**RE: Bid Award Results for School & Office Supply Bid 2024-100**

**Results & Awards:**

The bid was opened on February 27, 2024 and resulted in eight bid submissions. Two bids are for discount items only.

The bid resulted in the receipt of six bids. The committee met with members of the school districts on March 14, 2024 to make recommendations for the award. The committee discussed awarding the bid by different methods. The consensus from the committee while also taking into consideration the thoughts and concerns that were voiced to the committee from the districts was to award the lowest bid by line item. The committee agreed that this was the best option.

Please see the attached “School & Office Supply Bid Awards” in a PDF format. These are the results of the bid award recommendations. Any district in the service may take advantage of this award, even if the district did not participate in the initial requisitioning of items. The vendor contact sheet will give you additional information regarding the awarded bidder, such as the address, phone number, contact person, etc.

**Please make sure your PO's include the Bid Number 2024-100 and any other reference number as requested by the vendor as seen highlighted on page 4.**

**IMPORTANT BID INFORMATION:**

Please note that according to our contract the awarded vendors must follow these terms:

- Must deliver and invoice within 35 days from the date the vendor confirms they received the purchase order. (If a vendor fails to deliver in this time, please contact our office, as we may implement the Buy Against Clause)
- Pricing is firm until 4/30/25.
- Must provide the brand they specified on the bid throughout the bid contract.
- Must not substitute any item unless they have advance approval from the district.
- Cannot say an item is discontinued or no longer available, and offer you a higher priced item. – PLEASE CONTACT US IMMEDIATELY – Substitutions must be at the bid price.
- Must not include shipping, handling or fuel surcharges on any order meeting minimum.
- You can combine orders for other items not on bid with any purchase order containing bid items to reach the minimum ordering amount (if applicable).

**DISCOUNTS:**

6678 County Road 32, Norwich, New York 13815-3554  
(607) 335-1200 • FAX (607) 334-9848

The vendors who offer discounts off their website or catalog are listed below. If the item you need is not within this bid, you can search for the item utilizing the discounts from the vendors to ensure that you are getting the best possible price. Sometimes a 15% discount from one vendor is better than a 20% discount from another vendor but you must do your research and also look at minimum order amounts. Please review the discount analysis for further information.

### **NO BID ITEMS/REJECTED ITEMS**

If you see any price that shows as \$0.00 on any reports or online this means the item in question did NOT RECEIVE A BID. The item was either discontinued or not available from the vendors who provided a bid. The No Bid items may have a suitable substitution within the bid awards.
