

Summer 2022

Dear Multiagers and Families,

We hope you are enjoying a summer full of fun adventures! We are excited to be planning for next year. We can't wait to get started!

During this school year, we will be "traveling around the world" in our learning. We will begin by mapping the earth, including continents and oceans. We will move on to learn about the national parks of the United States, and the people, animals, and cultures in the different biomes of the world.

Each day we have PE, so your child will need sneakers every day. You are welcome to leave a pair at school. We also have snack time. Please send your child with a healthy snack each day. We are requesting that a water bottle be sent to school daily.

On the first day of school, please bring something that makes your child think of a place that they would like to visit. Also, please return the included sheet to tell us all about your child. We hope you enjoy your summer and are excited to join us in the fall for a fun-filled school year!

Love,

Mrs. Madugno
