Timothy Ryan
Presents

- Mr. Ryan has had many meetings regarding the design and layout of the Guilford kitchen. The good news is that while renovations are going on, the students will be able to use the cafeteria to eat in. Mr. Ryan has shared the blueprints with the kitchen staff to get their input as well. The kitchen managers were happy to be included in the process.
- The prospective SRO for Guilford was interviewed last Monday. Mr. Ryan feels the interview went well and the committee had no concerns.
- Mr. Ryan had a meeting with the Chenango County Chamber of Commerce President, Sal Testani. Mr. Ryan feels that there are a lot of opportunities that we aren't taking advantage of. The Chamber will meet with all Chenango County Superintendents in August. A job fair is being planned at the Norwich High School.
- Mr. Ryan met with two individuals from Community Bank to discuss them coming into the school and working with 10th and 11th graders on banking and finance education.
- Mr. Ryan is planning to discuss a dress code issue that was brought forth by a parent at the next Principals meeting.

There were two visitors in the audience. Both visitors are parents who addressed the Board of Education concerning the dress code and the use of headbands by male students. Mr. Ryan did express to the parent that he would be meeting with the principals concerning the dress code in the coming weeks.
