S ALMA MATER

Guilford High, your praise we love to sing,
Guilford High, what memories you bring
Fresh the gay maroon and white
Forward, upward, to the fight
For Guilford High, we pledge our best to thee,
Here's our hand, our love and loyalty,
So lead us on to victory,
Dear old Guilford High!

Dedication

This year, the 1958 Senior Class of Guilford Central School wish to dedicate their yearbook to a former teacher. For a number of years, students were met by her warm smile as they attended history and math classes. She was always willing to help someone whether in school or out. We are deeply grateful for her patience, understanding, and thoughtful guidance which will be with us for the rest of our lives. We dedicate the 1958 YEARBOOK to MRS. HELEN ROBERTS.

PRINCIPAL'S MESSAGE

To The Class Of 1958

The year that you have been waiting and preparing for is about to close. In the course of events during the years since you entered school, many things have happened to you. Some were good, some were bad; some made you happy and some made you sad.

In your early years, you did as you should because of obedience to someone, your parents, your teachers or someone else. As you progressed through school, this obedience has changed to another force that comes from within. Let us say that force comes from the development of individual responsibility.

I feel that each of you have developed this sense of responsibility to the point where you will now be looking ahead and working toward goals which you have and will set in life.

My very best wishes to all of you as you go your different ways on your journey through life.

Sincerely,

G. Thomas Albee

CLASS PROPHECY

What an evening! I have just returned from the reunion of my high school class. Now fifteen years later we have held our first reunion. Because our class of eight was so large we held the reunion at Madison Square Garden. Our advisor, Mrs. Parciany, was the hostess.

I sat there thinking about the various positions in life my former classmates had taken since that graduation night when we parted back in 1958.

Alan Ives, the president of our senior class is now President A. Kent Ives of the United States. "A. Kent" won by a landslide in the 1972 presidential election over the honorable Elvis Presley. It seems the public would rather have "A. Kent's" cows in the White House than Elvis's wiggle.

Pat Utter, who always loved athletics in high school is now the star of the Guilford Yankees. Thanks to Pat's homers the Yanks won their first World Series since moving from New York ten years ago to that equally large city of Guilford.

Hugh Chesebro has made a name for himself as Commander of the Army on Mars. However, Hugh was unable to be present. He accidentally got caught on a rocket that was being sent to outer space. Hugh is now peacefully circling the earth as the first human satellite.

Carol Ingham and Francis Hubbard, our "Romeo and Juliet" in high school, are now happily married and the parents of four little boys. After high school Carol won national fame as the first woman to head an expedition to the South Pole. While there she became an expert on penguin psychology. Francis is now known as "Rock" Hubbard, the biggest gangster boss in New York City. That must be why he kept diving under the table and pulling a gun every time a guest arrived at our reunion.

Janie Wall has done very well for herself. She now owns what was formerly the Stork Club. Janie renamed it "Wall's Goose Club." She is married to a tall blond, blue-eyed movie star whom she secretly had a crush on in high school. She hasn't dyed her hair recently so it is now black.

Dick Stanley is now a special policeman who tracks down anybody who drives faster than thirty miles an hour. Dick is very dedicated to his work because he can't stand fast drivers. He never exceeds twenty miles an hour himself???

Then I took a look at myself. I guess I have done all right, too. After marrying the president of Cornell University and raising two sets of twins I've settled down to living in peaceful Cornell Mansion.

All of us seem to be very happy with our lives. Although few of us knew what we were going to do in 1958, I guess it was just as well???

Senior Class History

In the fall of 1945, four members of our present Senior Class started school in Kindergarten. They were Pat Utter, Francis Hubbard, Alan Ives, and Hugh Chesebro.

Being promoted to first grade was a big step in our lives. There we were met by more pupils who were Mary Ryan, Carol Ingham, and Harry Phelps.

In fourth grade we were greeted by Jane Wall and in eighth grade by Richard Stanley.

We elected class officers and sent a representative to Student Council in the seventh grade. We had bake sales and a booth at the school fair. We had a very exciting trip to Cooperstown with Mrs. Stapleton.

Our eighth grade activities were very similiar to our seventh grade activities. Everyone enjoyed the wonderful trip to Albany. In June we were glad to receive our Regents Diplomas, thanks to the hard work of Mrs. Stapleton.

Our Freshman year was a proud year for us. Two members of our class, Jane Wall and Mary Ryan participated in the American Legion Oratorical Contest. Jane won first prize in this contest and also in the Prize Speaking Contest. Our five boys played Junior Varsity Basketball on our Championship team.

Again our boys played Junior Varsity Basketball and won the Championship, during our Sophomore year. Our activities were few but we enjoyed our Sophomore year.

Our Junior year was another proud year. Mary Ryan and Francis Hubbard were chosen to go to the Citizenship Conference at Syracuse, both Junior and Senior years. Also Francis Hubbard was chosen to go to Boys' State at Hamilton, New York and to represent the Chenango County Junior Red Cross at Miami University in Oxford, Ohio. Our boys played the Senior boys in a Donkey Basketball game. Our four boys played Varsity Basketball along with the other sports offered. In the spring, we were very sorry to lose Harry Phelps who moved to Long Island.

Our Senior year has been a thrilling one and one we will cherish for years to come. We have been working hard to earn money for our Washington Trip, the annual yearbook, our prom, and last but by no means least, our graduating night, June 20, 1958.

This is no Bull!

GUILFORD'S ALMA MATER

Guilford High, your praise we love to sing,
Guilford High, what memories you bring
Fresh the gay maroon and white
Forward, upward, to the fight
For Guilford High, we pledge our best to thee,
Here's our hand, our love and loyalty,
So lead us on to victory,
Dear old Guilford High!
