Re: Cooperative Purchasing Special Education Supply Bid Awards #2024-105

RESULTS & AWARDS:

On April 3, 2024, the DCMO BOCES Board of Education reviewed the bid award recommendations, and approved and awarded the bids.

DISCOUNTS:

The vendors offered discounts off their website or catalog. These discounts are specified on the vendor contact sheet. If the item you need is not on the line item bid, you can search for the item utilizing the discounts from the vendors to ensure that you are getting the best possible price. Sometimes a 15% discount from one vendor is better than a 20% discount from another vendor but you must do your research. Please review the discount analysis for further information.

AWARD BOOKLETS:

Award booklets will be posted on our website. Import Files for WinCap and nVision will be available in your school district's Shared Google Folder. If you see any price that shows as \$0.00 on any reports or online this means the item in question did NOT RECEIVE A BID. The item was either discontinued or not available from the vendors that submitted a bid. The No Bid items may have a suitable substitution within the bid awards.

Please note that in some cases the original quantity had adjustments to reflect the updated alternate unit of measure. For example, if the original unit of measure was "each" and the item award has a unit of measure of 12, a teacher originally ordering 12 will see an order on their PO Attachment for 1, which reflects the awarded alternate unit of measure.

SUBSTITUTED ITEMS:

The vendor must supply the products to our original specification unless the vendor otherwise offered an alternate brand which was accepted and awarded. The alternate brands awarded are on the award sheets within the descriptions. Alternate items or UOM are within the item's specification and within the "Alternative Information" column.

IMPORTANT BID INFORMATION:

Please note that according to our contract the awarded vendors must follow these contract terms:

- Must deliver and invoice within 35 days from the date the vendor confirms they received the purchase order. (If a vendor fails to deliver in this time, please contact our office, as we may implement the Buy Against Clause)
- Pricing is firm until 4/30/25.
- Must provide the brand they specified on the bid throughout the bid contract.
- Must not substitute any item unless they have advance approval from the district.
- Cannot say an item is discontinued or no longer available, and offer you a higher priced item. – PLEASE CONTACT US IMMEDIATELY – Substitutions must be at the bid price.
- Must not include shipping, handling or fuel surcharges on any order meeting minimum.

- The minimum purchase ordering amount when using the line item portion of this bid is \$25.00 to receive free freight.
- You can combine orders for other items not on bid with any purchase order containing bid items to reach the minimum ordering amount (if applicable).

SHIPPING NOTES:

Basic Instructions:

1. Check P.O. Attachments for small orders under the minimum amount of \$25.00. These orders can combine with other orders so that the district meets the minimum order amount (if applicable).
2. You may receive a Purchase Order Attachment that has no vendor listed at the top; this report shows items that are no bid items. Either there were no bids received for these items or the bid received did not meet specification and Requisitioners should review these sheets and either, research the item to see if it may be available from the awarded vendor or find a substitution in the bid or catalog. If the items are available, the vendor's name, product source number and price (with discount taken, if applicable) may be written on the top of the PO Attachments and used in the same capacity as a normal Purchase Order Attachment.
3. Make sure to reference any reference numbers and the DCMO BOCES Bid # 2023-105 on all Purchase Orders.

PRODUCT QUALITY / VENDOR ISSUE RESOLUTION PROCESS:

If you should encounter a Product Quality problem or Vendor Issue, please follow the process below:

1. Call the vendor contact person. Note the date and time you called about the issue. Make sure to have them give you a time or date that the problem will be resolved. Make sure you get the person's name and their phone number.
2. If the problem is not resolved or the person you spoke to is not responsive to correcting the problem, please email us the information below:
 - a. Details of the problem
 - b. The company you having an issue with
 - c. The PO Number and/or Invoice number
 - d. Your customer number
 - e. The person's name at the company you spoke to about the issue and their phone # f. Variance form

Once we have the information we will work with the vendor and copy you on the email. If you need to speak with us for any reason, you can email us at cooppur@dcmoboces.com. Feel free to call or email us with your issues or concerns. We will try our best to get it sorted!
